NOTES TO FINANCIAL STATEMENTS

Note 1. - Summary of Significant Accounting Policies and Going Concern

A. Accounting Practices

The accompanying financial statements of Enact Financial Assurance Corporation (the "Company") have been prepared on the basis of accounting practices prescribed by the North Carolina Department of Insurance ("NCDOI"). The state of North Carolina requires insurance companies domiciled in the state of North Carolina to prepare their statutory financial statements in accordance with the National Association of Insurance Commissioners' ("NAIC") Accounting Practices and Procedures Manual subject to any deviations prescribed or permitted by the NCDOI.

B. No significant change.

C. Accounting Policies

Loan-backed bonds and structured securities ("LBaSS") other than non-agency residential mortgage-backed securities are stated at amortized cost using the modified scientific method, except where NAIC designation has fallen to 3 or below and the fair value has fallen below amortized cost, in which case they are stated at fair value. Amortization of LBaSS is based on prepayment assumptions that are updated at least annually. Significant changes of estimated cash flows from original purchase assumptions are accounted for using the retrospective adjustment method for all such securities, except for securities for which the Company recorded other-than-temporary impairment charges. In such instances, the prospective method is used.

D. Going Concern

Based upon its evaluation of relevant conditions and events, management does not have substantial doubt about the Company's ability to continue as a going concern.

Note 9. - Income Taxes

In August 2022, the Inflation Reduction Act of 2022 ("Act") was passed by the US Congress and signed into law by President Biden. The Act includes a new Federal alternative minimum tax ("AMT"), effective in 2023, that is based on the adjusted financial statement income ("AFSI") set forth on the applicable financial statement ("AFS") of an applicable corporation. A corporation is an applicable corporation if its rolling average pre-tax AFSI over three prior years (starting with 2020-2022) is greater than \$1 billion. For a group of related entities, the \$1 billion threshold is determined on a group basis, and the group's AFS is generally treated as the AFS for all separate taxpayers in the group. Except under limited circumstances, once a corporation is an applicable corporation, it is an applicable corporation in all future years.

An applicable corporation is not automatically subject to an AMT liability. The corporation's tentative AMT liability is equal to 15% of its adjusted AFSI, and AMT is payable to the extent the tentative AMT liability exceeds regular corporate income tax. However, any AMT paid would be indefinitely available as a credit carryover that could reduce future regular tax in excess of

The controlled group of corporations of which the Company is a member has determined that it likely will not be an applicable corporation in 2023. In making such determination, the group has made certain interpretations of, and assumptions regarding, the AMT provisions of the Act. The US Treasury Department is expected to issue guidance throughout 2023 that may differ from the group's interpretations and assumptions and that could alter the group's determination.
