A. Accounting Practices

The accompanying financial statements of Enact Financial Assurance Corporation (the "Company") have been prepared on the basis of accounting practices prescribed by the North Carolina Department of Insurance ("NCDOI"). The state of North Carolina requires insurance companies domiciled in the state of North Carolina to prepare their statutory financial statements in accordance with the National Association of Insurance Commissioners' ("NAIC") Accounting Practices and Procedures Manual subject to any deviations prescribed or permitted by the NCDOI.

B. Use of Estimates in the Preparation of the Financial Statements

The preparation of financial statements in conformity with Statutory Accounting Principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the period. Actual results could differ from those estimates.

C. Accounting Policies

Premiums are earned over the terms of the related policies and reinsurance contracts. Unearned premium reserves are established to cover the unexpired portion of premiums written. Such reserves are computed by pro rata methods for direct business and are based on reports received from ceding companies for reinsurance assumed. Expenses incurred in connection with acquiring new insurance business, including such acquisition costs as sales commissions, are charged to operations as incurred. Expenses incurred are reduced for ceding allowances received or receivable.

In addition, the Company uses the following accounting policies:

1. Short-term investments are stated at amortized cost, which approximates fair value.
2. Investment grade bonds not backed by other loans are stated at amortized cost using the modified scientific 30/360 method. Non-investment grade bonds are stated at the lower of amortized cost or fair value.
3. Common stocks - Not applicable.
4. Preferred Stocks - Not applicable.
5. Mortgage Loans - Not applicable.
6. Loan backed securities - Not applicable.
7. Investments in subsidiaries or affiliated companies - Not applicable.
8. Investments in joint ventures, partnership, or limited liability companies - Not applicable.
9. Derivative financial instruments - Not applicable.
10. The Company does not anticipate investment income as a factor in premium deficiency calculations.
11. Unpaid losses and loss adjustment expenses include an amount determined from individual case estimates and loss reports and an amount, based on past experience, for loss incurred but not reported. Such liabilities are necessarily based on assumptions and estimates and while management believes the amount is adequate, the ultimate liability may be in excess of or less than the amount provided. The methods for making such estimates and for establishing the resulting liability are continually reviewed and any adjustments are reflected in the period determined.
12. Capitalization policy - Not applicable.
13. Pharmaceutical rebate receivables - Not applicable.

D. Going Concern

Based upon its evaluation of relevant conditions and events, management does not have substantial doubt about the Company's ability to continue as a going concern.

3. Additionally, Enact Mortgage Insurance Corporation, Enact Mortgage Reinsurance Corporation, Enact Mortgage Insurance Corporation of North Carolina and Enact Financial Assurance Corporation (collectively, the "MI Group"), were parties to a supplemental tax sharing agreement that allowed them to accelerate the utilization of benefits as if they filed a stand-alone MI Group federal income tax return, even if those benefits had not been utilized in the consolidated federal return ("deemed used losses"). If any deemed used losses were subsequently actually used in a consolidated return, the members of the MI Group which received the benefit for such deemed used losses would not receive a second benefit for such losses. Also, if any member of the MI Group received benefit for any deemed used losses and leaves the consolidated group before such deemed used losses are actually used in a consolidated return, such member will repay such benefit received. Any benefits generated by the MI Group after January 1, 2021, will follow the TAA mentioned above, which does not allow for an acceleration when utilizing benefits.
4. For tax years prior to 2011, the Company filed, and was included in, the consolidated U.S. Federal income tax returns filed by Genworth and various state and local tax returns. For tax years beginning in 2011, the Company was included in the life/non-life consolidated return filed by Genworth, and also filed various state and local tax returns. The Company is not currently subject to any significant examinations by federal or state income tax authorities. Generally, the Company is no longer subject to federal or state income tax examinations for years prior to 2020.

As of December 31, 2023 and 2022, the Company had no unrecognized tax benefits. Accordingly, there would be no effective tax rate impact from recognition of previously unrecognized tax benefits, and no accrued interest or penalties.

In the case of a mortgage guaranty insurer, deferred tax assets on temporary differences related to its statutory contingency reserve are not recognized to the extent that tax and loss bonds have been purchased. The Company has not purchased any tax and loss bonds, and has no plans to acquire such bonds for the current or prior tax years.

G. Tax Loss Contingencies

The Company has no federal or foreign tax loss contingencies as of this reporting date.

H. Inflation Reduction Act of 2022

In August 2022, the Inflation Reduction Act of 2022 ("Act") was passed by the U.S. Congress and signed into law by President Biden. The Act includes a new Federal alternative minimum tax ("AMT"), effective in 2023, that is based on the adjusted financial statement income ("AFSI") set forth on the applicable financial statement ("AFS") of an applicable corporation. A corporation is an applicable corporation if its rolling average pre-tax AFSI over three prior years (starting with 2020-2022) is greater than \$1.0 billion. For a group of related entities, the \$1.0 billion threshold is determined on a group basis, and the group's AFSI is generally treated as the AFSI for all separate taxpayers in the group. Except under limited circumstances, once a corporation is an applicable corporation, it is an applicable corporation in all future years.

An applicable corporation is not automatically subject to an AMT liability. The corporation's tentative AMT liability is equal to 15% of its adjusted AFSI, and AMT is payable to the extent the tentative AMT liability exceeds regular corporate income tax. However, any AMT paid would be indefinitely available as a credit carryover that could reduce future regular tax in excess of AMT. The controlled group of corporations of which the Company is a member has determined it is not an applicable corporation in 2023.

- C., D., E., and F. Dividends and Restrictions
The Company is required to maintain minimum capital on a statutory basis. Additionally, all proposed dividends or distributions, regardless of amount and source, are subject to review and potential disapproval by the N.C. Commissioner of Insurance (the "Commissioner"). Within that general regulatory right of review process, there are three (3) minor procedural variances depending on (i) the amount of the dividend or distribution as well as (ii) the source thereof. As regards amount, dividends and distributions may be classified as either "ordinary" or "extraordinary". (1) The review standard for an "ordinary" dividend or distribution is that notice must be given to the Commissioner 30 days in advance of the proposed payment date, during which period the Commissioner may disapprove the proposed dividend or distribution. An "extraordinary dividend or distribution" is defined by statute as one, which combined with all others made in the preceding 12 months, exceeds the greater of (i) 10 percent of the insurer's surplus as regards policyholders as of the preceding December 31, or (ii) net income, excluding realized capital gains, for the 12-month period ending the preceding December 31. (2) The review standard for an "extraordinary" dividend or distribution is effectively the same as that for an "ordinary" dividend or distribution that the insurer must give 30 days' notice and the Commissioner has not disapproved the proposal in that 30-day period. For both "ordinary" and "extraordinary" dividends, the Commissioner has the option to affirmatively grant approval prior to the expiration of the 30-day notice period. (3) Finally, as regards source of funds, the payment of any dividend or distribution from any source other than unassigned surplus, regardless of the amount, requires prior written approval of the Commissioner. In each of the three (3) instances, approval or non-disapproval of any dividend or distribution is based upon the reasonableness of the insurer's surplus in relation to its outstanding liabilities and the adequacy of its surplus relative to its financial needs. Based on its 2023 financial results, in accordance with applicable dividend restrictions, the Company could pay dividends from unassigned surplus of \$1,020,707 in 2024 without obtaining prior regulatory approval, although notice of the intent to pay must be provided to the Commissioner 30 days in advance thereof during which period the Commissioner may review the dividend pursuant to statutory standards. The Company paid no dividends in 2023 or 2022.

SCHEDULE P INTERROGATORIES

- 1. The following questions relate to yet-to-be-issued Extended Reporting Endorsements (EREs) arising from Death, Disability, or Retirement (DDR) provisions in Medical Professional Liability Claims Made insurance policies. EREs provided for reasons other than DDR are not to be included.
- 1.1 Does the company issue Medical Professional Liability Claims Made insurance policies that provide tail (also known as an extended reporting endorsement, or "ERE") benefits in the event of Death, Disability, or Retirement (DDR) at a reduced charge or at no additional cost? Yes [] No [X]
If the answer to question 1.1 is "no", leave the following questions blank. If the answer to question 1.1 is "yes", please answer the following questions:
- 1.2 What is the total amount of the reserve for that provision (DDR Reserve), as reported, explicitly or not, elsewhere in this statement (in dollars)? \$
- 1.3 Does the company report any DDR reserve as Unearned Premium Reserve per SSAP #65? Yes [] No []
- 1.4 Does the company report any DDR reserve as loss or loss adjustment expense reserve? Yes [] No []

- 1.6 If the company reports DDR reserve as loss or loss adjustment expense reserve, please complete the following table corresponding to where these reserves are reported in Schedule P:

Years in Which Premiums Were Earned and Losses Were Incurred		DDR Reserve Included in Schedule P, Part 1F, Medical Professional Liability Column 24: Total Net Losses and Expenses Unpaid

For reinsurers, Adjusting and Other expense assumed should be reported according to the reinsurance contract.
