Notice of 2024 Annual Meeting and Proxy Statement

Who We Are

Enact, through its subsidiaries, is a leading U.S. private mortgage insurance provider offering borrower-centric products that enable lenders and other partners across the U.S. to help people responsibly achieve and maintain the dream of homeownership. We take pride in our culture where employees are respected, heard, and empowered to do their best work. We enjoy working hard, learning as a team and celebrating our successes. Enact is headquartered in Raleigh, North Carolina.

What We Do

Building on a deep understanding of lenders' businesses and a legacy of financial strength, we partner with lenders to bring best-in-class service, leading underwriting expertise, and extensive risk and capital management to the mortgage process, helping to put more people in homes and keep them there.

Why We Do It

At Enact, we live our values of Excellence, Improvement, and Connection in all that we do. Our mission to help people get into and stay in their homes has a positive impact on our world and inspires us to go the extra mile. We look at the bigger picture, always considering our customers' processes and their borrowers' experience. By empowering customers and their borrowers, we seek to positively impact the lives of those in the communities in which we serve in a sustainable way.

Letter from Dom and Rohit

“As we move forward, we will continue to be prepared for a variety of economic scenarios in our business. We will continue to execute diligently against our plans to further build a resilient portfolio, strengthen our financial position, and maximize long-term shareholder value.”

April 2, 2024

Dear fellow Stockholder,

We are pleased to invite you to the 2024 Annual Meeting of Stockholders of Enact to be held virtually at 11:00am Eastern time on Thursday, May 16, 2024.

The Annual Meeting will include voting on the matters set forth in the accompanying Notice of 2024 Annual Meeting of Stockholders and Proxy Statement, and discussion and/or voting on any other business matters properly brought before the meeting.

Whether or not you plan to attend the 2024 Annual Meeting of Stockholders, you can ensure that your shares are represented at the meeting by promptly submitting your proxy by telephone, Internet, or by completing, signing, dating, and returning your proxy card.

During 2023, we continued to focus on value creation in our core business while capitalizing on opportunities to invest in our future. We continued to make great strides across our strategic priorities, operate with purpose, and drive forward our mission of enabling the dream of sustainable homeownership. We are proud of the progress Enact has made in the past year and are pleased to provide you with key updates on how the Board and management team continue to create value for our stockholders.

Achieved strong financial results:

Enact continued to demonstrate strong financial performance in 2023. We drove prudent growth in insurance-in-force, maintained expense discipline, strengthened our balance sheet, and returned capital to shareholders while investing in our business. Enact achieved record revenue of \$1.15 billion, an insurance-in-force of \$263 billion, and a record low expense ratio of 23%. Credit performance remained strong throughout the year and we remained committed to operating with strong balance sheet principles and financial flexibility, with PMIERS sufficiency at year end of 161%, or \$1.9 billion above the PMIERS requirements, total equity of \$4.6 billion, and consolidated risk to capital ratio of 11.6:1. Enact received several upgrades to its credit ratings through the year, achieving an investment grade senior debt rating. And our strong performance enabled us to return over \$300 million to shareholders, exceeding our target. We raised our dividend by 14% in the second quarter, launched a second share repurchase program in the third quarter, and declared a special cash dividend in the fourth quarter.

2023 was a complex and dynamic year for the housing and mortgage markets. Homebuyers continue to face headwinds coming from higher interest rates, lower housing supply, and inflation that have made it more difficult for people to purchase a home. However, even with these challenges, underlying demand for homes remains very strong, first-time homebuyer demographics are favorable for our industry, and private mortgage insurance is and will continue to be an important tool to help homebuyers qualify for a mortgage. Enact does an extraordinary job serving the needs of homebuyers and we are optimistic as we look to the future.

Advanced our capabilities and invested in the future:

We're proud of Enact's strategic achievements in 2023. We made several key advancements in our core business and in adjacent opportunities. In particular, we extended our franchise into reinsurance with the launch of Enact Re, and we continued to drive innovation and advance our digital and technological capabilities to better meet the evolving needs of our core MI customers.

We evaluate the competitive landscape as part of our efforts to offer a world-class customer experience for each of our lender partners, and work to support our customers in the environment that works best for them and ultimately provide them with access to our differentiated MI products. It comes down to being simple and frictionless, and we delivered important enhancements in 2023 to enable commercial success and customer engagement that's efficient and intelligent. In fact, we added 150 new customers last year in a market that saw the number of lenders contract.

We are committed to developing technologies that come together to solve problems and advance our industry. One of our top priorities is to ensure Enact's capabilities lead the industry and we're fortunate to have a highly talented and deeply committed team who continue to keep pace with investments in our data and technology platform. Progress in these areas positions Enact for the future and enhances shareholder value.

Thank you to Enact employees:

We are grateful to everyone at Enact for the work they do each and every day. 2023 was another successful year for Enact and it would not have been possible without the outstanding efforts of our employees. Please join us in extending our sincerest thanks to each of them for their focus and commitment.

As we move forward, we will continue to be prepared for a variety of economic scenarios and remain focused on executing our strategy to grow our insured portfolio, strengthen our financial position, and maximize long-term stockholder value. We look forward to keeping you updated on our progress and thank you for your investment in and support of Enact.

Cordially,

Dominic Adesso

In accordance with the U.S. Securities and Exchange Commission rule, we are furnishing this Proxy Statement and our Annual Report on Form 10-K for the year ended December 31, 2023 ("2023 Annual Report") to many of our stockholders solely over the Internet. We believe posting these materials on the Internet enables us to provide stockholders with the information more quickly. In addition, it lowers the cost of printing and reduces the environmental impact of our 2024 Annual Meeting of Stockholders. The Notice of Internet Availability of Proxy Materials sent to our stockholders explains how to access the proxy materials online, vote online, and, if desired, obtain a paper copy of our proxy materials. You may view the list of registered stockholders on the website for the 2024 Annual Meeting of Stockholders.

We encourage you to participate in the 2024 Annual Meeting of Stockholders. You may vote by telephone, through the Internet, or by mailing your completed and signed proxy card (or voting instruction form, if you hold your shares through a broker, bank, or other nominee). Each share of common stock issued and outstanding as of the record date is entitled to one vote on each matter to be voted upon at our 2024 Annual Meeting of Stockholders. Your vote is important, and we encourage you to vote.

This Notice, the Proxy Statement, our 2023 Annual Report, and proxy card are expected to be made available or mailed to stockholders on or about April 2, 2024.

Enact Business Overview

Enact Holdings, Inc. (the "Corporation," "Enact," "we," "our" and "us"), through our operating subsidiaries, is a leading private mortgage insurance provider serving the United States housing finance market with a mission to help people buy a house and keep it their home. We operate in all 50 states and the District of Columbia, have long-tenured customer relationships with mortgage lenders, and are focused on underwriting excellence and prudent risk and capital management practices. We believe our operating and technological capabilities ensure a superior customer experience and drive new business volume at attractive risk-adjusted returns. For the full year ended December 31, 2023, we generated new insurance written ("NIW") of \$53 billion and our 2023 market share was approximately 19%. As previously stated, our mission is to help those who might otherwise not be able to achieve the dream of homeownership, and in 2023, we helped nearly 150,000 borrowers achieve homeownership and create a path to building wealth, and helped over 14,000 families stay in their homes.

Our strategic priorities are to 1) drive profitable growth in our core market; 2) transform core mortgage insurance (MI) business to maximize value & efficiency; 3) grow shareholder value by capitalizing on our core assets and skillsets; and 4) drive an exceptional employee experience.

While higher interest rates, low housing supply, and affordability continued to impact our business and financial results, we successfully executed in 2023 on our strategic priorities as follows:

Drive Profitable Growth In Our Core Market

- Enact helped nearly 150,000 households achieve homeownership and over 14,000 households stay in their homes during 2023
- Served over 1,700 active customers including all of the top 25 mortgage originators that use private mortgage insurance
- Insurance-in-force rose to a record \$263 billion on \$53 billion of NIW
- Executed on our commitment to build our book with high-quality and prudently priced business, and did so with 2023 new business pricing yielding attractive returns

Transform Core MI Business to Maximize Value & Efficiency

- Continued focus on cost discipline as full-year 2023 operating expenses were down 7% year over year to \$223 million
- Invested to increase differentiation, drive efficiencies and enhance decision-making including improved underwriting efficiency and deepened understanding of layered risks
- Achieved record underwriting productivity while maintaining outstanding levels of quality control

Grow Shareholder Value by Capitalizing On Our Core Assets and Skillsets

- Delivered a Return on Equity of 15.2%
- Returned over \$300 million to shareholders in 2023
- Completed our first-ever share repurchase program of \$75 million and initiated a new \$100 million share repurchase program
- Capital and liquidity positions remained strong with low financial leverage; robust PMIERs sufficiency of \$1.9 billion or 161%
- Expanded platform to pursue opportunities in adjacent markets, including the launch of Enact Re which participated in seven GSE Credit Risk Transfer transactions

Drive an Exceptional Employee Experience

- Recognized by numerous publications and won 5 external awards for leadership and innovation in diversity; best rewards and recognition strategy, and most community-minded business
- Scored > 90th percentile in the Gallup Overall Employee Engagement Index when compared to all companies in Gallup's database
- Opened an employee fitness center at our headquarters in Raleigh, NC
- Expanded rewards and recognition programs to further empower employees and managers to give immediate appreciation in the moments that matter
- Awarded over \$225,000 in grants to nonprofit organizations through the Enact Foundation in 2023

Our Ongoing Commitment to ESG

At Enact, our vision for Environmental, Social, and Governance (“ESG”) issues remains closely aligned with our mission—to help more people responsibly achieve the dream of homeownership. Rising interest rates have made this mission even more vital, as affordability becomes an issue for more and more families who lack the traditional 20% down payment. We are steadfast in our belief that, by providing responsibly underwritten mortgage insurance to leading mortgage providers, along with world-class customer service and innovative new products, we will have a positive impact on the housing market and on the communities we serve.

Below please find a high-level summary of our ESG priorities based on our most recent materiality assessment. You can find more information in our 2023 ESG Report. Aligned with our commitment to transparency, we have expanded this year’s ESG Report in several areas, including adding disclosures relating to the Taskforce on Climate-related Financial Disclosures (TCFD) and the United Nations (U.N.) Sustainable Development Goals (SDGs) frameworks. The inclusion of information in our ESG Report, or identifying it as material for purposes of such report or assessing our environmental, social, and governance initiatives, should not be construed as a characterization of the materiality or financial impact of that information with respect to us or for purposes of any of our SEC filings.

Our ESG priorities are organized into three “pillars”, focusing on the areas most germane to our business.

Strengthening Our Communities

We remain deeply engaged with the communities we serve by enabling more families to responsibly achieve the dream of home ownership and to create wealth, while also delivering on our commitment to employee volunteerism, philanthropy, and environmental responsibility.

Enabling More Families to Responsibly Achieve the Dream of Homeownership

Our purpose inspires us to create products that allow our customers (mortgage lenders) to provide mortgages to many Americans who have traditionally not been able to enjoy the benefits of homeownership. In 2023, Enact helped nearly 150,000 households achieve financially sustainable homeownership with mortgage insurance. Increased homeownership leads to more stable communities and allows families to get on the path to wealth creation much sooner than they otherwise would. We believe there are many people who, while able to reliably make mortgage payments, lack the necessary 20% down payment and the necessary credit history to purchase homes. Our mortgage insurance (MI) fulfills this need.

We also continue to innovate to support responsible homeownership. In 2022, we introduced our nontraditional credit product, designed a product to help consumers without sufficient credit history and therefore lack a valid credit score that could be used to underwrite a mortgage. Our new model allowed us to price our products more appropriately for these consumers and to expand our guidelines, enhancing affordability. In 2023, the impact of this breakthrough product was amplified when a similar structure was adopted by Fannie Mae and Freddie Mac, the government-sponsored entities that underlie and support the U.S. housing market.

To assist first-time home buyers, we provided both our customers (mortgage lenders) and borrowers (consumers) with tools, benefits, and educational resources to support responsible homeownership. These include partnerships to provide low- or no-cost homebuyer education and customized training for our mortgage servicers. In 2023, we also reached out to more than 14,000 homeowners who were experiencing difficulty staying current on their mortgage and put them in touch with their mortgage servicers to help facilitate a solution, such as forbearance, payment deferrals, and loan modifications, that permitted the borrower to stay in their home and come current on their mortgage.

Volunteerism

Employee volunteerism is deeply embedded in our corporate culture. We provide every employee with 40 hours annually of paid time off to volunteer with organizations of their choice. We also organize group activities through our Volunteer Council, an employee-led group that coordinates and brings attention to volunteer projects throughout the company. Over half of our employees took advantage of volunteer time off in 2023, contributing thousands of hours of their time to build bookshelves, tables, and chairs for The Green Chair Project, raising funds hosting a 5K run for Note in the Pocket, building houses with Habitat for Humanity, and fulfilling our Adopt-a-Shoreline commitment at Jordan Lake. Enact’s impact goes beyond these events - employees across the U.S. are taking the initiative and giving back in their local communities. In 2023, one associate used their volunteer time off to fly to Maui, Hawaii to aid with Lahaina recovery efforts after the devastating wild-fires. Another rallied a group of colleagues and customers for a weekend Rise Against Hunger event to

package meals. Enact is proud to have employees who embody our spirit of service. In addition, since its founding in 2022, the Enact Foundation has distributed over \$425,000 in grants to support nonprofit organizations that work to build better, more equitable communities where our employees live and work.

Managing Our Carbon Footprint Responsibly

Our headquarters building is Gold LEED certified, and we have taken steps to lower our electricity use by shifting to efficient LED lighting and other measures. We encourage electric vehicle usage by providing charging stations on our parking deck, and our heating is provided by electric strips to avoid the use of natural gas. Further, we utilize a Building Management System (BMS) to optimize our HVAC system and reduce our CO2 output. While we are not a major emitter of greenhouse gases, we have reduced our Scope 1 and Scope 2 emissions in 2023 versus 2022.

Driving Diversity and Inclusion & Supporting Our People

Enact recognizes that promoting diversity, equity, and inclusion (DEI) is not only the right thing to do, but also vital to our continued success and growth. We believe that by encouraging and incorporating varied perspectives at every level of the organization in a supportive and inclusive environment, we may create products and services that are innovative and responsive to the diverse needs of customers and prospective homeowners. In 2023, we were honored with awards recognizing our work in DEI, including being named as one of National Mortgage Professional Magazine's 2023 Diversity Leaders. We foster and benefit from an inclusive culture and aid our employees by:

Management Focusing on Diversity, Equity, and Inclusion

We believe that to properly serve our customers and their borrowers, our teams should reflect the communities we serve. We also believe that, to do their best work, our employees need to have the ability to be themselves at work, and to have the opportunity to learn from others with varied backgrounds. Finally, we believe that only by drawing from the widest possible pool of candidates will we be successful in hiring the very best. We encourage and incorporate varied perspectives at every level of the organization in a supportive and inclusive environment to create innovative products and services that are responsive to the diverse needs of our customers and prospective homeowners.

In 2023, 54% of our employee population were female, while 28% were racially or ethnically diverse, which has increased from 20% five years ago. As of the end of 2023, 20% of our executive leadership team were female, and 20% were ethnic or racial minorities. Of our Board members, 27% were female, and 27% were racially or ethnically diverse. Also, 60% of our Board committee chairpersons were female, and 20% of the Board committee chairpersons were racially or ethnically diverse. We recognize the value of diversity at the executive and Board levels of our company, and we are focused on increasing it over time.

In 2023, our Diversity, Equity, and Inclusion Council (the "DEI Council") continued to coordinate DEI initiatives across the company. Made up of employees from every department and level within the company, the DEI Council amplifies programming and raises awareness of DEI issues. The DEI Council collaborates with employee advocates to commemorate cultures, foster a culture of diversity, equity, inclusion, and belonging, and advocate for the communities we serve. In 2023, the DEI Council also works closely with the Enact Employee Volunteer Council to match diversity programming with community volunteering opportunities.

Developing the Next Generation of Leaders

We are committed to the professional development of our employees and are actively building a pipeline of diverse future leaders. We offer a comprehensive suite of learning options, including structured development programs, instructor-led classes, on-demand lessons, and internal and external workshops. We also have a curriculum dedicated to managers to ensure our leaders are armed with the knowledge and tools they need to foster an engaged and productive workforce. Additionally, we conduct a deep Succession Planning exercise annually, and regularly review and revise our plans, including input from the Compensation Committee, for employees at the executive level. By identifying high-potential internal talent, we are constantly developing candidates for critical roles and ensuring a strong pipeline of leaders.

For the third consecutive year, we facilitated the Mortgage Insurance Development Program (MIDP), which elevates opportunities within the mortgage industry by bringing mortgage training to students of Historically Black Colleges and Universities (HBCUs). We are proud to have created awareness of the mortgage industry for over 108 students.

We became the first mortgage insurer to partner with the LGBTQ+ Real Estate Alliance, with a goal of continuing to learn about the challenges the LGBTQ+ community faces in housing, driving acceptance through education, and serving as a resource for the Alliance in their mission.

We are also members of the HBCU Partnership Challenge, created by Congresswoman Alma Adams in 2017, to promote success among HBCU students by connecting with diversity-minded companies and creating opportunities for those companies to invest in HBCUs.

Human Capital Management

It is part of our mission to help families and employees become more financially secure, self-reliant, and prepared for the future. We take a holistic approach to human capital management, including attracting and retaining talent with comprehensive benefits and compensation packages, providing professional development and learning opportunities, facilitating access to dedicated resources that foster an equitable and inclusive environment, and encouraging a sincere commitment to community service and involvement. About half of our workforce comes into our Raleigh, North Carolina office and the remaining half are in the field, predominantly working in sales and underwriting. None of our employees are subject to collective bargaining agreements.

Measuring and Valuing Employee Sentiment

Understanding our employees' perspectives about our corporate culture is a critical aspect of our commitment to maintaining an engaging work environment. For the last two years, we have partnered with the leading global analytics firm, Gallup, to measure employee engagement. In 2023, over 85% of Enact employees participated in the survey, and we scored highly (93rd percentile compared to all companies in Gallup's database).

Empowering Our Employees

Our employees are our most important resource and our biggest differentiator. Therefore, we do as much as we can to allow them to be at their best, helping them achieve and maintain mental, physical, and financial well-being. In addition to robust healthcare coverage our key areas of focus include:

Our compensation package, including salary, incentive bonus and long-term incentives, aligns employee and stockholder interests, as well as rewards our employees for serving all our current and future customers.

We also offer our employees benefits such as life and health insurance, paid time off, paid parental leave, childcare subsidies, retirement savings plans, financial planning services, an Employee Assistance Program ("EAP"), and a broad fitness reimbursement program to support physical and mental health.

We offer professional development and career enrichment courses, including in the areas of leadership, professional skills, and industry-specific matters, as well as a mentor program and an extensive development focus for future senior leaders. We also provide tuition reimbursement benefits and student loan repayment options to aid career progression. We routinely assess talent, engage in deep succession planning at all levels of the organization, and provide feedback through a performance review process.

Our employee-led DEI Council helps build an inclusive culture through company-wide events, participation in our recruitment efforts and by educating our employees on the experiences and perspectives of others. We continue to focus on building a pipeline of talent to create more opportunities for workplace diversity and to support opportunities for greater representation within Enact. In addition to our internally focused efforts, we have a number of employee-led externally focused DEI initiatives.

We champion civic engagement through paid volunteer time for employees, event sponsorship programs, employee-directed charitable gifts with a 100% company match, and through our commitment to environmental sustainability.

We empower employees to share their unique perspectives by promoting initiatives that increase access to our Senior Leadership Team and fostering open door policies. We value the voice of our employees and, in 2022, we initiated a three-year process with Gallup, a best-in-class consultant, to measure and enhance employee engagement.

We celebrate our talent by showcasing employee achievements and expertise in industry publications, at events and conferences, and on social media. By amplifying their reach and ours, in 2023, Enact was recognized as an organization on five separate occasions, 3 of which were for DEI.

We offer inclusive care benefits to LGBTQ+ employees, including access to specially trained Health Educators who can identify medical doctors and behavioral health professionals familiar with and sensitive to the needs of LGBTQ+ individuals, and a searchable LGBTQ+ provider directory through which employees can find behavioral health professionals who have experience with LGBTQ+ issues.

A Focus on Responsible Business Practices & Sound Corporate Governance

We focus on underwriting excellence, prudent risk and capital management, data privacy and cybersecurity, and regulatory compliance—all overseen by a diverse, experienced, and majority-independent Board.

Advancement and Oversight of Our ESG Strategy

Our ESG strategy is managed by our diverse, cross-functional ESG Council, a standing committee consisting of representatives from key functions across the organization, including investor relations, legal, human resources, risk and compliance, finance, IT, government relations, facilities, and product management. The ESG Council collaborates closely with Enact's DEI Council, which was formed in 2022. The Board's Nominating and Corporate Governance Committee receives quarterly briefings from ESG Council leadership on our ESG policies, developments, opportunities and risks. As of 2023, the full Board now receives regular updates on ESG issues. Human capital, culture, and DEI initiatives are overseen by the Board's Compensation Committee, and oversight of our enterprise risk management practices is performed by the Board's Risk Committee, while the Board's Risk and Audit Committees oversee compliance with relevant legal and regulatory requirements. These controls are foundational components of our sustainability and governance platform.

See also the "Enact Corporate Governance" section later in this document.

Managing Risk Responsibly

Our core business capabilities involve gauging and managing risk, and that extends to the fine-tuning of our risk profile and the proper management of capital risk. We often go above and beyond what is legally required of mortgage insurance companies. The Risk Management Team (RMT) oversees day-to-day risk management, chaired by our chief risk officer. Our standing Governance, Risk, and Compliance (GRC) Council, a subcommittee of the RMT chaired by our director of risk management, further supports our risk management efforts and serves an important role in assessing and ensuring adequate risk coverage. The GRC Council is a subcommittee of our Management Risk Committee (MRC), chaired by our chief risk officer. Together, the MRC and GRC ensure that any new or emerging capital and/or ESG risks in any part of the business are recognized, addressed, and/or raised to the Executive Leadership Team or Board when necessary.

Overall, 90% of our risk in force is being covered by credit risk transfers as of December 31, 2023. In 2023, we completed our sixth mortgage insurance linked note credit risk transaction as part of our Diversified Credit Risk Transfer (CRT) Program. This transaction secured \$248 million of fully collateralized excess of loss reinsurance coverage through the issuance of an insurance linked note (ILN) transaction and provides coverage on a portfolio of existing seasoned mortgage insurance policies written from July 1, 2022, through June 30, 2023. In the first quarter of 2024, we entered one quota share and one excess of loss reinsurance agreement with broad panels of highly rated reinsurers, further improving our risk profile and allowing us to confidently pursue high-quality new business.

Managing Our Investments Responsibly

Meeting our fiduciary duty to our policyholders is a core tenet of our sustainability platform. ESG is one part of our investment strategy, and our ESG Investment Council uses a proprietary ESG scoring system to provide insight into ESG-related risks and opportunities. Among the ESG factors considered prior to final decision making are governance, market developments, climate exposure, and regulatory requirements. We also hold more than \$178 million of green, social, and sustainability linked bonds—just one part of our well-balanced approach to portfolio management.

Ensuring Data Privacy and Mitigating Cybersecurity Threats

Enact employs measures designed to prevent, detect, and respond to cybersecurity incidents and technical security vulnerabilities. Our security program is risk-based and leverages industry-standard cybersecurity frameworks designed to safeguard the confidentiality, integrity, and availability of its information resources, including sensitive nonpublic data. Our strategy includes the pursuit of a zero-trust security model, which necessitates rigorous authentication of all identities and devices and mandates encryption of all data in transit across any network, trusted or untrusted. Our risk-based approach is reinforced through annual Sarbanes-Oxley (SOX) and System and Organization Controls 2 (SOC 2) audits focusing on security, confidentiality, and availability. Our Board's Risk Committee is responsible for oversight of privacy and cybersecurity matters and is briefed at least quarterly. At least annually, we present a cybersecurity report to our full Board along with semiannual briefings.

Over the past five years, we have engaged in dynamic cybersecurity simulations designed to replicate significant cyber incidents, and we evaluate the agility and effectiveness of our cybersecurity incident response strategy and plan. Our cybersecurity team in conjunction with our legal and compliance organizations craft detailed scenarios that are meant to simulate realistic conditions, with the intention of unveiling both known and emerging threats.

Proxy Summary

This summary highlights the information contained in this Proxy Statement for Enact's 2024 Annual Meeting of Stockholders (the "2024 Annual Meeting"). Enact Board of Directors

1 Election of Directors

Currently, eleven directors serve on our Board of Directors, the terms for whom all expire at the 2024 Annual Meeting. At the 2024 Annual Meeting, eleven directors- Mr. Adesso, Mr. Bless, Mr. Fisk, Mr. Gupta, Ms. Hooda, Mr. McInerney, Mr. Restrepo, Ms. Still, Mr. Thompson, Mr. Upton, and Ms. Waleski are to be elected to hold office until the 2025 Annual Meeting of Stockholders and until their successors have been duly elected and qualified or until the earlier of their resignation or removal in a manner provided for in Enact's Amended and Restated Certificate of Incorporation and Amended and Restated Bylaws. Working through its Nominating and Corporate Governance Committee, our Board of Directors annually evaluates the optimal size for the Board and will continue to evaluate Board's composition.

The eleven nominees for election at the 2024 Annual Meeting are listed on pages 16-21 with brief biographies, along with a list of their current committee memberships and descriptions of their qualifications and skills to serve as our directors. See the *Board of Directors and Committees—Board Composition* section below for a description of how our directors' blend of backgrounds benefits Enact. The Board has determined that eight of the eleven nominees are independent directors under the Nasdaq listing requirements and our Governance Principles, which are discussed below in the Corporate Governance section.

All of the nominees named in this Proxy Statement have been nominated by our Board to be elected by holders of our common stock. We are not aware of any reason why any nominee would be unable to serve as a director. If a nominee for election is unable to serve, the shares represented by all valid proxies will be voted for the election of any other person that our Board of Directors may nominate as a substitute, the size of the Board may be decreased, or the Board may decide to leave a vacancy.

The Board of Directors recommends that stockholders vote **FOR all with respect** to the election of Mr. Adesso, Mr. Bless, Mr. Fisk, Mr. Gupta, Ms. Hooda, Mr. McInerney, Mr. Restrepo, Ms. Still, Mr. Thompson, Mr. Upton, and Ms. Waleski.

How We Select Our Directors

Our Nominating and Corporate Governance Committee recommends candidates for election to the Board, then the Board nominates the director candidates and makes recommendations to our stockholders. The Nominating and Corporate Governance Committee will consider all stockholder recommendations for candidates for the Board, which should be sent to the Nominating and Corporate Governance Committee, c/o Corporate Secretary, Enact Holdings, Inc., 8325 Six Forks Rd. Raleigh, NC 27615. Any stockholder recommendations for a director position are evaluated in the same manner as other candidates considered by the Nominating and Corporate Governance Committee.

The Nominating and Corporate Governance Committee believes all director nominees should meet certain qualifications and possess certain qualities, experience, or skills that would assist the Board in overseeing our operations and developing and pursuing its strategic objectives. The Nominating and Corporate Governance Committee believes each director nominee should at a minimum:

- possess the highest personal and professional ethics, integrity, and values;
- be committed to representing the long-term interests of all of our stockholders;
- have an inquisitive and objective perspective, practical wisdom, and mature judgment;
- bring a distinct skill set to the Board and the Corporation when viewed alone and in combination with other directors;
- be willing and able to devote sufficient time to carrying out their duties and responsibilities effectively; and
- be committed to serve on the Board for an extended period of time.

We endeavor to have a board representing diverse experience at policymaking and in areas that are relevant to Enact's business. The Nominating and Corporate Governance Committee considers diversity attributes when evaluating potential director nominees. The Board has adopted a policy relative to its commitment to Board diversity, which states the qualifications, attributes, and skills desired and is set forth in Section 3 of Enact's Governance Principles, which is available on our investor relations website. Specifically, the Board and the Nominating and Corporate Governance Committee actively seek to achieve a diversity of occupational and personal backgrounds, viewpoints, education, and skills on the Board, including diversity with respect to demographics such as gender, race, ethnicity, national origin, and age. The Nominating and Corporate Governance Committee considers all potential candidates and determines whether potential candidates meet our qualifications, attributes, and skills for directors. The Nominating and Corporate Governance Committee's review of potential candidates is multi-faceted and typically includes engagement of a director search firm, due diligence performed internally and externally, a review of a completed candidate questionnaire, and interviews with members of the Nominating and Corporate Governance Committee and the Board Chairperson. Genworth also has certain nomination rights as described in greater detail below under "[Certain Relationships and Transactions—Relationship with Genworth—Master Agreement—Board Rights](#)"

Board Composition

The number of authorized directors of our Corporation is influenced by the Third Amended and Restated Master Agreement executed by Genworth and Enact, dated August 29, 2023 (the "[Master Agreement](#)") and fixed from time to time by a resolution adopted by our Board with Genworth's consent. Currently, the size of our Board is set at eleven members. The Master Agreement also provides for certain director nomination rights as summarized below under "[Certain Relationships and Transactions—Relationship with Genworth—Master Agreement—Board Rights](#)." Each of Messrs. McInerney and Upton has been appointed to the Board in accordance with Genworth's nomination rights under the [Master Agreement](#) and the Board's fiduciary duty.

Each director elected by the holders of our common stock at the 2024 Annual Meeting will serve until the 2025 Annual Meeting and until his or her successor is duly elected and qualified, or until the earlier of their resignation or removal in a manner provided for in the certificate of incorporation and our Bylaws, subject to the Master Agreement, as applicable. The holders of our common stock do not have cumulative voting rights in the election of directors.

We believe our director nominees are a talented group of individuals with a variety of relevant qualifications, skill sets, and professional backgrounds, as reflected in their biographies beginning on page 16 and posted on our investor relations website. We believe our Board benefits significantly from this diversity of experience, as well as the racial/ethnic and gender diversity of its members.

Retirement and Resignation Policies

The Board does not believe that arbitrary term limits on directors' service are appropriate, nor does it believe that directors should expect to be renominated annually until they reach the mandatory retirement age. Directors generally will not be nominated for re-election to the Board after their 76th birthday, although the Board may nominate candidates over 76 under special circumstances.

In addition, directors must be willing to devote sufficient time to carrying out their duties and responsibilities and should be committed to serve on the Board for an extended period of time. Directors must give notice, in the event of any significant change in their personal circumstances, including a change in their principal job responsibilities, for consideration by the Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee will then consider the matter and recommend to the Board the appropriate course of action.

Director Independence

Although we qualify as a “controlled company” under the Nasdaq Listing Rules due to Genworth indirectly owning more than a majority of the voting power for the election of directors, our Board currently consists of eleven directors, eight of whom are independent (as defined under Nasdaq Listing Rules). For a director to be independent, the Board must determine that the director has no relationship with Enact, its subsidiaries and/or Genworth, which would interfere with the exercise of independent judgment in carrying out director responsibilities. In making independence determinations, the Board considers all relevant facts and circumstances. The Board has determined that each of Mr. Adesso, Mr. Bless, Mr. Fisk, Ms. Hooda, Mr. Restrepo, Ms. Still, Mr. Thompson, and Ms. Waleski satisfies the Nasdaq’s independence requirements.

In addition to the independence requirements discussed above, members of the Audit Committee must satisfy additional heightened independence requirements established by the Securities and Exchange Commission (“SEC”) and Nasdaq. Specifically, they may not accept, directly or indirectly, consulting, advisory or other compensatory fees from Enact or any of its subsidiaries other than their directors’ compensation and they may not be affiliated with Enact or any of its subsidiaries under applicable Nasdaq and SEC Rules. The Board has determined that all of the current members of the Audit Committee (Ms. Hooda, Mr. Restrepo, and Ms. Waleski) satisfy the relevant SEC and Nasdaq independence requirements.

Further, in affirmatively determining the independence of any director who will serve on the Compensation Committee, the Board has determined that it will avail itself of the exceptions provided to controlled companies under SEC and Nasdaq independence standards, as the Compensation Committee is currently composed of a majority of independent members and is not completely independent. Specifically, Ms. Still and Mr. Thompson qualify as independent members of the Compensation Committee, and Mr. McInerney is not independent due to his position as President and CEO of Genworth. Due to the Compensation Committee not being completely independent, all grants of equity awards are referred by the Compensation Committee to the Board for approval, except where authority has been delegated to our CEO for small off-cycle grants.

Overboarding

Our Governance Principles provide that directors who serve as chief executive officers or in equivalent positions for other public companies should not serve on more than two other boards of public companies in addition to the Enact Board and other directors should not serve on more than four other boards of public companies in addition to the Enact Board.

Enact Corporate Governance

Governance Principles

Our Governance Principles are published on Enact's investor relations website, as are our other corporate governance materials, including the charters adopted by the Board for each of our standing committees. To view these materials, go to www.enactmi.com, select "Investors" and then select "Corporate Governance." The Board regularly reviews corporate governance developments, trends, and may modify these principles, charters, and governing documents as warranted. Any modifications will be reflected in the documents on Enact's website.

Board Oversight of Strategy

The business of Enact is conducted by its employees and officers, under the direction of its CEO and the oversight of the Board, to enhance the long-term value of Enact to its stockholders. The Board is elected by the stockholders of the Corporation to oversee management and to protect the long-term interests of the stockholders. Specifically, the Board reviews, monitors and, where appropriate, approves fundamental financial and business strategies and major corporate actions. The Board reviews and evaluates Enact's strategy at each regularly scheduled meeting and frequently engages with management regarding the competitive landscape, regulatory environment, operational challenges and opportunities, and strategic alternatives to ensure Enact pursues and makes progress on its strategic plan.

Board Leadership Structure

Our Board of Directors emphasizes active participation and leadership by all of its members. Our Board determines who to appoint as its chairperson and CEO based on the knowledge and experience of the people then serving on our Board, and chooses the individuals whom it believes best meets the needs of our Corporation and our stockholders at that time. Our Board has determined that having Rohit Gupta serve as our CEO and a director and Dominic Adesso serve as our independent Chairperson of the Board is the appropriate leadership structure for our Corporation at this time.

As more fully set forth in our Governance Principles, available on our website (to view, go to www.enactmi.com, select "Investors," then select "Corporate Governance" and then select "Governance Principles"), the independent Board Chairperson's responsibilities and authority include:

- presiding at all meetings of the Board, stockholders, and non-management and independent directors;
- facilitating efficient Board operations through regular engagement with standing committees of the Board and individual directors;
- regularly communicating with the CEO to provide him or her with advice and counsel, serving as a liaison between the CEO and independent directors;
- consulting on meeting agendas;
- working with management to assure that meeting materials are fulfilling the needs of directors;
- consulting on the meeting calendar and meeting schedules to assure there is sufficient time to discuss all agenda items;
- periodically calling meetings of the independent directors, including at the request of such directors;
- working with the CEO to respond to stockholder inquiries involving the Board; and
- fulfilling other responsibilities as determined by the Board.

Meetings of Independent Directors

A substantial majority of our current directors are independent (as determined in accordance with the Nasdaq Listing Rules) and our independent directors meet regularly in executive sessions without management present, as provided in our Governance Principles. Mr. Gupta, our CEO, is currently the only employee of the Corporation who serves on our Board. In addition, Messrs. McInerney and Upton, are the CEO and CFO, respectively, of Genworth, and are not considered independent according to Nasdaq Listing Rules and our Governance Principles. Our Governance Principles provide that the independent Board Chairperson, currently Mr. Adesso, will preside at the meetings of the independent directors. The independent Board Chairperson, may periodically call meetings of the independent directors, including at the request of the independent directors.

Meeting Attendance

In 2023, our Board of Directors held 39 meetings in the aggregate including Committees. Each of our director nominees who served in 2023 attended more than 75% of the aggregate of (1) the total number of meetings of the Board (held during the period for which they served as a director) and (2) the total number of meetings held by all committees of the Board on which they served (during the periods that they served). All eleven of our directors attended the 2023 Annual Stockholder Meeting, and as set forth in the Governance Principles, directors are expected to attend the 2024 Annual Meeting of Stockholders.

Board Responsibilities

Board Committees

The five standing committees of the Board are the Audit Committee, Compensation Committee, Nominating and Corporate Governance Committee, Independent Capital Committee, and Risk Committee. Our Board may also establish various other committees to assist it in carrying out its responsibilities.

The Board has established written charters for each of its five standing committees. Each Committee's responsibilities are more fully set forth in its charter, which can be found in the corporate governance section of our website. To view, go to www.enactmi.com, select "About Us", then select "Investors," then select "Corporate Governance," then select the applicable Committee "Charter."

The five standing committees of the Board are described below.

Audit Committee

The Board has established the Audit Committee in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"). The Audit Committee consists solely of "independent" directors as defined by the applicable rules of Nasdaq and the SEC. In addition, the Board has determined that all three of the Audit Committee's current members, Ms. Waleski, Ms. Hooda, and Mr. Restrepo, are "audit committee financial experts," as defined by SEC rules.

The purpose of the Audit Committee is to assist the Board in its oversight of the integrity of the Corporation's financial statements, the Corporation's compliance with relevant legal and regulatory requirements, the independence, and qualifications of the Corporation's independent registered public accounting firm and the performance of the Corporation's internal audit function and independent auditors.

Meetings in 2023: 10

Principal Responsibilities

The Audit Committee's responsibilities include:

- discussing with management and the independent auditor our annual and quarterly financial statements, earnings releases and financial information and earnings guidance provided to analysts and rating agencies;
- selecting our independent registered public accounting firm and approving the fees and terms of its engagement;
- discussing with management and our independent auditor any audit issues and management's response;
- independently and/or in coordination with the Risk Committee, overseeing risks associated with financial accounting and reporting, including the system of internal control, which includes reviewing and discussing with management and our independent auditor the Corporation's risk assessment process and management policies with respect to the Corporation's major financial risk exposures and the procedures utilized by management to identify and mitigate the exposure to such risks;
- reviewing our financial reporting and accounting standards and principles;
- recommending the annual audited financial statements be included in the Annual Report on Form 10-K;
- overseeing the design and implementation of the internal audit function and results of audits;
- obtaining and reviewing formal written reports from the independent auditor regarding its internal quality-control procedures;
- reviewing and investigating any matters pertaining to the integrity of management, including conflicts of interest, or adherence to standards of business conduct;
- preparing and publishing a committee report for inclusion in the proxy statement;
- establishing procedures for the hiring of employees or former employees of our independent registered public accounting firm;
- establishing procedures for the receipt, retention, and treatment of complaints on accounting, internal accounting controls, or auditing matters; and
- establishing policies and procedures for the review and approval of all proposed transactions with "Related Persons," as that term is defined in the Corporation's Related Person Transaction Policy.

The Audit Committee's report appears on page 66 of this Proxy Statement.

Compensation Committee

The principal purpose of the Compensation Committee is to carry out the Board's overall responsibility relating to executive compensation, succession planning, and human capital management, including diversity, equity, and inclusion. The Compensation Committee's Charter and the Corporation's Governance Principles provide that each member of the Compensation Committee shall meet all applicable Nasdaq requirements for committee membership, except as required by the Master Agreement or any applicable exemptions, including with respect to "controlled companies" under Nasdaq rules. Furthermore, the Compensation Committee's Charter states that at such time when the Corporation ceases to qualify as a "controlled company" under Nasdaq rules and following the applicable Nasdaq transition rules, members of the Compensation Committee shall also qualify as "non-employee directors" within the meaning of SEC Rule 16b-3. Until such time that all members of the Compensation Committee are "non-employee directors" within the meaning of SEC Rule 16b-3, all equity awards for officers and directors shall be approved by the full Board. Currently, the Corporation is taking advantage of the "controlled company" exemption and is, therefore, not required to have a fully independent Compensation Committee. Ms. Still and Mr. Thompson qualify as independent directors under the Nasdaq rules for purposes of serving on the Compensation Committee.

Meetings in 2023: 6

Principal Responsibilities

The Compensation Committee's responsibilities include:

- assisting the Board in developing and evaluating potential candidates for executive positions, including the CEO, and to oversee the development of executive succession plans;
- approving the peer group for the benchmarking of compensation;
- reviewing and approving on an annual basis the corporate goals and objectives with respect to the compensation of our CEO, evaluating our CEO's performance in light of these goals and objectives, and setting our CEO's compensation based on such evaluation;
- reviewing and approving on an annual basis the evaluation process and compensation structure for our other executive officers, including evaluating and setting the compensation for our executive officers;
- reviewing on an annual basis the form and amount of compensation of directors for service on the Board and committees;
- reviewing and approving our variable incentive compensation and other stock-based compensation plans;
- reviewing and approving or recommending to the Board employment and severance arrangements for executive officers;
- assessing the structure and composition of the leadership of the Corporation;
- reviewing and discussing our Compensation, Discussion, and Analysis with management, and recommending to the Board its inclusion in our annual reports and proxy statements and publishing a committee report;
- assessing the results of the Corporation's most recent advisory vote on executive compensation ("say on pay") and recommending the frequency of future say on pay votes to the Board;
- overseeing assessment of risks relating to our compensation programs;
- retaining compensation consultants, and determining whether the work of any compensation consultant who had a role in determining or recommending the amount or form of executive or director compensation raised any conflict of interest; and
- overseeing the Corporation's strategies and policies related to human capital management, including with respect to matters such as diversity, equity, and inclusion, workplace environment and culture, and talent development and retention.

Under its charter, the Compensation Committee has authority to delegate any of its responsibilities to subcommittees as the Compensation Committee may deem appropriate in its sole discretion. The Compensation Committee's report appears on page 50. Additional information regarding the Compensation Committee's processes and procedures for consideration of executive compensation is also provided in the *Compensation Discussion and Analysis* section later in this document.

Nominating and Corporate Governance Committee

The principal purpose of the Nominating and Corporate Governance Committee is to assist the Board in identifying qualified individuals to become Board members, in determining the composition of the Board of Directors and its committees, in monitoring the process to assess Board effectiveness, overseeing the Corporation's ESG strategy and practices, and in developing and implementing Enact's Governance Principles. The Nominating and Corporate Governance Committee currently consists solely of "independent" directors as defined by the applicable rules of Nasdaq.

Meetings in 2023: 5

Principal Responsibilities

The Nominating Committee's responsibilities include:

- leading the search for individuals qualified to become members of our Board;
- reviewing the Board's committee structure and recommending committee members, subject to the Master Agreement;
- recommending to the Board candidates to be elected by the Board as necessary to fill vacancies and newly created directorships, subject to the Master Agreement;
- making recommendations to the Board concerning the size (subject to the Master Agreement), structure, composition, and responsibilities of the Board and committees, as well as the Board's leadership structure;
- developing and annually reviewing the Governance Principles;
- overseeing the annual self-evaluations of the Board and its committees; and
- periodically reviewing the environmental, social, and governance strategy and practices of the Corporation.

Independent Capital Committee

The purpose of the Independent Capital Committee is to provide independent oversight over certain capital actions as agreed to with the GSEs in connection with our IPO. We will maintain an independent capital committee for so long as (i) Genworth (or its successor) owns 50% or more of the voting power of our issued and outstanding capital stock entitled to vote in the election of directors and (ii) there are minority public stockholders in our capital structure. The Independent Capital Committee consists solely of "independent" directors as defined by the applicable rules of Nasdaq and Rule 10A-3 under the Securities Exchange Act of 1934, as amended.

Meetings in 2023: 6

Principal Responsibilities

The purpose of the Independent Capital Committee is to provide independent oversight of the Corporation's following actions (collectively, the "Specified Actions"):

- debt or equity securities issuances into the capital markets and credit facility or similar debt financings by the Corporation or any of its subsidiaries;
- declaration by the Board of a dividend or any other distribution by the Corporation to its stockholders, including Genworth, in respect of, or repurchases by the Corporation of, its stock; and
- capital contributions by the Corporation to any of its subsidiaries other than EMICO.

The Independent Capital Committee reviews and approves or vetoes specific Specified Actions referred to the Independent Capital Committee by the Board, prior to final approval by the Board. Any Specified Action that the Independent Capital Committee vetoes, cannot be overturned by the Board.

Risk Committee

The Risk Committee assists the Board in its oversight of all areas relating to Enact's enterprise risk management policies and risk appetite, including, but not limited to, the following risk exposures: credit risks, market risks, insurance risks, housing risks, operational risks, model risks, information technology risks, climate risks, investment risks, cybersecurity and information security risks, and any other risk that may pose a material threat to the viability of the Corporation. As stated in the Risk Committee Charter, the members of the Risk Committee shall meet Nasdaq standards for independence, once the Corporation is no longer considered a "controlled company" under the Nasdaq rules. Currently the majority of the directors on the Risk Committee are "independent" directors as defined by the applicable rules of Nasdaq.

Meetings in 2023: 4

Principal Responsibilities

The Risk Committee's responsibilities include:

- reviewing and recommending annually for Board approval (i) the Corporation's enterprise risk management policies and (ii) the risk appetite of the Corporation, (iii) delegations of authority regarding deviations from risk appetite limits, and the implementation and maintenance of such policies, appetite, and delegations;
- receiving regular reports on the implementation and compliance with legal and regulatory requirements related to enterprise risk management;
- reviewing and overseeing the control, management, and mitigation processes relating to Enact's enterprise risk management policies and risk appetite, including monitoring the Corporation's risk culture and adherence to risk limits;
- reviewing Enact's assessment and management of significant and emerging risks;
- reviewing and analyzing Enact's major risk exposures, strategies, processes, and policies, with accompanying stress tests;
- reviewing and overseeing Enact's internal risk function;
- periodically reviewing and overseeing the Corporation's compliance program with respect to legal and regulatory requirements, including the Corporation's code of conduct and policies and procedures to facilitate compliance;
- periodically reviewing and overseeing Enact's information technology, information security systems, and cybersecurity;
- receiving reports regarding risks associated with litigation and investigations/regulatory matters involving the Corporation; and
- reviewing and discussing with management the Corporation's overall investment portfolio and investment guidelines.

Board Oversight of Risk

While our Board recognizes that risk management is primarily the responsibility of Enact's management, the Board plays a critical role in the oversight of risk. As a mortgage insurance company, the very nature of our business involves the underwriting, management, and assumption of risks on behalf of our customers. The Board believes it is an important part of its responsibilities to oversee the Corporation's overall risk assessment processes and management thereof.

Board

- Our Board established the Risk Committee to be specifically responsible for overseeing Enact's enterprise risk management policies and risk appetite.
- The Board also utilizes its other committees to oversee specific risks and receives regular reports from the committees on the areas of risk for which they have oversight.

Risk Committee

- The Risk Committee is responsible for overseeing Enact's enterprise risk management policies and related risk profile, including but not limited to the following major risk exposures: credit risks, market risks, insurance risks, housing risks, operational risks, model risks, information technology/cybersecurity risks, and any other risk that may pose a material threat to the viability of Enact.
- In connection with reviewing and overseeing the control, management and mitigation processes relating to Enact's enterprise management policies and risk appetite, the Risk Committee recommends annually for Board approval: (i) enterprise risk management policies; (ii) the risk appetite of the Corporation; and (iii) delegations of authority regarding deviations from risk appetite limits. The Risk Committee oversees the implementation and maintenance of such policies, appetite, and delegations of authority deviating from risk appetite limits.
- The majority of the members of the Risk Committee are independent, as discussed above, and Enact's Chief Risk Officer and Chief Compliance Officer each also have a direct reporting obligation to the Risk Committee.

Other Committees

- The **Audit Committee** has responsibility for oversight of risks associated with financial accounting and reporting, including the Corporation's system of internal controls and relationship with its external independent auditor.
- The **Compensation Committee** oversees the risks relating to compensation plans and programs, as well as management development and leadership succession.
- Our **Nominating and Corporate Governance Committee** is responsible for the oversight of some risks relating to ESG, director independence, and director qualifications.
- The **Independent Capital Committee** is responsible for the oversight of risks related to debt or equity issuances, declaration of dividends, and capital contributions by the Corporation to any of its subsidiaries, other than EMICO.

Code of Business Conduct and Ethics

All of our directors, officers, and employees, including our Chief Executive Officer, Chief Financial Officer, and Controller, must act ethically at all times and in accordance with the policies comprising our code of business conduct and ethics set forth in our Code of Ethics ("Code of Ethics"). If an actual or potential conflict of interest arises for a director, the director shall promptly inform the Chairperson of the Board and the Corporation's CEO. To view our Code of Ethics, go to www.enactmi.com, select "About Us", select "Investors," then select "Corporate Governance," then select "Code of Ethics." Section 13 of our Governance Principles, which are also available on our website, more fully addresses the application of our Code of Ethics by our directors. Under our Governance Principles, the Board will not permit any waiver of any ethics policy for any director or executive officer.

Certain Relationships and Transactions

Our Board has stated in its Governance Principles, that the Corporation shall not consummate any transactions with related persons, unless such transactions are reviewed and approved in accordance with the Related Person Transactions Policy, which states that Enact will not enter into a transaction with a “related person” except in circumstances where there is a verifiable Enact business interest supporting the transaction and the transaction otherwise meets Enact’s standards that apply to similar transactions with unaffiliated entities or persons. Our policy is in writing and states that a “related person” means any of our executive officers, directors, nominees for director, any persons known by us to beneficially own in excess of 5% of any class of our voting securities, any person who is an immediate family member of the foregoing and any firm, corporation, or other entity in which any of the foregoing persons is an executive officer, general partner, principal or in a similar position or in which such person is deemed to have a 10% or greater beneficial ownership interest. Our policy applies to all transactions with “related persons,” including any proposed material changes to previously approved transactions, other than: (1) transactions available to all employees generally; and (2) transactions involving the payment of compensation or the entry into compensatory agreements or arrangements that are approved by the Board or the Compensation Committee or paid pursuant to an agreement, plan, or arrangement approved by the Board or the Compensation Committee. The Board has delegated to the Audit Committee the responsibility of establishing policies and procedures for the review and approval of transactions with related persons.

Relationship with Genworth

We were an indirect wholly owned subsidiary of Genworth from 2004 until our IPO, during which time we have been part of Genworth’s consolidated business operations. Historically, Genworth and certain of its other subsidiaries have provided a variety of services to us, and we have provided a variety of services to Genworth and certain of its other subsidiaries and former subsidiaries. These arrangements are described below under “Other Related Party Transactions.”

Master Agreement

On September 15, 2021, we initially entered into the Master Agreement with Genworth, with subsequent amendments and restatements in January, March, and August of 2023, that governs certain aspects of our continuing relationship with Genworth and includes certain customary stockholder rights of Genworth, as summarized immediately below.

Board Rights

Genworth has the right (but not the obligation) to designate the below number of persons as nominees to our Board of Directors:

- six persons, so long as Genworth beneficially owns more than 50% of our outstanding common stock;
- five persons, so long as Genworth beneficially owns 50% or less but 40% or more of our outstanding common stock;
- four persons, so long as Genworth beneficially owns less than 40% but 30% or more of our outstanding common stock;
- three persons, so long as Genworth beneficially owns less than 30% but 20% or more of our outstanding common stock; and
- two persons, so long as Genworth beneficially owns less than 20% but 10% or more of our outstanding common stock.

The Master Agreement also provides that (in each case, subject to the Board’s fiduciary duties):

- for so long as the Master Agreement shall remain in effect, in addition to the director nomination rights of Genworth described above, we have agreed to use best efforts to obtain the necessary approvals for the CEO to serve on the Board;
- until Genworth ceases to beneficially own less than 20% of our outstanding common stock, except as required by applicable law or Nasdaq listing standards, we may not, without the prior written consent of Genworth, take any action to change the size of our Board;
- for so long as Genworth beneficially owns more than 50% of our outstanding common stock, Genworth has the right (but not the obligation) to designate at least two members to the Compensation Committee;
- for so long as Genworth beneficially owns more than 30% of our outstanding common stock, Genworth has the right (but not the obligation) to designate at least one member to each of the other board committees other than the Independent Capital Committee;
- until Genworth ceases to beneficially own more than 30% of our outstanding common stock, except as required by applicable law or Nasdaq Listing Rules, we may not, without the prior written consent of Genworth, take any action to increase the size of any of our board committees;
- in the event that the size of any committee of our Board is increased with Genworth’s prior written approval, Genworth will have the right to designate a proportional number of additional directors to serve on such committee (rounded up to the nearest whole number); and
- for so long as Genworth beneficially owns 10% or more of our outstanding common stock, Genworth will also be entitled to designate one observer to attend any meetings of our Board.

Approval Rights

For so long as Genworth beneficially owns more than 50% of our outstanding common stock, we are required to obtain the prior written consent of Genworth to take any of the following actions, whether directly or indirectly through a subsidiary, subject to the Board's fiduciary duty and other certain limited exceptions:

- adopt any plan or proposal for a complete or partial liquidation, dissolution or winding up of us or any of our subsidiaries or commence any case, proceeding or action seeking relief under any existing or future laws relating to bankruptcy, insolvency, conservatorship or relief of debtors;
- repurchase any of our stock, reduce or reorganize our capital or the capital of any of our subsidiaries;
- issue new debt securities or incur indebtedness or guarantees;
- issue, grant, acquire or settle our common stock or other equity securities or securities convertible into or exercisable or exchangeable for our common stock or other equity securities, including any issuances or grants pursuant to any stock plan, if Genworth's ownership of Enact falls below 81%;
- acquire assets, securities or businesses involving consideration of \$50 million or more (or book value of \$100 million or more with respect to acquisitions effected through reinsurance transactions), other than transactions involving assets invested in our consolidated general account and approved in accordance with our established policies and procedures to monitor invested assets;
- dispose of assets, securities or businesses involving consideration of \$50 million or more (or book value of \$100 million or more with respect to dispositions effected through reinsurance transactions), other than transactions involving assets invested in our consolidated general account and approved in accordance with our established policies and procedures to monitor invested assets;
- adopt or implement any stockholder rights plan or similar takeover defense measure; and
- dismiss or effect a change in our current independent registered public accounting firm or engage an independent registered public accounting firm for the Corporation that is different from the independent public accounting firm for Genworth.

For so long as Genworth beneficially owns at least 20% of our common stock, we are required to consult with Genworth with respect to the foregoing matters; however, Genworth will no longer have consent rights with respect to such matters other than as described above.

Non-Competition and Non-Solicitation

The Master Agreement contains non-competition and non-solicitation covenants that prohibit competition between us and our subsidiaries, on the one hand, and Genworth and its other subsidiaries, on the other hand, for employees and in certain businesses and geographic areas during the period beginning on the date of such agreement and ending on the date that is one year after the date on which Genworth ceases to beneficially own, directly or indirectly, more than 50% of our outstanding common stock (the "Restricted Period").

The Master Agreement provides that we and our subsidiaries will not, for one year after Genworth owns less than 50% of our common stock, directly or indirectly, solicit employees or engage in any businesses of Genworth (other than the mortgage insurance business in the United States) (the "Genworth Covered Business"). The Master Agreement provides that Genworth and its other subsidiaries (for so long as they are subsidiaries of Genworth) will not, for one year after Genworth owns less than 50% of our common stock, directly or indirectly, engage in any business that directly or indirectly competes with our current businesses or our terminated, divested or discontinued businesses within the last two years which are or should be included as our historical operations (the "Corporation Covered Business").

The foregoing non-competition and non-solicitation covenants are subject to exceptions in the case of certain transactions by us or Genworth and our respective subsidiaries that involve a de minimis business or another business activity so long as within two years after such a purchase or acquisition, we or Genworth or our respective subsidiaries sign a definitive agreement to dispose of the relevant portion of the business or securities of the acquired business or Corporation or, at the end of the two year period, the acquired business or Corporation complies with these non-competition and non-solicitation provisions.

Information Sharing

The Master Agreement also provides for other arrangements with respect to the mutual sharing of information between us and Genworth and its affiliates in order to comply with reporting, filing, audit, insurance regulatory or tax requirements, for use in judicial proceedings, and in order to comply with our respective obligations. We and Genworth and its affiliates have also agreed to provide mutual access to historical business records.

Tax Matters

The Master Agreement provides that Genworth will compensate us for any reduction in the deferred tax attributes (or increase to deferred tax liabilities) of Enact Mortgage Holdings, LLC (“EMH”) and its subsidiaries (other than a reduction solely in the basis of stock of EMH) that may occur as a result of the application of the “unified loss rules” contained in Treas. Reg. Section 1.1502-36 to the IPO.

The Master Agreement also provides that, we will not take any action (or fail to take any action) that would cause us to no longer be a member of the entities filing a United States consolidated income tax return of which Genworth is the common parent (the “Genworth Consolidated Group”), or to no longer be subject to the Tax Allocation Agreement (described below), without Genworth’s prior written consent.

Registration Rights Agreement

On September 15, 2021, we entered into a registration rights agreement (the “Registration Rights Agreement”) with Genworth, pursuant to which Genworth is able to require us to file one or more registration statements with the SEC covering the public resale of registrable securities beneficially owned by Genworth or to effect shelf takedown offerings. We are required to bear the registration expenses, other than the underwriting discount and transfer taxes, associated with any registration of stock pursuant to the Registration Rights Agreement. The Registration Rights Agreement includes customary indemnification provisions in favor of Genworth, any person who is or might be deemed a control person (within the meaning of the Securities Act and the Exchange Act) and related parties against certain losses and liabilities (including reasonable costs of investigation and legal expenses) arising out of or based upon any filing or other disclosure made by us under the securities laws relating to any such registration. Genworth has piggyback registration rights, pursuant to which Genworth is entitled to participate in certain registrations or offerings we may undertake, subject to “cutback” in certain cases.

Shared Services Agreement

On August 4, 2021, we entered into a shared services agreement with Genworth that was most recently amended and restated on February 1, 2024 (the “Shared Services Agreement”) in order to (i) provide to one another (and to certain of our respective affiliates or subsidiaries) administrative and support services and other assistance and (ii) ensure certain services received prior to the completion of the IPO will continue to be provided. The principal services that Genworth and certain of Genworth’s other subsidiaries provide to us include: information technology services and certain administrative services (such as finance, human resources, and employee benefit administration).

Service charges are generally calculated in a manner consistent with past practice, but they are subject to annual caps on charges as follows: \$7.5 million in 2024; \$6.25 million in 2025; and \$5 million in 2026.

The Shared Services Agreement requires each party to perform services that meet a standard of care consistent with such party’s most recent past practices. Neither we nor Genworth or any of our respective affiliates or subsidiaries are or will be liable to each other in respect of the services either party provides, except in respect of a contractual claim for direct losses or where such liability arises from the provider party’s fraud, fraudulent misrepresentation, or willful misconduct, subject to certain specified exceptions and limitations.

Services will continue to be provided under the Shared Services Agreement until the last service provided under the Agreement is terminated or expires, or until 12 months after the date Genworth no longer holds a controlling interest in the Corporation. Specific services provided under the Shared Services Agreement may be terminated by either party for convenience with at least one hundred eighty (180) days’ prior written notice provided to the other party in accordance with the terms of the Shared Services Agreement.

Intellectual Property Cross License Agreement

On September 15, 2021, we entered into an Intellectual Property Cross License Agreement with Genworth (the “IP Cross License Agreement”) in order to provide to one another and certain of each of our affiliates or subsidiaries a non-exclusive, irrevocable, royalty-free, fully paid up, perpetual right and license of specified intellectual property (other than trademarks). The license is for specified purposes to assist each party in conducting its business following the IPO and it allows us, Genworth and certain of each of our affiliates or subsidiaries to: (i) enable employees, directors and officers to use and practice the licensed intellectual property rights for internal purposes, (ii) make, have made, use, sell, have sold, import and otherwise commercialize certain products and services and (iii) create certain improvements to such licensed intellectual property. Each party and its affiliates or subsidiaries have limitations on their ability to grant

sublicenses. With respect to any third-party intellectual property licensed under the IP Cross License Agreement, we and Genworth have granted each other sublicenses that are subject to the terms and conditions of existing agreements between us and any applicable third party and Genworth and any applicable third party, and such sublicenses will not include rights in excess of those under such agreements.

The term of the IP Cross License Agreement is perpetual, but it may be terminated upon mutual written agreement by the parties. In addition to the permitted assignments described in the Master Agreement, any party may assign the IP Cross License Agreement to any of its affiliates without any other party's consent, but the assigning party will continue to be liable for the performance by the assignee.

Transitional Trademark License Agreement

On September 15, 2021, we entered into a Transitional Trademark License Agreement (the "Trademark Agreement") with Genworth and EMH pursuant to which Genworth and EMH will grant us and our affiliates a limited non-exclusive, non-transferable, royalty-free license to use certain specified trademark applications and registrations, names and brands (including trademarks, logos and domain names) of Genworth and EMH with limited rights to sublicense.

The Trademark Agreement, unless terminated earlier, is effective until two years following the date on which Genworth ceases to own more than 50% of our outstanding common stock; provided, that, with the consent of Genworth and EMH, we and our affiliates or subsidiaries, as applicable, may use certain licensed marks for a transition period of up to one year following such date to the extent required by applicable law.

The Trademark Agreement will automatically terminate with respect to us or our affiliates or subsidiaries, as applicable, upon notice to us by Genworth or EMH, in the event of (i) a merger or consolidation with an unrelated-third party, (ii) a sale of substantially all of the applicable party's assets to an unrelated-third party or (iii) a change of control whereby an unrelated third party acquires 50% or more of the applicable party's outstanding voting securities or the power to direct or cause the direction of management or policies.

The Trademark Agreement will also automatically terminate, without notice to us by Genworth or EMH, in the event that we or a permitted sublicensee makes a general assignment for the benefit of creditors, ceases operations or is liquidated or dissolved. The Trademark Agreement may also be terminated by Genworth or EMH if there is a material breach by us or a permitted sublicensee, as applicable, that is uncured.

Investment Management Agreements

In 2022, the Enact Board delegated the oversight for Enact's investments to newly formed, management-level committees. On May 3, 2022, the Enact subsidiaries, EMICO and Enact Mortgage Insurance Corporation of North Carolina, entered into investment management agreements with Genworth for the management of their investment portfolios. Under the terms of these investment management agreements, Enact is charged an investment management fee by Genworth. The total investment expenses paid to Genworth were \$5.9 million and \$5.5 million for the years ended December 31, 2023 and 2022, respectively. Separately, Enact Holdings, Inc. entered into an investment management agreement for its investments with an independent third party.

Other Related Person Transactions

Tax Allocation Agreement

On May 14, 2021, we entered into a Tax Allocation Agreement with Genworth. We currently join in the filing of a United States consolidated income tax return with the Genworth Consolidated Group and are party to a Tax Allocation Agreement between Genworth and certain of Genworth's subsidiaries, which allocates the consolidated tax liability of the Genworth Consolidated Group among its members, including us, in addition to certain other matters. The tax allocation methodology is based on the separate return liabilities with offsets for losses and credits utilized to reduce the current consolidated tax liability of Genworth as allowed by applicable law and regulation. We settle intercompany tax balances quarterly after the filing of Genworth's federal consolidated United States corporation income tax return.

If the taxable income, special deductions, or credits reported in the Genworth Consolidated Group income tax return for any taxable year or periods is changed or otherwise adjusted, payments required to be made under the Tax Allocation Agreement may be recalculated, and we could be required to pay material amounts to Genworth. However, Genworth will be responsible for any taxes for which we are jointly and severally liable solely by reason of filing a combined, consolidated or unitary return with Genworth.

In the event that Genworth were to hold less than 80% of our common stock by either voting power or value, we would cease to be a member of the Genworth Consolidated Group and may be required to make a payment to Genworth in respect of tax benefits for which we received credit under the Tax Allocation Agreement, but which had not been utilized by the Genworth Consolidated Group at such time. These tax benefits would be available to reduce our tax liabilities in periods after we leave the Genworth Consolidated Group, subject to any applicable limitation that may apply with respect to such period or tax benefit.

Compensation and Other Arrangements Concerning Employees

Prior to the completion of the IPO, our employees participated in certain benefit plans administered by Genworth and certain stock-based compensation plans that utilize Genworth's common stock. Since the IPO, Enact has transitioned to its own compensation plans, including granting equity awards that relate to its own common stock, but these plans and other employee benefits are still administered by Genworth. See "Compensation Discussion and Analysis."

Communication with the Board of Directors

The Board of Directors has established a process for stockholders and other interested persons to communicate directly with Enact and its directors, including independent directors and/or the independent Chairperson of the Board. Information regarding this process, including how to email or write our directors, may be found on our website. To view this process, go to www.enactmi.com, select "About Us", select "Investors," then select "IR Resources" and finally select "Contact IR." Concerns relating to accounting, internal accounting controls, and auditing matters may also be submitted confidentially and anonymously through the methods specified on our website. To view this process, go to www.enactmi.com, select "About Us", select "Investors," then select "Corporate Governance" and finally select "Contact the Audit Committee." You may direct your communications to our directors as a group or individually, or to any committee of the Board. The Corporate Secretary or Enact's ombudsperson monitor, review, and sort all written communications to the independent directors. Communications related to matters that are within the scope of the responsibilities of the Board are forwarded to the Board, the relevant committee of the Board, or an individual director, as appropriate.

The Corporate Secretary or Enact's ombudsperson forward correspondence related to routine business and customer service matters to the appropriate management personnel. The Corporate Secretary or Enact's ombudsperson will promptly consult with the Audit Committee Chairperson, who will determine whether to communicate further with the Audit Committee and/or the full Board with respect to any correspondence received relating to accounting, internal accounting controls, auditing matters, or officer conduct.

Letters may be sent to the directors as a group or individually, care of the Corporate Secretary, Enact Holdings, Inc., 8325 Six Forks Rd. Raleigh, NC 27615.

Letters may also be sent directly to Enact, care of the Corporate Secretary or Investor Relations, Enact Holdings, Inc., 8325 Six Forks Rd. Raleigh, NC 27615.

In addition, letters may be sent directly to the Enact Ombuds Office, care of the Enact Ombudsperson, Enact Holdings, Inc., 8325 Six Forks Rd. Raleigh, NC 27615

Board Policies and Processes

Board Self-Evaluation

The Board and each of its committees annually follows a specific process, overseen by the Nominating and Corporate Governance Committee, to determine their effectiveness and opportunities for improvement. The self-evaluations focus on how the Board and committees can improve their key functions of overseeing personnel development, financials, and other major issues of strategy, risk, integrity, reputation, governance, or other responsibilities mentioned within the scope of the Corporation's governing documents. The Board and committees completed their annual self-evaluations in 2023, and where suggested created action plans to implement opportunities for potential improvements for the Board and committees.

Board Education

All of our directors receive orientation and education in connection with their election to the Board. Directors are also provided materials or briefing sessions on subjects that would assist them in discharging their duties and may be customized for a particular director's needs. In addition, "deep dives" on certain areas of interest or of particular importance are provided to the Board, a Committee, or an individual director, from time to time by internal subject matter experts or third-party resources depending on the topic. Directors are also quarterly provided a list of opportunities for outside education, with reimbursement for registration and airfare, as well as other reasonable travel, lodging, and dining expenses for attendance at approved education seminars.

Compensation of Directors

The Compensation Committee has the responsibility for annually reviewing and recommending to the Board compensation and benefits for "independent directors." Independent directors are those directors who are not executive officers of Enact, Genworth, or their affiliates. Accordingly, all directors, other than Mr. Gupta, Mr. McNerney, Mr. Sheehan (during his period of service), and Mr. Upton, are independent directors. Mr. Gupta, Mr. McNerney, and Mr. Upton do not receive any additional compensation for serving as a director (and Mr. Sheehan did not receive any additional compensation for his period of director service). Mr. Sheehan resigned from the Board and Mr. Upton was appointed to the Board on March 1, 2023.

The components of our independent directors' compensation were reviewed by the Compensation Committee in 2023 with the following changes recommended to and approved by the Board. The annual cash retainer for directors was increased by \$10,000 to a total of \$110,000, and the value of annual equity awards for directors was also increased by \$10,000 to a total of \$160,000. In addition, all committee chairperson retainers were increased by \$5,000 annually. The retainer for the Board Chairperson was unchanged from the prior year.

In 2023, the Corporation's compensation program for non-management directors were as follows:

	Cash	DSUs	Total
Annual Retainer	\$ 110,000	\$ 160,000	\$ 270,000
Annual Additional Retainer for Board Chairperson	\$ 80,000	\$ 120,000	\$ 200,000
Annual Additional Retainer for Lead Director	\$ 20,000		
Annual Additional Retainer for Committee Chairpersons			
Audit	\$ 30,000		
Compensation	\$ 25,000		
Other Committees	\$ 20,000		

- **Annual Retainer.** Each independent director is paid an annual retainer of \$270,000. Of this amount, \$110,000 is paid in cash, in quarterly installments, following the end of each quarter of service, and \$160,000 is paid in deferred stock units ("DSUs") granted as an annual award under our 2021 Omnibus Incentive Plan, as amended (the "2021 Plan") generally following our annual meeting of stockholders.
- **Annual Additional Retainer for Board Chairperson.** As additional compensation for service as Board Chairperson, the Board Chairperson receives a \$200,000 annual retainer in addition to the regular annual retainer. The cash amount, \$80,000, is paid in quarterly installments, following the end of each quarter of service. The DSU amount, \$120,000, is paid as an annual award generally granted following our annual meeting of stockholders.
- **Additional Retainer for Lead Director.** If a Lead Director is appointed in the absence of an independent Chairperson, the Lead Director would receive an annual cash retainer of \$20,000 payable in quarterly installments, as additional compensation for service as Lead Director. Currently, Enact does not maintain a Lead Director.
- **Additional Retainer for Committee Chairpersons.** As additional compensation for service as chairperson of a committee, each chairperson will receive an additional annual cash retainer payable in quarterly installments, as follows: Audit Committee Chairperson, \$30,000; Compensation Committee Chairperson, \$25,000; and each other standing committee chairperson, \$20,000.

- *Deferred Stock Units.* The number of DSUs granted is determined by dividing the DSU target award value above by the fair market value of our common stock on the date of grant. Each DSU represents the right to receive one share of our common stock in the future, following the recipient's separation from service as a director. DSUs accumulate regular quarterly dividends, if any, which are reinvested in additional DSUs. The DSUs will be settled in shares of common stock on a one-for-one basis one year after the director leaves the Board in a single lump sum or immediately upon the death of an independent director.
- *Reimbursement of Certain Expenses.* Directors are also reimbursed for reasonable travel and other Board-related expenses, including expenses to attend Board and committee meetings, other business-related events, and director education seminars, in accordance with policies approved from time to time.

2023 Director Compensation Table

The following table sets forth information concerning compensation paid or accrued by us in 2023 to our directors. As noted above, Mr. Gupta, Mr. McInerney, Mr. Upton, and Mr. Sheehan did not receive any additional compensation for their services as a director in 2023.

Name	Fees Earned or Paid in Cash (\$) ⁽¹⁾	Stock Awards (\$) ⁽²⁾⁽³⁾	Total (\$)
Dominic J. Adesso	187,500	278,084	465,584

Executive Compensation

2 Advisory Vote to Approve Named Executive Officer Compensation

Pursuant to Section 14A of the Exchange Act, we are required to provide our stockholders with the opportunity to vote to approve, on an advisory, non-binding basis, the compensation of our NEOs as disclosed in this Proxy Statement in accordance with the SEC's rules.

As described in detail in the *Compensation Discussion and Analysis* section below, our executive compensation programs are designed to attract, retain, and motivate executives of superior ability who are dedicated to the long-term interests of our stockholders. Under these programs, our NEOs are rewarded for the achievement of specific annual, long-term, and strategic goals, corporate goals, and the realization of increased stockholder value. Highlights of our executive compensation program, include:

- compensation programs that are performance-based and align executive officer incentives with stockholder interests over multiple timeframes;
- annual incentives that are earned based on performance measured against specific financial and strategic objectives for an executive's area of responsibility, together with a qualitative assessment of performance;
- at-risk pay and compensation design that reflect an executive officer's impact on the Corporation's performance over time; and
- appropriate risk management practices, including robust clawback policies, anti-hedging policy, anti-pledging policy, stock ownership requirements, net share retention ratio, and net hold requirements with respect to equity grants.

We are asking our stockholders to indicate their support for our NEO compensation as described in this Proxy Statement. This proposal, commonly known as a "say-on-pay" proposal, gives our stockholders the opportunity to express their views on our NEOs' compensation. This vote is not intended to address any specific item of compensation, but rather the overall compensation of our NEOs and the philosophy, policies, and practices described in this Proxy Statement. Accordingly, we ask our stockholders to vote FOR the approval, on an advisory basis, of the compensation of our NEOs, as disclosed in this Proxy Statement, including the *Compensation Discussion and Analysis* section, the 2023 Summary Compensation Table, and the other related tables and narrative discussion.

Though the say-on-pay vote is advisory, and therefore not binding, our Board of Directors and the Compensation Committee value the opinions of our stockholders, and the Compensation Committee will consider the voting results when making future decisions regarding executive compensation as it deems appropriate. In 2022, our stockholders cast an advisory vote recommending that future say-on-pay votes be held every year. We expect to hold our next say-on-pay vote following the 2024 Annual Meeting of Stockholders at our 2025 Annual Meeting of Stockholders.

The Board of Directors recommends that stockholders vote **FOR** the approval of the compensation of our named executive officers, as disclosed in this Proxy Statement pursuant to the compensation disclosure rules of the SEC.

Compensation Discussion and Analysis

Named Executive Officers

This section provides an overview and analysis of our compensation programs and policies, including the material compensation decisions made under the programs with respect to our following named executive officers for 2023 (who are also our only executive officers under the applicable SEC rules), whom we refer to as our NEOs:

Rohit Gupta
President and Chief Executive Officer (“CEO”)

Rohit Gupta, 49, has served as our President and Chief Executive Officer since March 2013, as one of our directors since March 2013, and as Chairperson of our board of directors from July 2020 to September 2021.

Hardin Dean Mitchell
Executive Vice President, Chief Financial Officer (“CFO”) and Treasurer

Hardin Dean Mitchell, 54, has served as our Executive Vice President, Chief Financial Officer and Treasurer since May 2021. Mr. Mitchell served as our Senior Vice President, Chief Financial Officer and Treasurer from March 2013 to May 2021 after having served on an acting basis since August 2011.

Evan Stolove
Executive Vice President, General Counsel, and Corporate Secretary

Evan Stolove, 55, has served as our Executive Vice President, General Counsel and Corporate Secretary since May 2021 and is responsible for legal, compliance, privacy, and state government affairs. Mr. Stolove served as our Senior Vice President, General Counsel and Secretary from July 2017 to May 2021.

Michael Derstine
Executive Vice President and Chief Risk Officer

Michael Derstine, 54, has served as our Executive Vice President and Chief Risk Officer since May 2021 and is responsible for risk management, pricing, credit policy, and quality assurance. Mr. Derstine served as our Senior Vice President and Chief Risk Officer from March 2013 to May 2021.

Brian Gould
Executive Vice President and Chief Operations Officer

Brian Gould, 52, has served as our Executive Vice President and Chief Operations Officer since May 2021, and is responsible for claims, underwriting and analytics at Enact. Mr. Gould previously served as our Vice President, Operations for EMICO, a role he assumed in November 2018, where he was responsible for similar functions.

2023 Corporation Performance

In 2023, we aligned NEO incentives with the achievement of financial and strategic initiatives designed to improve our operating performance. We met or exceeded key operational, strategic, and financial objectives for 2023 primarily due to our strong execution and performance of our business.

Our operating performance in 2023 has directly impacted our NEOs' compensation, as follows:

Key Annual Financial Objectives

The business exceeded goals for adjusted operating income, adjusted operating return on equity ("ROE"), and expense ratio

Above Target

Key Annual Strategic Objectives

The business exceeded goals for growth initiatives, risk & pricing management, and optimizing capital & liquidity

Above Target

Long-Term Financial Objectives

50% of the total target value of equity awards granted to our NEOs in 2023 will vest based on the Corporation's Book Value per Share Growth over a three-year performance period from January 1, 2023 through December 31, 2025.

Compensation Philosophy

Our objectives in compensating executive officers are to attract, retain, and motivate executives of superior ability who are dedicated to the long-term interests of our stockholders.

The following principles guide our compensation program design and individual compensation decisions. Additionally, we have highlighted below key elements of our compensation programs or policies for NEOs that illustrate how we support these principles in practice:

Our Guiding Principles

Examples of Programs or Policies That Support Our Principles

Compensation should be primarily performance-based and align executive officer incentives with stockholder interests across multiple timeframes

- Annual cash incentives (short-term performance-based awards)
- The 2023 annual grants of long-term incentives, which include equity-based PSUs (vesting based on the Corporation's Book Value per Share growth over a three-year performance period) and RSUs (rewards long-term stock appreciation with an emphasis on retention)
- Prior to the 2021 IPO, certain executive officers received long-term incentive grants under Genworth's long-term incentive program. These grants remain outstanding and continue to vest in accordance with their terms

Total compensation opportunities should be competitive within the relevant marketplace

- Our compensation benchmarking approach, as described below, and annual review of the composition of our peer group
- We generally target our pay to the median of the market while also taking into account individual circumstances by, utilizing a combination of benchmark data, importance of the role to the Corporation and individual skill sets in determining compensation levels

Our incentive compensation should reward financial and operational performance and allow for qualitative assessment

- In determining annual incentive awards, the Compensation Committee measures performance against specific financial objectives set for the Corporation, together with a qualitative assessment of operational performance and other results
- We utilize long-term equity grants to reward achievement of specific longer-term Corporation objectives

Plan designs and incentives should support appropriate risk management practices

- We maintain anti-hedging, and anti-pledging policies applicable to all executive officers
- We maintain clawback policies, which extend to time and performance based incentive awards and permit recovery beyond the legally required minimums

Key Governance Practices

- ✓ Annual Advisory Approval of Executive Compensation
- ✓ Use of Long-Term Incentives
- ✓ No Excise Tax Gross-Ups for Change of Control Benefits
- ✓ Independent Compensation Consultant
- ✓ Anti-Hedging and Anti-Pledging Restrictions
- ✓ Clawback Policies
- ✓ Double Trigger for Change of Control Severance Benefits
- ✓ No Excessive Executive Perquisites

Compensation Decision-Making Process

How We Determine Program Design

Role of the Compensation Committee

The Compensation Committee undertakes a collaborative process with management when determining executive compensation programs and performance. The Compensation Committee performs an annual review process of CEO performance and compensation decisions, with input from the Board. The Compensation Committee regularly meets in executive session with and without management present and retains the final authority to approve all compensation policies, programs, and amounts paid to our NEOs, excluding equity awards that are approved by our full Board.

Role of Management

Our CEO and Senior Vice President—Human Resources attend meetings of the Compensation Committee to provide analysis, details, and recommendations regarding the Corporation's executive compensation programs and plan designs. During full Board meetings, members of the Compensation Committee also receive business performance and strategy updates from other members of management, which the Compensation Committee uses to align with compensation incentive goals. Our CEO provides the Compensation Committee with performance assessments and compensation recommendations for each of the NEOs (other than himself). The Compensation Committee, typically in the first quarter of each year, determines and approves annual incentive award payouts for the prior year, any adjustments to base salary, target annual incentives for the upcoming year, and awards of long-term incentives for executive officers to recommend to the Board for approval. For more information on the compensation decisions made for 2023, see the *Key Compensation Program Elements* section below.

Role of Compensation Consultants

In 2023, the Compensation Committee retained FW Cook as its independent compensation consultant. The independent compensation consultant regularly attends Compensation Committee meetings and occasionally meets with the Compensation Committee in executive session without management present. The Compensation Committee occasionally requests special studies, assessments of market trends and education regarding changing laws and regulations from the compensation consultant to assist the Compensation Committee in its decision-making processes for the CEO and other executive officers. The compensation consultant provides the Compensation Committee with advice but does not determine the amount or form of compensation for our NEOs. In 2023, the Compensation Committee assessed the independence of the compensation consultant pursuant to SEC rules and concluded that no conflict of interest exists with respect to their engagement.

Benchmarking

We generally evaluate the market competitiveness of our programs as an input into the process of designing plans and setting target compensation levels for NEOs. We review each component of compensation for our NEOs separately and in the aggregate, and we also consider the internal responsibilities of the NEOs to help determine appropriate pay levels. With respect to individual NEOs, we compare the total target compensation opportunities for our NEOs to the target opportunities for similar positions at comparable companies. These benchmarks are a gauge for evaluating market competitiveness, but they are not given greater weight than other key factors when making compensation decisions. For example, individual NEOs may have higher or lower target compensation levels compared to market medians based on level of responsibility, individual experience and skills, performance trends, competitive dynamics, retention needs, and internal equity considerations.

For 2023, pay decisions were made by the Compensation Committee and guided by publicly available information for the below list of 15 peer companies (the "Peer Group"), as well as information available through market compensation surveys to provide a broad perspective of market practice. Additionally, the Compensation Committee will from time to time place more emphasis on reviewing the compensation programs of the four other mortgage insurance companies (Essent Group LTD, MGIC Investment Corporation, NMI Holdings Inc., and Radian Group Inc) in the Peer Group due to their close correlation with our business makeup and strategy. The companies included in market surveys are not individually identifiable for a particular executive position (and therefore we are not benchmarking against any particular company within the survey), and also they may change from year-to-year based on voluntary participation in the market surveys used, mergers and divestitures, or changes in corporate structure.

To the extent we make changes to our business portfolio, or as peer companies adjust their own business lines or distribution channels, the Compensation Committee will consider adding peers, or removing peers that no longer have revenue sources and talent demands similar to ours. The Compensation Committee removed Flagstar Bancorp, Inc. and added PennyMac Financial Services and Stewart Information Services Corp. to the Peer Group for 2023 to correlate the Peer Group more closely to the business of the Corporation.

The Peer Group used when considering 2023 compensation actions was composed of the following companies:

Arch Capital Group Ltd.	First American Financial Corporation	PennyMac Financial Services
Assured Guaranty Ltd.	Guild Holdings Company	Radian Group, Inc.
Axos Financial, Inc.	MGIC Investment Corporation	RLI Corp.
Employers Holdings, Inc.	Mr. Cooper Group, Inc.	Stewart Information Services Corp.
Essent Group Ltd	NMI Holdings, Inc.	Walker & Dunlap, Inc.

Consideration of 2023 Say-on-Pay Vote

Annual advisory votes to approve NEO compensation serve as a tool to help the Compensation Committee evaluate the alignment of our executive compensation programs with the interest of the Corporation and our stockholders. Due to the strong support of our stockholders on our 2023 say-on-pay vote, which received approval from over 99% of the votes cast, we did not make any changes to our 2023 compensation program specifically in response to this vote.

Key Compensation Program Elements

Our 2023 annual compensation program for NEOs consisted of the following key elements: base salary, annual incentive, and annual long-term incentive grants (which were comprised of PSUs and RSUs).

Base Salary

Base salaries are generally intended to reflect the scope of an executive officer's responsibilities and experience, reward sustained performance over time, and be competitive with the market. In February 2023, the Compensation Committee undertook its annual review of executive officer base salaries, in conjunction with benchmarking data and advice provided by its compensation consultant. Mr. Derstine received a base salary increase to maintain market competitiveness. For the other NEOs, their base salaries were considered competitive for their roles within the marketplace and remained unchanged from 2022 levels.

Name	Base Salary as of 12.31.2023 (\$)	% Change from Prior Year
Mr. Gupta	925,000	— %
Mr. Mitchell	500,000	— %
Mr. Stolove	425,000	— %
Mr. Derstine	375,000	12 %
Mr. Gould	350,000	— %

Annual Incentive

Our annual incentive program rewards performance against financial objectives, together with a qualitative assessment of our achievement of operational objectives, and other accomplishments toward strategic priorities, which are not necessarily reflected in annual financial results.

Our annual incentive program, which was closely aligned with our annual business operating plan for 2023, was approved by our Compensation Committee. Generally, the Compensation Committee sets performance targets for the annual incentive program that align with achievement of the business operating plan, with above target payouts for exceeding the plan and below target or no payouts for not meeting the plan. When setting the annual business operating plan, many factors and assumptions are considered, such as the competitive landscape, the global economic environment, market trends, interest rates, and regulatory considerations. As a result, performance targets within our annual incentive plan may not increase on a yearly basis, and they may even be set below the previous year's targets or actual results. For 2023, the Compensation Committee added expense ratio as an additional financial objective to incentivize the NEOs to maintain capital efficiency while generating returns.

For 2023, each NEO had an annual incentive target, expressed as a percentage of base salary. Mr. Gupta's annual incentive target remained unchanged from 2022 at 160%, based on peer group data and his role on the senior leadership team. For the other NEOs, their annual incentive targets were also considered competitive for their roles within the marketplace and remained unchanged from 2022 levels. The 2023 target annual incentive opportunities for our NEOs ranged from 55% to 160% of base salary, and payout opportunities for 2023 ranged from zero to 200% of their individual target amount. Individual annual incentive targets are described below in the NEO 2023 Scorecard Results section and are also reported in the 2023 Grants of Plan-Based Awards Table.

Final awards under our annual incentive program for 2023 were determined based on a scorecard approach that considered the Corporation's achievement of the following financial and strategic objectives as well as each NEO's individual performance.

Financial Objectives Performance

Key Financial Objective	Unit	Threshold	Target	Maximum	2023 Results
Adjusted Operating Income ⁽¹⁾	\$MM	\$215	\$455	\$600	\$676
Adjusted Return on Equity ⁽²⁾	%	5.1 %	10.9 %	14.1 %	15.5 %
Expense Ratio ⁽³⁾	%	26 %	24 %	22 %	23.0 %

⁽¹⁾ For 2023 Adjusted Operating Income of \$676 million was calculated as Net Income of \$666 million, plus net investment losses and costs associated with reorganization, less taxes on adjustments.

⁽²⁾ Adjusted Return on Equity is calculated as Adjusted Operating Income for the year divided by average equity for the most recent year (2pt). Return on Equity for 2023 was 15.2%.

⁽³⁾ The 2023 Expense Ratio was calculated based on operating expenses as a percentage of net premiums, and was 23% for 2023.

Strategic Objectives Performance

Key Strategic Priority	2023 Key Accomplishments
Growth Initiatives	<ul style="list-style-type: none"> Launched our reinsurance entity, Enact Re Major milestones achieved in other growth opportunities The Compensation Committee determined above target funding was warranted
Risk and Pricing Management	<ul style="list-style-type: none"> Maintained a resilient portfolio with strong credit, achieved market share and NIW rate and ROE targets The Compensation Committee determined target funding was warranted
Capital and Liquidity	<ul style="list-style-type: none"> Executed on return of capital goals including quarterly dividend program, special dividend in the fourth quarter of 2023 and execution of share repurchase plan Drove ratings upgrade from S&P, Moody's Investor Service and Fitch Maintained Private Mortgage Insurance Eligibility Requirements ("PMIERS") sufficiency in line with our target The Compensation Committee determined above target funding was warranted

In February of 2024, our Compensation Committee reviewed overall performance results against the applicable objectives in the scorecard and also considered the performance of each NEO in their respective area of responsibility in determining the actual 2023 annual incentive payouts. Enact delivered strong performance in what remained a volatile and uncertain market throughout the year. Execution successes include: (i) the strong underlying credit quality of our business portfolio; and (ii) maintaining strong capital positions in our business to ensure their resilience across a wide range of potential scenarios.

Amounts paid for 2023 are reported under the Non-Equity Incentive Plan Compensation column of the 2023 Summary Compensation Table.

Total Funding for Strategic Objectives	140 %
--	-------

Rohit Gupta

Mr. Gupta's annual incentive award could range from 0% of target to 200% of target based on results versus applicable performance targets. His 2023 target was \$1,480,000. Mr. Gupta's approved annual incentive award for 2023 was \$2,590,000, or approximately 175% of his targeted amount, based on the achievement of the financial and strategic measures.

Hardin Dean Mitchell

Mr. Mitchell's annual incentive award could range from 0% of target to 200% of target based on results versus applicable performance targets. His 2023 target was \$500,000. Mr. Mitchell's approved annual incentive award for 2023 was \$875,000, or approximately 175% of his targeted amount, based on the achievement of the financial and strategic measures.

Evan S. Stolove

Mr. Stolove's annual incentive award could range from 0% of target to 200% of target based on results versus applicable performance targets. His 2023 target was \$318,750. Mr. Stolove's approved annual incentive award for 2023 was \$558,000, or approximately 175% of his targeted amount, based on the achievement of the financial and strategic measures.

Michael Derstine

Mr. Derstine's annual incentive award could range from 0% of target to 200% of target based on results versus applicable performance targets. His 2023 target was \$206,250. Mr. Derstine's approved annual incentive award for 2023 was \$361,000, or approximately 175% of his targeted amount, based on the achievement of the financial and strategic measures.

Brian Gould

Mr. Gould's annual incentive award could range from 0% of target to 200% of target based on results versus applicable performance targets. His 2023 target was \$192,500. Mr. Gould's approved annual incentive award for 2023 was \$337,000, or approximately 175% of his targeted amount, based on the achievement of the financial and strategic measures.

Long-Term Incentive Award Design

Enact's long-term incentive awards to executive officers include PSUs and RSUs. Taken together, we believe our annual long-term incentive grants provide our NEOs with effective retention value and appropriate incentives to achieve long-term company performance objectives, while aligning our executive officer compensation program with the long-term interests of our stockholders.

To determine annual long-term equity grant awards for the NEOs, the Compensation Committee works with its independent compensation consultant. In addition, when determining long-term equity award values for each executive officer (including our CEO), the Compensation Committee considers competitive pay levels, alignment of total pay at risk with the individual's ability to impact long-term company performance, the individual's sustained performance over time, and retention needs.

2023 Enact Long-Term Incentives

In February 2023, during the annual review of executive officer pay, in conjunction with benchmarking data and advice provided by its compensation consultant, the Committee approved increases to each of our NEO's annual long-term incentive target award values. The increases bring 2023 target annual long-term incentive award values for our NEOs to an average of 46% of total target compensation for the officers and is a reflection of the continued progression of pay alignment with the long-term interests of our stockholders for a public company officer.

The target award value of the annual long-term incentive awards made in 2023 to our NEOs were as follows:

Name	Target Award Value (\$)	# of RSUs Awarded	Target # of PSUs Awarded
Mr. Gupta	4,250,000	86,788	86,788
Mr. Mitchell	950,000	19,400	19,400
Mr. Stolove	425,000	8,679	8,679
Mr. Derstine	400,000	8,169	8,169
Mr. Gould	350,000	7,148	7,148

The target award values above represent the values approved by the Committee, which were used to determine the number of RSUs and PSUs granted to each NEO. Such values are different from the grant date accounting values, determined in accordance with FASB-ASC Topic 718 that are included in the Summary Compensation Table and Grants of Plan Based Awards Table.

Additional Information Regarding Restricted Stock Units

- RSUs vest 33% per year, beginning on the first anniversary of the grant date.

Additional Information Regarding Performance Stock Units

- The 2023 PSUs are eligible to vest from 0 to 200% of the target number of PSUs granted based on the Corporation's Book Value per Share Growth over a three-year performance period from January 1, 2023 through December 31, 2025.
- Payout for performance is interpolated on a straight-line basis between each of threshold and target payouts and between target and maximum payouts levels.
- No payout is earned for performance below threshold level for the performance period.
- In evaluating performance, the Compensation Committee excludes the impact, if any, on reported financial results of any of the following events that occur during the performance period: a) acquisitions and divestitures, b) stockholder dividends or common stock repurchases and c) changes in accounting principles or other laws or provisions.
- Notwithstanding the level of achievement of the performance goals, the Compensation Committee may exercise negative discretion to pay out a lesser amount, or no amount at all, based on such considerations as the Compensation Committee deems appropriate.

Additional Information Regarding Long-Term Incentive Awards

- Outstanding long-term incentive awards are generally forfeited upon the NEO's termination of employment with the Corporation prior to vesting, except for limited instances as described in the *Executive Compensation—Potential Payments upon Termination or Change of Control* section below.

2023-2025 Performance Stock Unit Metrics and Goals

Performance Measurement Period	Book Value per Share Growth		
	Threshold (50% Payout)	Target (100% Payout)	Maximum (200% Payout)
January 1, 2023 – December 31, 2025	13 %	33 %	43 %

Genworth 2021 Performance Stock Units

Genworth PSUs previously granted to our CEO in 2021 were eligible to vest based on the achievement of performance goals relating to certain financial metrics that are key drivers of Genworth's multi-year business operating plan, a significant component of which is Enact's adjusted operating income, measured over one cumulative three-year performance period which ended on December 31, 2023. No payout is earned for performance below the threshold performance level for the performance measurement period, while performance at the threshold performance level would result in 50% of the target PSUs vesting, and performance at the maximum performance level would result in 200% of the target PSUs vesting. Following the end of the performance period, the Compensation Committee of Genworth certified a performance achievement at the maximum performance level, which resulted in the vesting of 200% of the target PSUs granted to our CEO.

Genworth Deferred Cash Awards

Genworth deferred cash (“Deferred Cash”) awards were previously granted to the NEOs other than our CEO in 2021 and generally vest in three equal installments on each of the first three anniversaries of the grant date, subject to the participant’s continued employment through the applicable vesting date. Except for certain qualifying termination events, Genworth Deferred Cash awards are generally forfeited upon a termination of employment prior to vesting, as described in greater detail below under “Potential Payment upon Termination or Change of Control.” Please see the “Bonus” column in the 2023 Summary Compensation Table for the amount of the payouts in 2023 of Genworth Deferred Cash awards granted in prior years that became vested in 2023 based on continued service through the applicable vesting date.

Other Benefit Programs

Severance Benefits

The Corporation maintains the Enact Holdings, Inc. Senior Executive Severance Plan (the “Enact Executive Severance Plan”) and the Enact Holdings, Inc. Change of Control Severance Plan (the “Change of Control Severance Plan”). The Enact Executive Severance Plan is intended to promote the retention of a select group of key employees by providing severance benefits in the event their employment is terminated without cause or by the executive for good reason and to align with severance benefits commonly provided in our market for competing executive talent. The Change of Control Severance Plan is aimed at providing market competitive benefits and an appropriate level of protection if a Change of Control (as defined in the Change of Control Severance Plan) were to arise. Each of our NEOs is eligible to participate in each of the plans.

The potential payments and benefits provided under these plans are described more fully in the *Executive Compensation—Potential Payments upon Termination or Change of Control* section below.

Retirement Benefits

Retirement benefits also fulfill an important role within our overall executive compensation program because they provide a competitive financial security component that supports attraction and retention of talent. Our employees currently participate in Genworth’s retirement programs. Genworth’s Retirement and Savings Plan has two features: the “401(k) Savings Feature,” in which participants can defer savings on a pre-tax basis and receive Corporation matching contributions, subject to certain Internal Revenue Service limits, and a “Retirement Account Feature,” which includes only annual Corporation contributions. In addition, Genworth offers the following non-qualified retirement plans:

- Supplemental Executive Retirement Plan (the “SERP”), which is a defined benefit plan that was closed to new participants after December 31, 2009, and for which benefit accruals were frozen as of December 31, 2020; and
- Retirement and Savings Restoration Plan (the “Restoration Plan”), which is a non-qualified defined contribution plan.

It is important to us to keep our benefit design and costs competitive with our peers so that we can continue to attract and retain talent while managing our expenses. Each of the above defined benefit and non-qualified retirement plans is described in more detail in the *Executive Compensation—Pension Benefits and Non-Qualified Deferred Compensation* sections below.

Other Benefits and Perquisites

The Compensation Committee regularly reviews the benefits and perquisites provided to our NEOs to ensure that our programs align with our overall principles of providing competitive compensation and benefits that maximize the interests of our stockholders. We provide executive officers with an individually-owned universal life insurance policy (the “Leadership Life Program”), maintained by Genworth and a limited number of perquisites intended to keep executive officers healthy and focused on segment business with minimal distraction. The perquisites provided to executive officers include the opportunity to receive financial counseling and annual physical examinations. The CEO is also eligible for an enhanced company-owned life insurance program (the “Executive Life Program”) offered by Genworth. The costs of certain perquisites provided to our NEOs are included in the Summary Compensation Table below.

We also provide certain benefits in the event of death, total disability or change of control. Amounts payable to NEOs are described in more detail in the *Executive Compensation—Potential Payments upon Termination or Change of Control* section below.

Other Key Compensation Governance Policies

In addition to our compensation programs described above, the Corporation maintains the following policies and practices intended to strengthen the overall long-term stockholder alignment and governance of our compensation programs.

Anti-Hedging and Anti-Pledging Policies for Directors and Executive Officers

The Corporation maintains an anti-hedging restriction within its Insider Trading Policy, which prohibits executive officers and directors from buying or selling options (puts or calls) on Enact securities on an exchange or in any other organized market, and it also prohibits certain forms of hedging or monetization transactions with respect to Enact securities, such as prepaid variable forward contracts, equity swaps, collars, forward sale contracts and exchange funds. The restrictions under the Insider Trading Policy related to anti-hedging and anti-pledging only apply to statutory insiders. The Corporation maintains this policy because hedging transactions, which might be considered short-term bets on the movement of the Corporation's securities, could create the appearance that the person is trading based on inside information. In addition, transactions in options may also focus the person's attention on short-term performance at the expense of our long-term objectives.

The Corporation also maintains anti-pledging restrictions within its Inside Trading Policy, which prohibits its executive officers and directors from holding Enact securities in a margin account or otherwise pledging enact securities as collateral for a loan. Securities held in a margin account as collateral for a margin loan may be sold by the broker without the customer's consent if the customer fails to meet a margin call. Similarly, securities pledged as collateral for a loan may be sold in foreclosure if the borrower defaults on the loan. The Corporation maintains this policy because a margin sale or foreclosure sale may occur at a time when the pledger is aware of material nonpublic information or otherwise is not permitted to trade in Enact securities and the margin sale or foreclosure sale of Enact securities during such time could also create the appearance that the person is trading based on inside information.

Clawback Policies

In 2023, the Corporation adopted an Incentive-Based Compensation Recovery Policy, which is intended to comply with the requirements of Rule 5608 of The Nasdaq Stock Market Listing Standards implementing Rule 10D-1 under the Securities Exchange Act of 1934. In the event the Corporation is required to prepare an accounting restatement of the Corporation's financial statements due to material non-compliance with any financial reporting requirement under the federal securities laws, the Corporation will recover, on a reasonably prompt basis, the excess incentive-based compensation received by any covered executive, including our NEOs, during the prior three fiscal years that exceeds the amount that the executive otherwise would have received had the incentive-based compensation been determined based on the restated financial statements.

In addition, the Corporation also maintains a Supplemental Discretionary Clawback Policy, pursuant to which the Compensation Committee may recover incentive compensation (including both time- and performance-based equity and cash incentive awards) awarded or paid to any covered executive, including our NEOs, in the event such executive engages in any misconduct, including, without limitation, any material breach of restrictive covenants, employment agreement, or the Corporation's policies or Code of Ethics. The Supplemental Discretionary Clawback Policy supplements our Incentive-Based Compensation Recovery Policy and provides the Compensation Committee discretion to recover compensation in addition to, or outside the scope of, the Incentive-Based Compensation Recovery Policy.

Stock Ownership Guidelines

In 2023, the Board approved Stock Ownership Guidelines addressing the amounts of equity to be maintained, the applicable individuals, and the timeline for compliance. Directors are required to own shares of the Corporation's common stock with a value equal to at least five times the director's annual cash retainer, excluding any cash retainer received for chairperson committee service. Under the policy, our CEO is required to own a number of shares of the Corporation's common stock with a value equal to at least five times the CEO's annual base salary. The CFO is required to own a number of shares of the Corporation's common stock with a value equal to at least three times the CFO's annual base salary. The Chief Operating Officer, Chief Risk Officer, General Counsel, and all other Senior Vice-Presidents are required to own a number of shares of the Corporation's common stock with a value equal to at least two times that executive's annual base salary. The following types of securities count towards satisfaction of such stock ownership levels: common stock, vested DSUs, unvested RSUs, and other shares of common stock in which the individual holds a vested beneficial interest. Covered executives are required to satisfy the applicable ownership level within five years of entering that role.

and covered non-executive directors are expected to satisfy the applicable ownership level within five year of initial appointment to the Board, and if the ownership levels are not reached, the individual will be required to retain all vested shares (after any net-share settlement) until the required ownership level is obtained. All of our NEOs and directors are currently in compliance, or on track to comply with such guidelines.

Evaluation of Compensation Program Risks

The Compensation Committee annually reviews a report prepared by management, led by the Corporation's Risk Department, regarding the design and operation of our compensation arrangements for employees, including executive officers, for the purpose of determining whether such programs might encourage inappropriate risk-taking that could have a material adverse effect on the Corporation. Following that review for 2023 compensation, the Compensation Committee agreed with management's conclusion that the Corporation's compensation plans, programs, and policies do not encourage employees to take risks that are reasonably likely to have a material adverse effect on the Corporation.

Report of the Compensation Committee

The Compensation Committee of the Board of Directors oversees the compensation programs of Enact Holdings, Inc. on behalf of the Board. In fulfilling its oversight responsibilities, the committee reviewed and discussed with management the Compensation Discussion and Analysis included in this document.

In reliance on the review and discussion referred to above, the Compensation Committee recommended to the Board of Directors that the Compensation Discussion and Analysis be included in Enact's Annual Proxy Statement on Schedule 14A to be filed in connection with Enact's 2024 Annual Meeting of Stockholders and incorporated by reference in Enact's Annual Report on Form 10-K for the Fiscal year ended December 31, 2023.

This report shall not be deemed to otherwise be incorporated by reference by any general statement incorporating by reference into any filing under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, and shall not otherwise be deemed filed under such acts. This report is provided by the following directors, who constitute the committee:

⁽¹⁾ Amounts reported in this column for 2023 reflect the value of Genworth Deferred Cash awards that were originally granted in prior years and a portion of which vested in 2023.

⁽²⁾ Amounts reported in this column for 2023 reflect the aggregate grant date fair value of the RSUs and PSUs awarded during the year, determined in accordance with FASB ASC Topic 718. The grant date fair value for the RSUs granted in 2023 is based on the closing price of a share of our common stock on the date of grant. The grant date fair value of the PSUs granted in 2023 is based on the closing price of our common stock on the date of grant and the probable achievement level of the performance goals at the time of grant. Assuming achievement of the PSU performance conditions at the highest level (rather than based on the probable achievement at the time of grant), the aggregate grant date fair value of the 2023 PSUs reflected in this column for 2023 would be as follows: Gupta, \$4,205,746; Mitchell \$940,124; Stolove, \$420,584; Derstine, \$395,870; and Gould, \$346,392. Please reference the *Key compensation Program Elements- 2023 Enact Long-Term Incentives* section of the CD&A for further details.

⁽³⁾ Reflects the annual change in actuarial present values of Mr. Gupta's accumulated benefits under the SERP provided by Genworth. The SERP was closed to new participants effective January 1, 2010. A description of the SERP precedes the 2023 Pension Benefits Table below.

Grants of Plan-Based Awards

The table below provides information on the following plan-based awards that were made in 2023:

- **Annual Incentive.** Annual incentive opportunities awarded to our NEOs are earned based on Corporation performance measured against one-year financial objectives and key strategic priorities, together with a qualitative assessment of performance, including individual performance objectives. Additional information regarding the design of the annual incentive program may be found in [Key Compensation Program Elements- Annual Incentive](#) section above. Annual incentives are identified as "AI" in the Award Type column of the following table. Actual amounts paid are included in the Summary Compensation Table "Non-Equity Incentive Plan Compensation" column above.
- **Restricted Stock Units.** Each RSU represents a contingent right to receive one share of our common stock in the future. If the Corporation pays dividends on its common stock, dividend equivalents accrue with respect to the RSUs and will be reinvested in additional RSUs and paid at the time that the corresponding RSUs vest. Additional information regarding RSUs is included in the [Key Compensation Program Elements- 2023 Enact Long-Term Incentives](#) section above.
- **Performance Stock Units.** PSUs granted may convert to shares of our common stock following the end of the performance period based on achievement of certain pre-established performance goals. PSUs are granted with respect to a target number of shares, will be forfeited if performance is below a designated threshold level of performance, and may be earned up to 200% of the target number of PSUs for meeting or exceeding a designated maximum level of performance. If the Corporation pays dividends on its common stock, dividend equivalents accrue with respect to the PSUs and will be reinvested in additional PSUs which are paid at the time that the corresponding PSUs vest. Additional information regarding PSUs is included in the [Key Compensation Program Elements- 2023 Enact Long-Term Incentives](#) section above.

⁽¹⁾ Reflects 2023-2025 PSUs, which may be earned and become vested based on our level of achievement of certain pre-established performance goals over the performance period from January 1, 2023 through December 31, 2025, which are described in greater detail in the *Key Compensation Program Elements- 2023 Enact Long-Term Incentives* section above.

⁽²⁾ Reflects RSUs, which are scheduled to vest one-third per year beginning on the first anniversary of the grant date.

⁽³⁾ Reflects the aggregate grant date fair value of the award determined in accordance with FASB ASC Topic 718. Grant date fair value for the RSUs is based on the grant date fair market value of the underlying shares. Grant date fair value for the PSUs is based on the grant date fair market value of the underlying shares and the probable outcome of the performance goals achievement.

⁽¹⁾ Reflect fully vested stock options granted by Genworth prior to our IPO.

⁽²⁾ Option exercise price is equal to the closing market price of Genworth's common stock on the date of grant.

⁽³⁾ Remaining Genworth RSUs vest 100% on 3/25/2024.

⁽⁴⁾ RSUs vest 100% on 9/15/2024.

⁽⁵⁾ Remaining RSUs vest 50% on 2/11/2024 and 2/11/2025.

⁽⁶⁾ RSUs vest one-third on 2/9/2024, 2/9/2025, and 2/9/2026.

⁽⁷⁾ Market value is calculated based on the closing price of Genworth common stock on December 29, 2023 of \$6.68 per share.

⁽⁸⁾ Market value is calculated based on the closing price of our common stock on December 29, 2023 of \$28.89 per share.

⁽⁹⁾ Mr. Gupta received grants from both the Corporation and Genworth in 2021; 316,221 RSUs originally granted by Genworth is valued based on December 29, 2023 of \$6.68 per Genworth share and 168,422 RSUs originally granted by the Corporation is valued based on December 29, 2023 of \$28.89 per Corporation share.

⁽¹⁰⁾ Reflects 2021-2023 Genworth PSUs which vested based on Genworth's level of achievement of certain pre-established performance goals over the performance period ended on December 31, 2023. Amounts reported here reflect actual achievement of the performance goals during the performance period. Mr. Gupta was required to remain employed until the actual performance level achievement was certified by Genworth to vest in such PSUs. For more information regarding the payout of these Genworth PSUs, see the proxy statement filed by Genworth.

⁽¹¹⁾ 2022-2024 PSUs may be earned and become vested based on our level of achievement of certain pre-established performance goals over the performance period ending on December 31, 2024. Amounts reported here reflect maximum level of achievement of the performance goals pursuant to applicable reporting requirements.

⁽¹²⁾ 2023-2025 PSUs may be earned and become vested based on our level of achievement of certain pre-established performance goals over the performance period ending on December 31, 2025. Amounts reported here reflect target level of achievement of the performance goals pursuant to applicable reporting requirements. For more information regarding the 2023-2025 PSUs, see the 2023 Grants of Plan Based Awards Table and the Compensation Discussion and Analysis section above.

2023 Options Exercised and Stock Vested Table

The table below provides information regarding Genworth RSUs that vested during 2023. None of our NEOs exercised any Genworth stock options during 2023 and none of our NEOs hold any Corporation stock options.

Name	Stock Awards

Mr. Gould	2,510	65,158

⁽¹⁾ Reflects the gross number of shares received upon the vesting of Enact RSUs and, for Mr. Gupta only, vesting of Genworth RSUs and 2020-2022 PSUs. Based on the tax withholding payment election, a portion of the shares reflected above may have been withheld to cover taxes due.

⁽²⁾ Reflects the fair market value of the underlying shares as of the vesting date.

Pension Benefits

The SERP is a non-qualified, defined benefit plan maintained by Genworth to provide eligible executives with additional retirement benefits. Mr. Gupta is the only Enact NEO eligible for this plan, as the SERP was closed to new participants after December 31, 2009. The annual SERP benefit is a life annuity equal to a fixed percentage multiplied by the participant's years of benefit service, and the participant's average annual compensation (based on the highest consecutive 36-month period within the last 120-month period prior to separation from service) with the resulting benefit not to exceed 40% of the participant's average annual compensation. Benefit service is defined as service with Genworth and its subsidiaries from the plan's inception date (September 27, 2005) or date of SERP participation. The SERP benefit is then reduced by the value of the participant's account balance under the Retirement Account Feature of our Retirement and Savings Plan as converted to an equivalent annual annuity. Compensation for SERP purposes generally includes only base salary and annual cash incentive (each whether or not deferred).

The annual SERP benefit is calculated as described below:

SERP Benefit	=	1.45% x Average Annual Compensation x Service as Eligible Participant (through 12/31/2010)	+	1.1% x Average Annual Compensation x Service as Eligible Participant (from 1/1/2011 through 12/31/2020)	-	Annuitized value of the company's qualified plan (as of 12/31/2020): Retirement Account Feature
---------------------	---	--	---	---	---	--

Each participant in the SERP will partially vest with regard to their benefit when they reach age 55 and have earned five years of "future service" (i.e. service occurring after December 31, 2015). Once a SERP participant has earned five years of "future service" and has reached at least age 55, the participant will become partially vested based on a scale ranging from 50% at age 55 and increasing by 10% each year until the participant reaches full vesting at age 60. If a participant resigns before vesting, then his or her SERP benefit will be forfeited. Only in certain circumstances will the SERP become fully vested upon termination prior to age 60, as described in the Executive Compensation-Potential Payments upon Termination or Change of Control section below. Benefit payments under the SERP will begin following a participant's qualifying separation from service, but not earlier than age 60. The SERP has no provisions for acceleration of payout before age 60. There are also no provisions for the granting of extra years of service.

Material assumptions used to calculate the present value of the accumulated benefit are as follows:

- The accumulated benefit represents the current accrued benefit first available at age 60 utilizing actual service and compensation as of December 31, 2020 (i.e. the plan freeze date);
- Interest rate of 4.98%;
- Mortality prescribed in the 1994 Group Annuity Mortality Table (Unisex) Found in Revenue Ruling 2001-62 (GATT2003) as defined by the plan;
- Form of payment actuarially equivalent to a five-year certain and life benefit; and
- Payments are guaranteed for the life of the participant.

All SERP benefit accruals were frozen as of December 31, 2020.

The table below reflects the present value of the accrued benefit as of December 31, 2023.

2023 Pension Benefits Table

Name	Plan Name	Number of Years of Credited Service	Present Value of Accumulated Benefits (\$)	Payments During Last Fiscal Year

Mr. Derstine ⁽²⁾	*	—	—	—
Mr. Gould ⁽²⁾	*	—	—	—

⁽¹⁾ Mr. Gupta elected to freeze his SERP benefit as of December 31, 2015 in order to begin receiving restoration benefits under Genworth's Restoration Plan as described in the *Non-Qualified Deferred Compensation* section below.

⁽²⁾ Messrs. Mitchell, Stolove, Derstine and Gould are not eligible for the SERP.

Non-Qualified Deferred Compensation

Certain Enact NEOs have participated in Genworth's Restoration Plan, a non-qualified defined contribution plan, maintained by Genworth that provides eligible executives, including our NEOs, with benefits generally equal to any matching contributions that they are precluded from receiving under Genworth's qualified Retirement and Savings Plan as a result of restrictions imposed under Section 401(a)(17) of the Internal Revenue Code (\$330,000 annual compensation limit in 2023). For 2023, we provided a credit into the Restoration Plan's "401(k) Savings Feature" equal to 5% of the participant's eligible pay (base salary and annual cash incentive paid) in excess of the annual compensation limit. Also for 2023, we provided a credit into the "Retirement Account Feature" of our qualified Retirement and Savings Plan (the "Restoration Retirement Account Feature") equal to 3% of the participant's eligible pay (base salary and annual incentives paid) in excess of the annual compensation limit.

Participants become vested with respect to the Restoration Plan's 401(k) Savings Feature and Retirement Account Feature account balances as of the earlier of reaching age 60 or attaining three years of "future service."

Eligible executives, including our NEOs, have the opportunity to request that their Restoration Plan contribution credits (balances) be invested in or track a diverse array of generally available mutual fund investment options.

2023 Non-Qualified Deferred Compensation Table

Name	Plan Name	Executive Contributions in Last FY (\$)	Registrant Contributions in Last FY (\$) ⁽¹⁾	Aggregate Earnings in Last FY (\$)	Aggregate Withdrawals/Distributions (\$)	Aggregate Balance at Last FYE (\$) ⁽²⁾

Mr. Gould	Restoration Plan	—	28,560	7,791	—	92,950

- ⁽¹⁾ Reflects company contributions to the Restoration Plan made in 2024, which are based on 2023 earnings. The contributions are reported as compensation for 2023 in the All Other Compensation column of the 2023 Summary Compensation Table.
- ⁽²⁾ Aggregate balances reported as of December 31, 2023 for the NEOs include amounts that were reported in the Summary Compensation Tables for 2023 and years prior. For the Restoration Plan, the amount of compensation reported in the Summary Compensation Tables for 2023 and years prior is \$581,277 for Mr. Gupta, \$179,646 for Mr. Mitchell, \$108,743 for Mr. Stolove, \$68,054 for Mr. Derstine, and \$68,977 for Mr. Gould.

Potential Payments upon Termination or Change of Control

The following tables and narrative disclosure summarize the compensation and benefits that would have been payable to each of the NEOs in the event of a termination of employment under various circumstances, assuming that such termination was effective as of December 31, 2023. The compensation and benefits described and quantified below are in addition to the compensation and benefits that would already be earned or vested upon such NEO's termination, including accrued but unpaid salary, and payments and benefits accrued under our broad-based benefit programs, including any vested contributions we made under the 401(k) Savings and Retirement Account Features of Genworth's Retirement and Savings Plan.

Involuntary Termination of Employment (Without a Change of Control)

The Corporation maintains the Enact Executive Severance Plan in order to promote the retention of a select group of key employees, including our NEOs, by providing severance benefits in the event their employment is terminated under certain circumstances and to align with severance benefits commonly provided in our market for competing executive talent.

In the event the employment of an NEO is terminated without "cause" or by the executive for "good reason" (as such terms are defined in the Enact Executive Severance Plan), such NEO would be eligible to receive the following severance benefits under the Enact Executive Severance Plan:

- **Severance payment.** The NEO would receive a lump sum cash severance payment, payable within 60 days of the date of termination, in an amount equal to two times the sum of base salary and target annual incentive in the case of Mr. Gupta, and one times base salary and target annual incentive for the other NEOs.
- **Pro rata annual incentive award.** The NEO would receive a lump sum cash payment based on the annual incentive award that would have been payable with respect to the fiscal year in which the qualified termination occurs (determined at the end of such year based on actual performance results), prorated to the nearest half month to reflect the portion of the fiscal year that had elapsed prior to the date of termination.
- **Benefits payment.** The NEO would receive a lump sum cash payment, payable within 60 days of the date of termination, equal to the monthly COBRA premiums for the continuation of the Corporation's group medical, dental, vision, and/or prescription drug plan benefits in which the employee participated prior to the termination, multiplied by 12.
- **Partial vesting of time-based long-term incentive awards.** RSUs and other cash and equity awards with time-based vesting restrictions held by the NEO would become immediately vested as of the participant's termination, but only with respect to a number of awards that otherwise would have become vested on the award's next regularly scheduled vesting date based on continued employment (the remainder of such awards would be forfeited). For the RSUs granted upon Enact's IPO, a pro rata portion based on the number of whole months since grant date would accelerate.
- **Vesting of performance-based long-term incentive awards.** Performance-based equity held by the NEO would remain outstanding and would be earned, if at all, based on actual performance through the end of the performance period, prorated to the nearest half-month to reflect the portion of the performance period year that had elapsed prior to the date of termination.
- **Retirement plan vesting.** The CEO would become fully vested in any funded or unfunded nonqualified pension or retirement plans in which he participates, since he has been employed by the Corporation for at least five years.

To receive severance benefits, the executive would have to execute and deliver to us a general release of claims and agree to certain post-termination restrictive covenants, including a 12-month non-compete provision, 24-month restrictions on the solicitation of customers and employees, and restrictions on the use of confidential information.

The following table summarizes the payments and benefits that would have been payable to the NEOs under the Enact Executive Severance plan and the terms of other applicable incentive awards in the event of a termination without "cause" or by the executive for "good reason" on December 31, 2023.

Involuntary Termination of Employment (Without a Change of Control)

Total	25,372,740	4,931,861	2,828,142	2,306,794	2,223,167

⁽¹⁾ Reflects a cash severance in the amount of 2 times the sum of base salary and target annual incentive in the case of Mr. Gupta, and one times base salary and target annual incentive in the case of the other NEOs.

⁽²⁾ Reflects an annual incentive award based on actual performance results through the end of 2023. Annual incentive awards are determined based on actual pro rata performance.

⁽³⁾ Represents a lump sum cash payment equal to the COBRA premiums for 12 months of continued health and welfare coverage.

⁽⁴⁾ Reflects the aggregate value of Genworth Deferred Cash Awards that would immediately vest as of the executive's termination. The awards for which vesting would accelerate are those awards that would have become vested on the award's next regularly scheduled vesting date based on continued employment.

⁽⁵⁾ Reflects the aggregate value of RSUs (based on the closing price of Enact common stock on December 29, 2023 of \$28.89) that would immediately vest as of the executive's termination. For Mr. Gupta, this value also reflects the aggregate value of Genworth RSUs (based on the closing price of Genworth common stock on December 29, 2023 of \$6.68) that would immediately vest as of the executive's termination.

⁽⁶⁾ For all NEOs, reflects the value of 2022-2024 and 2023-2025 PSUs (based on the closing price of Enact common stock on December 29, 2023 of \$28.89 at the maximum level of performance for 2022-2024 PSUs and target level of performance for 2023-2025 PSUs. For Mr. Gupta, also reflects the aggregate value of 2021-2023 Genworth PSUs (based on the closing price of Genworth common stock on December 29, 2023 of \$6.68) that would remain outstanding following the executive's termination, and could be earned, if at all, at the end of the performance period based on actual results, prorated to the nearest half-month to reflect the portion of the performance period year that had elapsed prior to the date of termination.

⁽⁷⁾ Reflects the present value Mr. Gupta's accumulated benefits under the SERP, as noted in the *2023 Pension Benefits Table*, which would become fully vested.

Involuntary Termination Following a Change of Control

The Corporation maintains the Change of Control Severance Plan in order to provide market competitive benefits and the appropriate level of protection if a Change of Control event were to arise. The Change of Control Severance Plan provides severance benefits to a select group of key executives, including all of our NEOs, in the event that the executive's employment is terminated without "cause" or by the executive for "good reason" following a change of control of the company.

Pursuant to the Change of Control Severance Plan, a covered NEO would receive payments and benefits in the event of a termination of employment without "cause" or by the executive with "good reason" within two years following a change of control of the company (each a "Qualified Termination" as defined in the Change of Control Severance Plan). In the event of a Qualified Termination during 2023, such NEO would be eligible to receive the following severance benefits under the Change of Control Severance Plan and the terms of applicable equity awards:

- **Severance payment.** Mr. Gupta would receive a lump sum cash severance payment in an amount equal to two and one-half times the sum of his base salary and target annual incentive, and other NEOs would receive a cash severance payment equal to two times the sum of their base salary and target annual incentive, payable within 60 days following termination.
- **Pro rata annual incentive award.** The NEO would receive a lump sum cash payment based on the annual incentive award that would have been payable with respect to the fiscal year in which the Qualified Termination occurs (determined based on actual pro rata performance, to the extent such performance can be reasonably established, or otherwise based on an assumed achievement of all relevant performance goals at "target"), prorated to the nearest half-month to reflect the portion of the fiscal year that had elapsed prior to the Qualified Termination, and payable within 60 days following termination.
- **Vesting of time-based long-term incentive awards.** Genworth RSUs, held by Mr. Gupta only, and IPO RSUs held by the NEOs would become immediately vested as of a Qualified Termination. Enact RSUs and other cash and stock awards with time-based vesting restrictions held by the NEO would become immediately vested as of a Qualified Termination (within 12 months following a change of control.)

- *Vesting of performance-based long-term incentive awards.* Genworth performance-based equity and cash awards held by Mr. Gupta would become vested and be deemed earned based on actual pro rata performance as of the date of a Qualified Termination, to the extent such performance can be reasonably established, or otherwise based on an assumed achievement of all relevant performance goals at “target,” prorated to the nearest half-month to reflect the portion of the performance period that had elapsed prior to the Qualified Termination, and payable within 60 days following termination. Performance-based Enact equity and cash awards held by the NEO would become vested and be deemed earned based on actual pro rata performance as of the date of a Qualified Termination (within 12 months following a change of control), to the extent such performance can be reasonably established, or otherwise based on an assumed achievement of all relevant performance goals at “target,” prorated based on the number of days of the performance period that had elapsed prior to the Qualified Termination, and payable within 30 days following termination.
- *Payment related to health and life insurance benefits.* The NEO would receive a lump sum cash payment, payable within 60 days of the date of termination, equal to the monthly cost of COBRA premiums for the Corporation’s group medical, dental, vision, and/or prescription drug plan benefits in which the NEO participates prior to the Qualified Termination, multiplied by 18, and would continue to receive life insurance coverage for 18 months.
- *Retirement plan provisions.* The NEO would become fully vested in any funded or unfunded nonqualified pension, retirement or deferred compensation plans in which he participates.

The 2022 Change of Control Severance Plan provides that in the event the participant would be subject to a 20% excise tax under Section 4999 of the Code (imposed on individuals who receive compensation in connection with a change of control that exceeds certain specified limits), the payments and benefits would be reduced to the maximum amount that does not trigger the excise tax, unless the executive would retain greater value (on an after-tax basis) by receiving all payments and benefits and paying all excise and income taxes. If an executive becomes eligible to receive benefits under the Change of Control Severance Plan, he or she will not be eligible to receive benefits under any prior version of the Change of Control Severance Plan of Enact or Genworth.

The following table summarizes the payments and benefits that would have been payable to the NEOs under the Change of Control Severance Plan in the event of a Qualified Termination as of December 31, 2023, excluding the potential effect of any excise taxes or related reduction in benefits:

Involuntary Termination of Employment Following a Change of Control

	Mr. Gupta	Mr. Mitchell	Mr. Stolove	Mr. Derstine	Mr. Gould
Cash Severance ⁽¹⁾	\$ 6,012,500	\$ 2,000,000	\$ 1,487,500	\$ 1,162,500	\$ 1,085,000

Total	29,356,308	6,560,520	3,870,505	3,157,768	3,013,903

⁽¹⁾ Reflects a lump sum cash severance payment, payable within 60 days of the date of termination in an amount equal to two and one half times the sum of base salary and target annual incentive in the case of Mr. Gupta, and two times base salary plus two times target annual incentive in the case of the other NEOs.

⁽²⁾ Reflects lump sum cash payment of the current-year annual incentive award based on actual performance results through the end of 2023. Annual incentive awards under the Change of Control Plan are determined based on actual pro rata performance, to the extent such performance can be reasonably established, or otherwise based on an assumed achievement of all relevant performance goals at “target.” These amounts are based on the actual 2023 annual incentive awards earned, as reported in the Summary Compensation Table.

⁽³⁾ Represents a lump sum cash payment equal to the Corporation’s cost of 18 months of continued health coverage.

⁽⁴⁾ Reflects the aggregate value of Genworth Deferred Cash Awards that would immediately vest as of the executive’s termination.

⁽⁵⁾ Reflects the aggregate value of Genworth RSUs (for Mr. Gupta only and based on the closing price of Genworth common stock on December 29, 2023 of \$6.68) and Enact RSUs (based on the closing price of Enact common stock on December 29, 2023 of \$28.89) that would immediately vest as of the executive’s termination.

⁽⁶⁾ Reflects the aggregate value of 2021-2023 Genworth PSUs (based on the closing price of Genworth common stock on December 29, 2023 of \$6.68) that would vest based on actual performance through the end of the performance period for Mr. Gupta, only, and for all NEOs a payout of 2022-2024 PSUs at max level of performance and 2023-2025 PSUs based on a target level of performance, prorated to the nearest half-month to reflect the portion of the performance period that had elapsed prior to the date of termination.

⁽⁶⁾ Reflects the present value of Mr. Gupta's accumulated benefits under the SERP, as noted in the 2023 Pension Benefits Table, which would become fully vested. All other NEOs are not eligible to participate in the SERP.

⁽⁶⁾ Reflects the estimated value of premium payments for 18 months of continued coverage under Genworth's Leadership Life for all named executive officers and Executive Life Programs for Mr. Gupta only.

Death or Disability

In the event of death or total disability, NEOs (or their designated beneficiary) would generally be eligible to receive the following:

- **Long-Term Incentive Awards.** In the event of death or termination due to total disability: (i) all unvested Genworth stock options and Genworth SARs would become vested and exercisable; (ii) all unvested RSUs and Genworth Deferred Cash awards would become vested; and (iii) any unvested PSUs would become vested on a pro rata basis as of the date of termination based on the number of days elapsed from the inception of the performance period until the date of termination. Furthermore, all such performance-based awards would pay out at the end of the regular performance period based on actual performance. The NEOs did not have any unvested Genworth stock options or Genworth SARs as of December 31, 2023.
- **Annual Incentive.** NEOs (or their designated beneficiary) would receive a pro-rated portion of any annual incentive award, based on actual performance results.
- **Retirement Programs.** Executive officers (or their designated beneficiary) would become vested in the Genworth SERP benefits shown in the 2023 Pension Benefits Table. All NEOs are fully vested in the Restoration Plan balance reported in the 2023 Non-Qualified Deferred Compensation Table as of December 31, 2023.
- **Life Insurance Programs.** In the event of death, the beneficiary of the NEO would receive payments pursuant to the Leadership Life and Executive Life Programs in the form of death benefits. In the event of disability, the NEO would receive one year of continued Leadership Life Program premiums.

The following table summarizes the payments and benefits payable to the NEOs (or their designated beneficiary) in the event of death or total disability as of December 31, 2023.

⁽¹⁾ Reflects the aggregate value of Genworth Deferred Cash awards that would immediately vest as of the executive's death or total disability.

⁽²⁾ Reflects the aggregate value of Enact RSUs (based on the closing price of Enact common stock on December 29, 2023 of \$28.89) that would immediately vest as of the executive's death or total disability. For Mr. Gupta, this value also reflects the aggregate value of Genworth RSUs (based on the closing price of Genworth common stock on December 29, 2023 of \$6.68) that would immediately vest as of the executive's death or total disability.

⁽³⁾ Reflects a payout of 2021-2023 Genworth PSUs based on actual performance through the end of the performance period for Mr. Gupta and a pro rata payout of 2022-2024 PSUs based on a max level of performance and 2023-2025 PSUs based on a target level of performance for all NEOs.

⁽⁴⁾ Reflects an annual incentive award based on actual performance results through the end of 2023. Annual incentive awards upon death or disability are determined based on actual pro rata performance.

⁽⁵⁾ Reflects the present value of each participating NEO's accumulated benefits under the SERP, as noted in the 2023 Pension Benefits Table, which would become fully vested.

⁽⁶⁾ Represents death benefits payable to the NEO's beneficiary in the event of death, or the value of one year of continued premium payments in the event of total disability.

⁽⁷⁾ Pursuant to the terms of Genworth's Executive Life Program, the amount disclosed represents the value of the \$1 million payment plus a gross-up on federal and state income taxes related to such payment, that the Corporation would pay to Mr. Gupta's beneficiary. Mr. Gupta is the only executive eligible for this program.

Retirement

Each of our executive benefit and compensation programs has varying retirement definitions. Upon a voluntary termination, a retirement-eligible executive would be eligible to receive the following:

- *Retirement Programs.* The current definition of retirement for purposes of the SERP is attainment of age 60 with five years of service. As described above, participants in the SERP may partially vest sooner after they reach age 55 and have earned five years of “future service” (i.e., service occurring after December 31, 2015) based on a scale ranging from 50% at age 55 and increasing by 10% each year until the participant reaches full vesting at age 60. The SERP was closed to new participants effective January 1, 2010. The Restoration Plan (Restoration 401(k) Savings Feature and Restoration Retirement Account Feature) currently vests upon the earlier of (a) age 60 or (b) completion of three years of Post-2015 vesting service. For vested participants who have terminated employment and attained age 60, Restoration benefits will be paid from the Plan in 10 annual installments if the account balance is \$50,000 or more at retirement or paid in a lump sum if the account balance is less than \$50,000 at retirement.
- *Life Insurance Programs.* The definition of retirement under the Leadership Life Program is age 60 with 10 years of service. If this eligibility is met, we will continue to pay Leadership Life Program premiums until the later of age 65 or until a total of 10 annual premium payments have been made. For participants under the Executive Life Program prior to January 1, 2007, we will continue to pay the premium if the executive retires at age 60 with 10 years of service. For participants who joined the Executive Life Program after January 1, 2007, coverage will cease at termination.
- *Long-Term Incentive Awards.* All unvested Genworth stock options, Genworth SARs, Genworth RSUs and Genworth Deferred Cash awards would immediately vest and become exercisable if the participant is at least age 60 with five years of service at retirement. RSUs would immediately vest and PSUs would become vested on a pro rata basis as of the date of termination based on the number of full months elapsed from the inception of the performance period until the date of termination, based on actual performance for the entire performance period.

None of the NEOs are currently retirement eligible.

CEO Pay Ratio

The CEO pay ratio figures below are a reasonable estimate calculated in a manner consistent with Item 402(u) of Regulation S-K under the Exchange Act.

For 2023, as permitted under Item 402(u) of Regulation S-K, we utilized the same median employee used for purposes of calculating our 2022 pay ratio. We did not experience a significant change in overall population or in our employee compensation arrangements during 2023 and thus we do not believe there have been any changes that would significantly affect our pay ratio disclosure. To determine our median employee, we chose the sum of base salary and target annual incentive as our consistently applied compensation measure. For hourly employees, we used their anticipated hours worked to determine annual base pay. Using this methodology, and after ranking all included employees by this measurement, we identified the median employee, and calculated their total annual compensation in the same manner as we calculate the compensation of our NEOs for purposes of the Summary Compensation Table “Total.”

This median employee's total annual compensation for 2023 was \$163,998. The annual total compensation of our CEO for 2023, as shown in the Summary Compensation Table, was \$8,084,993. Accordingly, the ratio of CEO pay to median employee pay was 49:1.

The SEC's rules for identifying the median compensated employee and calculating the pay ratio based on that employee's annual total compensation allow companies to adopt a variety of methodologies, to apply certain exclusions, and to make reasonable estimates and assumptions that reflect their employee populations and compensation practices. As a result, the pay ratio reported by other companies may not be comparable to the pay ratio reported above, as other companies have different employee populations and compensation practices and may utilize different methodologies, exclusions, estimates, and assumptions in calculating their own pay ratios.

Pay Versus Performance

As required by Section 953(a) of the Dodd-Frank Wall Street Reform and Consumer Protection Act, and Item 402(v) of Regulation S-K, we are providing the following information about the relationship between “compensation actually paid” to our Principal Executive Officer (“PEO”) and to our other NEOs and certain financial performance measures of the Corporation. Compensation actually paid, as determined under SEC requirements, does not reflect the actual amount of compensation earned by or paid to our NEOs during a covered year. For further information concerning the Corporation’s pay-for-performance philosophy and how the Corporation aligns executive compensation with the Corporation’s performance, refer to the Compensation Discussion and Analysis.

⁽¹⁾ Our PEO in 2023, 2022 and 2021 was Mr. Rohit Gupta.

⁽²⁾ The dollar amounts reported in this column represent the amount of “compensation actually paid” as calculated in accordance with Item 402(v) of SEC Regulation S-K. The following adjustments were made to the PEO’s 2023 total compensation as reported in the SCT and the average of the total compensation for our non-PEO NEOs for 2023 as reported in the SCT to determine the 2023 compensation actually paid to the PEO and the 2023 average compensation actually paid to our non-PEO NEOs, respectively. For purposes of the adjustments below, the fair values of equity awards were calculated consistent with ASC 718 using the same methodology as used to account for share-based payments in the Corporation’s financial statements.

⁽³⁾ The non-PEO NEOs included for 2023, 2022 and 2021 are: Hardin Dean Mitchell, Evan Stolove, Michael Derstine and Brian Gould.

⁽⁴⁾ Cumulative TSR is calculated assuming \$100 was invested on September 16, 2021, the date our common stock commenced trading on Nasdaq, through the end of the applicable fiscal year. The market cap weighted peer group is the composite peer group consisting of Essent Group Ltd., MGIC Investment Corporation, NMI Holdings, Inc., and Radian Group Inc., used for the stock performance graph reported in our Annual Report on Form 10-K for the fiscal year ended December 31, 2023.

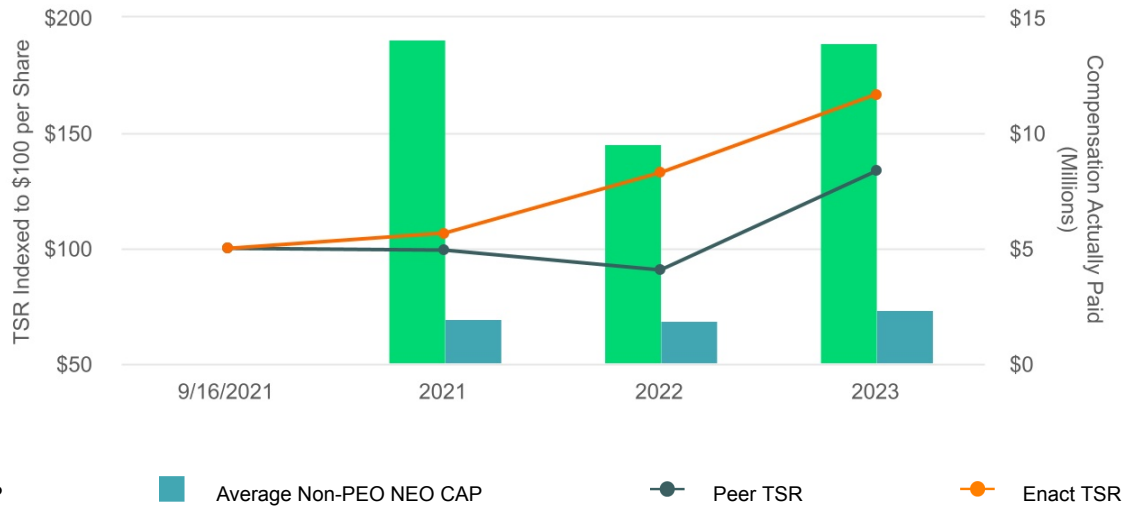

⁽⁵⁾ The dollar amounts reported for net income are as reflected in Enact’s audited consolidated financial statements for the applicable year.

⁽⁶⁾ Book Value per Share is a metric used in our equity incentive program and subject to the following adjustments: Excludes the impact, if any, on reported financial results of any of the following events or items that occur during the performance period: a) accumulated other comprehensive income (loss), b) any dividends declared on Shares, c) repurchases of Shares, d) repurchases of convertible debt, e) certain litigation settlements and judgements, f) changes in foreign exchange rates, and g) changes in accounting principles or other laws or provisions. We review changes in Book Value per Share as a means of evaluating performance during the performance year. The 2022 value has been updated from prior year disclosure of \$28.96 to the 2022 amount in the table above as an error in calculating was corrected.

Description of the Relationship between Compensation Actually Paid to our NEOs and Corporate Performance Measures

The charts below describe the relationship between compensation actually paid to our PEO and other non-PEO NEOs (as calculated above) and certain financial and stock performance measures for the indicated years. Refer to the Pay Versus Performance table above for more details on each measure. In addition, the first chart compares the Corporation's cumulative TSR to our peer group's cumulative TSR for the indicated years.

Audit Matters

3 Ratification of Selection of Independent Registered Public Accounting Firm

The Audit Committee is directly responsible for the appointment, compensation, retention, and oversight of the independent registered public accounting firm retained to audit our consolidated financial statements and to attest to the effectiveness of our internal control over financial reporting. The Audit Committee has selected KPMG LLP (“KPMG”) as our independent registered public accounting firm for 2024. KPMG has served as our independent auditor in connection with and since our initial public offering in 2021. KPMG has also provided statutory audit services to our subsidiaries since 1989. KPMG is a registered public accounting firm with the Public Company Accounting Oversight Board (“PCAOB”), as required by the Sarbanes-Oxley Act of 2002 and the rules of the PCAOB.

The Audit Committee recognizes the importance of maintaining the independence of the Corporation’s independent auditor, both in fact and appearance. In order to ensure continuing auditor independence, the Audit Committee periodically considers whether there should be a rotation of the independent auditor. The Audit Committee has not adopted restrictions incremental to regulatory requirements, and Corporation management will notify KPMG prior to engaging in conversations, for the potential hiring of a KPMG partner, director, manager, staff, advising member of the department of professional practice, reviewing actuary, reviewing tax professional, persons having responsibility for providing audit assurance on any aspect of their certification of the Corporation’s financial statements, and persons with a potential conflict of interest or independence considerations with KPMG. KPMG undertakes a process to review the hiring of any individual by the Corporation who was previously employed by KPMG. The lead KPMG partner assigned to our audit will be rotated at least every five years. The Audit Committee and its chairperson are directly involved in the selection of the new lead partner.

Annually, the Audit Committee evaluates the qualifications, performance, and independence of the Corporation’s independent auditor and determines whether to re-engage the current independent auditor for the following year. In doing so, the Audit Committee considers, among other things: (i) external data relating to audit quality and performance, including recent PCAOB reports on KPMG and its peer firms; (ii) KPMG’s tenure as our independent auditor and its familiarity with our operations and businesses, accounting policies and practices, and internal control over financial reporting; (iii) the quality and efficiency of the services provided by the auditors, the auditors’ capabilities and technical expertise; and (iv) KPMG’s independence.

Based on this evaluation, the members of the Audit Committee and our Board of Directors believe that the continued retention of KPMG is in the best interests of the Corporation and our stockholders.

KPMG representatives are expected to attend the 2024 Annual Meeting. They will have an opportunity to make a statement if they desire to do so and will be available to respond to appropriate stockholder questions.

We are asking our stockholders to ratify the selection of KPMG as our independent registered public accounting firm. Although ratification is not required by our certificate of incorporation or Bylaws or otherwise, the Board is submitting the selection of KPMG to our stockholders for ratification as a matter of good corporate practice. If the selection is not ratified, the Audit Committee will consider whether it is appropriate to select another registered public accounting firm, subject to consent of Genworth under the Master Agreement. Even if the selection is ratified, the Audit Committee in its discretion may select a different registered public accounting firm at any time during the year, subject to consent by Genworth under the Master Agreement, if it determines that such a change would be in the best interests of the Corporation and our stockholders.

The Board of Directors recommends that stockholders vote **FOR** the ratification of the selection of KPMG LLP as our independent registered public accounting firm for the year 2024.

Approval of Audit and Non-Audit Services

We understand the need for KPMG to maintain objectivity and independence in its audit of our consolidated financial statements. As required by the Audit Committee's charter and applicable SEC and PCAOB rules and regulations, the Audit Committee pre-approves all audit, audit-related, tax, and other permitted non-audit services performed by KPMG, including the amount of fees payable for such services. Certain audit and audit-related services and fees are pre-approved by the Audit Committee on an annual basis in connection with the engagement of KPMG as the Corporation's independent registered public accounting firm for the fiscal year. Any other audit, audit-related and permitted non-audit services, and all tax services must be specifically pre-approved by the Audit Committee.

Auditor Fees

The aggregate KPMG fees for professional services rendered in or provided for 2023 and 2022 were:

Type of Fees	2023	2022
	(in thousands)	(in thousands)
Audit Fees ⁽¹⁾	\$ 1,638	\$ 1,468
Audit-Related Fees ⁽²⁾	310	304
Tax Fees ⁽³⁾	—	—
All Other Fees ⁽⁴⁾	101	59
Total	\$ 2,049	\$ 1,831

⁽¹⁾ Fees for services to perform an audit or review in accordance with either the standards of the PCAOB or similar bodies in other countries, or generally accepted auditing standards and services that generally only Enact's independent registered public accounting firm can reasonably provide, such as the audit of Enact's consolidated financial statements included in public offerings or filings, the review of the financial statements included in our Quarterly Reports on Form 10-Q, and for services that are normally provided by accountants in connection with statutory and regulatory filings or engagements.

⁽²⁾ Fees for assurance and related services that are traditionally performed by Enact's independent registered public accounting firm, such as audit and related services for employee benefit plan audits, internal control reviews, document production requests, attest services not required by statute or regulation, and consultation concerning financial accounting and reporting standards.

⁽³⁾ Fees for tax compliance, consultation and planning services. Tax compliance generally involves preparation of original and amended tax returns, claims for refunds, tax payment planning services and assistance with tax audits and filing appeals. Tax consultation and tax planning encompass a diverse range of services, including assistance in connection with tax advice related to mergers and acquisitions, employee benefit plans and requests for rulings or technical advice from taxing authorities.

⁽⁴⁾ Fees not considered audit or audit-related, such as actuarial services.

Report of the Audit Committee

We have reviewed and discussed the Corporation's audited financial statements with management, who has primary responsibility for the financial statements. KPMG LLP ("KPMG"), the Corporation's independent registered public accounting firm for 2024, is responsible for expressing an opinion on the conformity of the Corporation's audited financial statements with U.S. generally accepted accounting principles. The Committee has discussed with KPMG the matters required to be discussed under the applicable requirements of the PCAOB and the SEC. The Committee has received the written disclosures and letters from KPMG in accordance with PCAOB Rule 3526, *Communication with Audit Committees Concerning Independence*, regarding the independent accountant's communications with the Audit Committee concerning independence, and the Committee discussed with KPMG that firm's independence. The Committee also concluded that KPMG's provision of audit and non-audit services, as described in the previous section, to the Corporation and its affiliates is compatible with KPMG's independence.

Based on the review and discussions referred to above, the Committee recommended to our Board of Directors that the audited financial statements be included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2023 for filing with the SEC. This report is provided by the following independent directors, who constitute the Committee:

Anne Waleski, Chairperson
Sheila Hooda
Robert P. Restrepo, Jr.

4 Approval of an Amendment to the Corporation's Certificate of Incorporation to Adopt Provisions Limiting the Liability of Certain Officers as Permitted under Delaware Law

Effective August 1, 2022, Section 102(b)(7) of the Delaware General Corporation Law (“DGCL”) was amended to authorize Delaware corporations to include in their certificates of incorporation provisions that eliminate or limit the personal liability for monetary damages associated with claims of breach of the fiduciary duty of care in certain instances (referred to as “exculpation”) by certain officers of the Corporation consisting of: (i) the president, chief executive officer, chief operating officer, chief financial officer, chief legal officer, controller, treasurer or chief accounting officer; (ii) individuals who are or were identified in the corporation’s public filings as its most highly compensated officers; and (iii) individuals who, by written agreement with the corporation, consented to be identified as officers for purposes of accepting service of process (together, “covered officers”).

Pursuant to and consistent with Section 102(b)(7) of the DGCL, Section F of Article VI of the Corporation’s Amended and Restated Certificate of Incorporation (our “Charter”) provides for the exculpation of directors from personal liability for monetary damages associated with breaches of the fiduciary duty of care to the extent permitted by the DGCL but does not have a similar limitation of liability for our officers. The Corporation is asking its stockholders to approve an amendment to the Charter to add a new Article XVI to the Charter extending exculpation to covered officers of the Corporation from personal liability for monetary damages associated with claims of breach of the fiduciary duty of care, to the fullest extent as now permitted under the DGCL (the “Officer Exculpation Amendment”).

Through the Board’s ongoing evaluation of the Corporation’s corporate governance practices, the Board has determined that the Officer Exculpation Amendment would reduce the unequal treatment of directors and officers associated with claims related to alleged breach of the fiduciary duty of care and improve alignment of officers and directors on fiduciary duty of care responsibilities. The Officer Exculpation Amendment also would better position the Corporation to continue to attract and retain officers by providing this additional protection. In the absence of such protection, such individuals might be deterred from serving as officers due to exposure to personal liability and the risk of incurring substantial expense in defending lawsuits, regardless of merit.

Consistent with Section 102(b)(7) of the DGCL, the Officer Exculpation Amendment only permits exculpation for direct claims brought by stockholders (as opposed to derivative claims made by stockholders on behalf of the corporation). Like the director exculpation provision contained in our Charter, the Officer Exculpation Amendment does not apply to breach of the duty of loyalty to the Corporation or its stockholders, acts or omissions not in good faith or that involve intentional misconduct or a knowing violation of law, or claims related to any transaction in which the officer derived an improper personal benefit. Considering the narrow type of claims for which officers’ liability would be exculpated, and the benefits the Board believes would accrue to the Corporation and its stockholders in the form of an enhanced ability to attract and retain talented officers, the Board has declared it advisable and determined that it is in the best interests of the Corporation and its stockholders to approve the Officer Exculpation Amendment.

Notwithstanding the foregoing, consistent with the language for exculpation of directors currently included in Section F of Article VI of the Charter, the Officer Exculpation Amendment also provides that, at any time after it becomes effective, the DGCL is amended to authorize any further elimination or limitation of the personal liability of a corporation’s officers (including any change in the roles deemed to be covered officers for purposes of Section 102(b)(7) of the DGCL), then such liability shall automatically be eliminated or limited to the fullest extent permitted by the DGCL, as so amended, with respect to the Corporation’s officers (including with respect to any role newly deemed to be a covered officer for purposes of Section 102(b)(7)).

The foregoing description is a summary only and is qualified in its entirety by reference to the text of the proposed Officer Exculpation Amendment, which is attached as Appendix A to this proxy statement. On March 21, 2024, the Board unanimously approved and declared advisable, and resolved to recommend to the Corporation's stockholders that they approve and adopt, the Officer Exculpation Amendment. If approved by our stockholders, the Officer Exculpation Amendment would become effective upon its filing with the Secretary of State of the State of Delaware, which the Company anticipates doing as soon as practicable following stockholder approval of the Officer Exculpation Amendment. Enact's Board of Directors reserves the right to elect to abandon the Officer Exculpation Amendment at any time before it becomes effective even if it is approved by the stockholders. The current exculpation protections available to the directors, as set forth in Section F of Article VI of the Charter, remain unchanged as a result of the Officer Exculpation Amendment.

For the Officer Exculpation Amendment to become effective, this proposal must receive the affirmative vote of a majority of the outstanding shares of our common stock. If the Officer Exculpation Amendment does not receive requisite stockholder approval, the Charter will not be amended to implement the Officer Exculpation Amendment, the Charter will not include a new Article XVI, our covered officers will not be entitled to exculpation under the DGCL, and a Certificate of Amendment setting forth the Officer Exculpation Amendment will not be filed with the Delaware Secretary of State.

The Board of Directors unanimously recommends that stockholders vote FOR the amendment to the Corporation's Certificate of Incorporation to adopt provisions limiting the liability of certain officers as permitted under Delaware law.

Questions and Answers about the 2024 Annual Meeting and Proxy Voting

What matters are to be voted on at the 2024 Annual Meeting?

Enact intends to present the following proposals for stockholder consideration and voting at the 2024 Annual Meeting:

1. to elect the eleven nominees named in this Proxy Statement as directors to serve until the next annual meeting;
2. to approve, on an advisory basis, the compensation of our NEOs;
3. to ratify the selection of KPMG as our independent registered public accounting firm for 2024;
4. to approve an amendment to the Corporation's Certificate of Incorporation to adopt provisions limiting the liability of certain officers as permitted under Delaware Law; and
5. to transact such other business as may properly come before the 2024 Annual Meeting or any adjournment or postponement thereof.

What is the recommendation of the Board of Directors with respect to each proposal?

The Board of Directors recommends votes:

- **FOR ALL** eleven nominees named in this Proxy Statement standing for election as directors;
- **FOR** the approval, on an advisory basis, of the compensation of our NEOs;
- **FOR** the ratification of the selection of KPMG as our independent registered public accounting firm for 2024; and
- **FOR** the approval of an amendment to the Corporation's Certificate of Incorporation to adopt provisions limiting the liability of certain officers as permitted under Delaware Law.

Will any other matters be presented for a vote at the 2024 Annual Meeting?

At this time, we are not aware of any other matters that will be presented for a vote at the 2024 Annual Meeting. However, if another matter were to be properly presented, the proxies would use their own judgment in how to vote on that matter.

Who is entitled to vote at the 2024 Annual Meeting?

All holders of our Common Stock, par value \$0.01 (our "common stock"), issued and outstanding at the close of business on March 18, 2024 (the "record date") are entitled to vote at the 2024 Annual Meeting. As of the record date, there were 157,996,346 shares of our common stock issued and outstanding. Each share outstanding on the record date will be entitled to one vote.

How will the Virtual 2024 Annual Meeting be conducted?

The meeting will be conducted virtually and will include management remarks and a question and answer session. All stockholders of record on March 18, 2024 are invited to participate in the meeting. We intend to structure our virtual meeting to provide stockholders similar opportunities to participate as if the meeting were held in person, including the ability to vote shares electronically during the meeting, view the list of registered stockholders during the meeting, and submit written questions, in advance or during the annual meeting, in accordance with the rules of conduct for the meeting.

The agenda and additional information regarding the rules and procedures for participating in the virtual Annual Meeting will be provided during the meeting on the meeting website.

Only stockholders that enter a valid control number, which was included with your proxy materials, and name will be allowed to vote and submit up to three (3) written questions. Questions relevant to meeting matters will be answered during the meeting, to emulate an in-person question and answer session. A recording of the entire meeting will be posted on the investor page of our website.

What will I need to attend the 2024 Annual Meeting?

If you are an Enact stockholder, you may attend the 2024 Annual Meeting, vote, and submit a question during the 2024 Annual Meeting by visiting www.virtualshareholdermeeting.com/ACT2024 and using your 16-digit control number, which was included with your proxy materials, and name to enter the meeting.

If you are a beneficial stockholder who owns common stock in street name, meaning through a bank, broker or other nominee, and your voting instruction form or notice of internet availability indicates that you may vote those shares through the <http://www.proxyvote.com> website, then you may attend the 2024 Annual Meeting using the 16-digit control number indicated on that voting instruction form or notice of internet availability. Otherwise, stockholders who hold their shares in street name should contact their bank, broker or other nominee and obtain a "legal proxy" in order to be able to attend the 2024 Annual Meeting.

How do I vote my shares?

Record Holders. Stockholders of record may vote their shares at the 2024 Annual Meeting, or may submit a proxy to cause their shares to be represented and voted at the 2024 Annual Meeting. Stockholders of record may grant a proxy with respect to their shares by mail, by telephone or by Internet. Granting a proxy by telephone or by Internet will be available through 11:59 p.m. Eastern time on May 15, 2024. Voting instructions appear on your proxy card. If you grant a proxy by telephone or by Internet, please have your proxy card available.

Beneficial Holders. If you are the beneficial owner, but not the record owner, of our common stock, you will receive instructions about voting from the bank, broker or other nominee that is the stockholder of record of your shares. Your ability to vote over the Internet or by telephone depends on the voting procedures of your bank, broker or other nominee.

Retirement Plan Holders. If you hold shares of our common stock through the Retirement and Savings Plan, you will receive instructions about how to direct the trustee of your plan to vote your shares. Please review these voting instructions to determine your ability to vote over the Internet or by telephone.

Proxies or voting instruction forms submitted by mail, telephone, or Internet will be voted in the manner indicated by the individuals named on the proxy or the voting instruction form.

What if I sign and return my proxy or voting instructions but do not specify how to vote my shares?

Record Holders. If you submit a proxy but do not specify how your shares are to be voted, the proxies will vote your shares:

- **FOR ALL** the election of the eleven nominees named in this Proxy Statement as directors;
- **FOR** the approval, on an advisory basis, of the compensation of our NEOs;
- **FOR** the ratification of the selection of KPMG as our independent registered public accounting firm for 2024; and
- **FOR** the approval of an amendment to the Corporation's Certificate of Incorporation to adopt provisions limiting the liability of certain officers as permitted under Delaware Law.

Beneficial Holders. If you submit a voting instruction form to your bank, broker or other nominee but do not specify how to vote your shares, your shares may be voted in the bank, broker or other nominee's discretion with respect to the ratification of KPMG but such shares will not be voted with respect to the election of directors or the proposal to approve, on an advisory basis, the compensation of our NEOs or the proposal to approve, on an advisory basis, the frequency of future advisory votes to approve the compensation of our NEOs.

Retirement Plan Holders. If you hold your shares through the Retirement and Savings Plan and submit your voting instruction form but do not specify how to vote your shares, the shares credited to your account will be voted by the trustee in the same proportion that it votes shares in other accounts for which it received timely instructions.

May I change or revoke my proxy after it is submitted?

Yes, you may change or revoke your proxy before the 2024 Annual Meeting by:

- subsequently granting a proxy by telephone or by Internet;
- returning a later-dated proxy card;
- sending your notice of revocation to our Corporate Secretary; or
- attending the 2024 Annual Meeting and voting electronically.

If you submit your changed proxy or revocation by telephone or by Internet, it must be received by 11:59 p.m. Eastern time on May 15, 2024. If you submit your changed proxy or revocation by another method specified above, it must be received before the polls close for voting. Attendance at the meeting alone will not revoke a previously submitted proxy. A beneficial stockholder who owns common stock in street name, meaning through a bank, broker or other nominee, should contact that entity to revoke a previously given proxy.

What is a quorum?

In order for business to be conducted at the 2024 Annual Meeting, a quorum must be present. A quorum will be present if stockholders of record holding a majority in voting power of the outstanding shares of stock entitled to vote at the meeting are present or are represented by proxies.

What vote is required for the items of business at the 2024 Annual Meeting?

Holders of our common stock will vote as a single class and will be entitled to one vote per share with respect to each matter to be presented at the 2024 Annual Meeting.

Election of directors. Under our Bylaws, each of the nominees for director receiving a plurality of votes cast by holders of our common stock at the meeting or by proxy shall be elected to our Board of Directors.

The Board of Directors has proposed eleven nominees for election. No other nominees for election to the Board of Directors have been submitted for election in accordance with the Bylaws.

Advisory vote to approve named executive officer compensation. The affirmative vote of the holders of a majority of shares of our common stock present at the meeting or by proxy and entitled to vote on the matter is required for the non-binding, advisory vote to approve the compensation of our NEOs. The vote is advisory, and therefore not binding on the Corporation, the Compensation Committee, or our Board of Directors. However, the Compensation Committee will review the voting results and take them into consideration when making future decisions regarding executive compensation as it deems appropriate.

Ratification of the selection of KPMG as our independent registered public accounting firm for 2024. The affirmative vote of the holders of a majority of shares of our common stock present at the meeting or by proxy and entitled to vote on the matter is required for the ratification of the selection of KPMG as our independent registered public accounting firm for 2024.

Approval of an amendment to the Corporation's Certificate of Incorporation to adopt provisions limiting the liability of certain officers as permitted under Delaware Law. The affirmative vote of the holders of a majority of shares of our common stock outstanding is required for the approval of the amendment to the Corporation's Certificate of Incorporation.

How are abstentions and broker non-votes counted?

Directors will be elected by a plurality of votes cast, as provided under our Bylaws. Abstentions will not be counted in determining whether a director has received a plurality of the votes cast for his or her election. Abstentions will have the same effect as votes "against" the advisory vote to approve NEO compensation, the proposal to ratify the selection of KPMG as our independent registered public accounting firm for 2024, and the proposal to amend the Corporation's Certificate of Incorporation to adopt provisions limiting the liability of certain officers as permitted under Delaware law.

If a bank, broker, or other nominee returns a proxy card indicating that it does not have discretionary authority to vote as to a particular matter ("broker non-votes"), those shares will be treated as not entitled to vote on that matter. Broker non-votes do not count as votes cast or entitled to vote on the matter and, therefore, will not be counted in determining whether a director has received a plurality of the votes cast for his or her election, and will have no effect on the advisory vote to approve NEO compensation. However, broker non-votes, if any, will have the effect of a vote against an amendment to our Certificate of Incorporation to adopt provisions limiting the liability of certain officers as permitted under Delaware Law.

We expect no broker non-votes with respect to the ratification of the selection of KPMG as our independent registered public accounting firm for 2024 since we expect brokers will be permitted to vote uninstructed shares as to such matter. Even with respect to matters where broker may otherwise have ability to exercise discretionary voting, some brokers are choosing not to exercise discretionary voting authority.

Abstentions and broker non-votes will be counted as shares present for purposes of determining whether a quorum is present.

Who counts the votes?

The Board will retain an independent tabulator to receive and tabulate the proxies and appoint an independent inspector of election to certify the results.

Who will pay the costs for soliciting proxies for the 2024 Annual Meeting?

This solicitation is being made by the Board and the Corporation will pay all costs for soliciting proxies for the 2024 Annual Meeting. Proxies will be solicited on behalf of the Board of Directors by mail, telephone, or other electronic means and we will pay the solicitation costs. Copies of proxy materials and of the 2023 Annual Report will be supplied to brokers, dealers, banks and voting trustees, or their nominees, for the purpose of soliciting proxies from beneficial owners, and we will reimburse such record holders for their reasonable expenses.

What is the deadline for submission of stockholder proposals for the 2025 Annual Meeting?

The rules of the SEC establish the eligibility requirements and the procedures that must be followed for a stockholder’s proposal to be included in a public company’s proxy materials. Pursuant to those rules, any proposal for inclusion in

Enact’s proxy materials for an annual meeting held in 2025 (the “2025 Annual Meeting”) would have to be received at our principal executive offices at 8325 Six Forks Road, Raleigh, North Carolina 27615, on or before the close of business on December 3, 2024.

In addition, our Bylaws establish an advance notice procedure with regard to director nominations and other business proposals by stockholders intended to be presented at our 2024 Annual Meeting. For these nominations or other business proposals to be properly brought before the meeting by a stockholder, assuming the 2024 Annual Meeting occurs on a date that is not more than 30 days before or 70 days after the anniversary of the 2024 Annual Meeting, the stockholder must deliver written notice to us no earlier than the close of business on January 16, 2025, nor later than the close of business on February 15, 2025. Such nominations and other business proposals must comply with all requirements set forth in our Bylaws. Our Bylaws provide that business proposals that comply with all rules and requirements of the SEC and are included in our proxy statement are deemed to comply with the advance notice procedures in our Bylaws.

In addition, to comply with the universal proxy rules, if a stockholder intends to solicit proxies in support of nominees submitted under the Corporation’s advance notice bylaws, then the stockholder must provide proper written notice that sets forth all information required under Rule 14a-19 of the Exchange Act to the Corporation no later than March 17, 2025 (or, if the 2025 Annual Meeting of Stockholders is called for a date that is more than 30 days before or more than 30 days after the anniversary of the prior year’s annual meeting, then notice must be provided by the later of 60 days prior to the 2025 Annual Meeting of Stockholders or the 10th day following the date on which announcement of the 2025 Annual Meeting of Stockholders was first made by the Corporation). The notice requirement under Rule 14a-19 is in addition to the applicable advance notice requirements under our bylaws as described above.

All notices of intention to present director nominations or other business proposals at the 2025 Annual Meeting, whether or not intended to be included in our proxy materials, should be addressed to: Corporate Secretary, Enact Holdings, Inc., 8325 Six Forks Rd. Raleigh, NC 27615.

Where can I find the voting results of the 2024 Annual Meeting?

The preliminary voting results are expected to be announced at the 2024 Annual Meeting. In addition, within four business days following the 2024 Annual Meeting, we intend to file the final voting results with the SEC on Form 8-K. To view the results, go to www.enactmi.com, select “About Us”, select “Investors,” then select “Financials and Filings” and finally select “2024 Annual Meeting Results.”

May I request electronic delivery of proxy statements and annual reports in the future?

Stockholders of record may elect to receive future proxy statements and annual reports electronically by providing consent to electronic delivery online at www.proxyvote.com. Should you choose to receive your proxy materials electronically, your choice will remain in effect until you notify Enact or Broadridge Financial Solutions, Inc., in accordance with applicable law, that you wish to resume mail delivery of these documents. If you hold your Enact common stock through a bank, broker, or other nominee, refer to the information provided by that entity for instructions on how to receive your proxy materials electronically.

Where can I view this Proxy Statement and Enact’s 2023 Annual Report electronically?

This Proxy Statement and Enact’s 2023 Annual Report may be viewed online at www.proxyvote.com.

How can I get a copy of Enact’s Annual Report on Form 10-K?

To obtain a copy of Enact’s 2023 Annual Report, which includes our Form 10-K for the fiscal year ended December 31, 2023, without charge, address your request to Investor Relations, Enact Holdings, Inc., 8325 Six Forks Rd. Raleigh, NC 27615. In addition, the 2023 Annual Report may be accessed at our website. To view, go to www.enactmi.com, select “Investors,” then select “SEC Filings” and finally select “Annual Reports.” Our Form 10-K for the fiscal year ended December 31, 2023 also may be accessed at the SEC’s website at www.sec.gov.

Other Information

Voting

Your vote is important. We encourage you to participate in the 2024 Annual Meeting, either by attending and voting or by voting through other acceptable means. Whether or not you plan to attend the 2024 Annual Meeting, please take the time to vote your shares as soon as possible. You can ensure that your shares are voted at the meeting by submitting your proxy by telephone, by Internet or by completing, signing, dating, and returning the proxy card (or voting instruction form, if you hold your shares through a broker, bank or other nominee). Submitting your proxy by any of these methods will not affect your right to attend the meeting and vote. A stockholder who gives a proxy may revoke it by voting at the 2024 Annual Meeting, by delivering a subsequent proxy or by notifying Enact's Corporate Secretary in writing of such revocation. Attendance at the meeting alone will not revoke a previously submitted proxy.

Each share of common stock issued and outstanding as of the record date is entitled to one vote for each director nominee and one vote for each of the other proposals properly presented at the meeting. Your vote is important, and we urge you to vote.

Meeting Admission

If you plan to attend the 2024 Annual Meeting, please follow the instructions beginning on page 2 of the accompanying Proxy Statement.

2023 Annual Report

A copy of our Annual Report on Form 10-K for the fiscal year ended December 31, 2023 accompanies this Proxy Statement.

Date of Distribution

This Proxy Statement is furnished in connection with the solicitation of proxies by Enact on behalf of the Board of Directors for the 2024 Annual Meeting. The Notice of 2024 Annual Meeting of Stockholders, the Proxy Statement and proxy card are expected to first be made available or mailed to stockholders on or about April 1, 2024.

Internet Availability of Proxy Materials

We are making this Proxy Statement and our 2023 Annual Report, which includes our Form 10-K for the fiscal year ended December 31, 2023 (the "2023 Annual Report"), available to our stockholders on the Internet. We mailed to many of our stockholders a Notice of Internet Availability of Proxy Materials containing instructions on how to access our proxy materials, including this Proxy Statement and our 2023 Annual Report. The Notice of Internet Availability of Proxy Materials also provides instructions on how to vote online, by mail or by telephone. If you received a Notice of Internet Availability of Proxy Materials by mail, you will not receive a printed copy of the proxy materials in the mail unless you specifically request these materials.

Other stockholders, in accordance with their prior requests, have received e-mail notification of how to access our proxy materials and vote online, or have been mailed paper copies of our proxy materials and a proxy card (or a voting instruction form from their broker, bank or other nominee).

Internet distribution of proxy materials is designed to expedite receipt by stockholders, lower the costs associated with our 2024 Annual Meeting, and reduce the environmental impact of our 2024 Annual Meeting. However, if you received a Notice of Internet Availability of Proxy Materials by mail and would like to receive a printed copy of our proxy materials, please follow the instructions for requesting such materials contained on the Notice of Internet Availability of Proxy Materials. If you have previously elected to receive our proxy materials electronically, you will continue to receive these materials via e-mail unless you elect otherwise.

Appendix A

ARTICLE XVI LIABILITY OF OFFICERS

No officer shall be personally liable to the Corporation or any of its stockholders for monetary damages for breach of fiduciary duty as an officer, except to the extent such exemption from liability thereof is not permitted under the DGCL as the same exists or may hereafter be amended. Any amendment, repeal or modification of this Article XVI, or the adoption of any provision inconsistent with this Article XVI, shall not adversely affect any right or protection of an officer of the Corporation existing at the time of such amendment, repeal or modification. If the DGCL hereafter is amended to eliminate or limit the liability of an officer, then an officer of the Corporation, in addition to the circumstances in which an officer is not personally liable as set forth in the preceding sentence, shall not be liable to the fullest extent permitted by the DGCL, as so amended.
