NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS
Nine Months Ended September 30, 2021 and 2020
(Unaudited)

(1) Nature of Business, Organization Structure and Basis of Presentation

The accompanying unaudited condensed consolidated financial statements include on a consolidated basis the accounts of Enact Holdings, Inc. ("EHI," together with its subsidiaries, the "Company," "we," "us" or "our") (formerly known as Genworth Mortgage Holdings, Inc.). EHI is a subsidiary of Genworth Financial, Inc. ("Genworth" or "Parent") and has been since EHI's incorporation in Delaware in 2012. On May 3, 2021, EHI amended its certificate of incorporation to change its name from Genworth Mortgage Holdings, Inc. This amendment also authorized EHI to issue 600,000,000 shares of common stock, each having a par value of \$0.01 per share. Concurrently, we entered into a share exchange agreement with Genworth Holdings, Inc. ("Genworth Holdings"), pursuant to which Genworth Holdings exchanged its 100 shares of common stock, representing all of the previously issued and outstanding capital stock, for 162,840,000 newly-issued shares of common stock, par value \$0.01, of EHI. All of the share and per share information presented in the condensed consolidated financial statements and notes to the condensed consolidated financial statements have been adjusted to reflect the share exchange on a retroactive basis for all periods and as of all dates presented.

On September 15, 2021, we priced our initial public offering ("IPO") of common stock, which resulted in the issuance and sale of 13,310,400 shares of common stock at the IPO price of \$19.00 per common share. All shares were offered by the selling stockholder, our parent company, Genworth Holdings. In addition to the shares sold in the IPO, 14,655,600 common shares were sold in a concurrent private sale ("Private Sale") at a price per share of \$17.86, which is equal to the IPO price less the underwriting discount share. Genworth Holdings also granted the underwriters a 30-day option to purchase up to an additional 1,996,560 common shares ("Over-Allotment Option") at the IPO price less the underwriting discount. On September 16, 2021, the underwriters exercised their option to purchase all 1,996,560 common shares permitted under the terms of the underwriting agreement. The IPO, Private Sale and Over-Allotment Option (collectively the "Offering") closed on September 20, 2021, and Genworth Holdings retained all net proceeds from the Offering. The gross proceeds of the Offering, before payment of underwriter fees and other expenses, were approximately \$553 million. Costs directly related to the Offering, including underwriting fees and other expenses, were approximately \$24 million.

On November 29, 2019, Genworth completed a holding company reorganization whereby Genworth contributed 100% of the issued and outstanding voting securities of the Company to Genworth Holdings. Post-contribution, we were a direct, wholly owned subsidiary of Genworth Holdings, and Genworth Holdings was a direct, wholly owned subsidiary of Genworth. After our IPO, Genworth Holdings is still a wholly owned subsidiary of Genworth but we are no longer a wholly owned subsidiary of Genworth Holdings. We are engaged in the business of writing and assuming residential mortgage guaranty insurance. The insurance protects lenders and investors against certain losses resulting from nonpayment of loans secured by mortgages, deeds of trust, or other instruments constituting a lien on residential real estate.

We offer private mortgage insurance products predominantly insuring prime-based, individually underwritten residential mortgage loans ("primary mortgage insurance"). Our primary mortgage insurance enables borrowers to buy homes with a down payment of less than 20% of the home's value. Primary mortgage insurance also facilitates the sale of these low down payment mortgage loans in the secondary mortgage market, most of which are sold to government sponsored enterprises. We also selectively enter into insurance transactions with lenders and investors, under which we insure a portfolio of loans at or after origination.

We operate our business through our primary insurance subsidiary, Genworth Mortgage Insurance Corporation ("GMICO"), with operations in all 50 states and the District of Columbia. GMICO is an approved insurer by the Federal National Mortgage Association ("Fannie Mae") and the Federal Home

Loan Mortgage Corporation ("Freddie Mac"). Fannie Mae and Freddie Mac are government-sponsored enterprises and we refer to them collectively as the "GSEs."

We also perform fee-based contract underwriting services for mortgage lenders. The provision of underwriting services by mortgage insurers eliminates the duplicative lender and mortgage insurer underwriting activities and expedites the approval process.

We operate our business in a single segment, which is how our chief operating decision maker (who is our chief executive officer) reviews our financial performance and allocates resources. Our segment includes a run-off insurance block with reference properties in Mexico ("run-off business"), which is immaterial to our condensed consolidated financial statements. In April 2021, we entered into an agreement to purchase our Parent's minority ownership interest in its mortgage guarantee business in India for a cash purchase price that is not material to us. The closing of the transaction is subject to customary closing conditions, including receipt of any required regulatory approvals.

The accompanying condensed consolidated financial statements are unaudited and have been prepared in accordance with U.S. generally accepted accounting principles ("U.S. GAAP"). Preparing financial statements in conformity with U.S. GAAP requires us to make estimates and assumptions that affect reported amounts and related disclosures. Actual results could differ from those estimates. These unaudited condensed consolidated financial statements include all adjustments (including normal recurring adjustments) considered necessary by management to present a fair statement of the financial position, results of operations and cash flows for the periods presented. The results reported in these unaudited condensed consolidated financial statements should not be regarded as necessarily indicative of results that may be expected for the entire year. Potential impacts, risks and uncertainties of the coronavirus pandemic ("COVID-19") may include declines in investment valuations and impairments, deferred acquisition cost ("DAC") or intangible assets impairments or the acceleration of amortization, deferred tax asset recoverability and increases to loss reserves, among other matters. The unaudited condensed consolidated financial statements included herein should be read in conjunction with the audited consolidated financial statements and related notes for the years ended December 31, 2020 and 2019.

On July 20, 2020, Genworth reached a settlement agreement with AXA S.A. ("AXA") regarding a dispute over payment protection insurance mis-selling claims sold by Genworth's former lifestyle protection insurance business that was acquired by AXA in 2015. As part of the settlement agreement, Genworth issued a secured promissory note agreeing to pay AXA in two installments in 2022. Under the terms of the secured promissory note, as amended, Genworth pledged as collateral to AXA a 19.9% security interest in our outstanding common stock. On March 3, 2021, Genworth repaid the first installment payment originally due to AXA in June 2022 and a portion of the second installment payment due to AXA in September 2022 from cash proceeds received from the sale of Genworth Mortgage Insurance Australia Limited. On September 21, 2021, Genworth used a portion of the net proceeds from our IPO to repay the remaining outstanding balance of the secured promissory note of approximately £215 million (\$296 million), excluding future claims still being processed. Following the full repayment of the secured promissory note, AXA released its 19.9% security interest in our outstanding common shares.

(2) Accounting Changes

Accounting Pronouncements Recently Adopted

On January 1, 2021, we adopted new accounting guidance related to simplifying the accounting for income taxes. The guidance eliminates certain exceptions related to the approach for intraperiod tax allocation, the methodology for calculating income taxes in an interim period and the recognition of deferred tax liabilities for outside basis differences. We adopted this new accounting guidance using the

NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS
Nine Months Ended September 30, 2021 and 2020
(Unaudited)

retrospective method or modified retrospective method for certain changes and prospective method for all other changes, which did not have a significant impact on our consolidated financial statements and disclosures.

On January 1, 2021, we early adopted new accounting guidance related to accounting for credit losses on financial instruments. The guidance requires entities to recognize an allowance equal to its estimate of lifetime expected credit losses and applies to most debt instruments not measured at fair value.

The new guidance retains most of the existing impairment guidance for available-for-sale fixed maturity securities but amends the presentation of credit losses to be presented as an allowance as opposed to a write-down and permits the reversal of credit losses when reassessing changes in the credit losses each reporting period. Available-for-sale fixed maturity securities in an unrealized loss position are evaluated to determine whether the decline in fair value is related to credit losses or other factors. In making this assessment, we consider the extent to which fair value is less than amortized cost, any changes to the rating of the security by a rating agency/agencies and adverse conditions specifically related to the security, among other factors. If a credit loss exists, the present value of cash flows expected to be collected from the security are compared to the amortized cost basis of the security. If the present value of cash flows expected to be collected is less than the amortized cost basis, an allowance for credit losses is recorded, limited by the amount that the fair value is less than the amortized cost basis. Estimating the cash flows expected to be collected is a quantitative and qualitative process that incorporates information received from third-party sources along with internal assumptions and judgments. When developing the estimate of cash flows expected to be collected, we utilize an analytical model that provides for various loss scenarios and consider the industry sector, current levels of subordination, geographic location and other relevant characteristics of the security or underlying assets, as well as reasonable and supportable forecasts. Losses are written off against the allowance when deemed uncollectible or when we intend to sell or expect we will be required to sell a security prior to recovering our amortized cost. We exclude accrued interest related to available-for-sale fixed maturity securities from the estimate of allowance for credit losses. Accrued interest is included in accrued investment income in our condensed consolidated balance sheet. We do not measure an allowance for credit losses related to accrued interest as uncollectible accrued interest related to our available-for-sale fixed maturity securities is written off after 90 days and once collectability is determined to be uncertain and not probable. Amounts written off related to accrued interest are recorded as a credit loss expense included in net investment gains (losses). We adopted the guidance related to our available-for-sale fixed maturity securities using the modified retrospective method, which did not have a significant impact on our consolidated financial statements.

The new guidance further requires that expected credit losses on premiums receivable are measured in accordance with the credit loss requirements for financial instruments measured at amortized cost. Due to the short-term nature of our premiums receivable, we consider lifetime expected credit losses on premiums receivable to be consistent with our current allowance and as a result the new accounting guidance did not have an impact on premiums receivable upon adoption.

The new guidance also requires the recognition of an allowance for expected credit losses as a liability in our consolidated balance sheet for off-balance sheet credit exposures, including private placement investments. We adopted the guidance related to our off-balance sheet credit exposures using the modified retrospective method, which did not have an impact on our consolidated financial statements.

We did not recognize an allowance for credit losses on securities in an unrealized loss position included in the table above. Based on a qualitative and quantitative review of the issuers of the securities, we believe the decline in fair value is largely due to recent market volatility and is not indicative of credit losses. The issuers continue to make timely principal and interest payments.

For all securities in an unrealized loss position without an allowance for credit losses, we expect to recover the amortized cost based on our estimate of the amount and timing of cash flows to be collected. We do not intend to sell nor do we expect that we will be required to sell these securities prior to recovering our amortized cost.

(4) Fair Value

Recurring Fair Value Measurements

We have fixed maturity securities and short-term investments, which are carried at fair value. The fair value of fixed maturity securities and short-term investments are estimated primarily based on information derived from third-party pricing services ("pricing services"), internal models and/or broker quotes, which use a market approach, income approach or a combination of the market and income approach depending on the type of instrument and availability of information. In general, a market approach is utilized if there is readily available and relevant market activity for an individual security. In certain cases where market information is not available for a specific security but is available for similar securities, that security is valued using market information for similar securities, which is also a market approach. When market information is not available for a specific security (or similar securities) or is available but such information is less relevant or reliable, an income approach or a combination of a market and income approach is utilized. For securities with optionality, such as call or prepayment features (including asset-backed securities), an income approach may be used. In addition, a combination of the results from market and income approaches may be used to estimate fair value. These valuation techniques may change from period to period, based on the relevance and availability of market data.

Further, while we consider the valuations provided by pricing services and broker quotes to be of high quality, management determines the fair value of our investment securities after considering all relevant and available information.

In general, we first obtain valuations from pricing services. If prices are unavailable for public securities, we obtain broker quotes. For all securities, excluding certain private fixed maturity securities, if neither a pricing service nor broker quotes valuation is available, we determine fair value using internal models. For certain private fixed maturity securities where we do not obtain valuations from pricing services, we utilize an internal model to determine fair value since transactions for similar securities are not readily observable and these securities are not typically valued by pricing services.

Given our understanding of the pricing methodologies and procedures of pricing services, the securities valued by pricing services are typically classified as Level 2 unless we determine the valuation process for a security or group of securities utilizes significant unobservable inputs, which would result in the valuation being classified as Level 3.

Broker quotes are typically based on an income approach given the lack of available market data. As the valuation typically includes significant unobservable inputs, we classify the securities where fair value is based on our consideration of broker quotes as Level 3 measurements.

For private fixed maturity securities, we utilize an income approach where we obtain public bond spreads and utilize those in an internal model to determine fair value. Other inputs to the model include rating and weighted-average life, as well as sector which is used to assign the spread. We then add an additional premium, which represents an unobservable input, to the public bond spread to adjust for the liquidity and other features of our private placements. We utilize the estimated market yield to discount the expected cash flows of the security to determine fair value. We utilize price caps for securities where the estimated market yield results in a valuation that may exceed the amount that would be received in a market transaction. When a security does not have an external rating, we assign the security an internal rating to determine the appropriate public bond spread that should be utilized in the valuation. While we generally consider the public bond spreads by sector and maturity to be observable inputs, we evaluate the similarities of our private placement with the public bonds, any price caps utilized, liquidity premiums

(Unaudited)

applied, and whether external ratings are available for our private placements to determine whether the spreads utilized would be considered observable inputs. We classify private securities without an external rating or public bond spread as Level 3. In general, a significant increase (decrease) in credit spreads would have resulted in a significant decrease (increase) in the fair value for our fixed maturity securities as of September 30, 2021.

For remaining securities priced using internal models, we determine fair value using an income approach. We maximize the use of observable inputs but typically utilize significant unobservable inputs to determine fair value. Accordingly, the valuations are typically classified as Level 3.

Our assessment of whether or not there were significant unobservable inputs related to fixed maturity securities was based on our observations obtained through the course of managing our investment portfolio, including interaction with other market participants, observations related to the availability and consistency of pricing and/or rating, and understanding of general market activity such as new issuance and the level of secondary market trading for a class of securities. Additionally, we considered data obtained from pricing services to determine whether our estimated values incorporate significant unobservable inputs that would result in the valuation being classified as Level 3.

A summary of the inputs used for our fixed maturity securities and short-term investments based on the level in which instruments are classified is included below. We have combined certain classes of instruments together as the nature of the inputs is similar.

Level 1 measurements

There were no fixed maturity securities classified as Level 1 as of September 30, 2021, and December 31, 2020.

Level 2 measurements

Fixed maturity securities:

Third-party pricing services

In estimating the fair value of fixed maturity securities, approximately 90% of our portfolio was priced using third-party pricing services as of September 30, 2021. These pricing services utilize industry-standard valuation techniques that include market-based approaches, income-based approaches, a combination of market-based and income-based approaches or other proprietary, internally generated models as part of the valuation processes. These third-party pricing vendors maximize the use of publicly available data inputs to generate valuations for each asset class. Priority and type of inputs used may change frequently as certain inputs may be more direct drivers of valuation at the time of pricing. Examples of significant inputs incorporated by pricing services may include sector and issuer spreads, seasoning, capital structure, security optionality, collateral data, prepayment assumptions, default assumptions, delinquencies, debt covenants, benchmark yields, trade data, dealer quotes, credit ratings, maturity and weighted-average life. We conduct regular meetings with our pricing services for the purpose of understanding the methodologies, techniques and inputs used by the third-party pricing providers.

Internal models

A portion of our U.S. corporate and non-U.S. corporate securities are valued using internal models. The fair value of these fixed maturity securities was \$185.5 million and \$84.5 million, respectively, as of September 30, 2021. Internally modeled securities are primarily private fixed maturity securities where we use market observable inputs such as an interest rate yield curve, published credit spreads for similar securities based on the external ratings of the instrument and related industry sector of the issuer. Additionally, we may apply certain price caps and liquidity premiums in the valuation of private fixed maturity securities. Price caps and liquidity premiums are established using inputs from market participants.

Short-term investments:

The fair value of short-term investments classified as Level 2 is determined after considering prices obtained by pricing services.

Level 3 measurements**Broker quotes**

A portion of our U.S. corporate, non-U.S. corporate and other asset-backed securities are valued using broker quotes. Broker quotes are obtained from third-party providers that have current market knowledge to provide a reasonable price for securities not routinely priced by pricing services. Brokers utilized for valuation of assets are reviewed annually. The fair value of our Level 3 fixed maturity securities priced by broker quotes was \$30.4 million as of September 30, 2021.

Internal models

A portion of our U.S. corporate, non-U.S. corporate and other asset-backed securities are valued using internal models. The primary inputs to the valuation of the bond population include quoted prices for identical assets, or similar assets in markets that are not active, contractual cash flows, duration, call provisions, issuer rating, benchmark yields and credit spreads. Certain private fixed maturity securities are valued using an internal model using market observable inputs such as the interest rate yield curve, as well as published credit spreads for similar securities, which includes significant unobservable inputs. Additionally, we may apply certain price caps and liquidity premiums in the valuation of private fixed maturity securities. Price caps are established using inputs from market participants. For structured securities, the primary inputs to the valuation include quoted prices for identical assets, or similar assets in markets that are not active, contractual cash flows, weighted-average coupon, weighted-average maturity, issuer rating, structure of the security, expected prepayment speeds and volumes, collateral type, current and forecasted loss severity, average delinquency rates, vintage of the loans, geographic region, debt service coverage ratios, payment priority with the tranche, benchmark yields and credit spreads. The fair value of our Level 3 fixed maturity securities priced using internal models was \$252.0 million as of September 30, 2021.

The amount presented for realized and unrealized gains (losses) included in net income for fixed maturity securities primarily represents amortization and accretion of premiums and discounts on certain fixed maturity securities.

The following table presents a summary of the significant unobservable inputs used for certain asset fair value measurements that are based on internal models and classified as Level 3 as of September 30, 2021:

⁽¹⁾ Certain classes of instruments classified as Level 3 are excluded as a result of not being material or due to limitations in being able to obtain the underlying inputs used by certain third-party sources, such as broker quotes, used as an input in determining fair value.

⁽²⁾ Unobservable inputs weighted by the relative fair value of the associated instrument.

Liabilities Not Required to Be Carried at Fair Value

The following table provides fair value information for financial instruments that are reflected in the accompanying unaudited condensed consolidated financial statements at amounts other than fair value. We have certain financial instruments that are not recorded at fair value, including cash and cash equivalents and accrued investment income, the carrying value of which approximate fair value due to the short-term nature of these instruments and are not included in this disclosure.

The following represents our estimated fair value of financial liabilities that are not required to be carried at fair value, classified as Level 2, as of the dates indicated:

Long-term borrowings	\$ 739,838	\$ 810,480	\$ 738,162	\$ 800,367

As of September 30, 2021, we were also committed to fund \$29.9 million in private placement investments.

(5) Loss Reserves

Activity for the liability for loss reserves for the nine months ended September 30 is summarized as follows:

(Amounts in thousands)	2021	2020
Loss reserves, beginning balance	\$ 555,679	\$ 235,062
Run-off reserves	(654)	(1,597)
Net loss reserves, beginning balance	555,025	233,465
Losses and LAE incurred related to current accident year	104,939	281,621
Losses and LAE incurred related to prior accident years	14,468	10,222
Total incurred ⁽¹⁾	119,407	291,843
Losses and LAE paid related to current accident year	(1,574)	(1,130)
Losses and LAE paid related to prior accident years	(25,194)	(49,889)
Total paid ⁽¹⁾	(26,768)	(51,019)
Net loss reserves, ending balance	647,664	474,289
Run-off reserves	701	455
Loss reserves, ending balance	\$ 648,365	\$ 474,744

⁽¹⁾ Losses and loss adjustment expenses ("LAE") incurred and paid exclude losses related to our run-off business.

The liability for loss reserves represents our current best estimate; however, there may be future adjustments to this estimate and related assumptions. Such adjustments, reflecting any variety of new and adverse trends, could possibly be significant, and result in future increases to reserves by amounts that could be material to our results of operations, financial condition and liquidity.

Losses incurred related to insured events of the current accident year relate to defaults that occurred in that year and represent the estimated ultimate amount of losses to be paid on such defaults. Losses incurred related to insured events of prior accident years represent the (favorable) or unfavorable development of reserves as a result of the actual rates at which delinquencies go to claim ("claim rates") and claim amounts being different than those we estimated when originally establishing the reserves. Such estimates are based on our historical experience, which we believe is representative of expected future losses at the time of estimation. As a result of the extended period of time that may exist between the reporting of a delinquency and the claim payment, as well as changes in economic conditions and the real estate market, significant uncertainty and variability exist on amounts ultimately paid.

NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS
Nine Months Ended September 30, 2021 and 2020
(Unaudited)

For the nine months ended September 30, 2021, losses and LAE incurred of \$104.9 million related to insured events of the current accident year was primarily attributable to new delinquencies, a portion of which was from borrowers participating in deferred or reduced payments ("forbearance") as a result of COVID-19. When establishing loss reserves for borrowers in forbearance, we assume a lower rate of delinquencies becoming active claims, which has the effect of producing a lower reserve compared to delinquencies that are not in forbearance. Historical experience with localized natural disasters, such as hurricanes, indicates a higher cure rate for borrowers in forbearance. As COVID-19 is an ongoing health crisis, unlike a hurricane that occurs at a point in time with the rebuild starting soon afterward, our prior hurricane experience was one consideration, among many, in the establishment of loss reserves. Loss reserves recorded on these new delinquencies have a high degree of estimation due to the level of uncertainty regarding whether delinquencies in forbearance will ultimately cure or result in claim payments. We also recorded additional reserves of \$14.5 million in incurred losses attributable to prior accident years primarily due to our expectation that pre-COVID-19 delinquencies will have a modestly higher claim rate than our prior best estimate given the slower emergence of cures to date.

For the nine months ended September 30, 2020, losses and LAE incurred of \$281.6 million related to insured events of the current accident year was primarily attributable to a significant increase in the number of new delinquencies driven mostly by borrower forbearance as a result of COVID-19. We also strengthened reserves on existing delinquencies related to insured events of the current and prior accident years primarily due to a deterioration in early cure emergence patterns and modest increases to claim severity.

(6) Reinsurance

We reinsure a portion of our policy risks to other companies in order to reduce our ultimate losses, diversify our exposures and comply with regulatory requirements. We also assume certain policy risks written by other companies.

Reinsurance does not relieve us from our obligations to policyholders. In the event that the reinsurers are unable to meet their obligations, we remain liable for the reinsured claims. We monitor both the financial condition of individual reinsurers and risk concentrations arising from similar geographic regions, activities and economic characteristics of reinsurers to lessen the risk of default by such reinsurers.

The following table sets forth the effects of reinsurance on premiums written and earned for the periods indicated:

The difference between written premiums of \$685.9 million and earned premiums of \$738.1 million represents the decrease in unearned premiums for the nine months ended September 30, 2021. The decrease in unearned premiums was primarily the result of elevated policy cancellations in our single premium mortgage insurance product driven by low interest rates and higher mortgage refinancing for the nine months ended September 30, 2021.

Insurance-linked note excess of loss reinsurance treaties

On September 2, 2021, we obtained \$371.5 million of excess of loss reinsurance coverage from Triangle Re 2021-3 Ltd. ("Triangle Re 2021-3") on a portfolio of existing mortgage insurance policies written from January 2021 through June 2021. In connection with entering into the reinsurance agreement with Triangle Re 2021-3, we believe that the risk transfer requirements for reinsurance accounting were met as Triangle Re 2021-3 is assuming significant insurance risk and a reasonable possibility of significant loss. At closing, we retain the first layer of aggregate losses up to \$303.5 million. Triangle Re 2021-3 provides 72% reinsurance coverage for losses above our retained layer up to \$371.5 million.

On April 16, 2021, we obtained \$302.7 million of excess of loss reinsurance coverage from Triangle Re 2021-2 Ltd. ("Triangle Re 2021-2") on a portfolio of existing mortgage insurance policies written from September 2020 through December 2020. In connection with entering into the reinsurance agreement with Triangle Re 2021-2, we believe that the risk transfer requirements for reinsurance accounting were met as Triangle Re 2021-2 is assuming significant insurance risk and a reasonable possibility of significant loss. For the reinsurance coverage, we retain the first layer of aggregate losses up to \$188.6 million. Triangle Re 2021-2 provides 76% reinsurance coverage for losses above our retained first layer up to \$302.7 million.

On March 2, 2021, we obtained \$495.0 million of excess of loss reinsurance coverage from Triangle Re 2021-1 Ltd. ("Triangle Re 2021-1") on a portfolio of existing seasoned mortgage insurance policies written from January 2014 through December 2018 and from October 2019 through December 2019. In connection with entering into the reinsurance agreement with Triangle Re 2021-1, we believe that the risk transfer requirements for reinsurance accounting were met as Triangle Re 2021-1 is assuming significant insurance risk and a reasonable possibility of significant loss. Triangle Re 2021-1 reinsurance coverage is derived by applying a reinsurance cession percentage to the mortgage insurance coverage for each loan to get to an Aggregate Exposed Principal Balance ("AEPB"). This AEPB accounts for any existing reinsurance and ensures we retain a minimum 5% vertical risk retention on each loan. For the reinsurance coverage, we retain the first layer of aggregate losses up to \$212.1 million. Triangle Re 2021-1 provides 100% reinsurance coverage for losses above our retained first layer up to \$495.0 million.

On October 22, 2020, we obtained \$349.6 million of excess of loss reinsurance coverage from Triangle Re 2020-1 Ltd. ("Triangle Re 2020-1") on a portfolio of existing mortgage insurance policies written from January 2020 through August 2020. In connection with entering into the reinsurance agreement with Triangle Re 2020-1, we concluded that the risk transfer requirements for reinsurance accounting were met as Triangle Re 2020-1 is assuming significant insurance risk and a reasonable possibility of significant loss. For the reinsurance coverage, we retain the first layer of aggregate losses up to \$521.8 million. Triangle Re 2020-1 provides 67% reinsurance coverage for losses above our retained first layer up to \$349.6 million.

Other excess of loss reinsurance treaties

On February 4, 2021, we executed an excess of loss reinsurance transaction with a panel of reinsurers, which provides up to \$210.4 million of reinsurance coverage on a portion of current and expected new insurance written ("NIW") for the 2021 book year, effective January 1, 2021.

NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS
Nine Months Ended September 30, 2021 and 2020
(Unaudited)

Effective April 1, 2020, we executed an excess of loss reinsurance transaction with a panel of reinsurers covering a portion of the loss tier on subject loans written between book years 2009 and 2019 to help mitigate higher levels of delinquencies as a result of COVID-19.

Effective January 1, 2020, we executed an excess of loss reinsurance transaction with a panel of reinsurers covering a portion of the loss tier on the then current and expected NIW for the 2020 book year. We also entered into excess of loss reinsurance agreements with other external panels of reinsurers covering our 2016 through 2019 books of business.

(7) Borrowings

In 2020, we issued \$750 million aggregate principal amount of 6.5% senior notes due in 2025 (the "2025 Senior Notes"). Interest on the 2025 Senior Notes is payable semi-annually in arrears on February 15 and August 15 of each year. The 2025 Senior Notes mature on August 15, 2025. The first two interest payments of approximately \$23.6 million and \$24.4 million were paid in February 2021 and August 2021, respectively.

The following table sets forth long-term borrowings as of the dates indicated:

(Amounts in thousands)	September 30, 2021	December 31, 2020
6.5% Senior Notes, due 2025	\$ 750,000	\$ 750,000
Deferred borrowing charges	(10,162)	(11,838)
Total	\$ 739,838	\$ 738,162

(8) Income Taxes

We compute the provision for income taxes on a separate return with benefits for loss method. If during the nine months ended September 30, 2021 and 2020, we had computed taxes using the separate return method, the provision for income taxes would have been unchanged.

(9) Related Party Transactions

We have various agreements with Genworth that provide for reimbursement to and from Genworth of certain administrative and operating expenses that include, but are not limited to, information technology services and administrative services (such as finance, human resources, employee benefit administration and legal). These agreements provide for an allocation of corporate expenses to all Genworth businesses or subsidiaries. We incurred costs for these services of \$37.2 million and \$35.1 million for the nine months ended September 30, 2021 and 2020, respectively. Reimbursement was not required for certain of these administrative and operating expenses. As a result, we recorded capital contributions from Genworth of \$0.9 million and \$5.7 million for the nine months ended September 30, 2021 and 2020, respectively.

Our investment portfolio is managed by Genworth. Under the terms of the investment management agreement we are charged a fee by Genworth. All fees paid to Genworth are charged to investment expense and are included in net investment income in the condensed consolidated statements of income. The total investment expenses paid to Genworth were \$4.2 million and \$3.9 million for the nine months ended September 30, 2021 and 2020, respectively.

Our employees participate in certain benefit plans sponsored by Genworth and certain share-based compensation plans that utilize shares of Genworth common stock and other incentive plans.

We provide certain information technology and administrative services (such as facilities and maintenance) to Genworth. We charged Genworth \$0.2 million and \$1.1 million for these services for the nine months ended September 30, 2021 and 2020, respectively.

We have a tax sharing agreement in place with Genworth, such that we participate in a single U.S. consolidated income tax return filing. All intercompany balances related to this agreement are settled at least annually.

(10) Net Income (Loss) Per Share

Basic net income (loss) per share is computed by dividing net income (loss) by the weighted-average number of common shares outstanding. Diluted net income (loss) per share is computed by dividing net income (loss) attributable to common shareholders by the sum of the weighted-average number of common shares outstanding and the weighted-average number of dilutive potential common shares. Dilutive potential common shares relate to our share-based compensation arrangements.

The calculation of basic and diluted net income per share is as follows.

In April 2021, we entered into an agreement to purchase Genworth's minority ownership interest in a mortgage guarantee business in India. On November 1, 2021, we completed the purchase for a cash purchase price that is not material to us.

Item 2. MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS

The following discussion and analysis of our consolidated financial condition and results of operations should be read in conjunction with our unaudited condensed consolidated financial statements and related notes for the three and nine months ended September 30, 2021 and 2020, and our audited consolidated financial statements and related notes for the years ended December 31, 2020 and 2019 issued on March 23, 2021. This discussion includes forward-looking statements and involves numerous risks, uncertainties and assumptions that could cause actual results to differ materially from management's expectations, all of which may be exacerbated by COVID-19. Factors that could cause such differences are discussed in this section. For additional information, refer to the sections entitled "Industry and Market Data," "Cautionary Note Regarding Forward-Looking Statements" and "Risk Factors" in our final prospectus dated September 15, 2021, (the "Prospectus"), as filed with the Securities and Exchange Commission ("SEC") pursuant to Rule 424(b)(4) under the Securities Act of 1933 (as amended, the "Securities Act"). We are not undertaking any obligation to update any forward-looking statements or other statements we may make in the following discussion or elsewhere in this document even though these statements may be affected by events or circumstances occurring after the forward-looking statements or other statements were made. Future results could differ significantly from the historical results presented in this section. Key Factors Affecting Our Results

There have been no material changes to the factors affecting our results, as compared to those disclosed in the Prospectus, other than the impact of COVID-19 as discussed below in "—Trends and Conditions".

Trends and Conditions

The United States economy and consumer confidence improved in the third quarter of 2021 compared to the second quarter of 2021. The unemployment rate has continued to decrease since the beginning of the pandemic and was 4.8% in September 2021. While this is elevated compared to the pre-pandemic level of 3.5% in February 2020, it has steadily decreased from a peak of 14.8% in April 2020. Even after the continued recovery in the third quarter of 2021, the number of unemployed Americans stands at approximately 7.7 million, which is 2.0 million higher than in February 2020. Among the unemployed, those on temporary layoff continued to decrease to 1.1 million from a peak of 18 million in April 2020, and the number of permanent job losses decreased to approximately 2.3 million. In addition, the number of long term unemployed over 26 weeks has continued to decrease since March 2021, falling to approximately 2.7 million in September 2021.

Specific to housing finance, mortgage origination activity remained robust in the third quarter of 2021 fueled by refinance activity and strong home sales. Refinance activity remained robust compared to the second quarter of 2021 but decreased compared to the third quarter of 2020. The purchase market remained strong, with annualized sales of previously owned homes increasing over the second quarter of 2021 but down from the post-2006 peak in the fourth quarter of 2020. Total unsold inventory of homes remains low at a 2.4-month supply as of September 2021, which continues to drive home prices higher, increasing our average loan amount on new insurance written. Interest rates decreased modestly during the third quarter of 2021 to 2.87%, which was the lowest level since the fourth quarter of 2020. Affordability declined in August compared to one year ago due to rising home prices modestly offset by lower interest rates and rising median family income according to the National Association of Realtors Housing Affordability Index, but remains above a level that a family with median income can afford a median-priced home.

The Coronavirus Aid, Relief, and Economic Security ("CARES") Act requires mortgage servicers to provide up to 180 days of forbearance for borrowers with a federally backed mortgage loan who assert

they have experienced a financial hardship related to COVID-19. Forbearance may be extended for an additional 180 days up to a year in total or shortened at the request of the borrower. In addition, on February 25, 2021, the FHFA announced that borrowers with a mortgage backed by the GSEs who are in an active COVID-19 forbearance plan as of February 28, 2021, may request up to two additional forbearance extensions for a maximum of 18 months of total forbearance relief. In addition, the CARES Act provides that furnishers of credit reporting information, including servicers, should continue to report a loan as current to credit reporting agencies if the loan is subject to a payment accommodation, such as forbearance, so long as the borrower abides by the terms of the accommodation. Servicer reported forbearance slowed meaningfully beginning in June 2020 and ended the third quarter of 2021 with approximately 3.2% or 29,526 of our active primary policies reported in a forbearance plan, of which approximately 55% were reported as delinquent. It is difficult to predict the future level of reported forbearance and how many of the policies in a forbearance plan that remain current on their monthly mortgage payment will go delinquent.

The foreclosure moratorium for mortgages that are purchased by the GSEs expired on July 31, 2021. However, on June 28, 2021 the Consumer Financial Protection Bureau's ("CFPB") issued a final rule to amend Regulation X of the Real Estate Settlement Procedures Act effective August 31, 2021, to assist mortgage borrowers affected by the COVID-19 emergency. The final rule establishes temporary procedural changes that require a loss mitigation review prior to a servicer's first notice or foreclosure filing on certain mortgages. On June 29, 2021, the FHFA announced that servicers were immediately prohibited from making a first notice or foreclosure filing for mortgages backed by the GSEs that would be prohibited by the CFPB Regulation X Final Rule before it took effect on August 31, 2021. These announcements generally prohibit servicers from starting foreclosures on mortgages purchased by the GSEs until after December 31, 2021.

The pandemic continued to affect our financial results in the third quarter of 2021 but to a lesser extent than in the second quarter of 2021 as we experienced elevated, but declining, servicer reported forbearance. While new delinquencies increased during the third quarter of 2021, the magnitude was in-line with historical seasonal trends and the third quarter of 2021 new delinquency rate of 0.8% remained consistent with pre-pandemic levels.

The future impact of COVID-19 on our future business results is difficult to predict. Given the maximum length of forbearance plans, the resolution of a delinquency in a plan may not be known for several quarters. While we continue to monitor regulatory and government actions and the resolutions of forbearance delinquencies, it is possible the pandemic could have a significant adverse impact on our future results of operations and financial condition.

Private mortgage insurance market penetration ("market penetration") and eventual market size are affected in part by actions that impact housing or housing finance policy taken by the GSEs and the U.S. government, including but not limited to, the Federal Housing Administration ("FHA") and the FHFA. In the past, these actions have included announced changes, or potential changes, to underwriting standards, including changes to the GSEs' automated underwriting systems, FHA pricing, GSE guaranty fees, loan limits and alternative products. On December 17, 2020, the FHFA published the Enterprise Capital Framework, which includes significantly higher regulatory capital requirements for the GSEs over current requirements. However, on September 15, 2021, the FHFA announced a Notice of Proposed Rulemaking to amend the Enterprise Capital Framework, including technical corrections to provisions that were published on December 17, 2020. Higher GSE capital requirements could ultimately lead to increased costs to borrowers of GSE loans, which in turn could shift the market away from the GSEs to the FHA or lender portfolios. Such a shift could result in a smaller market for private mortgage insurance. In conjunction with preparing to release the GSEs from conservatorship, on January 14, 2021, the FHFA and the Treasury Department agreed to amend the Preferred Stock Purchase Agreements ("PSPAs") between the Treasury Department and each of the GSEs to increase the amount of capital each GSE may retain. Among other things, the amendments to the PSPAs limit the number of certain mortgages the GSEs may acquire with two or more prescribed risk factors, including certain mortgages with combined loan-to-value ("LTV") ratios above 90%. However, on September 14, 2021, the FHFA and Treasury

Department suspended certain provisions of the amendments to the PSPAs, including the limit on the number of mortgages with two or more risk factors that the GSEs may acquire. Such suspensions terminate on the later of one year after September 14, 2021, or six months after the Treasury Department notifies the GSEs of termination. Because the suspension of these limits is based on the current market size, we do not expect any material impact to the private mortgage market in the near term.

The CFPB's Qualified Mortgage ("QM") regulations also include a temporary category (the "QM Patch") for mortgages that comply with certain prohibitions and limitations and meet the GSE underwriting and product guidelines. Mortgages that meet certain requirements are deemed to be QMs until the earlier of the time in which the GSEs exit the FHFA conservatorship or the mandatory compliance date of the final amendments to the CFPB rule defining what constitutes a QM (the "QM Rule"). On April 27, 2021, the CFPB promulgated a final rule delaying the mandatory compliance date of the amended QM Rule until October 1, 2022. As provided under the final rule, the prior 43% debt-to-income-based QM Rule definition, the new price-based average prime offer rate ("APOR") definition and the QM Patch will all remain available to lenders for loan applications received prior to October 1, 2022. However, on April 8, 2021, the GSEs issued notices stating that due to the requirements of the PSPAs they would only acquire loans that meet the new price-based APOR definition set forth under the amended QM Rule for applications received on or after July 1, 2021. We believe that loans which previously qualified under the 43% Debt-to-Income ("DTI") based QM Rule definition and the QM Patch will continue to qualify under the new price-based APOR definition, and therefore, we expect little impact from this change. For more information about the potential future impact, see "Risk Factors—Risks Relating to Our Business—Changes to the role of the GSEs or to the charters or business practices of the GSEs, including actions or decisions to decrease or discontinue the use of mortgage insurance, could adversely affect our business, results of operations and financial condition" and "Risk Factors—Risks Relating to Our Business—The amount of mortgage insurance we write could decline significantly if alternatives to private mortgage insurance are used or lower coverage levels of mortgage insurance are selected" in our Prospectus.

New insurance written of \$24.0 billion in the third quarter of 2021 decreased 10% compared to the third quarter of 2020 primarily due to lower estimated private mortgage insurance market in the current year. The year-over-year decrease in estimated private mortgage insurance available market was primarily driven by lower refinance originations.

Our primary persistency increased to 65% during the third quarter of 2021 compared to 59% during the third quarter of 2020 but remained below historic levels of approximately 80%. The increase in persistency was primarily driven by a decline in the percentage of our in-force policies with mortgage rates above current mortgage rates. Low persistency has impacted business performance trends in several ways including, but not limited to, offsetting insurance in-force growth from new insurance written, accelerating the recognition of earned premiums due to single premium policy cancellations resulting in higher earned premiums in prior periods, accelerating the amortization of our existing reinsurance transactions reducing their associated Private Mortgage Insurer Eligibility Requirements ("PMIERS") capital credit and shifting the concentration of our primary IIF to more recent years of policy origination. As of September 30, 2021, our primary insurance in-force has approximately 6% concentration in 2014 and prior book years. More specifically, our 2005 through 2008 book year concentration is approximately 4%. In contrast, our 2020 book year represents 34% of our primary insurance in-force concentration while our 2021 book year is 33% as of September 30, 2021.

The U.S. private mortgage insurance industry is highly competitive. Our market share is influenced by the execution of our go to market strategy, including but not limited to, pricing competitiveness relative to our peers and our selective participation in forward commitment transactions. Since the IPO of Enact Holdings, we have held discussions with customers that previously conducted limited to no business with Enact. These discussions have been promising to date and as a result, we expect the volume of business with these customers to increase in future periods, although the ultimate outcome remains uncertain. We continue to manage the quality of new business through pricing and our underwriting guidelines, which we modify from time to time when circumstances warrant. We see the market and underwriting conditions, including the pricing environment, as being well within our risk adjusted return appetite

enabling us to write new business at attractive, low-to-mid teen returns. Ultimately, we expect our new insurance written with its strong credit profile and attractive pricing to positively contribute to our future profitability and return on equity.

Net earned premiums declined in the third quarter of 2021 compared to the third quarter of 2020 as insurance in force growth was offset by a decrease in single premium cancellations, the continued lapse of older, higher priced policies and higher ceded premiums as the use of credit risk transfer increased. The total number of delinquent loans has declined from the COVID-19 peak in the second quarter of 2020 but remains elevated compared to pre-COVID-19 levels. During this time and consistent with prior years, servicers continued the practice of remitting premiums during the early stages of default. Additionally, we have a business practice of refunding the post-delinquent premiums to the insured party if the delinquent loan goes to claim. We record a liability and a reduction to net earned premiums for the post-delinquent premiums we expect to refund. The post-delinquent premium liability recorded since the beginning of COVID-19 in the second quarter of 2020 through third quarter 2021 was not significant to the change in earned premiums for those periods as a result of the high concentration of new delinquencies being subject to a servicer reported forbearance plan and the lower estimated rate at which delinquencies go to claim ("claim rates") for these loans. The post-default premium liability increased by \$1 million in the third quarter of 2021 and the total liability for all delinquencies was \$14 million as of September 30, 2021. As a result of COVID-19, certain state insurance regulators required or requested the provision of grace periods of varying lengths to insureds in the event of non-payment of premium. Regulators differed greatly in their approaches but generally focused on the avoidance of cancellation of coverage for non-payment. While most of these requirements and requests have lapsed, it is possible that some or all of them could be re-issued in the event of declarations of new states of emergency that might result from worsening pandemic conditions. We currently comply with all state regulatory requirements. If timely payment is not made, future premiums could decrease and the certificate of insurance could be subject to cancellation after 60 days, or such longer time as required under applicable law.

Our loss reserves continue to be impacted by COVID-19. Borrowers who have experienced a financial hardship including, but not limited to, the loss of income due to the closing of a business or the loss of a job have taken advantage of available forbearance programs and payment deferral options. During the peak of the pandemic, we experienced elevated new delinquencies subject to forbearance plans which may ultimately cure at a higher rate than traditional delinquencies. Unlike a hurricane where the natural disaster occurs at a point in time and the rebuild starts soon after, COVID-19 brought ongoing displacement to the mortgage insurance market, making it more difficult to determine the effectiveness of forbearance and the resulting claim rates for new delinquencies in forbearance plans. Given this difference, our prior hurricane experience was leveraged in combination with recent cure activity from COVID-19 related delinquencies as considerations in the establishment of an appropriate claim rate estimate for new delinquencies in forbearance plans that have emerged as a result of COVID-19. Approximately 36% of our primary new delinquencies in the third quarter of 2021 were subject to a forbearance plan as compared to less than 5% in recent quarters prior to COVID-19.

Severity of loss on loans that do go to claim may be positively impacted by home price appreciation, however, severity of loss on loans that do go to claim may be negatively impacted by the extended forbearance timeline, the associated elevated expenses, the higher loan amount of the recent new delinquencies and if current home price appreciation reverses in the future. For loans insured on or after October 1, 2014, our mortgage insurance policies limit the number of months of unpaid interest and associated expenses that are included in the mortgage insurance claim amount to a maximum of 36 months.

Our loss ratio for the three months ended September 30, 2021, was 14% as compared to 18% for the three months ended September 30, 2020. The decrease was largely from lower new delinquencies in the current year from the improving economy, partially offset by favorable IBNR development of \$23 million in the prior year. New primary delinquencies of 7,427 contributed \$33 million of loss expense in the third quarter of 2021. In determining the loss expense estimate, considerations were given to forbearance and non-forbearance delinquencies, recent cure and claim experience, and the ongoing economic impact due

to the pandemic. We incurred \$61 million of losses from new delinquencies in the third quarter of 2020 driven primarily by an increase in borrower forbearance as a result of COVID-19.

As of September 30, 2021, GMICO's risk-to-capital ratio under the current regulatory framework as established under North Carolina law and enforced by the North Carolina Department of Insurance ("NCDOI"), GMICO's domestic insurance regulator, was approximately 11.9, compared with a risk-to-capital ratio of 12.0:1 and 12.3:1 as of June 30, 2021, and December 31, 2020, respectively. GMICO's risk-to-capital ratio remains below the NCDOI's maximum risk-to-capital ratio of 25:1. North Carolina's calculation of risk-to-capital excludes the risk-in-force for delinquent loans given the established loss reserves against all delinquencies. As a result, we do not expect any immediate, material pressure to GMICO's risk-to-capital ratio in the short term as a result of COVID-19. GMICO's ongoing risk-to-capital ratio will depend principally on the magnitude of future losses incurred by GMICO, the effectiveness of ongoing loss mitigation activities, new business volume and profitability, the amount of policy lapses and the amount of additional capital that is generated or distributed by the business or capital support provided.

Under PMIERS, we are subject to operational and financial requirements that private mortgage insurers must meet in order to remain eligible to insure loans that are purchased by the GSEs. On June 29, 2020, the GSEs issued the "PMIERS Amendment." In September 2020, the GSEs issued an amended and restated version of the PMIERS Amendment that became effective retroactively on June 30, 2020, and included a new reporting requirement that became effective on December 31, 2020. On December 4, 2020, the GSEs issued a revised and restated version of the PMIERS Amendment that revised and replaced the version issued in September 2020. The December 4, 2020, version extended the application of reduced PMIERS capital factors to each non-performing loan that has an initial missed monthly payment occurring on or after March 1, 2020 and prior to April 1, 2021, and extended the capital preservation period from March 31, 2021, to June 30, 2021. On June 30, 2021, the GSEs issued a revised and restated version of the PMIERS Amendment that replaced the version issued on December 4, 2020. The June 30, 2021, version allows loans that enter a forbearance plan due to a COVID-19 hardship on or after April 1, 2021, to remain eligible for extended application of the reduced PMIERS capital factor for as long as the loan remains in forbearance. The June 30, 2021, version also extends the capital preservation period through December 31, 2021, with certain exceptions, as described below.

The PMIERS Amendment implemented both permanent and temporary revisions to PMIERS. For loans that became non-performing due to a COVID-19 hardship, PMIERS was amended with respect to each non-performing loan that (i) has an initial missed monthly payment occurring on or after March 1, 2020, and prior to April 1, 2021, or (ii) is subject to a forbearance plan granted in response to a financial hardship related to COVID-19, the terms of which are materially consistent with terms of forbearance plans offered by the GSEs. The risk-based required asset amount factor for the non-performing loan will be the greater of (a) the applicable risk-based required asset amount factor for a performing loan were it not delinquent, and (b) the product of a 0.30 multiplier and the applicable risk-based required asset amount factor for a non-performing loan. In the case of (i) above, absent the loan being subject to a forbearance plan described in (ii) above, the 0.30 multiplier will be applicable for no longer than three calendar months beginning with the month in which the loan became a non-performing loan due to having missed two monthly payments. Loans subject to a forbearance plan described in (ii) above include those that are either in a repayment plan or loan modification trial period following the forbearance plan unless reported to the approved insurer that the loan is no longer in such forbearance plan, repayment plan, or loan modification trial period. The PMIERS Amendment also imposed temporary capital preservation provisions through December 31, 2021, that require an approved insurer to meet certain PMIERS minimum required assets buffers (150% in the third quarter of 2021 and 115% in the fourth quarter of 2021) or otherwise obtain prior written GSE approval before paying any dividends, pledging or transferring assets to an affiliate or entering into any new, or altering any existing, arrangements under tax sharing and intercompany expense-sharing agreements, even if such insurer had a surplus of available assets. In addition, the PMIERS Amendment imposes permanent revisions to the risk-based

required asset amount factor for non-performing loans for properties located in future Federal Emergency Management Agency Declared Major Disaster Areas eligible for individual assistance.

In September 2020, subsequent to the issuance of Enact Holdings' senior notes due in 2025, the GSEs imposed certain restrictions (the "GSE Restrictions") with respect to capital on our business. In May 2021, in connection with their conditional approval of the then potential partial sale of Enact Holdings, the GSEs confirmed the GSE Restrictions will remain in effect until the following collective conditions ("GSE Conditions") are met: (a) approval of GMICO's plan to secure additional capital, if needed, (b) GMICO obtains "BBB+"/"Baa1" (or higher) rating from S&P, Moody's or Fitch Ratings, Inc. for two consecutive quarters and (c) Genworth achieves certain financial metrics. Prior to the satisfaction of the GSE Conditions, the GSE Restrictions require:

- GMICO to maintain 115% of PMIERS minimum required assets through 2021, 120% during 2022 and 125% thereafter;
- Enact Holdings to retain \$300 million of net proceeds from the 2025 Senior Notes offering that can be drawn down exclusively for debt service of those notes or to contribute to GMICO to meet its regulatory capital needs including PMIERS; and
- written approval must be received from the GSEs prior to any additional debt issuance by either GMICO or Enact Holdings.

Until the GSE Conditions imposed in connection with the GSE Restrictions are met, Enact Holdings' liquidity must not fall below 13.5% of its outstanding debt. The GSEs informed us that a sale of our shares resulting in Genworth owning 70% or less of Enact Holdings by year end 2021 would delay each step up of the PMIERS minimum required asset requirements listed in the first bullet above by one calendar year. In addition, Fannie Mae agreed to reconsider the GSE Restrictions if Genworth were to own 50% or less of Enact Holdings at any point prior to their expiration. We understand that Genworth's current plans do not include a potential sale in which Genworth owns less than 80% of Enact Holdings.

As of September 30, 2021, we had estimated available assets of \$5,126 million against \$2,839 million net required assets under PMIERS compared to available assets of \$4,926 million against \$2,985 million net required assets as of June 30, 2021. The sufficiency ratio as of September 30, 2021, was 181% or \$2,287 million above the published PMIERS requirements, compared to 165% or \$1,941 million above the published PMIERS requirements as of June 30, 2021. PMIERS sufficiency is based on the published requirements applicable to private mortgage insurers and does not give effect to the GSE Restrictions imposed on our business. The increase in the PMIERS sufficiency was driven in part by the completion of an insurance linked notes transaction, which added \$372 million of additional PMIERS capital credit as of September 30, 2021, elevated lapse driven by prevailing low interest rates, business cash flows and lower delinquencies, partially offset by elevated new insurance written and amortization of our reinsurance transactions executed prior to the third quarter of 2021. Our PMIERS required assets as of September 30, 2021, and June 30, 2021, benefited from the application of a 0.30 multiplier applied to the risk-based required asset amount factor for certain non-performing loans. The application of the 0.30 multiplier to all eligible delinquencies provided \$570 million of benefit to our September 30, 2021, PMIERS required assets compared to \$760 million of benefit as of June 30, 2021. These amounts are gross of any incremental reinsurance benefit from the elimination of the 0.30 multiplier.

On September 2, 2021, we obtained \$372 million of fully collateralized excess of loss reinsurance coverage from Triangle Re 2021-3 Ltd. on a portfolio of existing mortgage insurance policies written from January 2021 through June 2021. Credit risk transfer transactions provided an aggregate of approximately \$1,597 million of PMIERS capital credit as of September 30, 2021. We may execute future credit risk transfer transactions to maintain a prudent level of financial flexibility in excess of the PMIERS capital requirements in response to potential changes in performance and PMIERS requirements over time.

In July 2021, GMICO received approval from the NCDOJ for a dividend of \$200 million to be distributed by year-end 2021. We believe this is an important milestone as we work to restart the return of capital to shareholders. We continue to assess the economic and business conditions, including the resolution of forbearance related delinquencies, in support of a fourth quarter dividend to shareholders. To date, aggregate performance indications have been supportive. If these indications remain supportive, management intends to recommend the execution of a \$200 million 2021 dividend to the Enact Independent Capital Committee and the Enact Board of Directors for their approval. Any future dividend is also subject to market conditions, business performance, business and regulatory approvals.

Revenues

Premiums decreased mainly attributable to lower single premium cancellations, continued lapse of our in-force portfolio as older, higher priced policies continued to lapse in the current low interest rate environment and higher ceded premiums as the use of credit risk transfer increased partially offset by higher IIF.

Net investment income increased primarily from higher average invested assets in the current year and higher income from bond calls, partially offset by lower investment yields in the current year.

Net investment gains in the current year were primarily driven by realized gains from the sale of fixed maturity securities. Net investment losses in the prior year were largely from realized losses from the sale of fixed maturity securities.

Other income primarily includes underwriting fee revenue charged on a per-unit or per-diem basis, as defined in the underwriting agreement. Other income decreased primarily due to lower contract underwriting revenue.

Losses and expenses

Losses incurred decreased largely from lower new delinquencies from the improving economy. New primary delinquencies of 7,427 contributed \$33 million of loss expense in the three months ending September 30, 2021. This compares to \$61 million of loss expense from 16,664 primary new delinquencies in 2020 which was partially offset by \$23 million favorable IBNR development in the third quarter of 2020.

The following table shows incurred losses related to current and prior accident years for the three months ended September 30:

(Amounts in thousands)	2021	2020
Losses and LAE incurred related to current accident year	\$ 33,343	\$ 42,928
Losses and LAE incurred related to prior accident years	791	1,527
Total incurred ⁽¹⁾	\$ 34,134	\$ 44,455

⁽¹⁾ Excludes run-off business.

Acquisition and operating expenses, net of deferrals, was primarily flat in the three months ending September 30, 2021, attributable to strategic transaction preparation costs offset by lower costs allocated by our parent in the current year.

The expense ratio (net earned premiums) increased mainly driven by lower premiums in the quarter and \$3 million of strategic transaction preparation costs and restructuring costs partially offset by lower costs allocated by our parent. The strategic transaction preparation costs and restructuring costs increased the expense ratio by approximately 1 point.

Interest expense relates to our 2025 Senior Notes and increased as the notes were outstanding for only a portion of the three months ending September 30, 2020. For additional details see Note 7 to our unaudited condensed consolidated financial statements for the three months ended September 30, 2021 and 2020.

Provision for income taxes

The effective tax rate was 21.4% and 21.4% for the three months ended September 30, 2021 and 2020, respectively, consistent with the United States corporate federal income tax rate.

⁽²⁾ Expense ratio (net earned premiums) is calculated by dividing acquisition and operating expenses, net of deferrals, plus amortization of DAC and intangibles by net earned premiums.

Revenues

Premiums increased mainly attributable to higher IIF partially offset by a decrease in policy cancellations in our single premium mortgage insurance product driven largely by higher mortgage refinancing, continued lapse of our in-force portfolio as older, higher priced policies continued to lapse in the current low interest rate environment and higher ceded premiums as the use of credit risk transfer increased.

Net investment income increased primarily from higher average invested assets in the current year and higher income from bond calls, partially offset by lower investment yields in the current year.

Net investment losses in the current year were primarily driven by realized losses from the sale of fixed maturity securities. Net investment losses in the prior year were mainly driven by realized losses from the sale of fixed maturity securities.

Other income primarily includes underwriting fee revenue charged on a per-unit or per-diem basis, as defined in the underwriting agreement. Other income decreased primarily due to lower contract underwriting revenue.

Losses and expenses

Losses incurred decreased largely from lower new delinquencies from the improving economy and unfavorable reserve adjustments in the prior year as a result of COVID-19. New primary delinquencies of 24,342 contributed \$107 million of loss expense in the first nine months of 2021. This compares to \$258 million of loss expense from 73,151 new primary delinquencies in the first nine months of 2020. In the prior year existing reserves were strengthened by \$32 million primarily driven by the deterioration of early cure emergence patterns impacting claim frequency along with a modest increase in claim severity. Additionally, the prior year included additional reserves of \$5 million for IBNR delinquencies. During the first nine months of 2021, reserves were strengthened \$10 million due to our expectation that pre-COVID-19 delinquencies will have a modestly higher claim rate than our prior best estimate given the slower emergence of cures.

The following table shows incurred losses related to current and prior accident years for the nine months ended September 30:

(Amounts in thousands)	2021	2020
Losses and LAE incurred related to current accident year	\$ 104,939	\$ 281,621
Losses and LAE incurred related to prior accident years	14,468	10,222
Total incurred ⁽¹⁾	\$ 119,407	\$ 291,843

⁽¹⁾ Excludes run-off business.

Acquisition and operating expenses, net of deferrals, increased primarily attributable to higher costs allocated by our Parent, strategic transaction preparation costs and restructuring charges partially offset by lower volume-related operating costs.

The expense ratio (net earned premiums) increased mainly driven by higher costs allocated by our Parent, \$10 million of strategic transaction preparation costs and a one-time restructuring charge of \$2 million partially offset by lower volume-related operating costs. The strategic transaction preparation costs and restructuring costs increased the expense ratio by approximately 2 points.

Interest expense relates to our 2025 Senior Notes and increased as the notes were outstanding for only a portion of the nine months ending September 30, 2020. For additional details see Note 7 to our unaudited condensed consolidated financial statements for the three months ended September 30, 2021 and 2020.

Provision for income taxes

The effective tax rate was 21.4% and 21.9% for the nine months ended September 30, 2021 and 2020, respectively, consistent with the United States corporate federal income tax rate.

Use of Non-GAAP Measures

We use a non-U.S. GAAP ("non-GAAP") financial measure entitled "adjusted operating income." This non-GAAP financial measure aligns with the way our business performance is evaluated by both management and by our board of directors. This measure has been established in order to increase transparency for the purposes of evaluating our core operating trends and enabling more meaningful comparisons with our peers. Although "adjusted operating income" is a non-GAAP financial measure, for the reasons discussed below we believe this measure aids in understanding the underlying performance of our operations. Our senior management, including our chief operating decision maker, uses "adjusted operating income" as the primary measure to evaluate the fundamental financial performance of our business and to allocate resources.

“Adjusted operating income” is defined as U.S. GAAP net income excluding the effects of (i) net investment gains (losses) and (ii) Restructuring costs and infrequent or unusual non-operating items.

- (i) Net investment gains (losses)—The recognition of realized investment gains or losses can vary significantly across periods as the activity is highly discretionary based on the timing of individual securities sales due to such factors as market opportunities or exposure management. Trends in the profitability of our fundamental operating activities can be more clearly identified without the fluctuations of these realized gains and losses. We do not view them to be indicative of our fundamental operating activities. Therefore, these items are excluded from our calculation of adjusted operating income.
- (ii) Restructuring costs and infrequent or unusual non-operating items are also excluded from adjusted operating income if, in our opinion, they are not indicative of overall operating trends.

In reporting non-GAAP measures in the future, we may make other adjustments for expenses and gains we do not consider reflective of core operating performance in a particular period. We may disclose other non-GAAP operating measures if we believe that such a presentation would be helpful for investors to evaluate our operating condition by including additional information.

Total adjusted operating income is not a measure of total profitability, and therefore should not be considered in isolation or viewed as a substitute for U.S. GAAP net income. Our definition of adjusted operating income may not be comparable to similarly named measures reported by other companies, including our peers.

Adjustments to reconcile net income to adjusted operating income assume a 21% tax rate (unless otherwise indicated).

The following table includes a reconciliation of net income to adjusted operating income for the periods indicated:

(Amounts in thousands)	Three months ended September 30,	
	2021	2020
Net income	\$ 137,208	\$ 138,015
Adjustments to net income:		
Net investment (gains) losses	(580)	1,609
Costs associated with reorganization	339	—
Taxes on adjustments	50	(338)
Adjusted operating income	<u>\$ 137,017</u>	<u>\$ 139,286</u>

Adjusted operating income decreased for the three months ended September 30, 2021, as compared to September 30, 2020, primarily from modestly lower premiums and from higher interest expense associated with senior notes issued in August 2020. These decreases were mostly offset by lower losses in the current year.

(Amounts in thousands)	Nine months ended September 30,	
	2021	2020
Net income	\$ 393,151	\$ 279,240
Adjustments to net income:		
Net investment (gains) losses	2,129	1,953
Costs associated with reorganization	2,655	—
Taxes on adjustments	(1,005)	(410)
Adjusted operating income	\$ 396,930	\$ 280,783

We recorded a pre-tax expense of \$2 million for the nine months ended September 30, 2021, related to restructuring costs as we evaluate and appropriately size our organizational needs and expenses.

Adjusted operating income increased for the nine months ended September 30, 2021, as compared to September 30, 2020, primarily from lower new delinquencies from the improving economy and unfavorable reserve adjustments in the prior year as a result of COVID-19 offset along with a modest increase in premiums from continued IIF growth. These increases were partially offset by interest expense associated with senior notes issued in August 2020 and higher operating costs in the current year.

NIW for the three months ended September 30, 2021, decreased 10% compared to the three months ended September 30, 2020, primarily due to lower mortgage refinancing originations in the current period. NIW for the nine months ended September 30, 2021, increased 3.7% compared to the nine months ended September 30, 2020, primarily due to higher mortgage purchase originations and a larger private mortgage insurance market in the current period. We manage the quality of new business through pricing and our underwriting guidelines, which we modify from time to time as circumstances warrant.

IIF increased largely from NIW, partially offset by lapse as we experienced historically low persistency during the current year. Primary persistency was 61% and 62% for the nine months ended September 30, 2021 and 2020, respectively. RIF increased primarily as a result of higher IIF.

Delinquent loans and claims

Our delinquency management process begins with notification by the loan servicer of a delinquency on an insured loan. "Delinquency" is defined in our master policies as the borrower's failure to pay when due an amount equal to the scheduled monthly mortgage payment under the terms of the mortgage. Generally, the master policies require an insured to notify us of a delinquency if the borrower fails to make two consecutive monthly mortgage payments prior to the due date of the next mortgage payment. We generally consider a loan to be delinquent and establish required reserves after the insured notifies us that the borrower has failed to make two scheduled mortgage payments. Borrowers default for a variety of reasons, including a reduction of income, unemployment, divorce, illness/death, inability to manage credit, falling home prices and interest rate levels. Borrowers may cure delinquencies by making all of the delinquent loan payments, agreeing to a loan modification, or by selling the property in full satisfaction of all amounts due under the mortgage. In most cases, delinquencies that are not cured result in a claim under our policy.

The following table shows a roll forward of the number of primary loans in default for the nine months ended September 30:

(Loan count)	2021	2020

The total increase in reserves as a percentage of RIF as of September 30, 2021, compared to December 31, 2020, was primarily driven by higher reserves in relation to a decrease in delinquent RIF. Delinquent RIF decreased mainly from lower total delinquencies as cures outpaced new delinquencies in the first nine months of 2021, while reserves increased primarily from new delinquencies and reserve strengthening in the current year. In addition, due to foreclosure moratoriums and the uncertainty around the lack of progression through the foreclosure process, recent cure performance was not recognized in the reserve estimate. This assumes that remaining delinquencies will have a higher likelihood of going to claim.

As of September 30, 2021, we have experienced an increase in loans that are delinquent for 12 months or more due in large part to borrowers entering a forbearance plan over a year ago driven by COVID-19. We estimated the loss reserve for COVID-19 related delinquencies by applying a claim rate estimate which considers the emergence of cures on forbearance and non-forbearance delinquencies and the ongoing economic impact due to the pandemic. The large volume of additional forbearance delinquencies moving to 12 or more payments in default combined with lower loss expectations on delinquencies subject to a forbearance plan drove the decrease in reserves as a percentage of RIF in the 12 or more payments in default category as of September 30, 2021. Forbearance plans may be extended up to 18 months, therefore, it is possible we could experience elevated delinquencies in this aged category for the remainder of 2021. Resolution of a delinquency in a forbearance plan, whether it ultimately results in a cure or a claim, is difficult to estimate and may not be known for several quarters, if not longer.

Primary insurance delinquency rates differ from region to region in the United States at any one time depending upon economic conditions and cyclical growth patterns. Delinquency rates are shown by region based upon the location of the underlying property, rather than the location of the lender. The frequency of delinquencies may not correlate directly with the number of claims received because delinquencies may cure. The rate at which delinquencies cure is influenced by borrowers' financial resources and circumstances and regional economic differences. Whether a delinquency leads to a claim correlates highly with the borrower's equity at the time of delinquency, as it influences the borrower's willingness to continue to make payments, the borrower's or the insured's ability to sell the home for an amount sufficient to satisfy all amounts due under the mortgage loan and the borrower's financial ability to continue making payments. When we receive notice of a delinquency, we use our proprietary model to determine whether a delinquent loan is a candidate for a modification. When our model identifies such a candidate, our loan workout specialists prioritize cases for loss mitigation based upon the likelihood that the loan will result in a claim. Loss mitigation actions include loan modification,

extension of credit to bring a loan current, foreclosure forbearance, pre-foreclosure sale and deed-in-lieu. These loss mitigation efforts often are an effective way to reduce our claim exposure and ultimate payouts.

Loss reserves in policy years 2005 through 2008 are outsized compared to their representation of RIF. The size of these policy years at origination combined with the significant decline in home prices led to significant losses in policy years prior to 2009. Although uncertainty remains with respect to the ultimate losses we will experience on these policy years, they have become a smaller percentage of our total mortgage insurance portfolio. The largest portion of loss reserves has shifted to newer book years as a result of COVID-19 given their significant representation of RIF. As of September 30, 2021, our 2014 and newer policy years represented approximately 93% of our primary RIF and 70% of our total direct primary case reserves.

Investment Portfolio

Our investment portfolio is affected by factors described below, each of which in turn may be affected by COVID-19 as noted above in “—Trends and Conditions.” Management of our investment portfolio has been delegated to our Parent’s investment committee and chief investment officer. Our Parent’s investment team, with oversight from our board of directors and our senior management team, is responsible for the execution of our investment strategy. Our investment portfolio is an important component of our consolidated financial results and represents our primary source of claims paying resources. Our investment portfolio primarily consists of a diverse mix of highly rated fixed income securities and is designed to achieve the following objectives:

- Meet policyholder obligations through maintenance of sufficient liquidity;
- Preserve capital;
- Generate investment income;
- Maximize statutory capital; and
- Increase shareholder value, among other objectives.

To achieve our portfolio objectives, our investment strategy focuses primarily on:

- Our business outlook, current and expected future investment conditions;
- Investments selection based on fundamental, research-driven strategies;
- Diversification across a mix of fixed income, low-volatility investments while actively pursuing strategies to enhance yield;
- Regular evaluation and optimization of our asset class mix;
- Continuous monitoring of investment quality, duration, and liquidity;
- Regulatory capital requirements; and
- Restriction of investments correlated to the residential mortgage market.

We manage credit risk by analyzing issuers, transaction structures and any associated collateral. We also manage credit risk through country, industry, sector and issuer diversification and prudent asset allocation practices.

We primarily mitigate interest rate risk by employing a buy and hold investment philosophy that seeks to match fixed income maturities with expected liability cash flows in modestly adverse economic scenarios.

Liquidity and Capital Resources

Cash Flows

The following table summarizes our consolidated cash flows for the nine months ended September 30:

(Amounts in thousands)

	2021	2020
Net cash provided by (used in):		
Operating activities	\$ 411,082	\$ 560,546
Investing activities	(412,294)	(891,969)
Financing activities	—	303,099
Net increase (decrease) in cash and cash equivalents	<u>\$ (1,212)</u>	<u>\$ (28,324)</u>

Our most significant source of operating cash flows is from premiums received from our insurance policies, while our most significant uses of operating cash flows are generally for claims paid on our insured policies and our operating expenses. Net cash from operating activities decreased due to timing of tax payments made to our Parent and \$48 million of interest payments on our 2025 Senior Notes issued in August 2020, partially offset by higher premiums received from a larger IIF balance and lower claims paid in the current year.

Investing activities are primarily related to purchases, sales, and maturities of our investment portfolio. Net cash used by investing activities decreased primarily as a result of lower net purchases of fixed maturity securities in the current year.

No dividends were paid during the nine months ended September 30, 2021. Financing activities in the nine months ended September 30, 2020, reflects \$738.8 million net proceeds from the issuance of our 2025 Senior Notes, partially offset by a \$435.7 million dividend paid to Genworth from the net proceeds of that offering. The amount and timing of future dividends will depend on the economic recovery from COVID-19, among other factors as described below.

Capital Resources and Financing Activities

We issued our 2025 Senior Notes in 2020 with interest payable semi-annually in arrears on February 15 and August 15 of each year. We made our first interest payment in the current quarter of \$23.6 million. The 2025 Senior Notes mature on August 15, 2025. We may redeem the 2025 Senior Notes, in whole or in part, at any time prior to February 15, 2025, at our option, by paying a make-whole premium, plus accrued and unpaid interest, if any. At any time on or after February 15, 2025, we may redeem the 2025 Senior Notes, in whole or in part, at our option, at 100% of the principal amount, plus accrued and unpaid interest. The 2025 Senior Notes contain customary events of default, which subject to certain notice and cure conditions, can result in the acceleration of the principal and accrued interest on the outstanding 2025 Senior Notes if we breach the terms of the indenture.

Pursuant to the GSE Restrictions, we are required to retain \$300 million of our holding company cash that can be drawn down exclusively for our debt service or to contribute to GMICO to meet its regulatory capital needs including PMIERS. See “—Trends and Conditions” for additional information regarding the GSE Restrictions.

Restrictions on the Payment of Dividends

The ability of our regulated insurance operating subsidiaries to pay dividends and distributions to us is restricted by certain provisions of North Carolina insurance laws. Our insurance subsidiaries may pay dividends only from unassigned surplus; payments made from sources other than unassigned surplus, such as paid-in and contributed surplus, are categorized as distributions. Notice of all dividends must be submitted to the Commissioner of the NCDI (the “Commissioner”) within 5 business days after

declaration of the dividend or distribution, and at least 30 days before payment thereof. No dividend may be paid until 30 days after the Commissioner has received notice of the declaration thereof and (i) has not within that period disapproved the payment or (ii) has approved the payment within the 30-day period. Any distribution, regardless of amount, requires that same 30-day notice to the Commissioner, but also requires the Commissioner's affirmative approval before being paid. Based on our estimated statutory results and in accordance with applicable dividend restrictions, GMICO has the capacity to pay dividends from unassigned surplus of \$229 million as of September 30, 2021, with 30 day advance notice to the Commissioner of the intent to pay. In addition to dividends and distributions, alternative mechanisms, such as share repurchases, subject to any requisite regulatory approvals, may be utilized from time to time to upstream surplus.

On June 30, 2021, the GSEs issued a revised and restated version of the PMIERS Amendment that imposed temporary capital preservation provisions through December 31, 2021, that require an approved insurer to meet certain PMIERS minimum required asset buffers (115% in the fourth quarter of 2021) or otherwise obtain prior written GSE approval before paying any dividends, pledging or transferring assets to an affiliate or entering into any new, or altering any existing, arrangements under tax sharing and intercompany expense-sharing agreements, even if such insurer had a surplus of available assets. In addition, prior to the satisfaction of the GSE Conditions, the GSE Restrictions require GMICO to maintain 115% of PMIERS Minimum Required Assets through 2021, 120% during 2022 and 125% thereafter (unless our Parent directly or indirectly owns 70% or less of our common stock by December 31, 2021, in which case, the GSE Restrictions require GMICO to maintain 115% of PMIERS Minimum Required Assets through 2022, 120% during 2023 and 125% thereafter). We understand that our Parent's current plans do not include a potential sale in which it owns less than 80% of Enact Holdings.

In addition, we review multiple other considerations in parallel to determine a prospective dividend strategy for our regulated insurance operating subsidiaries. Given the regulatory focus on the reasonableness of an insurer's surplus in relation to its outstanding liabilities and the adequacy of its surplus relative to its financial needs for any dividend, our insurance subsidiaries consider the minimum amount of policyholder surplus after giving effect to any contemplated future dividends. Regulatory minimum policyholder surplus is not codified in North Carolina law and limitations may vary based on prevailing business conditions including, but not limited to, the prevailing and future macroeconomic conditions. We estimate regulators would require a minimum policyholder surplus of approximately \$300 million to meet their threshold standard. Given (i) we are subject to statutory accounting requirements that establish a contingency reserve of at least 50% of net earned premiums annually for ten years, after which time it is released into policyholder surplus and (ii) that no material 10-year contingency reserve releases are scheduled before 2024, we expect modest growth in policyholder surplus through 2024. As a result, minimum policyholder surplus could be a limitation on the future dividends of our regulated operating subsidiaries.

As mentioned above, another consideration in the development of the dividend strategies for our regulated insurance operating subsidiaries is our expected level of compliance with PMIERS. Under PMIERS, GMICO is subject to operational and financial requirements that approved insurers must meet in order to remain eligible to insure loans purchased by the GSEs. Refer to "—Trends and Conditions" for recent updates related to these requirements.

Our regulated insurance operating subsidiaries are also subject to statutory RTC requirements that affect the dividend strategies of our regulated operating subsidiaries. GMICO's domiciliary regulator, the NCDOL, requires the maintenance of a statutory RTC ratio not to exceed 25:1. See "—Risk-to-Capital Ratio" for additional RTC trend analysis.

We consider potential future dividends compared to the prior year statutory net income in the evaluation of dividend strategies for our regulated operating subsidiaries. We also consider the dividend payout ratio, or the ratio of potential future dividends compared to the estimated U.S. GAAP net income, in the evaluation of our dividend strategies. In either case, we do not have prescribed target or maximum thresholds, but we do evaluate the reasonableness of a potential dividend relative to the actual or

estimated income generated in the proceeding or preceding calendar year after giving consideration to prevailing business conditions including, but not limited to the prevailing and future macroeconomic conditions. In addition, the dividend strategies of our regulated operating subsidiaries are made in consultation with our Parent.

Risk-to-Capital Ratio

We compute our RTC ratio on a separate company statutory basis, as well as for our combined insurance operations. The RTC ratio is net RIF divided by policyholders' surplus plus statutory contingency reserve. Our net RIF represents RIF, net of reinsurance ceded, and excludes risk on policies that are currently delinquent and for which loss reserves have been established. Statutory capital consists primarily of statutory policyholders' surplus (which increases as a result of statutory net income and decreases as a result of statutory net loss and dividends paid), plus the statutory contingency reserve. The statutory contingency reserve is reported as a liability on the statutory balance sheet.

Certain states have insurance laws or regulations that require a mortgage insurer to maintain a minimum amount of statutory capital (including the statutory contingency reserve) relative to its level of RIF in order for the mortgage insurer to continue to write new business. While formulations of minimum capital vary in certain states, the most common measure applied allows for a maximum permitted RTC ratio of 25:1.

The following table presents the calculation of our RTC ratio for our combined insurance subsidiaries as of the dates indicated:

(Dollar amounts in millions)	September 30, 2021		December 31, 2020	
Statutory policyholders' surplus	\$	1,558	\$	1,555
Contingency reserves		2,914		2,518
Combined statutory capital	\$	4,472	\$	4,073
Adjusted RIF ⁽¹⁾	\$	52,752	\$	49,104
Combined risk-to-capital ratio		11.8		12.1

⁽¹⁾ Adjusted RIF for purposes of calculating combined statutory RTC differs from RIF presented elsewhere in this periodic report. In accordance with NCDOL requirements, adjusted RIF excludes delinquent policies.

The following table presents the calculation of our RTC ratio for our principal insurance company, GMICO, as of the dates indicated:

(Dollar amounts in millions)	September 30, 2021		December 31, 2020	
Statutory policyholders' surplus	\$	1,508	\$	1,475
Contingency reserves		2,913		2,518
GMICO statutory capital	\$	4,421	\$	3,993
Adjusted RIF ⁽¹⁾	\$	52,608	\$	49,021
GMICO risk-to-capital ratio		11.9		12.3

⁽¹⁾ Adjusted RIF for purposes of calculating GMICO statutory RTC differs from RIF presented elsewhere herein. In accordance with NCDOL requirements, adjusted RIF excludes delinquent policies.

Liquidity

As of September 30, 2021, we maintained liquidity in the form of cash and cash equivalents of \$452 million compared to \$453 million as of December 31, 2020, and we also held significant levels of investment-grade fixed maturity securities that can be monetized should our cash and cash equivalents be insufficient to meet our obligations. On August 21, 2020, we issued the 2025 Senior Notes. The GSE Restrictions required us to retain \$300 million of the net 2025 Senior Notes proceeds that can be drawn

down exclusively for our debt service or to contribute to GMICO to meet its regulatory capital needs including PMIERS, until the GSE Conditions are satisfied. See “—Trends and Conditions” for additional details. We distributed \$437 million of the net proceeds to Genworth Holdings at the closing of the offering of our 2025 Senior Notes. The 2025 Senior Notes were issued to persons reasonably believed to be qualified institutional buyers in a private offering exempt from registration pursuant to Rule 144A under the Securities Act and to non-U.S. persons outside of the United States in compliance with Regulation S under the Securities Act.

The principal sources of liquidity in our business currently include insurance premiums, net investment income and cash flows from investment sales and maturities. We believe that the operating cash flows generated by our mortgage insurance subsidiary will provide the funds necessary to satisfy our claim payments, operating expenses and taxes. However, our subsidiaries are subject to regulatory and other capital restrictions with respect to the payment of dividends. The \$300 million of the net proceeds of the 2025 Senior Notes offering retained by EHI comprises substantially all of the cash and cash equivalents held directly by EHI and initially available to pay interest on the 2025 Senior Notes. To the extent the \$300 million of net proceeds retained from the 2025 Senior Notes offering is used to provide capital support to GMICO, the GSEs and the NCDI may seek to prevent GMICO from returning that capital to EHI in the form of a dividend, distribution or an intercompany loan. We currently have no material financing commitments, such as lines of credit or guarantees, that are expected to affect our liquidity over the next five years, other than the 2025 Senior Notes.

Financial Strength Ratings

The following GMICO financial strength ratings have been independently assigned by third-party rating organizations and represent our current ratings, which are subject to change.

Name of Agency	Rating	Outlook	Change	Date of Rating
Moody's Investor Service, Inc.	Baa2	Stable	Upgrade	September 24, 2021
Fitch Ratings, Inc.	BBB+	Stable	Upgrade	September 17, 2021
Standard & Poor's Financial Services, LLC	BBB	Positive	Upgrade	September 24, 2021

Contractual Obligations and Commitments

We experienced an increase in loss reserves during the nine months ended September 30, 2021, driven mostly by new delinquencies from borrower forbearance programs due to COVID-19. We expect a large portion of these delinquencies to cure before becoming an active claim; however, reserves recorded related to borrower forbearance have a high degree of estimation. Therefore, it is possible we could have higher contractual obligations related to these loss reserves if they do not cure as we expect. Other than the aforementioned loss reserves, there have been no material additions or changes to our contractual obligations as compared to the amounts disclosed within our audited consolidated financial statements for the years ended December 31, 2020 and 2019.

New Accounting Standards

Refer to Note 2 in our unaudited condensed consolidated financial statements for the nine months ended September 30, 2021 and 2020, and in our audited consolidated financial statements for the years ended December 31, 2020 and 2019, for a discussion of recently adopted and not yet adopted accounting standards.

Item 3. Quantitative and Qualitative Disclosures About Market Risk

We own and manage a large investment portfolio of various holdings, types and maturities. Investment income is one of our material sources of revenues and the investment portfolio represents the primary source of cash flows supporting operations and claim payments. The assets within the investment portfolio are exposed to the same factors that affect overall financial market performance. While our investment portfolio is exposed to factors affecting markets worldwide, it is most sensitive to fluctuations in the drivers of United States markets.

We manage market risk via our defined investment policy guidelines implemented by our Parent's investment team with oversight from our board of directors and our senior management. Important drivers of our market risk exposure monitored and managed by us include but are not limited to:

- *Changes to the level of interest rates.* Increasing interest rates may reduce the value of certain fixed-rate bonds held in the investment portfolio. Higher rates may cause variable-rate assets to generate additional income. Decreasing rates will have the reverse impact. Significant changes in interest rates can also affect persistency and claim rates that may require that the investment portfolio be restructured to better align it with future liabilities and claim payments. Such restructuring may cause investments to be liquidated when market conditions are adverse.
- *Changes to the term structure of interest rates.* Rising or falling rates typically change by different amounts along the yield curve. These changes may have unforeseen impacts on the value of certain assets.
- *Market volatility/changes in the real or perceived credit quality of investments.* Deterioration in the quality of investments, identified through changes to our own or third-party (e.g., rating agency) assessments, will reduce the value and potentially the liquidity of investments.
- *Concentration Risk.* If the investment portfolio is highly concentrated in one asset, or in multiple assets whose values are highly correlated, the value of the total portfolio may be greatly affected by the change in value of just one asset or a group of highly correlated assets.
- *Prepayment Risk.* Bonds may have call provisions that permit debtors to repay prior to maturity when it is to their advantage. This typically occurs when rates fall below the interest rate of the debt.

Market risk is measured for all investment assets at the individual security level. Market risks that are not fully captured by the quantitative analysis are highlighted. In addition, material market risk changes that occur from the last reporting period to the current are discussed. Changes to how risks are managed will also be identified and described.

At September 30, 2021, the effective duration of our investments available-for-sale was 3.7 years, which means that an instantaneous parallel shift (movement up or down) in the yield curve of 100 basis points would result in a change of 3.7% in fair value of our investments available-for-sale.

Item 4. Controls and Procedures**Evaluation of Disclosure Controls and Procedures**

As of September 30, 2021, an evaluation was conducted under the supervision and with the participation of our management, including our Chief Executive Officer and Chief Financial Officer, of the effectiveness of our disclosure controls and procedures (as defined in Rules 13a-15(e) and 15d-15(e) under the Securities Exchange Act of 1934, as amended (the "Exchange Act")). Based on this evaluation, the Chief Executive Officer and the Chief Financial Officer concluded that our disclosure controls and procedures were effective as of September 30, 2021.

Changes in Internal Control Over Financial Reporting During the Quarter Ended September 30, 2021

There have been no changes in our internal control over financial reporting during the quarter ended September 30, 2021, that have materially affected, or are reasonably likely to materially affect, our internal control over financial reporting.

Part II. Other Information

Item 1. Legal Proceedings

We are not subject to any pending material legal proceedings.

Item 1A. Risk Factors

We have disclosed under the heading "Risk Factors" in our Prospectus, the risk factors that could have a material adverse effect on our business, results of operations and/or financial condition. There have been no material changes from the risk factors previously disclosed. You should carefully consider the risk factors set forth in the Prospectus and the other information set forth elsewhere in this Form 10-Q. You should be aware that these risk factors and other information may not describe every risk that we face. The occurrence of any additional risks and uncertainties that are currently immaterial or unknown could have a material adverse effect on our business, results of operations and/or financial condition.

Item 2. Unregistered Sales of Equity Securities and Use of Proceeds

There were no sales of unregistered equity securities during the three months ended September 30, 2021.

Use of Proceeds from our Initial Public Offering of Common Stock

On September 15, 2021, the Company's registration statement on Form S-1 (File No. 333-255345) was declared effective by the SEC in connection with our initial public offering ("IPO") of our common stock. On September 15, 2021, we priced our IPO, which resulted in the issuance and sale of 13,310,400 shares of common stock at the IPO price of \$19.00 per common share. The underwriters for the IPO were Goldman Sachs & Co. LLC, J.P. Morgan Securities LLC, BofA Securities, Inc., Credit Suisse Securities (USA) LLC, Citigroup Global Markets Inc., Deutsche Bank Securities Inc., Keefe, Bruyette & Woods, Inc., BTIG LLC, and Dowling & Partners Securities LLC. All shares were offered by the selling stockholder, our parent company, Genworth Holdings, Inc. ("Genworth Holdings"). In addition to the shares sold in the IPO, 14,655,600 common shares were sold in a concurrent private sale ("Private Sale") at a price per share of \$17.86, which is equal to the IPO price less the underwriting discount share. Genworth Holdings also granted the underwriters a 30-day option to purchase up to an additional 1,996,560 common shares ("Over-Allotment Option") at the IPO price less the underwriting discount. On September 16, 2021, the underwriters exercised their option to purchase all 1,996,560 common shares permitted under the terms of the underwriting agreement. The IPO, Private Sale and Over-Allotment Option (collectively the "Offering") closed on September 20, 2021, and Genworth Holdings retained all net proceeds from the Offering. The gross proceeds of the Offering, before payment of underwriter fees and other expenses, were approximately \$553 million. Costs directly related to the Offering, including underwriting fees and other expenses, were approximately \$24 million.

On September 21, 2021, Genworth Financial, Inc. used a portion of the net proceeds from our IPO to repay the remaining outstanding balance of the secured promissory note of approximately £215 million (\$296 million), excluding future claims still being processed. Following the full repayment of the secured promissory note, AXA S.A. released its 19.9% security interest in our outstanding common shares.

Item 5. Other Information

In accordance with Rule 14a-8 under the Securities Exchange Act of 1934, as amended ("Rule 14a-8") and the Amended and Restated Bylaws (the "Bylaws") of the Company, the deadlines for the receipt of any stockholder proposals and director nominations to be considered at the 2022 Annual Meeting of Stockholders (the "2022 Annual Meeting") are set forth below.

Any stockholder proposal submitted pursuant to Rule 14a-8 for inclusion in the Company's proxy materials for the 2022 Annual Meeting must be received by our corporate secretary at our principal executive offices no later than the close of business on December 24, 2021. Any such proposal also

needs to comply with the Securities and Exchange Commission stockholder proposal rules, including the eligibility requirements set forth in Rule 14a-8.

In addition, any stockholder seeking to nominate a director or to bring other business before the 2022 Annual Meeting outside of Rule 14a-8 under the advance notice provisions included in the Company's Bylaws must provide timely notice, as set forth in the Bylaws. Specifically, written notice of any such proposed business or nomination must be received by our corporate secretary at our principal executive offices no earlier than the close of business on January 13, 2022, and no later than the close of business on February 12, 2022. Any notice of proposed business or nomination also must comply with the notice and other requirements set forth in our Bylaws and with any applicable law.

For purposes of stockholder proposals, the "close of business" shall mean 5:00 p.m. local time at the principal executive offices of the Company on any calendar day, whether or not the day is a business day.

ARTICLE III

PURPOSE

The purpose of the Corporation is to engage in any lawful act or activity for which a corporation may be organized under the DGCL, as from time to time amended.

ARTICLE IV

SHARES OF STOCK

The total number of shares of stock which the Corporation shall have authority to issue is six hundred and fifty million (650,000,000) shares, which shall consist of six hundred million (600,000,000) shares of common stock, each having a par value of one cent (\$0.01) per share (the "Common Stock"), and fifty million (50,000,000) shares of preferred stock, each having a par value of one cent (\$0.01) per share (the "Preferred Stock").

A. Common Stock. The powers, preferences and rights, and the qualifications, limitations and restrictions, of the Common Stock are as follows:

i. Each holder of record of shares of Common Stock shall be entitled to one vote for each share of Common Stock held on all matters submitted to a vote of stockholders of the Corporation on which holders of Common Stock are entitled to vote; provided, however, that, except as otherwise required by law, holders of Common Stock, as such, shall not be entitled to vote on any amendment to this Certificate of Incorporation, including any certificate of designations relating to any series of Preferred Stock, that relates solely to the terms of one or more outstanding series of Preferred Stock if the holders of such affected series are entitled, either separately or together with the holders of one or more other such series, to vote thereon pursuant to this Certificate of Incorporation (including any certificate of designations relating to any series of Preferred Stock) or the DGCL.

(1) The holders of shares of Common Stock shall not have cumulative voting rights (as defined in Section 214 of the DGCL).

ii. Subject to the rights of the holders of Preferred Stock, and subject to any other provisions of this Certificate of Incorporation, holders of shares of Common Stock shall be entitled to receive such dividends in cash, stock or property of the Corporation if, as and when declared thereon by the Board of Directors from time to time out of assets or funds of the Corporation legally available therefor.

iii. In the event of any liquidation, dissolution or winding-up of the Corporation, whether voluntary or involuntary, after payment or provision for the payment of the debt and liabilities of the Corporation and subject to the prior payment in full of the preferential amounts, if any, to which any series of Preferred Stock may be entitled, the holders of shares of Common Stock shall be entitled to receive the assets and funds of the Corporation remaining for distribution in proportion to the number of shares held by them, respectively.

iv. No holder of shares of Common Stock shall be entitled to preemptive or subscription rights.

B. Preferred Stock. The Board of Directors is expressly authorized to provide out of the unissued shares of Preferred Stock, for one or more series of Preferred Stock, and, with respect to each such series, to fix for each such series such voting powers, full or limited, or no voting powers, and the number of shares constituting such series and such distinctive designations, preferences and relative, participating, optional or other special rights and such qualifications, limitations or restrictions thereof, as shall be stated and expressed in the resolution or resolutions adopted by the Board of Directors providing for the issuance of such series and as may be permitted by the DGCL. The powers, preferences and relative, participating, optional and other special rights of each series of Preferred Stock, and the qualifications, limitations or restrictions thereof, if any, may differ from those of any and all other series at any time outstanding.

C. No Class Vote on Changes in Authorized Number of Shares of Stock. Subject to the rights of the holders of any series of Preferred Stock, the number of authorized shares of Common Stock or Preferred Stock may be increased or decreased (but not below the number of shares thereof then outstanding) by the affirmative vote of the holders of shares of stock representing a majority of the voting power of all the then-outstanding shares of stock of the Corporation entitled to vote thereon irrespective of the provisions of Section 242(b)(2) of the DGCL.

ARTICLE V

TERM

The Corporation shall have perpetual existence.

ARTICLE VI

DIRECTORS

The following provisions are inserted for the management of the business and the conduct of the affairs of the Corporation, and for further definition, limitation and regulation of the powers of the Corporation and of its directors and stockholders:

A. The business and affairs of the Corporation shall be managed by or under the direction of the Board of Directors. In addition to the powers and authority expressly conferred upon the Board of Directors by applicable law, this Certificate of Incorporation or the Amended and Restated Bylaws of the Corporation (as amended from time to time, the "Bylaws"), the directors are hereby empowered to exercise all such powers and do all such acts and things as may be exercised or done by the Corporation, subject to the provisions of the DGCL and this Certificate of Incorporation.

B. Subject to the terms and conditions of the Master Agreement, between the Corporation and Genworth Financial, Inc. ("Parent"), dated as of the date hereof (as may be amended, supplemented, restated or otherwise modified from time to time, the "Master Agreement"), the number of directors of the Corporation shall be fixed from time to time exclusively by resolution of the Board of Directors.

C. Each director shall hold office until the next annual meeting of stockholders and until his or her successor has been duly elected and qualified, or until his or her earlier death, resignation, retirement, disqualification or removal.

D. Subject to the terms and conditions of the Master Agreement and the rights of one or more series of Preferred Stock then outstanding, (i) any newly created directorship or any vacancy on the Board of Directors for any cause, shall be filled solely by a majority of the directors then in office, even if less than a quorum remains, or by the sole remaining director. Any director elected to fill a vacancy or newly created directorship shall hold office until the next annual meeting of stockholders and until his or her successor has been duly elected and qualified, or until his or her earlier death, resignation, retirement, disqualification or removal and (ii) the right of stockholders to fill vacancies on the Board of Directors is hereby specifically denied.

E. Notwithstanding the foregoing, the election, term, removal and filling of vacancies with respect to directors, if any, elected separately by the holders of one or more classes or series of Preferred Stock shall not be governed by this Article VI, but rather shall be as provided for in the resolutions adopted by the Board of Directors creating and establishing such class or series of Preferred Stock.

F. No director shall be personally liable to the Corporation or any of its stockholders for monetary damages for breach of fiduciary duty as a director, except to the extent such exemption from liability thereof is not permitted under the DGCL as the same exists or may hereafter be amended. Any amendment, repeal or modification of this Section F of this Article VI, or the adoption of any provision inconsistent with this Section F of this Article VI, shall not adversely affect any right or protection of a director of the Corporation existing at the time of such amendment, repeal or modification with respect to acts or omissions occurring prior to such amendment, repeal or modification. If the DGCL hereafter is amended to eliminate or limit the liability of a director, then a director of the Corporation, in addition to the circumstances in which a director is not personally liable as set forth in the preceding sentence, shall not be liable to the fullest extent permitted by the DGCL, as so amended.

G. In addition to the powers and authority hereinbefore or by statute expressly conferred upon them, the directors are hereby empowered to exercise all such powers and do all such acts and things as may be exercised or done by the Corporation, subject, nevertheless, to the provisions of the DGCL, this Certificate of Incorporation and any Bylaws adopted by the stockholders; provided, however, that no Bylaws hereafter adopted by the stockholders shall invalidate any prior act of the directors that would have been valid if such Bylaws had not been adopted.

H. Unless and except to the extent that the Bylaws of the Corporation shall so require, the election of directors of the Corporation need not be by written ballot.

ARTICLE VII

ACTION BY WRITTEN CONSENT

Subject to the terms of any series of Preferred Stock, (i) for so long as Parent beneficially owns (directly or indirectly) at least a majority of the voting power of the then outstanding shares of stock of the Corporation entitled to vote generally in the election of directors (the "Voting Stock"), any action that is required or permitted to be taken by the stockholders of Corporation may be effected by consent in lieu of a meeting and (ii) if Parent no longer beneficially owns (directly or indirectly) at least a majority of the Voting Stock, any action required or permitted to be taken by the stockholders of the Corporation must be effected at a duly called annual or special meeting of the stockholders of the Corporation and may not be effected by any consent in lieu of a meeting.

ARTICLE VIII

MEETINGS OF STOCKHOLDERS & BOOKS OF THE CORPORATION

Meetings of stockholders may be held at such place, if any, within or without the State of Delaware, as the Bylaws may provide. The books of the Corporation may be kept (subject to any provision contained in the DGCL) outside the State of Delaware at such place or places as may be designated from time to time by the Board of Directors or in the Bylaws of the Corporation.

ARTICLE IX

SPECIAL MEETINGS OF STOCKHOLDERS & ADVANCE NOTICE

Except as otherwise required by law, special meetings of the stockholders of the Corporation, for any purpose or purposes, may be called at any time only (i) by the Chairperson of the Board of Directors, (ii) by the Chief Executive Officer of the Corporation (or, in the absence of a Chief Executive Officer, the President), (iii) pursuant to a resolution duly adopted by a majority of the Board of Directors or (iv) so long as Parent beneficially owns (directly or indirectly) at least fifty percent (50%) or more of the Voting Stock, by the Secretary of the Corporation at the request of the holders of shares representing at least fifty percent (50%) of the Voting Stock. Other than as set forth in clause (iv) of the preceding sentence, any power of stockholders to call a special meeting of stockholders is hereby specifically denied.

Advance notice of stockholder nominations for the election of directors of the Corporation and of other business to be brought by stockholders before any meeting of stockholders of the Corporation shall be given in the manner provided in the Bylaws. No business other than that stated in the notice of such meeting (or any amendment or supplement thereto), which notice, in the case of a special meeting called by a stockholder or stockholders, shall include all business requested by such stockholder or stockholders to be transacted at such meeting, shall be transacted at any special meeting.

ARTICLE X

AMENDMENT OF BYLAWS

In furtherance and not in limitation of the powers conferred upon it by the laws of the State of Delaware, the Board of Directors shall have the power without the assent or vote of the stockholders to adopt, amend, alter or repeal the Bylaws. The affirmative vote of at least a majority of the Board of Directors shall be required to adopt, amend, alter or repeal the Bylaws. The Bylaws also may be adopted, amended, altered or repealed by the stockholders by the affirmative vote of the holders of at least a majority of the Voting Stock.

ARTICLE XI

AMENDMENT OF CERTIFICATE OF INCORPORATION

The Corporation reserves the right at any time and from time to time to amend, alter, change or repeal any provision contained in this Certificate of Incorporation, as from time to time in effect, including to add thereto any provision authorized by the law of the State of Delaware, in the manner now or hereafter prescribed in the DGCL, and all rights, preferences and privileges conferred upon stockholders, directors or officers of the Corporation or any other person whomsoever by and pursuant to this Certificate of Incorporation in its present form, or as hereafter amended, are granted subject to the right reserved in this Article XI.

ARTICLE XII

CORPORATE OPPORTUNITIES

A. To the fullest extent permitted by applicable law (including, without limitation, Section 122(17) of the DGCL (or any successor provision)), the Corporation, on behalf of itself and its subsidiaries, renounces pursuant to Section 122(17) of the DGCL any interest or expectancy of the Corporation and its subsidiaries in, or in being offered an opportunity to participate in, business opportunities that are from time to time presented to Parent or any of its officers, directors, employees, agents, shareholders and affiliates (other than the Corporation and its subsidiaries) (each, a "Specified Party"), even if the opportunity is one that the Corporation or any of its subsidiaries might reasonably be deemed to have pursued or had the ability or desire to pursue if presented the opportunity to do so. Each such Specified Party shall have no duty to communicate or offer such business opportunity to the Corporation or any of its subsidiaries and, to the fullest extent permitted by applicable law, shall not be liable to the Corporation or any of its subsidiaries for breach of any fiduciary or other duty, as a director or officer or controlling stockholder or otherwise, by reason of the fact that such Specified Party pursues or acquires such business opportunity, directs such business opportunity to another person or fails to present such business opportunity, or information regarding such business opportunity, to the Corporation or any of its subsidiaries. Notwithstanding the foregoing, a Specified Party who is a director or officer of the Corporation and who is expressly offered a business opportunity solely in his or her capacity as a director or officer of the Corporation (a "Directed Opportunity") shall be obligated to communicate such Directed Opportunity to the Corporation.

B. The Specified Parties shall, to the fullest extent permitted by applicable law, have no duty to refrain from (i) engaging directly or indirectly in the same or similar business activities or lines of business as the Corporation or any of its subsidiaries or (ii) otherwise competing with the Corporation or any of its subsidiaries.

C. In addition to and notwithstanding the foregoing provisions of this Article XII, a corporate opportunity shall not be deemed to belong to the Corporation if it is a business opportunity that the Corporation is not financially able or contractually permitted or legally able to undertake, or that is, from its nature, not in the line of the Corporation's business or is of no practical advantage to it or that is one in which the Corporation has no interest or reasonable expectancy.

D. No alteration, amendment or repeal of this Article XII (including the adoption of any provision of this Certificate of Incorporation inconsistent with this Article XII) shall eliminate or reduce the effect of this Article XII in respect of any matter occurring, or any cause of action, suit or claim that, but for this Article XII, would accrue or arise, prior to such alteration, amendment or repeal. This Article XII shall not limit any protections or defenses available to, or indemnification or advancement rights of, any director or officer of the Corporation under this Certificate of Incorporation, the Bylaws or applicable law.

E. Any person or entity purchasing or otherwise acquiring or holding any interest in the shares of stock of the Corporation shall be deemed to have notice of and consented to the provisions of this Article XII.

ARTICLE XIII

EXCLUSIVE FORUM

Unless the Corporation consents in writing to the selection of an alternative forum (an "Alternative Forum Consent"), the Court of Chancery of the State of Delaware shall be the sole and exclusive forum for (i) any derivative action or proceeding brought on behalf of the Corporation, (ii) any action asserting a claim of breach of a duty (including any fiduciary duty) owed by any current or former director, officer, stockholder, employee or agent of the Corporation to the Corporation or the Corporation's stockholders, (iii) any action asserting a claim against the Corporation or any current or former director, officer, stockholder, employee or agent of the Corporation arising out of or relating to any provision of the DGCL or the Corporation's Certificate of Incorporation or Bylaws (each, as in effect from time to time), or (iv) any action asserting a claim against the Corporation or any current or former director, officer, stockholder, employee or agent of the Corporation governed by the internal affairs doctrine of the State of Delaware; provided, however, that, in the event that the Court of Chancery of the State of Delaware lacks subject matter jurisdiction over any such action or proceeding, the sole and exclusive forum for such action or proceeding shall be another state or federal court located within the State of Delaware, in each such case, unless the Court of Chancery (or such other state or federal court located within the State of Delaware, as applicable) has dismissed a prior action by the same plaintiff asserting the same claims because such court

lacked personal jurisdiction over an indispensable party named as a defendant therein. Unless the Corporation gives an Alternative Forum Consent, the federal district courts of the United States of America shall, to the fullest extent permitted by law, be the sole and exclusive forum for the resolution of any complaint asserting a cause of action arising under the Securities Act of 1933, as amended. This exclusive forum provision will not apply to actions arising under the Exchange Act of 1934 (the “Exchange Act”). Any person or entity purchasing, otherwise acquiring or holding any interest in shares of stock of the Corporation shall be deemed to have notice of and consented to the provisions of this Article XIII. The existence of any prior Alternative Forum Consent shall not act as a waiver of the Corporation’s ongoing consent right as set forth above in this Article XIII with respect to any current or future actions or claims.

ARTICLE XIV

SEVERABILITY

If any provision or provisions of this Certificate of Incorporation shall be held to be invalid, illegal or unenforceable as applied to any circumstance for any reason whatsoever: (i) the validity, legality and enforceability of such provisions in any other circumstance and of the remaining provisions of this Certificate of Incorporation (including, without limitation, each portion of any paragraph of this Certificate of Incorporation containing any such provision held to be invalid, illegal or unenforceable that is not itself held to be invalid, illegal or unenforceable) shall not in any way be affected or impaired thereby and (ii) to the fullest extent possible, the provisions of this Certificate of Incorporation (including, without limitation, each such portion of any paragraph of this Certificate of Incorporation containing any such provision held to be invalid, illegal or unenforceable) shall be construed so as to permit the Corporation to protect its directors, officers, employees and agents from personal liability in respect of their good faith service to or for the benefit of the Corporation to the fullest extent authorized or permitted by law.

ARTICLE XV

SECTION 203 OF THE DGCL

A. Opt Out. The Corporation hereby expressly elects that it shall not be governed by, or otherwise be subject to, Section 203 of the DGCL.

B. Applicable Restrictions to Business Combinations. Notwithstanding the foregoing and notwithstanding any other provisions of the DGCL, the Corporation shall not engage in any business combination (as defined below), at any point in time at which any class of Common Stock is registered under Section 12(b) or 12(g) of the Exchange Act of 1934, as amended, with any interested stockholder (as defined below) for a period of three years following the time that such stockholder became an interested stockholder, unless:

i. prior to such time, the Board of Directors approved either the business combination or the transaction which resulted in the stockholder becoming an interested stockholder, or

ii. upon consummation of the transaction which resulted in the stockholder becoming an interested stockholder, the interested stockholder owned at least 85% of the voting stock (as defined below) of the Corporation outstanding at the time the transaction commenced, excluding for purposes of determining the voting stock outstanding (but not the outstanding voting stock owned by the interested stockholder) those shares owned by (1) persons who are directors and also officers and (2) employee stock plans in which employee participants do not have the right to determine confidentially whether shares held subject to the plan will be tendered in a tender or exchange offer, or

iii. at or subsequent to such time, the business combination is approved by the Board of Directors and authorized at an annual or special meeting of stockholders, and not by written consent, by the affirmative vote of at least 66 $\frac{2}{3}$ % of the outstanding voting stock of the Corporation which is not owned by the interested stockholder.

iv. The restrictions contained in this Article XV shall not apply if the business combination is proposed prior to the consummation or abandonment of and subsequent to the earlier of the public announcement or the notice required hereunder of a proposed transaction which (i) constitutes one of the transactions described in the second sentence of this paragraph, (ii) is with or by a person who either was not an interested stockholder during the previous three years or who became an interested stockholder with the approval of the Board of Directors and (iii) is approved or not opposed by a majority of the directors then in office (but not less than one) who were directors prior to any person becoming an interested stockholder during the previous three years or were recommended for election or elected to succeed such directors by a majority of such directors. The proposed transactions referred to in the preceding sentence are limited to (x) a merger or consolidation of the Corporation (except for a merger in respect of which, pursuant to Section 251(f) of the DGCL, no vote of the stockholders of the Corporation is required), (y) a sale, lease, exchange, mortgage, pledge, transfer or other disposition (in one transaction or a series of transactions), whether as part of a dissolution or otherwise, of assets of the Corporation or of any direct or indirect majority-owned subsidiary of the Corporation (other than to any direct or indirect wholly owned subsidiary or to the Corporation) having an aggregate market value equal to fifty percent or more of either that aggregate market value of all the assets of the Corporation determined on a consolidated basis or the aggregate market value of all the outstanding stock of the Corporation or (z) a proposed tender or exchange offer for 50% or more of the outstanding voting stock of the Corporation. The Corporation shall give not less than 20 days' notice to all interested stockholders prior to the consummation of any of the transactions described in clause (x) or (y) of the second sentence of this paragraph.

C. Certain Definitions. For purposes of this Article XV, references to:

i. “affiliate” means a person that directly, or indirectly through one or more intermediaries, controls, or is controlled by, or is under common control with, another person.

ii. “associate,” when used to indicate a relationship with any person, means: (i) any corporation, partnership, unincorporated association or other entity of which such person is a director, officer or partner or is, directly or indirectly, the owner of 20% or more of any class of voting stock; (ii) any trust or other estate in which such person has at least a 20% beneficial interest or as to which such person serves as trustee or in a similar fiduciary capacity; and (iii) any relative or spouse of such person, or any relative of such spouse, who has the same residence as such person.

iii. “business combination,” when used in reference to the Corporation and any interested stockholder of the Corporation, means:

(1) any merger or consolidation of the Corporation or any direct or indirect majority-owned subsidiary of the Corporation (a) with the interested stockholder, or (b) with any other corporation, partnership, unincorporated association or other entity if the merger or consolidation is caused by the interested stockholder and as a result of such merger or consolidation paragraph B of this Article XV is not applicable to the surviving entity;

(2) any sale, lease, exchange, mortgage, pledge, transfer or other disposition (in one transaction or a series of transactions), except proportionately as a stockholder of the Corporation, to or with the interested stockholder, whether as part of a dissolution or otherwise, of assets of the Corporation or of any direct or indirect majority-owned subsidiary of the Corporation which assets have an aggregate market value equal to 10% or more of either the aggregate market value of all the assets of the Corporation determined on a consolidated basis or the aggregate market value of all the outstanding stock of the Corporation;

(3) any transaction which results in the issuance or transfer by the Corporation or by any direct or indirect majority-owned subsidiary of the Corporation of any stock of the Corporation or of such subsidiary to the interested stockholder, except: (a) pursuant to the exercise, exchange or conversion of securities exercisable for, exchangeable for or convertible into stock of the Corporation or any such subsidiary which securities were outstanding prior to the time that the interested stockholder became such; (b) pursuant to a merger under Section 251(g) of the DGCL; (c) pursuant to a dividend or distribution paid or made, or the exercise, exchange or conversion of securities exercisable for, exchangeable for or convertible into stock of the Corporation or any such subsidiary which security is distributed, pro rata to all holders of a class or series of stock of the Corporation subsequent to the time the interested stockholder became such; (d) pursuant to an exchange offer by the Corporation to purchase stock made on the same terms to all holders of said stock; or (e) any issuance or transfer of stock by the Corporation; provided, however, that in no case under items (c) through (e) of this subsection (3) shall there be an increase in the interested stockholder’s proportionate share of the stock of any class or series of the Corporation or of the voting stock of the Corporation (except as a result of immaterial changes due to fractional share adjustments);

(4) any transaction involving the Corporation or any direct or indirect majority-owned subsidiary of the Corporation which has the effect, directly or indirectly, of increasing the proportionate share of the stock of any class or series, or securities convertible into the stock of any class or series, of the Corporation or of any such subsidiary which is owned by the interested stockholder, except as a result of immaterial changes due to fractional share

adjustments or as a result of any purchase or redemption of any shares of stock not caused, directly or indirectly, by the interested stockholder; or

(5) any receipt by the interested stockholder of the benefit, directly or indirectly (except proportionately as a stockholder of the Corporation), of any loans, advances, guarantees, pledges, or other financial benefits (other than those expressly permitted in subsections (1) through (4) above) provided by or through the Corporation or any direct or indirect majority-owned subsidiary.

iv. “control,” including the terms “controlling,” “controlled by” and “under common control with,” means the possession, directly or indirectly, of the power to direct or cause the direction of the management and policies of a person, whether through the ownership of voting stock, by contract, or otherwise. A person who is the owner of 20% or more of the outstanding voting stock of a corporation, partnership, unincorporated association or other entity shall be presumed to have control of such entity, in the absence of proof by a preponderance of the evidence to the contrary. Notwithstanding the foregoing, a presumption of control shall not apply where such person holds voting stock, in good faith and not for the purpose of circumventing this Article XV, as an agent, bank, broker, nominee, custodian or trustee for one or more owners who do not individually or as a group have control of such entity.

v. “interested stockholder” means any person (other than the Corporation or any direct or indirect majority-owned subsidiary of the Corporation) that (1) is the owner of 15% or more of the outstanding voting stock of the Corporation, or (2) is an affiliate or associate of the Corporation and was the owner of 15% or more of the outstanding voting stock of the Corporation at any time within the three-year period immediately prior to the date on which it is sought to be determined whether such person is an interested stockholder; and the affiliates and associates of such person; provided, however, that the term “interested stockholder” shall not include (a) Parent Group, (b) a stockholder that becomes an interested stockholder inadvertently and (x) as soon as practicable divests itself of ownership of sufficient shares so that such stockholder ceases to be an interested stockholder and (y) would not, at any time within the three-year period immediately prior to a business combination between the Corporation and such stockholder, have been an interested stockholder but for the inadvertent acquisition of ownership or (c) any person whose ownership of shares in excess of the 15% limitation set forth herein is the result of any action taken solely by the Corporation; provided, however, that such person specified in this clause (c) shall be an interested stockholder if thereafter such person acquires additional shares of voting stock of the Corporation, except as a result of further corporate action not caused, directly or indirectly, by such person. For the purpose of determining whether a person is an interested stockholder, the voting stock of the Corporation deemed to be outstanding shall include stock deemed to be owned by the person through application of the definition of “owner” below but shall not include any other unissued stock of the Corporation which may be issuable pursuant to any agreement, arrangement or understanding, or upon exercise of conversion rights, warrants or options, or otherwise.

vi. “owner,” including the terms “own” and “owned,” when used with respect to any stock, means a person that individually or with or through any of its affiliates or associates:

(1) beneficially owns such stock, directly or indirectly; or

(2) has (a) the right to acquire such stock (whether such right is exercisable immediately or only after the passage of time) pursuant to any agreement, arrangement or understanding, or upon the exercise of conversion rights, exchange rights, warrants or options, or otherwise; provided, however, that a person shall not be deemed the owner of stock tendered pursuant to a tender or exchange offer made by such person or any of such person's affiliates or associates until such tendered stock is accepted for purchase or exchange; or (b) the right to vote such stock pursuant to any agreement, arrangement or understanding; provided, however, that a person shall not be deemed the owner of any stock because of such person's right to vote such stock if the agreement, arrangement or understanding to vote such stock arises solely from a revocable proxy or consent given in response to a proxy or consent solicitation made to 10 or more persons; or

(3) has any agreement, arrangement or understanding for the purpose of acquiring, holding, voting (except voting pursuant to a revocable proxy or consent as described in clause (b) of subsection (2) above), or disposing of such stock with any other person that beneficially owns, or whose affiliates or associates beneficially own, directly or indirectly, such stock.

vii. "Parent Group" means Parent and any current or future affiliates of Parent (so long as such affiliate remains an affiliate), any of their direct or indirect transferees of at least 15% of the Corporation's outstanding Common Stock and any "group" of which any such person is part under Rule 13d-5 under the Exchange Act; provided, however, that the term "Parent Group" shall not include the Corporation or any of the Corporation's direct or indirect subsidiaries.

viii. "person" means any individual, corporation, partnership, unincorporated association or other entity.

ix. "stock" means, with respect to any corporation, capital stock and, with respect to any other entity, any equity interest.

x. "voting stock" means stock of any class or series entitled to vote generally in the election of directors and, with respect to any entity that is not a corporation, any equity interest entitled to vote generally in the election of the governing body of such entity. Every reference in this Article XV to a percentage or proportion of voting stock shall refer to such percentage or other proportion of the votes of such voting stock.

Enact Holdings, Inc.

(hereinafter called the "Corporation")

ARTICLE I

OFFICES

Section 1.1. Registered Office. The registered office of the Corporation shall be fixed in the certificate of incorporation of the Corporation, as amended and restated from time to time (the "Certificate of Incorporation").

Section 1.2. Other Offices. The Corporation may also have offices at such other places, both within and without the State of Delaware, as the Board of Directors of the Corporation (the "Board of Directors") may from time to time determine.

ARTICLE II

MEETINGS OF STOCKHOLDERS

Section 2.1. Place of Meetings. Meetings of the stockholders shall be held at such place, if any, either within or without the State of Delaware, as shall be designated from time to time by the Board of Directors. The Board of Directors may, in its sole discretion, determine that a meeting of the stockholders shall not be held at any place, but may instead be held solely by means of remote communication in the manner authorized by Section 211 of the General Corporation Law of the State of Delaware (the "DGCL").

Section 2.2. Annual Meetings. The annual meeting of stockholders (the "Annual Meeting") for the election of directors shall be held on such date and at such time as shall be designated from time to time by the Board of Directors. Any other proper business may be

transacted at the Annual Meeting. The Corporation may postpone, reschedule or cancel any Annual Meeting previously scheduled by the Board of Directors.

Section 2.3. Special Meetings. Unless otherwise required by law, special meetings of

stockholders (a “Special Meeting”) shall be called in the manner provided by the Certificate of Incorporation. At a Special Meeting, only such business shall be conducted as shall be specified in the notice of meeting (or any supplement thereto), which shall state the purpose or purposes of the meeting. The Corporation may postpone, reschedule or cancel any Special Meeting previously scheduled by the Board of Directors.

Section 2.4. Nature of Business at Meetings of Stockholders.

(a) Only such business (other than nominations for election to the Board of Directors, which must comply with the provisions of Section 2.5 hereof) may be transacted at an Annual Meeting as is (1) specified in the notice of meeting (or any supplement thereto) given by or at the direction of the Board of Directors (or any duly authorized committee thereof), (2) otherwise properly brought before the Annual Meeting by or at the direction of the Board of Directors (or any duly authorized committee thereof) or (3) otherwise properly brought before the Annual Meeting by any stockholder of the Corporation (i) who is a stockholder of record on the date of the giving of the notice provided for in this Section 2.4 and on the record date for the determination of stockholders entitled to notice of and to vote at such Annual Meeting and (ii) who complies with the notice procedures set forth in this Section 2.4. Notwithstanding the foregoing, at a Special Meeting, only such business shall be conducted as specified in the notice of meeting (or any amendment or supplement thereto).

(b) For business to be properly brought before an Annual Meeting by a stockholder pursuant to clause (3) of paragraph (a) of this Section 2.4, such stockholder must

have given timely notice thereof in proper written form to the Secretary of the Corporation and such proposed business must constitute a proper matter for stockholder action. To be timely, a stockholder's notice to the Secretary must be delivered to or be mailed and received at the principal executive offices of the Corporation not later than the close of business (as defined below) on the ninetieth (90th) day nor earlier than the close of business on the one hundred and twentieth (120th) day prior to the anniversary date of the immediately preceding Annual Meeting (which date shall, for purposes of the Corporation's first Annual Meeting after its shares of common stock are first publicly traded, be deemed to have occurred on May 13, 2021); provided, however, that in the event that the Annual Meeting is called for a date that is not within thirty (30) days before or sixty (60) days after such anniversary date, or if no Annual Meeting was held or deemed to have been held in the preceding year, notice by the stockholder in order to be timely must be so received not later than the close of business on the tenth (10th) day following the day on which such notice of the date of the Annual Meeting was mailed or such public disclosure of the date of the Annual Meeting was made, whichever first occurs. In no event shall the adjournment or postponement of an Annual Meeting, or the public announcement of such an adjournment or postponement, commence a new time period (or extend any time period) for the giving of a stockholder's notice as described above.

(c) To be in proper written form, a stockholder's notice to the Secretary must set forth the following information: (1) as to each matter such stockholder proposes to bring before the Annual Meeting a brief description of the business desired to be brought before the Annual Meeting and the proposed text of any proposal regarding such business (including the specific text of any resolutions proposed for consideration and, if such business includes a proposal to amend the Amended and Restated Bylaws, the specific text of the proposed

amendment), and the reasons for conducting such business at the Annual Meeting, and (2) as to the stockholder giving notice and the beneficial owner, if any, on whose behalf the proposal is being made, (i) the name and record address of such stockholder as they appear on the Corporation's books and the name and address of the beneficial owner; (ii) (A) the class or series and number of all shares of stock of the Corporation that are owned beneficially or of record by such person and any affiliates or associates of such person, (B) the name and address of each nominee holder of shares of all stock of the Corporation owned beneficially but not of record, by such person or any affiliates or associates of such person, and the number of such shares of stock of the Corporation held by each such nominee holder, (C) whether and the extent to which any derivative instrument, swap, option, warrant, short interest, hedge or profit interest or other transaction has been entered into by or on behalf of such person, or any affiliates or associates of such person, with respect to stock of the Corporation and (D) whether and the extent to which any other transaction, agreement, arrangement or understanding (including any short position or any borrowing or lending of shares of stock of the Corporation) has been made by or on behalf of such person, or any affiliates or associates of such person, the effect or intent of any of the foregoing being to mitigate loss to, or to manage risk or benefit of stock price changes for, such person, or any affiliates or associates of such person, or to increase or decrease the voting power or pecuniary or economic interest of such person, or any affiliates or associates of such person, with respect to stock of the Corporation; (iii) a description of all agreements, arrangements or understandings (whether written or oral) between or among such person, or any affiliates or associates of such person, and any other person or persons (including their names) in connection with or relating to (A) the Corporation or (B) the proposal, including any material interest in, or anticipated benefit from, the proposal to such person, or any affiliates or associates of such

person; (iv) a representation that the stockholder giving notice intends to appear in person or by proxy at the Annual Meeting to bring such business before the meeting; (v) a representation whether the stockholder or the beneficial owner, if any, intends or is part of a group which intends (A) to deliver a proxy statement and/or form of proxy to holders of at least the percentage of the Corporation's outstanding shares of stock required to approve or adopt the proposal and/or (B) otherwise to solicit proxies or votes from stockholders in support of such proposal; and (vi) any other information relating to such person that would be required to be disclosed in a proxy statement or other filing required to be made in connection with the solicitation of proxies by such person with respect to the proposed business to be brought by such person before the Annual Meeting pursuant to Section 14 of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and the rules and regulations promulgated thereunder.

(d) A stockholder providing notice of business proposed to be brought before an Annual Meeting shall further update and supplement such notice, if necessary, so that the information provided or required to be provided in such notice pursuant to this Section 2.4 shall be true and correct as of the record date for determining the stockholders entitled to receive notice of the Annual Meeting and such update and supplement shall be delivered to or be mailed and received by the Secretary at the principal executive offices of the Corporation not later than five (5) business days after the record date for determining the stockholders entitled to receive notice of the Annual Meeting.

(e) No business shall be conducted at the Annual Meeting except business brought before the Annual Meeting in accordance with the procedures set forth in this Section 2.4; provided, however, that, once business has been properly brought before the Annual Meeting in accordance with such procedures, nothing in this Section 2.4 shall be deemed to

preclude discussion by any stockholder of any such business. If the chairperson of an Annual Meeting determines that business was not properly brought before the Annual Meeting in accordance with the foregoing procedures, the chairperson shall declare to the meeting that the business was not properly brought before the meeting and such business shall not be transacted.

(f) Nothing contained in this Section 2.4 shall be deemed to affect any rights

of stockholders to request inclusion of proposals in the Corporation's proxy statement pursuant to Rule 14a-8 under the Exchange Act (or any successor provision of law).

(g) Notwithstanding the foregoing provisions of this Section 2.4, unless

otherwise required by law, if the stockholder (or a qualified representative of the stockholder) does not appear at the Annual Meeting to present the proposed business, such proposed business shall not be transacted, notwithstanding that proxies in respect of such vote may have been received by the Corporation. For purposes of this Section 2.4 and Section 2.5, to be considered a qualified representative of the stockholder, a person must be a duly authorized officer, manager or partner of such stockholder or must be authorized by a writing executed by such stockholder or an electronic transmission delivered by such stockholder to act for such stockholder as proxy at the meeting of stockholders and such person must produce such writing or electronic transmission, or a reliable reproduction of the writing or electronic transmission, at the meeting of stockholders.

(h) For purposes of this Section 2.4 and Section 2.5, "public announcement"

shall include disclosure in a press release reported by a national news service or in a document filed or furnished by the Corporation with the Securities and Exchange Commission pursuant to Section 13, 14 or 15(d) of the Exchange Act and the rules and regulations promulgated thereunder.

Section 2.5. Nomination of Directors.

(a) Only persons who are nominated in accordance with the following procedures shall be eligible for election as directors of the Corporation, except as may be otherwise provided in the Certificate of Incorporation with respect to the right of holders of preferred stock of the Corporation, if any, to nominate and elect a specified number of directors in certain circumstances or as provided in the Master Agreement, between the Corporation and Genworth Financial, Inc. (“Genworth”), dated as of May 12, 2021 (as may be amended, supplemented, restated or otherwise modified from time to time, the “Master Agreement”) with respect to the right of Genworth to nominate a specified number of directors of the Corporation. Nominations of persons for election to the Board of Directors may be made at any Annual Meeting, or at any Special Meeting called for the purpose of electing directors, (1) by or at the direction of the Board of Directors (or any duly authorized committee thereof), which shall be in accordance with the terms and conditions of the Master Agreement or (2) by any stockholder of the Corporation (i) who is a stockholder of record on the date of the giving of the notice provided for in this Section 2.5 and on the record date for the determination of stockholders entitled to notice of and to vote at such Annual Meeting or Special Meeting and (ii) who complies with the notice procedures set forth in this Section 2.5.

(b) For a nomination to be made by a stockholder pursuant to clause (2) of paragraph (a) of this Section 2.5, such stockholder must have given timely notice thereof in proper written form to the Secretary of the Corporation. To be timely, a stockholder’s notice to the Secretary must be delivered to or be mailed and received at the principal executive offices of the Corporation (1) in the case of an Annual Meeting, not later than the close of business on the ninetieth (90th) day nor earlier than the close of business on the one hundred and twentieth

(120th) day prior to the anniversary date of the immediately preceding Annual Meeting (which date shall, for purposes of the Corporation's first Annual Meeting after its shares of common stock are first publicly traded, be deemed to have occurred on May 13, 2021); provided, however, that in the event that the Annual Meeting is called for a date that is not within thirty (30) days before or seventy (70) days after such anniversary date, or if no Annual Meeting was held or deemed to have been held in the preceding year, notice by the stockholder in order to be timely must be so received not later than the close of business on the tenth (10th) day following the day on which such notice of the date of the Annual Meeting was mailed or such public disclosure of the date of the Annual Meeting was made, whichever first occurs; and (2) in the case of a Special Meeting called for the purpose of electing directors, not later than the close of business on the tenth (10th) day following the day on which notice of the date of the Special Meeting was mailed or public disclosure of the date of the Special Meeting was made, whichever first occurs. In no event shall the adjournment or postponement of an Annual Meeting or a Special Meeting called for the purpose of electing directors, or the public announcement of such an adjournment or postponement, commence a new time period (or extend any time period) for the giving of a stockholder's notice as described above. The number of nominees a stockholder may nominate for election at an Annual Meeting or a Special Meeting (or in the case of a stockholder giving the notice on behalf of a beneficial owner, the number of nominees a stockholder may nominate for election at the Annual Meeting or Special Meeting on behalf of such beneficial owner) shall not exceed the number of directors to be elected at such Annual Meeting or such Special Meeting.

(c) To be in proper written form, a stockholder's notice to the Secretary must set forth the following information: (1) as to each person whom the stockholder proposes to

nominate for election as a director (i) the name, age, business address and residence address of such person, (ii) the principal occupation or employment of such person, (iii) (A) the class or series and number of all shares of stock of the Corporation that are owned beneficially or of record by such person and any affiliates or associates of such person, (B) the name of each nominee holder of shares of all stock of the Corporation owned beneficially but not of record by such person or any affiliates or associates of such person, and the number of such shares of stock of the Corporation held by each such nominee holder, (C) whether and the extent to which any derivative instrument, swap, option, warrant, short interest, hedge or profit interest or other transaction has been entered into by or on behalf of such person, or any affiliates or associates of such person, with respect to stock of the Corporation and (D) whether and the extent to which any other transaction, agreement, arrangement or understanding (including any short position or any borrowing or lending of shares of stock of the Corporation) has been made by or on behalf of such person, or any affiliates or associates of such person, the effect or intent of any of the foregoing being to mitigate loss to, or to manage risk or benefit of stock price changes for, such person, or any affiliates or associates of such person, or to increase or decrease the voting power or pecuniary or economic interest of such person, or any affiliates or associates of such person, with respect to stock of the Corporation, (iv) such person's written representation and agreement that such person (A) is not and will not become a party to (I) any agreement, arrangement or understanding with, and has not given any commitment or assurance to, any person or entity as to how such person, if elected as a director of the Corporation, will act or vote on any issue or question (a "Voting Commitment") that has not been disclosed to the Corporation or (II) any Voting Commitment that could limit or interfere with such person's ability to comply, if elected as a director of the Corporation, with such person's fiduciary duties under applicable law, (B) is

not and will not become a party to any agreement, arrangement or understanding with any person or entity other than the Corporation with respect to any direct or indirect compensation, reimbursement or indemnification in connection with service or action as a director of the Corporation that has not been disclosed to the Corporation in such representation and agreement,

(C) in such person's individual capacity, would be in compliance, if elected as a director of the Corporation, and will comply with, all confidentiality, corporate governance, conflict of interest, Regulation FD, codes of conduct and ethics, and stock ownership and trading policies and guidelines of the Corporation, and any other Corporation policies and guidelines applicable to directors (which, in each case, to the extent not publicly disclosed, will be promptly provided following a request therefor), and (D) consents to serving as a director, if elected, and to being named in the Corporation's proxy statement and form of proxy as a director nominee and, if elected, currently intends to serve as a director for the full term for which such person is standing for election, and (v) all completed and signed questionnaires prepared by the Corporation applicable to directors and director nominees (which will be provided promptly following a request therefor) and any other information relating to such person that would be required to be disclosed in a proxy statement or other filings required to be made in connection with solicitations of proxies for election of directors pursuant to Section 14 of the Exchange Act, and the rules and regulations promulgated thereunder; and (2) as to the stockholder giving the notice, and the beneficial owner, if any, on whose behalf the nomination is being made, (i) the name and record address of the stockholder giving the notice and the name and address of such beneficial owner; (ii) (A) the class or series and number of all shares of stock of the Corporation which are owned beneficially or of record by such person and any affiliates or associates of such person, (B) the name of each nominee holder of shares of the Corporation owned beneficially but not of

record by such person or any affiliates or associates of such person, and the number of shares of stock of the Corporation held by each such nominee holder, (C) whether and the extent to which any derivative instrument, swap, option, warrant, short interest, hedge or profit interest or other transaction has been entered into by or on behalf of such person, or any affiliates or associates of such person, with respect to stock of the Corporation and (D) whether and the extent to which any other transaction, agreement, arrangement or understanding (including any short position or any borrowing or lending of shares of stock of the Corporation) has been made by or on behalf of such person, or any affiliates or associates of such person, the effect or intent of any of the foregoing being to mitigate loss to, or to manage risk or benefit of stock price changes for, such person, or any affiliates or associates of such person, or to increase or decrease the voting power or pecuniary or economic interest of such person, or any affiliates or associates of such person, with respect to stock of the Corporation; (iii) a description of (A) all agreements, arrangements or understandings (whether written or oral) between such person, or any affiliates or associates of such person, and any proposed nominee, or any affiliates or associates of such proposed nominee, (B) all agreements, arrangements or understandings (whether written or oral) between such person, or any affiliates or associates of such person, and any other person or persons (including their names) pursuant to which the nomination(s) are being made by such person, or otherwise relating to the Corporation or their ownership of shares of stock of the Corporation, and (C) any material interest of such person, or any affiliates or associates of such person, in such nomination, including any anticipated benefit therefrom to such person, or any affiliates or associates of such person; (iv) a representation that the stockholder giving notice intends to appear in person or by proxy at the Annual Meeting or a Special Meeting to nominate the persons named in its notice; (v) a representation whether the stockholder or the beneficial owner,

if any, intends or is part of a group which intends (A) to deliver a proxy statement and/or form of proxy to holders of at least the percentage of the Corporation's outstanding shares of stock required to elect the nominee and/or (B) otherwise to solicit proxies or votes from stockholders in support of such nomination; and (vi) any other information relating to such person that would be required to be disclosed in a proxy statement or other filings required to be made in connection with the solicitation of proxies for election of directors pursuant to Section 14 of the Exchange Act and the rules and regulations promulgated thereunder. Such notice must be accompanied by a written consent of each proposed nominee to being named in the Corporation's proxy statement and associated proxy card as a nominee and to serve as a director if elected. The Corporation may require any proposed nominee to furnish such other information as it may reasonably require to determine the eligibility of such proposed nominee to serve as a director of the Corporation and to determine the independence of such director under the Exchange Act and rules and regulations thereunder and applicable stock exchange rules.

(d) A stockholder providing notice of any nomination proposed to be made at an Annual Meeting or a Special Meeting shall further update and supplement such notice, if necessary, so that the information provided or required to be provided in such notice pursuant to this Section 2.5 shall be true and correct as of the record date for determining the stockholders entitled to receive notice of the Annual Meeting or a Special Meeting, and such update and supplement shall be delivered to or be mailed and received by the Secretary at the principal executive offices of the Corporation not later than five (5) business days after the record date for determining the stockholders entitled to receive notice of such Annual Meeting or Special Meeting.

(e) Notwithstanding anything in the second sentence of paragraph (b) of this Section 2.5 to the contrary, in the event that the number of directors to be elected to the Board of

Directors of the Corporation at the Annual Meeting is increased effective after the time period for which nominations would otherwise be due under paragraph (b) of this Section 2.5 and there

is no public announcement by the Corporation naming the nominees for the additional directorships at least one hundred (100) days prior to the first anniversary of the preceding year's Annual Meeting, a stockholder's notice required by this Section 2.5 shall also be considered

timely, but only with respect to nominees for the additional directorships, if it shall be delivered to the Secretary at the principal executive offices of the Corporation not later than the close of business on the tenth (10th) day following the day on which such public announcement is first made by the Corporation.

(f) No person shall be eligible for election as a director of the Corporation unless nominated in accordance with the procedures set forth in this Section 2.5. If the

chairperson of the meeting determines that a nomination was not made in accordance with the foregoing procedures, the chairperson shall declare to the meeting that the nomination was defective and such defective nomination shall be disregarded.

(g) Notwithstanding the foregoing provisions of this Section 2.5, unless otherwise required by law, if the stockholder (or a qualified representative of the stockholder) does not appear at the Annual Meeting or Special Meeting to present a nomination, such nomination shall be disregarded, notwithstanding that proxies in respect of such vote may have been received by the Corporation.

(h) For as long as the Master Agreement remains in effect, Genworth shall not be subject to the notice procedures set forth in this Section 2.5 with respect to any Person

designated by Genworth to be a nominee for election to the Board of Directors in accordance with the terms of the Master Agreement.

(i) Nothing contained in this Section 2.5 of this Article II or in any other

provision of these Amended and Restated Bylaws shall affect or impair any rights of Genworth to the Master Agreement to have any person designated by Genworth to be a nominee for election to the Board of Directors and to have such nominee included in the Corporation's proxy statement.

Section 2.6. Notice. Whenever stockholders are required or permitted to take any

action at a meeting, a notice of the meeting, in the form of a writing or electronic submission, shall be given which shall state the place, if any, date and time of the meeting, the means of remote communications, if any, by which stockholders and proxy holders may be deemed to be present in person and vote at such meeting, the record date for determining the stockholders entitled to vote at such meeting, if such date is different from the record date for determining stockholders entitled to notice of such meeting, and, in the case of a Special Meeting, the purpose or purposes for which the meeting is called. Unless otherwise required by law, notice of any meeting shall be given not less than ten (10) nor more than sixty (60) days before the date of the meeting to each stockholder entitled to notice of and to vote at such meeting as of the record date for determining stockholders entitled to notice of such meeting.

Section 2.7. Adjournments. Any meeting of the stockholders may be adjourned from

time to time by the chairperson of such meeting or by the Board of Directors, without the need for approval thereof by stockholders, to reconvene or convene, at the same or some other place. Notice need not be given of any such adjourned meeting if the time and place, if any, thereof, and the means of remote communications, if any, by which stockholders and proxy holders may

be deemed to be present in person and vote at such adjourned meeting are announced at the meeting at which the adjournment is taken. At the adjourned meeting, the Corporation may transact any business which might have been transacted at the original meeting. If the adjournment is for more than thirty (30) days, notice of the adjourned meeting in accordance with the requirements of Section 2.6 hereof shall be given to each stockholder of record entitled to vote at the meeting. If, after the adjournment, a new record date for stockholders entitled to vote is fixed for the adjourned meeting, the Board of Directors shall fix a new record date for notice of such adjourned meeting in accordance with Section 2.13 hereof, and shall give notice of the adjourned meeting to each stockholder of record entitled to vote at such adjourned meeting as of the record date fixed for notice of such adjourned meeting.

Section 2.8. Quorum. Unless otherwise required by applicable law or the Certificate of

Incorporation, the holders of a majority in voting power of the outstanding shares of stock entitled to vote at the meeting, present in person or represented by proxy, shall constitute a quorum at all meetings of the stockholders for the transaction of business. A quorum, once established, shall not be broken by the withdrawal of enough votes to leave less than a quorum. If such quorum, however, shall not be present or represented at any meeting of the stockholders, the chairman of the meeting or the stockholders entitled to vote thereat, present in person or represented by proxy, shall have power to adjourn the meeting from time to time, in the manner provided in Section 2.7 hereof, until a quorum shall be present or represented.

Section 2.9. Voting. Unless a different or minimum vote is required by law, the

Certificate of Incorporation or these Amended and Restated Bylaws, the rules and regulations of any securities exchange applicable to the Corporation or any law or regulation applicable to the Corporation or its securities, in which case such different or minimum vote shall be the

applicable vote on the matter, any question brought before any meeting of the stockholders, other than the election of directors, shall be decided by the affirmative vote of the holders of a majority in voting power of the outstanding shares of stock of the Corporation which are present in person or by proxy and entitled to vote thereon. Unless otherwise provided in the Certificate of Incorporation, each stockholder entitled to vote at any meeting of the stockholders shall be entitled to cast one (1) vote for each share of stock held by such stockholder which has voting power upon the matter in question. Such votes may be cast in person or by proxy as provided in Section 2.10. The Board of Directors, in its discretion, or the chairperson of a meeting of the stockholders, in his or her discretion, may require that any votes cast at such meeting shall be cast by written ballot.

Section 2.10. Proxies. Each stockholder entitled to vote at a meeting of the stockholders

or to express consent or dissent to corporate action in writing without a meeting may authorize another person or persons to act for such stockholder as proxy, but no such proxy shall be voted upon after three years from its date, unless such proxy provides for a longer period. Without limiting the manner in which a stockholder may authorize another person or persons to act for such stockholder as proxy, the following shall constitute a valid means by which a stockholder may grant such authority: The authorization of a person to act as proxy may be documented, signed and delivered in accordance with Section 116 of the DGCL provided that such authorization shall set forth, or be delivered with, information enabling the Corporation to determine the identity of the stockholder granting such authorization. A proxy shall be irrevocable if it states that it is irrevocable and if, and only as long as, it is coupled with an interest sufficient in law to support an irrevocable power. A stockholder may revoke any proxy

which is not irrevocable by attending the meeting and voting in person or by delivering to the Secretary of the Corporation a revocation of the proxy or a new proxy bearing a later date.

Section 2.11. Consent of Stockholders in Lieu of Meeting. The right of the stockholders to act by consent in lieu of a meeting shall be as set forth in the Certificate of Incorporation.

Section 2.12. List of Stockholders Entitled to Vote. The Corporation shall prepare, at least ten (10) days before every meeting of the stockholders, a complete list of the stockholders entitled to vote at the meeting; provided, however, if the record date for determining the stockholders entitled to vote is less than ten (10) days before the meeting date, the list shall reflect the stockholders entitled to vote as of the tenth (10th) day before the meeting date. Such list shall be arranged in alphabetical order, and show the address of each stockholder and the number of shares registered in the name of each stockholder; provided that the Corporation shall not be required to include electronic mail addresses or other electronic contact information on such list. Such list shall be open to the examination of any stockholder, for any purpose germane to the meeting, during ordinary business hours, for a period of at least ten (10) days prior to the meeting (i) on a reasonably accessible electronic network, provided that the information required to gain access to such list is provided with the notice of the meeting, or (ii) during ordinary business hours, at the principal place of business of the Corporation. In the event that the Corporation determines to make the list available on an electronic network, the Corporation may take reasonable steps to ensure that such information is available only to stockholders of the Corporation. If the meeting is to be held at a place, then the list shall be produced and kept at the time and place of the meeting during the whole time thereof, and may be inspected by any stockholder who is present. If the meeting is to be held solely by means of remote communication, then the list shall also be open to the examination of any stockholder during the

whole time of the meeting on a reasonably accessible electronic network, and the information required to access such list shall be provided with the notice of the meeting.

Section 2.13. Record Date.

(a) In order that the Corporation may determine the stockholders entitled to notice of or to vote at any meeting of the stockholders or any adjournment or postponement thereof, the Board of Directors may fix a record date, which record date shall not precede the date upon which the resolution fixing the record date is adopted by the Board of Directors, and which record date shall not be more than sixty (60) nor less than ten (10) days before the date of such meeting. If no record date is fixed by the Board of Directors, the record date for determining stockholders entitled to notice of or to vote at a meeting of the stockholders shall be at the close of business on the day next preceding the day on which notice is given, or, if notice is waived, at the close of business on the day next preceding the day on which the meeting is held. A determination of stockholders of record entitled to notice of or to vote at a meeting of the stockholders shall apply to any adjournment or postponement of the meeting; provided, however, that the Board of Directors may fix a new record date for the adjourned or postponed meeting.

(b) To the extent stockholders may take action by consent pursuant to the Certificate of Incorporation, in order that the Corporation may determine the stockholders entitled to consent to corporate action without a meeting, the Board of Directors may fix a record date, which record date shall not precede the date upon which the resolution fixing the record date is adopted by the Board of Directors, and which record date shall not be more than ten (10) days after the date upon which the resolution fixing the record date is adopted by the Board of Directors. If no record date has been fixed by the Board of Directors, the record date for determining stockholders entitled to consent to corporate action without a meeting, when no

prior action by the Board of Directors is required by applicable law, shall be the first date on which a consent setting forth the action taken or proposed to be taken is delivered to the Corporation in accordance with Section 228 of the DGCL. If no record date has been fixed by the Board of Directors and prior action by the Board of Directors is required by applicable law, the record date for determining stockholders entitled to consent to corporate action without a meeting shall be at the close of business on the day on which the Board of Directors adopts the resolution taking such prior action.

Section 2.14. Stock Ledger. The stock ledger of the Corporation shall be the only

evidence as to who are the stockholders entitled to examine the stock ledger, the list required by Section 2.12 hereof or the books of the Corporation, or to vote in person or by proxy at any meeting of the stockholders.

Section 2.15. Conduct of Meetings. The Board of Directors may adopt by resolution

such rules and regulations for the conduct of any meeting of the stockholders as it shall deem appropriate. Meetings of stockholders shall be presided over by the Chairperson of the Board of Directors, if there shall be one, or if there shall not be a Chairperson of the Board of Directors or in his or her absence, the Chief Executive Officer. The Board of Directors shall have the authority to appoint a temporary chairperson to serve at any meeting of the stockholders if the Chairperson of the Board of Directors or the Chief Executive Officer is unable to do so for any reason. Except to the extent inconsistent with such rules and regulations as adopted by the Board of Directors, the chairperson of any meeting of the stockholders shall have the right and authority to convene and (for any or no reason) to recess and/or adjourn the meeting, to prescribe such rules, regulations and procedures and to do all such acts as, in the judgment of such chairperson, are appropriate for the proper conduct of the meeting. Such rules, regulations or procedures,

whether adopted by the Board of Directors or prescribed by the chairperson of the meeting, may include, without limitation, the following: (i) establishment of an agenda or order of business for the meeting; (ii) determination of when the polls shall open and close for any given matter to be voted on at the meeting; (iii) rules and procedures for maintaining order at the meeting and the safety of those present; (iv) limitations on attendance at or participation in the meeting to stockholders of record of the Corporation, their duly authorized and constituted proxies or such other persons as the chairperson of the meeting shall determine; (v) restrictions on entry to the meeting after the time fixed for the commencement thereof; and (vi) limitations on the time allotted to questions or comments by participants.

Section 2.16. Inspectors of Election. In advance of any meeting of the stockholders, the

Board of Directors, by resolution, the Chairperson of the Board of Directors or the Chief Executive Officer may, and shall, if required by law, appoint one or more inspectors to act at the meeting and make a written report thereof. One or more other persons may be designated as alternate inspectors to replace any inspector who fails to act. If no inspector or alternate is able to act at a meeting of the stockholders, the chairperson of the meeting shall appoint one or more inspectors to act at the meeting. Unless otherwise required by applicable law, inspectors may be officers, employees or agents of the Corporation. Each inspector, before entering upon the discharge of the duties of inspector, shall take and sign an oath faithfully to execute the duties of inspector with strict impartiality and according to the best of such inspector's ability. The inspector shall have the duties prescribed by law and shall take charge of the polls and, when the vote is completed, shall make a certificate of the result of the vote taken and of such other facts as may be required by applicable law.

Section 2.17. Delivery to the Corporation. Whenever Sections 2.4 and 2.5 of this Article II require one or more persons (including a record or beneficial owner of stock of the Corporation) to deliver a document or information to the Corporation or any officer, employee or agent thereof (including any notice, request, questionnaire, revocation, representation or other document or agreement), such document or information shall be in writing exclusively (and not in an electronic transmission) and shall be delivered exclusively by hand (including, without limitation, overnight courier service) or by certified or registered mail, return receipt requested and the Corporation shall not be required to accept delivery of any document not in such written form or so delivered. For the avoidance of doubt, with respect to any notice from any stockholder of record or beneficial owner of the Corporation's shares of stock pursuant to Sections 2.4 and 2.5 of this Article II, to the fullest extent permitted by law, the Corporation expressly opts out of Section 116 of the DGCL.

Section 2.18. Close of Business. For purposes of these Amended and Restated Bylaws, "close of business" shall mean 5:00 p.m. local time at the principal executive offices of the Corporation on any calendar day, whether or not such day is a business day.

ARTICLE III DIRECTORS

Section 3.1. Number and Election of Directors. The number of directors shall be fixed as set forth in the Certificate of Incorporation. Except as provided in Section 3.2 hereof, directors shall be elected by a plurality of the votes cast at an Annual Meeting. Directors need not be stockholders.

Section 3.2. Vacancies. Newly created directorships and vacancies shall be filled as set forth in the Certificate of Incorporation.

Section 3.3. Duties and Powers. The business and affairs of the Corporation shall be managed by or under the direction of the Board of Directors which may exercise all such powers of the Corporation and do all such lawful acts and things as are not by statute, the Certificate of Incorporation or, these Amended and Restated Bylaws or the rules and regulations of any securities exchange on which the securities of the Corporation are listed by the Corporation required to be exercised or done by the stockholders.

Section 3.4. Meetings. The Board of Directors and any committee thereof may hold meetings, both regular and special, either within or without the State of Delaware. Regular meetings of the Board of Directors or any committee thereof may be held without notice at such time and at such place as may from time to time be determined by the Board of Directors or such committee, respectively. Special meetings of the Board of Directors may be called by the Chairperson of the Board of Directors, the Chief Executive Officer or by any two or more directors. Special meetings of any committee of the Board of Directors may be called by the chairperson of such committee, the Chief Executive Officer or any director serving on such committee. Notice thereof stating the place, date and time of the meeting shall be given to each director (or, in the case of a committee, to each member of such committee) not less than twenty- four (24) hours before the meeting or on such shorter notice as the person or persons calling such meeting may deem necessary or appropriate in the circumstances.

Section 3.5. Organization. At each meeting of the Board of Directors or any committee thereof, the Chairperson of the Board of Directors or the chairperson of such committee, as the case may be, or, in his or her absence or if there be none, a director chosen by a majority of the directors present, shall act as chairperson of such meeting. Except as provided below, the Secretary of the Corporation shall act as secretary at each meeting of the Board of

Directors and of each committee thereof. In case the Secretary shall be absent from any meeting of the Board of Directors or of any committee thereof, an Assistant Secretary shall perform the duties of secretary at such meeting; and in the absence from any such meeting of the Secretary and all the Assistant Secretaries, the chairperson of the meeting may appoint any person to act as secretary of the meeting. Notwithstanding the foregoing, the members of each committee of the Board of Directors may appoint any person to act as secretary of any meeting of such committee and the Secretary or any Assistant Secretary of the Corporation may, but need not if such committee so elects, serve in such capacity.

Section 3.6. Chairperson of the Board of Directors. The Chairperson of the Board of

Directors shall preside at all meetings of the Board of Directors. The Chairperson of the Board of Directors shall also perform such other duties and may exercise such other powers as may from time to time be assigned by these Amended and Restated Bylaws or by the Board of Directors.

Section 3.7. Resignations and Removals of Directors. Any director of the Corporation

may resign from the Board of Directors or any committee thereof at any time, by giving notice in writing or by electronic transmission to the Chairperson of the Board of Directors, the Chief Executive Officer or the Secretary of the Corporation and, in the case of a committee, to the chairperson of such committee, if there be one. Such resignation shall take effect at the time therein specified or, if no time is specified, immediately; and, unless otherwise specified in such notice, the acceptance of such resignation shall not be necessary to make it effective. Any director or the entire Board of Directors may be removed from office at any time, with or without cause, by the affirmative vote of the holders of at least a majority in voting power of the issued and outstanding shares of stock of the Corporation entitled to vote in the election of directors.

Any director serving on a committee of the Board of Directors may be removed from such committee at any time by the Board of Directors.

Section 3.8. Quorum. Except as otherwise required by law, the Certificate of

Incorporation or the rules and regulations of any securities exchange on which the Corporation's securities are listed by the Corporation, at all meetings of the Board of Directors or any committee thereof, a majority of the entire Board of Directors or a majority of the directors constituting such committee, as the case may be, shall constitute a quorum for the transaction of business and the act of a majority of the directors or committee members present at any meeting at which there is a quorum shall be the act of the Board of Directors or such committee, as applicable. If a quorum shall not be present at any meeting of the Board of Directors or any committee thereof, the directors present thereat may adjourn or postpone the meeting from time to time, without notice other than announcement at the meeting of the time and place of the adjourned or postponed meeting, until a quorum shall be present.

Section 3.9. Actions of the Board of Directors by Written Consent. Unless otherwise

provided in the Certificate of Incorporation or these Amended and Restated Bylaws, any action required or permitted to be taken at any meeting of the Board of Directors or of any committee thereof may be taken without a meeting, if all the members of the Board of Directors or such committee, as the case may be, consent thereto in writing or by electronic transmission. After an action is taken, the consent or consents relating thereto shall be filed with the minutes of proceedings of the Board of Directors or such committee. Such filing shall be in paper form if the minutes are maintained in paper form and shall be in electronic form if the minutes are maintained in electronic form.

Section 3.10. Meetings by Means of Conference Telephone or Other Electronic

Communications. Unless otherwise provided in the Certificate of Incorporation or these

Amended and Restated Bylaws, members of the Board of Directors, or any committee thereof, may participate in a meeting of the Board of Directors or such committee by means of a conference telephone or other communications equipment by means of which all persons participating in the meeting can hear each other, and participation in a meeting pursuant to this Section 3.10 shall constitute presence in person at such meeting.

Section 3.11. Committees. The Board of Directors may designate one or more

committees, each committee to consist of one or more of the directors of the Corporation. Each member of a committee must meet the requirements for membership, if any, imposed by applicable law and the rules and regulations of any securities exchange on which the securities of the Corporation are listed by the Corporation. The Board of Directors may designate one or more directors as alternate members of any committee, who may replace any absent or disqualified member at any meeting of any such committee. Subject to the rules and regulations of any securities exchange on which the securities of the Corporation are listed by the Corporation, in the absence or disqualification of a member of a committee, and in the absence of a designation by the Board of Directors of an alternate member to replace the absent or disqualified member, the member or members thereof present at any meeting and not disqualified from voting, whether or not such member or members constitute a quorum, may unanimously appoint another qualified member of the Board of Directors to act at the meeting in the place of any absent or disqualified member for any committee of the Board of Directors other than the Independent Capital Committee (as described below). Any committee, to the extent permitted by law and provided in the resolution establishing such committee, shall have and may exercise all the

powers and authority of the Board of Directors in the management of the business and affairs of the Corporation, and may authorize the seal of the Corporation to be affixed to all papers which may require it. Each committee shall keep regular minutes and report to the Board of Directors when required.

Section 3.12. Independent Capital Committee. There shall be an Independent Capital

Committee composed of three (3) independent directors as more fully set forth in the charter of the Independent Capital Committee for so long as the Corporation is a public company listed on a national securities exchange with stockholders other than Genworth Financial, Inc. (or any successor thereto) (the “Minority Stockholders”); provided, however, that, notwithstanding the foregoing, the Independent Capital Committee shall automatically be dissolved and its committee charter shall be of no further effect from and after the time that Genworth Financial, Inc. (or its successor) directly or indirectly owns less than 50% of the voting power of the issued and outstanding shares of stock of the Corporation entitled to vote in the election of directors.

Section 3.13. Compensation. Unless otherwise restricted by the Certificate of

Incorporation, directors may receive such compensation, if any, for their services on the Board of Directors and its committees, and such reimbursement of expenses, as may be fixed or determined by resolution of the Board of Directors.

Section 3.14. Interested Directors. No contract or transaction between the Corporation

and one or more of its directors or officers, or between the Corporation and any other corporation, partnership, association or other organization in which one or more of its directors or officers are directors or officers or have a financial interest, shall be void or voidable solely for this reason, or solely because the director or officer is present at or participates in the meeting of the Board of Directors or committee thereof which authorizes the contract or transaction, or

solely because any such director's or officer's vote is counted for such purpose if: (i) the material facts as to the director's or officer's relationship or interest and as to the contract or transaction are disclosed or are known to the Board of Directors or the committee, and the Board of Directors or committee in good faith authorizes the contract or transaction by the affirmative votes of a majority of the disinterested directors, even though the disinterested directors be less than a quorum; (ii) the material facts as to the director's or officer's relationship or interest and as to the contract or transaction are disclosed or are known to the stockholders entitled to vote thereon, and the contract or transaction is specifically approved in good faith by vote of the stockholders; or (iii) the contract or transaction is fair as to the Corporation as of the time it is authorized, approved or ratified by the Board of Directors, a committee thereof or the stockholders. Common or interested directors may be counted in determining the presence of a quorum at a meeting of the Board of Directors or of a committee which authorizes the contract or transaction.

ARTICLE IV OFFICERS

Section 4.1. General. The officers of the Corporation shall be chosen by the Board of

Directors and shall include a Chief Executive Officer and a Secretary. The Board of Directors, in its discretion, also may choose a President, who may but need not be a different person than the Chief Executive Officer, a Chief Financial Officer, a Treasurer and one or more Vice Presidents, Assistant Secretaries, Assistant Treasurers and select and appoint such other officers it deems necessary. Any number of offices may be held by the same person, unless otherwise prohibited by law, the Certificate of Incorporation or these Amended and Restated Bylaws. The officers of the Corporation need not be stockholders of the Corporation nor need such officers be directors of the Corporation.

Section 4.2. Election. The Board of Directors, at its first meeting held after each

Annual Meeting (or action by consent of stockholders in lieu of the Annual Meeting, if allowed by the Certificate of Incorporation and these Amended and Restated Bylaws), shall elect the officers of the Corporation who shall hold their offices for such terms and shall exercise such powers and perform such duties as shall be determined from time to time by the Board of Directors; and each officer of the Corporation shall hold office until such officer's successor is elected and qualified, or until such officer's earlier death, resignation or removal. Any officer elected by the Board of Directors may be removed at any time by the Board of Directors. Any vacancy occurring in any office of the Corporation shall be filled by the Board of Directors.

Section 4.3. Voting Securities Owned by the Corporation. Powers of attorney, proxies,

waivers of notice of meeting, consents and other instruments relating to securities owned by the Corporation may be executed in the name of and on behalf of the Corporation by the Chief Executive Officer or any Vice President or any other officer authorized to do so by the Board of Directors and any such officer may, in the name of and on behalf of the Corporation, take all such action as any such officer may deem advisable to vote in person or by proxy at any meeting of security holders of any corporation or other entity in which the Corporation may own securities and at any such meeting shall possess and may exercise any and all rights and power incident to the ownership of such securities and which, as the owner thereof, the Corporation might have exercised and possessed if present. The Board of Directors may, by resolution, from time to time confer like powers upon any other person or persons.

Section 4.4. Chief Executive Officer. The Chief Executive Officer shall, subject to the

control of the Board of Directors, have general supervision of the business of the Corporation and shall see that all orders and resolutions of the Board of Directors are carried into effect. The

Chief Executive Officer shall be authorized to execute all bonds, mortgages, contracts and other instruments of the Corporation requiring a seal, under the seal of the Corporation, if any, except that the other officers of the Corporation may sign and execute such documents when so authorized by these Amended and Restated Bylaws, the Board of Directors or the Chief Executive Officer. In the absence or disability of the Chairperson of the Board of Directors, the Chief Executive Officer shall preside at all meetings of the stockholders and, provided the Chief Executive Officer is also a director, the Board of Directors. The Chief Executive Officer shall also perform such other duties and may exercise such other powers as may from time to time be assigned to such officer by these Amended and Restated Bylaws or by the Board of Directors. If the Board of Directors shall not otherwise designate a President, the Chief Executive Officer shall be the President of the Corporation. If a Person other than the Chief Executive Officer is designated as President, the President shall perform such duties as may from time to time be assigned to such officer by the Board of Directors or the Chief Executive Officer.

Section 4.5. Vice Presidents. At the request of the Chief Executive Officer or in the

Chief Executive Officer's absence or in the event of the Chief Executive Officer's inability or refusal to act, the Vice President, or the Vice Presidents if there are more than one (in the order designated by the Board of Directors), shall perform the duties of the Chief Executive Officer, and when so acting, shall have all the powers of and be subject to all the restrictions upon the Chief Executive Officer. Each Vice President shall perform such other duties and have such other powers as the Board of Directors or Chief Executive Officer from time to time may prescribe. If there be no Chairperson of the Board of Directors and no Vice President, the Board of Directors shall designate the officer of the Corporation who, in the absence of the Chief Executive Officer or in the event of the inability or refusal of the Chief Executive Officer to act,

shall perform the duties of the Chief Executive Officer, and when so acting, shall have all the powers of and be subject to all the restrictions upon the Chief Executive Officer.

Section 4.6. Secretary. The Secretary shall attend all meetings of the Board of

Directors and all meetings of the stockholders and record all the proceedings thereat in a book or books to be kept for that purpose; the Secretary shall also perform like duties for committees of the Board of Directors when required. The Secretary shall give, or cause to be given, notice of all meetings of the stockholders and special meetings of the Board of Directors, and shall perform such other duties as may be prescribed by the Board of Directors, the Chairperson of the Board of Directors or the Chief Executive Officer, under whose supervision the Secretary shall be. If the Secretary shall be unable or shall refuse to cause to be given notice of all meetings of the stockholders and special meetings of the Board of Directors, and if there be no Assistant Secretary then either the Board of Directors or the Chief Executive Officer may choose another officer to cause such notice to be given. The Secretary shall have custody of the seal of the Corporation and the Secretary or any Assistant Secretary shall have authority to affix the same to any instrument requiring it and when so affixed, it may be attested by the signature of the Secretary or by the signature of any such Assistant Secretary. The Board of Directors may give general authority to any other officer to affix the seal of the Corporation and to attest to the affixing by such officer's signature. The Secretary shall see that all books, reports, statements, certificates and other documents and records required by law to be kept or filed are properly kept or filed, as the case may be.

Section 4.7. Treasurer. The Treasurer shall have the custody of the corporate funds

and securities and shall keep full and accurate accounts of receipts and disbursements in books belonging to the Corporation and shall deposit all moneys and other valuable effects in the name

and to the credit of the Corporation in such depositories as may be designated by the Board of Directors. The Treasurer shall disburse the funds of the Corporation as may be ordered by the Board of Directors, taking proper vouchers for such disbursements, and shall render to the Chief Executive Officer and the Board of Directors, at its regular meetings, or when the Board of Directors so requires, an account of all transactions as Treasurer and of the financial condition of the Corporation.

Section 4.8. Assistant Secretaries. Assistant Secretaries, if there be any, shall perform

such duties and have such powers as from time to time may be assigned to them by the Board of Directors, the Chief Executive Officer, any Vice President or the Secretary, and in the absence of the Secretary or in the event of the Secretary's inability or refusal to act, shall perform the duties of the Secretary, and when so acting, shall have all the powers of and be subject to all the restrictions upon the Secretary.

Section 4.9. Assistant Treasurers. Assistant Treasurers, if there be any, shall perform

such duties and have such powers as from time to time may be assigned to them by the Board of Directors, the Chief Executive Officer, any Vice President or the Treasurer, and in the absence of the Treasurer or in the event of the Treasurer's inability or refusal to act, shall perform the duties of the Treasurer, and when so acting, shall have all the powers of and be subject to all the restrictions upon the Treasurer.

Section 4.10. Other Officers. Such other officers as the Board of Directors may choose

shall perform such duties and have such powers as from time to time may be assigned to them by the Board of Directors. The Board of Directors may delegate to any other officer of the Corporation the power to choose such other officers and to prescribe their respective duties and powers.

ARTICLE V STOCK

Section 5.1. Shares of Stock The shares of the Corporation may be (i) represented by

certificates (ii) uncertificated shares provided that the Board of Directors has provided by resolution that some or all of any or all classes or series of stock shall be uncertificated shares or

(iii) a combination of both. Any such resolution shall not apply to shares represented by a certificate until such certificate is surrendered to the Corporation.

Section 5.2. Signatures. To the extent any shares are represented by certificates, every

holder of stock represented by certificates shall be entitled to have a certificate signed by or in the name of the Corporation by any two authorized officers of the Corporation, including, without limitation, the Chief Executive Officer, the President, the Chief Financial Officer, the Treasurer, the Controller, the Secretary, or an Assistant Treasurer or Assistant Secretary, certifying the number of shares owned by such holder in the Corporation. To the extent any shares are represented by certificates, any or all of the signatures on a certificate may be a facsimile. In case any officer, transfer agent or registrar who has signed or whose facsimile signature has been placed upon a certificate shall have ceased to be such officer, transfer agent or registrar before such certificate is issued, it may be issued by the Corporation with the same effect as if such person were such officer, transfer agent or registrar at the date of issue.

Section 5.3. Lost Certificates. The Board of Directors may direct a new certificate or

uncertificated shares be issued in place of any certificate theretofore issued by the Corporation alleged to have been lost, stolen or destroyed, upon the making of an affidavit of that fact by the person claiming the certificate of stock to be lost, stolen or destroyed. When authorizing such issuance of a new certificate or uncertificated shares, the Board of Directors may, in its discretion and as a condition precedent to the issuance thereof, require the owner of such lost,

stolen or destroyed certificate, or such owner's legal representative, to advertise the same in such manner as the Board of Directors shall require and/or to give the Corporation a bond in such sum as it may direct as indemnity against any claim that may be made against the Corporation on account of the alleged loss, theft or destruction of such certificate or the issuance of such new certificate or uncertificated shares.

Section 5.4. Transfers. Stock of the Corporation shall be transferable in the manner

prescribed by applicable law, the Certificate of Incorporation and these Amended and Restated Bylaws. Transfers of stock shall be made on the books of the Corporation, and in the case of certificated shares of stock, only by the person named in the certificate or by such person's attorney lawfully constituted in writing and upon the surrender of the certificate therefor, properly endorsed for transfer and payment of all necessary transfer taxes; or, in the case of uncertificated shares of stock, upon receipt of proper transfer instructions from the registered holder of the shares or by such person's attorney lawfully constituted in writing, and upon payment of all necessary transfer taxes and compliance with appropriate procedures for transferring shares in uncertificated form; provided, however, that such surrender and endorsement (to the extent any shares are represented by certificates), compliance or payment of taxes shall not be required in any case in which the officers of the Corporation shall determine to waive such requirement. With respect to certificated shares of stock, every certificate exchanged, returned or surrendered to the Corporation shall be marked "Cancelled," with the date of cancellation, by the Secretary of the Corporation or the transfer agent thereof. No transfer of stock shall be valid as against the Corporation for any purpose until it shall have been entered in the stock records of the Corporation by an entry showing from and to whom transferred.

Section 5.5. Dividend Record Date. In order that the Corporation may determine the stockholders entitled to receive payment of any dividend or other distribution or allotment of any rights or the stockholders entitled to exercise any rights in respect of any change, conversion or exchange of stock, or for the purpose of any other lawful action, the Board of Directors may fix a record date, which record date shall not precede the date upon which the resolution fixing the record date is adopted, and which record date shall be not more than sixty (60) days prior to such action. If no record date is fixed, the record date for determining stockholders for any such purpose shall be at the close of business on the day on which the Board of Directors adopts the resolution relating thereto.

Section 5.6. Record Owners. The Corporation shall be entitled to recognize the exclusive right of a person registered on its books as the owner of shares to receive dividends, and to vote as such owner and shall not be bound to recognize any equitable or other claim to or interest in such share or shares on the part of any other person, whether or not it shall have express or other notice thereof, except as otherwise required by law.

Section 5.7. Transfer and Registry Agents. The Corporation may from time to time maintain one or more transfer offices or agencies and registry offices or agencies at such place or places as may be determined from time to time by the Board of Directors.

ARTICLE VI NOTICES

Section 6.1. Notices. Without limiting the manner by which notice otherwise may be given effectively to stockholders, any notice to stockholders given by the Corporation under any provision of the DGCL, the Certificate of Incorporation or these Amended and Restated Bylaws may be given in writing directed to the stockholder's mailing address (or by electronic transmission directed to the stockholder's electronic mail address, as applicable) as it appears on

the records of the Corporation. Notice shall be given (i) if mailed, when deposited in the United States mail, postage prepaid, (ii) if delivered by courier service, the earlier of when the notice is received or left at the stockholder's address, or (iii) if given by electronic mail, when directed to such stockholder's electronic mail address (unless the stockholder has notified the Corporation in writing or by electronic transmission of an objection to receiving notice by electronic mail or such notice is prohibited by the DGCL to be given by electronic transmission). A notice by electronic mail must include a prominent legend that the communication is an important notice regarding the Corporation. A notice by electronic mail will include any files attached thereto and any information hyperlinked to a website if such electronic mail includes the contact information of an officer or agent of the Corporation who is available to assist with accessing such files or information. Any notice to stockholders given by the Corporation under any provision of the DGCL, the Certificate of Incorporation or these Amended and Restated Bylaws provided by means of electronic transmission (other than any such notice given by electronic mail) may only be given in a form consented to by such stockholder, and any such notice by such means of electronic transmission shall be deemed to be given as provided by the DGCL. The terms "electronic mail," "electronic mail address," "electronic signature" and "electronic transmission" as used herein shall have the meanings ascribed thereto in the DGCL.

Notice to any director may be in writing and delivered personally or mailed to such director at such director's address appearing on the books of the Corporation, or may be given by telephone or by any means of electronic transmission (including, without limitation, electronic mail) directed to an address for receipt by such director of electronic transmissions appearing on the books of the Corporation.

Section 6.2. Waivers of Notice. Whenever any notice is required by applicable law,

the Certificate of Incorporation or these Amended and Restated Bylaws, to be given to any director, member of a committee or stockholder, a waiver thereof in writing, signed by the person or persons entitled to notice, or a waiver by electronic transmission by the person or persons entitled to notice, whether before or after the time stated therein, shall be deemed equivalent thereto. Attendance of a person at a meeting, present in person or represented by proxy, shall constitute a waiver of notice of such meeting, except where the person attends the meeting for the express purpose of objecting at the beginning of the meeting to the transaction of any business because the meeting is not lawfully called or convened. Neither the business to be transacted at, nor the purpose of, any Annual or Special Meeting or any regular or special meeting of the Board or members of a committee of directors need be specified in any waiver of notice unless so required by law, the Certificate of Incorporation or these Amended and Restated Bylaws.

ARTICLE VII GENERAL PROVISIONS

Section 7.1. Dividends. Dividends upon the shares of stock of the Corporation, subject

to the requirements of the DGCL and the provisions of the Certificate of Incorporation, if any, may be declared by the Board of Directors at any regular or special meeting of the Board of Directors (or any action by written consent in lieu thereof in accordance with Section 3.9 hereof), and may be paid in cash, in property, or in shares of the Corporation's stock. Before payment of any dividend, there may be set aside out of any funds of the Corporation available for dividends such sum or sums as the Board of Directors from time to time, in its absolute discretion, deems proper as a reserve or reserves to meet contingencies, or for purchasing any of the shares of stock, warrants, rights, options, bonds, debentures, notes, scrip or other securities or evidences of

indebtedness of the Corporation, or for equalizing dividends, or for repairing or maintaining any property of the Corporation, or for any proper purpose, and the Board of Directors may modify or abolish any such reserve.

Section 7.2. Disbursements. All checks or demands for money and notes of the

Corporation shall be signed by such officer or officers or such other person or persons as the Board of Directors may from time to time designate.

Section 7.3. Fiscal Year. The fiscal year of the Corporation shall be January 1 to

December 31 or as otherwise fixed by resolution of the Board of Directors.

Section 7.4. Corporate Seal. The corporate seal shall have inscribed thereon the name

of the Corporation, the year of its organization and the words "Corporate Seal, Delaware." The seal may be used by causing it or a facsimile thereof to be impressed or affixed or reproduced or otherwise.

ARTICLE VIII

INDEMNIFICATION AND ADVANCEMENT OF EXPENSES

Section 8.1. Actions Not by or in the Right of the Corporation. Subject to Section 8.3

hereof, the Corporation shall indemnify, to the fullest extent permitted by applicable law, any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit, arbitration, alternative dispute resolution mechanism, investigation, inquiry, judicial, administrative or legislative hearing, or any other threatened, pending or completed proceeding, including any and all appeals, whether of a civil, criminal, administrative, legislative, investigative or other nature (hereinafter a "proceeding"), other than an action by or in the right of the Corporation, by reason of the fact that such person is or was a director or an officer of the Corporation, or is or was a director or an officer of the Corporation serving at the request of the Corporation as a director, officer, employee or agent of another corporation,

partnership, joint venture, trust or other enterprise against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such proceeding if such person acted in good faith and in a manner such person reasonably believed to be in or not opposed to the best interests of the Corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe such person's conduct was unlawful. The termination of any proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that the person did not act in good faith and in a manner which such person reasonably believed to be in or not opposed to the best interests of the Corporation, and, with respect to any criminal action or proceeding, had reasonable cause to believe that such person's conduct was unlawful.

Section 8.2. Actions by or in the Right of the Corporation. Subject to Section 8.3

hereof, the Corporation shall indemnify, to the fullest extent permitted by applicable law, any person who was or is a party or is threatened to be made a party to any proceeding by or in the right of the Corporation to procure a judgment in its favor by reason of the fact that such person is or was a director or officer of the Corporation, or is or was a director or officer of the Corporation serving at the request of the Corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees) actually and reasonably incurred by such person in connection with the defense or settlement of such proceeding if such person acted in good faith and in a manner such person reasonably believed to be in or not opposed to the best interests of the Corporation; except that no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable to the Corporation unless and only to the

extent that the Court of Chancery of the State of Delaware or the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which the Court of Chancery or such other court shall deem proper.

Section 8.3. Authorization of Indemnification. Any indemnification under this

Article VIII (unless ordered by a court) shall be made by the Corporation only as authorized in

the specific case upon a determination that indemnification of the present or former director or officer is proper in the circumstances because such person has met the applicable standard of conduct set forth in Section 8.1 or 8.2 hereof, as the case may be. Such determination shall be made, with respect to a person who is a director or officer at the time of such determination, (i) by the affirmative vote of a majority of the directors who are not parties to such proceeding, even though less than a quorum, or (ii) by a committee of such directors designated by a majority vote of such directors, even though less than a quorum, or (iii) if there are no such directors, or if such directors so direct, by independent legal counsel in a written opinion or (iv) by the stockholders. Such determination shall be made, with respect to former directors and officers, by any person or persons having the authority to act on the matter on behalf of the Corporation. To the extent, however, that a present or former director or officer of the Corporation has been successful on the merits or otherwise in defense of any proceeding described above, or in defense of any claim, issue or matter therein, such person shall be indemnified against expenses (including attorneys' fees) actually and reasonably incurred by such person in connection therewith, without the necessity of authorization in the specific case.

Section 8.4. Good Faith Defined. For purposes of any determination under Section 8.3

hereof, a person shall be deemed to have acted in good faith and in a manner such person

reasonably believed to be in or not opposed to the best interests of the Corporation, or, with respect to any criminal action or proceeding, to have had no reasonable cause to believe such person's conduct was unlawful, if such person's action is based on the records or books of account of the Corporation or another enterprise, or on information supplied to such person by the officers of the Corporation or another enterprise in the course of their duties, or on the advice of legal counsel for the Corporation or another enterprise or on information or records given or reports made to the Corporation or another enterprise by an independent certified public accountant, financial advisor, appraiser or other expert selected with reasonable care by the Corporation or another enterprise. The provisions of this Section 8.4 shall not be deemed to be

exclusive or to limit in any way the circumstances in which a person may be deemed to have met the applicable standard of conduct set forth in Section 8.1 or 8.2 hereof, as the case may be.

Section 8.5. Indemnification by a Court. Notwithstanding any contrary determination

in the specific case under Section 8.3 hereof, and notwithstanding the absence of any

determination thereunder, any director or officer may apply to the Court of Chancery of the State of Delaware or any other court of competent jurisdiction in the State of Delaware for indemnification to the extent otherwise permissible under Section 8.1 or 8.2 hereof. The basis of

such indemnification by a court shall be a determination by such court that indemnification of the director or officer is proper in the circumstances because such person has met the applicable standard of conduct set forth in Section 8.1 or 8.2 hereof, as the case may be. Neither a contrary determination in the specific case under Section 8.3 hereof nor the absence of any determination

thereunder shall be a defense to such application or create a presumption that the director or officer seeking indemnification has not met any applicable standard of conduct. Notice of any application for indemnification pursuant to this Section 8.5 shall be given to the Corporation

promptly upon the filing of such application. If successful, in whole or in part, the director or officer seeking indemnification shall also be entitled to be paid the expense of prosecuting such application.

Section 8.6. Expenses Payable in Advance. Expenses (including attorneys' fees) incurred by a director or officer in defending any proceeding shall, to the fullest extent permitted by applicable law, be paid by the Corporation in advance of the final disposition of such proceeding upon receipt of an undertaking by or on behalf of such director or officer to repay such amount if it shall ultimately be determined by final judicial decision of a court of competent jurisdiction from which there is no further right to appeal that such person is not entitled to be indemnified by the Corporation as authorized in this Article VIII. Such expenses (including attorneys' fees) incurred by former directors and officers or other employees and agents may be so paid upon such terms and conditions, if any, as the Corporation deems appropriate.

Section 8.7. Nonexclusivity of Indemnification and Advancement of Expenses. The indemnification and advancement of expenses provided by, or granted pursuant to, this Article VIII shall not be deemed exclusive of any other rights to which those seeking indemnification or advancement of expenses may be entitled under the Certificate of Incorporation, these Amended and Restated Bylaws, agreement, vote of stockholders or disinterested directors or otherwise, both as to action in such person's official capacity and as to action in another capacity while holding such office, it being the policy of the Corporation that indemnification of the persons specified in Section 8.1 or 8.2 hereof and advancement of expenses of the person specified in Section 8.6 hereof shall be made to the fullest extent permitted by law. The provisions of this Article VIII shall not be deemed to preclude the indemnification of any person who is not specified in Section 8.1 or 8.2 hereof or the

advancement of expenses of any person who is not specified in Section 8.6 hereof but whom the

Corporation has the power or obligation to indemnify or advance expenses, as applicable, under the provisions of the DGCL, or otherwise.

Section 8.8. Insurance. The Corporation may purchase and maintain insurance on

behalf of any person who is or was a director or officer of the Corporation, or is or was a director or officer of the Corporation serving at the request of the Corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against any liability asserted against such person and incurred by such person in any such capacity, or arising out of such person's status as such, whether or not the Corporation would have the power or the obligation to indemnify such person against such liability under the provisions of this Article VIII.

Section 8.9. Certain Definitions. For purposes of this Article VIII, references to "the

Corporation" shall include, in addition to the resulting corporation, any constituent corporation

(including any constituent of a constituent) absorbed in a consolidation or merger which, if its separate existence had continued, would have had power and authority to indemnify its directors or officers, so that any person who is or was a director or officer of such constituent corporation, or is or was a director or officer of such constituent corporation serving at the request of such constituent corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise shall stand in the same position under the provisions of this Article VIII with respect to the resulting or surviving corporation as such

person would have with respect to such constituent corporation if its separate existence had continued. The term "another enterprise" as used in this Article VIII shall mean any other

corporation or any partnership, joint venture, trust, employee benefit plan or other enterprise of

which such person is or was serving at the request of the Corporation as a director, officer, employee or agent. For purposes of this Article VIII, references to “ fines ” shall include any excise taxes assessed on a person with respect to an employee benefit plan; and references to “ serving at the request of the Corporation ” shall include any service as a director, officer, employee or agent of the Corporation which imposes duties on, or involves services by, such director or officer with respect to an employee benefit plan, its participants or beneficiaries; and a person who acted in good faith and in a manner such person reasonably believed to be in the interest of the participants and beneficiaries of an employee benefit plan shall be deemed to have acted in a manner “ not opposed to the best interests of the Corporation ” as referred to in this Article VIII.

Section 8.10. Survival of Indemnification and Advancement of Expenses. The indemnification and advancement of expenses provided by, or granted pursuant to, this Article VIII shall, unless otherwise provided when authorized or ratified, continue as to a person who has ceased to be a director or officer and shall inure to the benefit of the heirs, executors and administrators of such a person.

Section 8.11. Limitation on Indemnification. Notwithstanding anything contained in this Article VIII to the contrary, except for proceedings to enforce rights to indemnification (which shall be governed by Section 8.5 hereof), the Corporation shall not be obligated to indemnify any director or officer (or his or her heirs, executors or personal or legal representatives) or advance expenses in connection with a proceeding (or part thereof) initiated by such person unless such proceeding (or part thereof) was authorized or consented to by the Board of Directors.

Section 8.12. Indemnification of Employees and Agents. The Corporation may, to the extent authorized from time to time by the Board of Directors, provide rights to indemnification and to the advancement of expenses to employees and agents of the Corporation similar to those conferred in this Article VIII to directors and officers of the Corporation.

ARTICLE IX AMENDMENTS

Section 9.1. Amendments. These Amended and Restated Bylaws may be altered, amended or repealed, in whole or in part, or new Amended and Restated Bylaws may be adopted by the stockholders or by the Board of Directors. All such amendments by the stockholders must be approved by the affirmative vote of the holders of a majority in the voting power of the outstanding shares of stock of the Corporation entitled to vote thereon. All such amendments by the Board of Directors must be approved by a majority of the entire Board of Directors then in office.

Section 9.2. Entire Board of Directors. As used in this Article IX and in these Amended and Restated Bylaws generally, the term “entire Board of Directors” means the total number of directors which the Corporation would have if there were no vacancies.

(b) Except as provided in this Section 4.2 or otherwise mutually agreed upon by the Parties (including, without limitation, as agreed with respect to any Benefit Arrangement providing for change of control benefits, key employee severance benefits or executive life insurance benefits), (i) the Company and each member of the Company Group may elect to remain as participating companies in the Benefit Arrangements sponsored or maintained by any member of the Genworth Group (the “Continuing Arrangements”) through the Continuing Arrangement End Date and (ii) if so elected by the Company and the applicable member of the

Company Group, each Company Employee shall remain eligible to continue to participate in and be covered by such Continuing Arrangements through the Continuing Arrangement End Date; provided that the Company shall continue to reimburse Genworth for the cost of providing such participation. At all times following the date hereof, the Parties will cooperate in good faith as necessary to coordinate Benefit Arrangement services, reimbursements and payments pursuant to the Shared Services Agreement, as long as it is in effect and applicable to such services, and otherwise facilitate the administration of employee benefits and the resolution of related employee benefit claims under the Continuing Arrangements sponsored or maintained by the applicable member of the Genworth Group with respect to the Company Employees, including with respect to the provision of employee level information necessary for the applicable member of the Genworth Group to manage, administer, finance and file required reports with respect to such administration.

(c) Effective as of the Continuing Arrangement End Date, the Company and each member of the Company Group shall cease to be participating companies in the Genworth Financial, Inc. Retirement and Savings Plan (the “Genworth 401(k) Plan”). Effective as of the date, if any, following the Continuing Arrangement End Date, that the Company has in effect a defined contribution savings plan and related trust that satisfies the requirements of Sections 401(a) and 401(k) of the Code (the “Company 401(k) Plan”), the Company shall cause the Company 401(k) Plan to accept from the Genworth 401(k) Plan the “direct rollover” of the account balance (including the in-kind rollover of promissory notes evidencing all outstanding loans) of each Company Employee who participated in the Genworth 401(k) Plan as of the Continuing Arrangement End Date and who elects such direct rollover in accordance with the terms of the Genworth 401(k) Plan, the Company 401(k) Plan and applicable law. Except as provided in the preceding sentence, Genworth shall retain all accounts and all Assets and Liabilities relating to the Genworth 401(k) Plan.

(d) Effective as of the first practicable date following the Continuing Arrangement End Date or as otherwise mutually agreed by the Parties, but in any event no later than the last day of the calendar year that includes the Continuing Arrangement End Date, (i) the Company and each member of the Company Group shall cease to be participating companies in any Continuing Arrangement that is a health and welfare arrangement, (ii) each Company Employee shall cease to participate in, be covered by, accrue benefits under, be eligible to contribute to or have any rights under any such types of Continuing Arrangements (except to the extent of any previously accrued obligation that remains a Genworth Employee Liability pursuant to this Agreement) and (iii) the Company shall, or shall cause a member of the Company Group to, have in effect similar types of Benefit Arrangements in which each Company Employee who previously participated in such types of Continuing Arrangements shall be eligible to participate.

(e) Effective as of the date mutually agreed by the Parties but in no event as of a date later than the Trigger Date, (i) the Company and each member of the Company Group shall cease to be participating companies in any other types of Continuing Arrangements not addressed in Sections 4.2(c) and 4.2(d), (ii) each Company Employee shall cease to participate in, be covered by, accrue benefits under, be eligible to contribute to or have any rights under any such types of Continuing Arrangements (except to the extent of any previously accrued obligation that remains a Genworth Employee Liability pursuant to this Agreement) and (iii) the

Company shall, or shall cause a member of the Company Group to, have in effect such types of Benefit Arrangements in which each Company Employee who previously participated in such type of Continuing Arrangement shall be eligible to participate.

(f) For any Former Company Employee who is, as of the Closing Date, receiving payments as part of any long-term disability program that is part of a Benefit Arrangement sponsored or maintained by a member of the Genworth Group, to the extent such Former Company Employee may have any "return to work" rights under the terms of such long-term disability program, such Former Company Employee's eligibility for re-employment shall be with the Company or a member of the Company Group.

(g) The Company shall retain all Liabilities and obligations related to Company Employees and Former Company Employees in respect of any annual or quarterly bonus or sales commission performance period that has not concluded as of the Closing Date (the "Open Incentive Obligations") and shall pay the full amount of such Liabilities and obligations when due in the normal course. Genworth shall not be obligated to transfer assets to the Company or reimburse the Company in any other way in respect of the Open Incentive Obligations.

(h) The Company shall retain all Liabilities and obligations related to Company Employees and Former Company Employees in respect of any (i) deferred cash awards that have not been paid out as of the Closing Date (the "Deferred Cash Awards") and (ii) cash-based retention awards that have not been paid out as of the Closing Date (the "Cash-Based Retention Awards"), and in each case shall pay the full amount of such Liabilities and obligations when due in the normal course. Genworth shall not be obligated to transfer assets to the Company or reimburse the Company in any other way in respect of the Deferred Cash Awards or the Cash-Based Retention Awards.

(i) The Company shall assume all Liabilities and obligations related to Former Company Employees in respect of any severance payments and benefits that have not been paid out as of the Closing Date (the "Earned Severance Payments"), and in each case shall pay the full amount of such Liabilities and obligations when due in the normal course. Genworth shall not be obligated to transfer assets to the Company or reimburse the Company in any other way in respect of the Earned Severance Payments.

(j) Nothing in this Agreement shall be deemed to be an amendment to any Benefit Arrangement sponsored or maintained by any member of the Company Group or, subject to Sections 4.2(b), (c), (d) and (e), to prohibit any member of the Company Group from amending, modifying or terminating any Benefit Arrangement sponsored or maintained by any member of the Company Group at any time within its sole discretion.

4.3. Assumption of Genworth Employee Liabilities.

(a) Effective as of the Closing Date, the Company hereby assigns to Genworth and the applicable members of the Genworth Group each individual employment contract, including any employment or offer letter, severance agreement, retention agreement or restrictive covenant agreement between a member of the Company Group and any Genworth Employee or Former Genworth Employee signed or otherwise effective under applicable Law.

(b) Genworth shall continue to be responsible for all Liabilities under the Genworth Financial, Inc. Deferred Compensation Plan (the "Genworth DCP"), with costs associated with any Company Employee or Former Company Employee to be reimbursed by the Company. Except as otherwise provided by Section 409A of the Code, a Company Employee shall not be considered to have undergone a "separation from service" for purposes of Section 409A of the Code and the Genworth DCP solely by reason of the Initial Public Offering, and, following the Closing Date, the determination of whether a Company Employee has incurred a separation from service with respect to his or her benefit in the Genworth DCP shall be based solely upon his or her performance of services for the Company Group. The Company shall promptly notify Genworth of the "separation from service" (as determined pursuant to Section 409A of the Code) of any Company Employee. At that time, the Company shall also notify Genworth whether the Company Employee is a "specified employee" as determined pursuant to Section 409A of the Code.

(c) Genworth shall continue to be responsible for and maintain all Liabilities under any post-employment welfare benefit plans and retirement plans (including, but not limited to, Restoration and Supplemental Executive Retirement Plans) with costs associated with any Company Employee or Former Company Employee to be reimbursed by the Company.

(d) Nothing in this Agreement shall be deemed to be an amendment to any Benefit Arrangement sponsored or maintained by any member of the Genworth Group or to prohibit any member of the Genworth Group from adopting, amending, modifying or terminating any Benefit Arrangement sponsored or maintained by any member of the Genworth Group at any time within its sole discretion.

4.4. Tax Matters.

(a) Following the Closing and for so long as permitted by applicable Law, Genworth and the Company shall continue to join in filing a consolidated U.S. federal income Tax Return and shall continue to be subject to the Tax Allocation Agreement. Following the Closing, without Genworth's prior written consent (which consent shall be in Genworth's sole discretion), the Company shall not, and shall not permit any of its Affiliates to, take any action that would reasonably be expected to cause (or fail to take any action the failure of which would reasonably be expected to cause) the Company or any of its Subsidiaries to no longer be a member of the "affiliated group" (as defined in Section 1504(a) of the Code) of which Genworth is the common parent and that files a consolidated U.S. federal income Tax Return, or to no longer be subject to the Tax Allocation Agreement. To the extent that any representations, warranties, covenants and agreements between the parties with respect to Tax matters are set forth in the Tax Allocation Agreement, such Tax matters shall be governed exclusively by the Tax Allocation Agreement and not by this Agreement.

(b) The parties hereto acknowledge and agree that the transfer of Shares pursuant to the Initial Public Offering will be a “transfer” subject to the rules of Treasury Regulation Section 1.1502-36 (the “UL Rules”). Within ninety (90) days following the filing of the Genworth consolidated federal income Tax Return for the taxable year in which the Initial Public Offering occurs, Genworth shall provide notice to the Company of any attribute reduction, within the meaning of Treasury Regulation Section 1.1502-36(d)(3) with respect to the assets or stock of Subsidiaries of the Company arising out of the Initial Public Offering by reason of the UL Rules. Following delivery of such notice, the parties shall cooperate to determine whether and to what extent the Company will be required to recognize a deferred Tax liability or reduce a deferred Tax asset in its GAAP financial statements as a result of the application of the UL Rules to the Initial Public Offering (such amount, the “Deferred Tax Writedown”). For purposes of determining the Deferred Tax Writedown, the parties acknowledge and agree that a reduction solely in the basis of stock of Subsidiaries of the Company shall not be create any Deferred Tax Writedown.

(c) Within thirty (30) days of determining the Deferred Tax Writedown pursuant to Section 4.4(b), Genworth shall pay to the Company an amount, if any, of cash equal to the Deferred Tax Writedown. The parties acknowledge and agree that such payment relates back to the Initial Public Offering, and shall therefore be treated as a capital contribution by Genworth Holdings Inc. to the Company immediately prior to the Initial Public Offering for federal and state income Tax purposes.

registration, information or proxy statement, prospectus or other document which refers, or contains information with respect, to any member of the Genworth Group shall be filed with the SEC or otherwise made public or released to any financial analyst or investor by the Company or any of its Subsidiaries without the prior written consent of Genworth (which consent shall not be unreasonably withheld, conditioned or delayed) with respect to those portions of such document that contain information with respect to any member of the Genworth Group, except as may be required by Law (in such cases the Company shall use its reasonable best efforts to notify the relevant member of the Genworth Group and to obtain such member's consent before making such a filing with the SEC or otherwise making any such information public).

(e) Meetings with Financial Analysts. The Company shall notify Genworth reasonably in advance of the date of any conferences to be attended by management of the Company with members of the investment community, and shall consult with Genworth as to the appropriate timing for all such conferences. For the avoidance of doubt, the foregoing shall not require the Company to notify Genworth of one-on-one discussions between management of the Company and members of the investment community (including any financial analysts).

Genworth agrees that, unless required by Law or unless the Company shall have consented thereto, no member of the Genworth Group will publicly release any quarterly, annual or other financial information of the Company or any of its Subsidiaries ("Company Information") delivered to Genworth pursuant to this Article V prior to the time that Genworth publicly releases financial information of Genworth, for the relevant period. Genworth will consult with the Company on the timing of their annual and quarterly earnings releases and Genworth and the Company will give each other an opportunity to review the information therein relating to the Company and its Subsidiaries and to comment thereon; provided, that Genworth shall have the sole right to determine the timing of all such releases if Genworth and the Company disagree. Upon reasonable advance notice from Genworth, the Company shall publicly release its financial results for each annual and quarterly period on the day of Genworth's earnings release within a reasonable time following Genworth's release. If any member of the Genworth Group is required by Law to publicly release such Company Information prior to the public release of Genworth's financial information, Genworth will give the Company notice of such release of Company Information as soon as practicable but no later than two (2) days prior to such release of Company Information.

5.5. Public Filings. The Company agrees that, until the date that the members of the Genworth Group beneficially own, in the aggregate on any date during a fiscal year, less than twenty percent (20%), or, notwithstanding such percentage, if any member of the Genworth Group is required during any fiscal year, in accordance with GAAP, to account for its investment in the Company on a consolidated basis or under the equity method of accounting, of the then- outstanding Company Common Stock, the Company shall cooperate, and cause its accountants to cooperate, with Genworth to the extent reasonably requested by Genworth in the preparation

any amendments thereto and any other proxy, information and registration statements, reports, notices, prospectuses and any other filings made by Genworth or any of its Subsidiaries with the SEC, any national securities exchange or otherwise made publicly available (collectively, "Genworth Public Filings"). The Company agrees to provide to Genworth all information that Genworth reasonably requests in connection with any such Genworth Public Filings or that, in the judgment of Genworth's legal department, is required to be disclosed therein under any Law. The Company agrees to use reasonable best efforts to provide such information in a timely manner to enable Genworth to prepare, print and release such Genworth Public Filings on such date as Genworth shall determine. If and to the extent reasonably requested by Genworth, the Company shall diligently and promptly review all drafts of such Genworth Public Filings and prepare in a diligent and timely fashion any portion of such Genworth Public Filing pertaining to the Company or its Subsidiaries. Prior to any printing or public release of any Genworth Public Filing, an appropriate executive officer of the Company, shall, if requested by Genworth, continue the existing practice of certifying and representing that the information provided by the Company relating to the Company, in such Genworth Public Filing is accurate, true and correct in all material respects. 5.6. Genworth Annual Statements. In connection with any Genworth Group member's preparation of its audited annual financial statements and its Annual Reports to Shareholders (collectively the "Genworth Annual Statements"), during any fiscal year in which the members of the Genworth Group own, in the aggregate more than twenty percent (20%) of the then outstanding Company Common Stock, (or such lesser percentage during any fiscal year that any member of the Genworth Group is required, in accordance with GAAP, to account for its investment in the Company on a consolidated basis or under the equity method of accounting), the Company agrees as follows:

(a) Coordination of Auditors' Opinions. The Company will use its reasonable best efforts to enable its independent certified public accountants (the "Company Auditors") to complete their audit such that they will date their opinion on the Company's audited annual financial statements on the same date that Genworth independent certified public accountants (the "Genworth Auditors") date their opinion on the Genworth Annual Statements, and to enable Genworth to meet its timetable for the printing, filing and public dissemination of the Genworth Annual Statements.

(b) Access to Personnel and Working Papers. The Company will request the Company Auditors to make available to the Genworth Auditors both the personnel who performed or are performing the annual audit of the Company and, consistent with customary professional practice and courtesy of such auditors with respect to the furnishing of work papers, work papers related to the annual audit of the Company, in all cases within a reasonable time after the Company Auditors' opinion date, so that the Genworth Auditors are able to perform the procedures they consider necessary to take responsibility for the work of the Company Auditors as it relates to the Genworth Auditors' report on the Genworth Annual Statements, all within

sufficient time to enable Genworth to meet its timetable for the printing, filing and public dissemination of the Genworth Annual Statements. If for any reason the Genworth Auditors are

unable to use or rely on the Company Auditors, the Company agrees to provide any and all information requested and to fully cooperate with the Genworth Auditors, all within sufficient time to enable Genworth to meet its timetable for the printing, filing and public dissemination of the Genworth Annual Statements. Until the Trigger Date, if the Genworth Auditors identify, in any management letter or other correspondence in connection with the annual audit of Genworth, any issue with the accounting principles, any proposed adjustment or any similar area of concern with respect to the Company Group, Genworth shall promptly inform the Company and provide the Company with an excerpt of the applicable portions of such management letter or correspondence.

(c) Auditors' Independence. The Company will use its reasonable best efforts, including following Genworth policies on engagement of public accounting firms, to ensure Genworth Auditors maintain independence under SEC and other professional rules and regulations.

5.7. Fifty-Percent Threshold. The Company agrees that, if members of the Genworth Group beneficially own in the aggregate on any date during a fiscal year fifty percent (50%) or more of the then outstanding Company Common Stock, or, notwithstanding such percentage, if any member of the Genworth Group is required during any fiscal year, in accordance with GAAP, to consolidate the Company's financial statements with its financial statements, then in respect of such fiscal year:

(a) Auditors. The Company shall provide Genworth, the Genworth Auditors or other Representatives of Genworth reasonable access upon reasonable notice during normal business hours to the Company's and its Subsidiaries' books and records so that Genworth may conduct reasonable audits relating to the financial statements provided by the Company pursuant to this Article V, as well as to the internal accounting controls and operations of the Company and its Subsidiaries; provided, however, that any such audits will be conducted in the same manner and using the same procedures as conducted on the date hereof for audits of the Company including, but not limited to, reporting audit findings to management of the business or unit subject to the audit.

(b) Accounting Estimates and Principles. The Company will give Genworth reasonable notice of any proposed material change in accounting estimates or material changes in accounting principles from those in effect with respect to the Company, its Subsidiaries and the Affiliates of Genworth that comprise the Company Group immediately prior to the Closing Date, and will give Genworth notice immediately following adoption of any such changes that are mandated or required by the SEC, the Financial Accounting Standards Board or the Public Company Accounting Oversight Board. In connection therewith, the Company will consult with Genworth, and, if requested by Genworth, the Company will consult with the Genworth Auditors with respect thereto. As to material changes in accounting principles that could affect any member of the Genworth Group, the Company will not make any such changes without Genworth's prior written consent (which consent will not be unreasonably withheld, conditioned or delayed), excluding changes that are mandated or required by the SEC, the Financial Accounting Standards Board or the Public Company Accounting Oversight Board, if such a

change would be sufficiently material to be required to be disclosed in the Company's financial statements as filed with the SEC or otherwise publicly disclosed therein. If Genworth so

requests, the Company will be required to obtain the concurrence of the Company Auditors as to such material change prior to its implementation. Genworth will use its reasonable best efforts to promptly respond to any request by the Company to make a change in accounting principles and, in any event, in sufficient time to enable the Company to comply with its obligations under Sections 5.1 and 5.2.

(c) Management Certification. The Company's Chief Executive Officer, the Company's Chief Financial or Accounting Officer, and other appropriate Company management shall submit quarterly representations in a form consistent with past practice (with such changes thereto prescribed by Genworth consistent with representations furnished to Genworth by other Subsidiaries of Genworth or as otherwise required by changes to applicable Law or stock exchange requirements) attesting to the accuracy and completeness of the financial and accounting records referred to therein in all material respects.

(d) Budget and Operating Review Process. Until the Trigger Date, Genworth shall have the right to approve the annual budget and annual business plan of the Company and its Subsidiaries on a consolidated basis (the "Operational Plan") and any material amendments to, or any material departure from, such annual budget and Operational Plan. The Company shall also review with Genworth its strategic and multi-year plans (collectively, with the Operational Plan, the "Business Plans"). The Company shall conduct its Business Plans review process on a schedule that is consistent with that of Genworth and shall provide the Company's proposed Business Plans in advance to Genworth for review and, with respect to the Operational Plan, approval by Genworth's board of directors (the "Genworth Board"). Genworth acknowledges that the Company shall conduct its Business Plans review process through participation in meetings of the Genworth Board and related activities in preparation of such meetings. The Company shall hold all of its regularly scheduled board meetings at which its Business Plans are discussed within a time frame consistent with Genworth's review process. The Company shall use best efforts to conduct all other reviews of the Company's operations, affairs, finances or results (other than those required to comply with applicable financial reporting requirements or its customary financial reporting practices) as requested by Genworth. In connection with the Business Plans reviews, relevant Genworth personnel in addition to the members of the Company's board of directors (the "Company Board") designated for nomination by Genworth may participate at Genworth's invitation. As requested by Genworth, the Company's Chief Executive Officer and Company management will be participants at the meetings of the Genworth Board. The chairperson of the Company Board and the chairpersons of the committees of the Company Board shall also make themselves available to discuss matters with their respective counterparts of the Genworth Board and the committees thereof.

(e) Board Materials and Reports The Company shall provide to Genworth copies of all materials and reports provided to the Company Board (or a committee thereof) at the same time as such materials and reports are provided to the Company Board (or committee thereof). The Company shall satisfy its obligations under this Section 5.7(e) by delivering such materials and reports to Genworth's Corporate Secretary in such form and in such manner as requested by Genworth's Corporate Secretary.

5.8. Accountants' Reports.

(a) The Company agrees that if members of the Genworth Group beneficially own in the aggregate on any date during a fiscal year at least ten percent (10%) of the then- outstanding Company Common Stock, the Company will promptly upon receipt of written notice from Genworth, but in no event later than five (5) Business Days following the receipt thereof, deliver to Genworth copies of all reports submitted to the Company or any of its Subsidiaries by their independent certified public accountants, including, each report submitted to the Company or any of its subsidiaries concerning its accounting practices and systems and any comment letter submitted to management in connection with their annual audit and all responses by management to such reports and letters.

(b) The Company agrees that if members of the Genworth Group beneficially own in the aggregate on any date during a fiscal year at least ten percent (10%) of the then- outstanding Company Common Stock, the Company shall allow Genworth or any of its Subsidiaries, on reasonable notice and in a reasonable manner, to conduct audits of the Company, including (but not limited to) with respect to the Company's activities, operations and compliance with applicable Law.

5.9. Financing, Securities and Strategic Transactions. The Company shall cooperate with and shall provide to Genworth and the relevant parties, including potential financing sources, as reasonably requested by Genworth, the Company's management, directors, officers, employees or other personnel and agents of the Company Group as participants in meetings and all information, books, records, data or other documents within its control or which it otherwise has the ability to make available, to the extent that any such person (giving consideration to business demands of such management, directors, officers, employees or other personnel and agents) or information, books, records, data or other documents that Genworth or potential financing sources may reasonably request in connection with any financing, securities or strategic transactions, including prospective transactions, restructuring transactions and sell- downs of Company Common Stock, or that, in the judgment of Genworth's legal department, is required to be disclosed therein under any Law. In connection therewith, the Company agrees to use reasonable best efforts to provide such persons and information, books, records, data or other documents in a timely manner to enable Genworth and the relevant parties to explore, plan, finance, prepare or execute such financing, securities or strategic transactions, including prospective transactions, restructuring transactions and sell-downs of Company Common Stock, on such date as Genworth shall determine.

5.10. Agreement for Exchange of Information.

(a) Each of Genworth and the Company, on behalf of itself and its respective Group, agrees to provide, or cause to be provided, to the other Group, at any time before or after the Closing Date, as soon as reasonably practicable after written request therefor, any Information in the possession or under the control of such respective Group which the requesting Party reasonably needs (i) to comply with reporting, disclosure, filing or other requirements imposed on the requesting Party or a member of its Group (including under applicable securities, insurance or Tax Laws) by a Governmental Authority having jurisdiction over the requesting Party or such member of its Group, (ii) for use in any other judicial, regulatory, administrative, tax or other proceeding or in order to satisfy audit, accounting, claims, regulatory, litigation, tax or other similar requirements, in each case other than claims or allegations that one Party to this

Agreement has against the other, or (iii) subject to the foregoing clause (ii), to comply with its obligations under this Agreement or any Transaction Document; provided, however, that in the event that any Party determines that any such provision of Information could be commercially detrimental, violate any Law or agreement, or waive attorney work product protection or any attorney-client or similar privilege, the Parties shall take all reasonable measures to permit the compliance with such obligations in a manner that avoids any such harm or consequence.

(b) Each of Genworth and the Company, on behalf of itself and its respective Group, agrees to provide, or cause to be provided, to the other Group, at any time before the Trigger Date, as soon as reasonably practicable after written request therefor, any Information in the possession or under the control of such respective Group which the requesting Party reasonably determines to be relevant to its relationship, communications or interaction with a (i) Governmental Authority having jurisdiction over the requesting Party or such member of its Group, and (ii) nationally recognized statistical rating organization.

5.11. Ownership of Information. Any Information owned by one Group that is provided to a requesting Party pursuant to Section 5.10 shall be deemed to remain the property of the providing Group. Unless specifically set forth herein, nothing contained in this Agreement shall be construed as granting or conferring rights of license or otherwise in any such Information.

5.12. Compensation for Providing Information. In connection with information exchanged pursuant to Section 5.10, the Party requesting Information agrees to reimburse the other Party for the reasonable out-of-pocket costs, if any, of creating, gathering and copying such Information, to the extent that such costs are incurred for the benefit of the requesting Party. Except as may be otherwise specifically provided elsewhere in this Agreement or in any other agreement between the Parties, such costs shall be computed in accordance with the providing Party's standard methodology and procedures.

5.13. Record Retention. To facilitate the possible exchange of Information pursuant to this Article V and other provisions of this Agreement after the Closing Date, Genworth and the Company agree to use their reasonable best efforts to retain all Information in their respective possession or control in accordance with the policies of Genworth as in effect on the Closing Date or such other policies as may be reasonably adopted by the appropriate party after the Closing Date. No Party will destroy, or permit any of its Subsidiaries to destroy, any Information required to be retained by applicable Law.

5.14. Liability. To the fullest extent permitted by law, no Party shall have any liability to any other Party in the event that any Information exchanged or provided pursuant to this Agreement which is an estimate or forecast, or which is based on an estimate or forecast, is found to be inaccurate in the absence of willful misconduct by the Party providing such Information. To the fullest extent permitted by law, no Party shall have any liability to any other Party if any Information is destroyed after reasonable best efforts by such Party to comply with the provisions of Section 5.13.

5.15. Other Agreements Providing for Exchange of Information.

(a) The rights and obligations granted under this Article V are subject to any specific limitations, qualifications or additional provisions on the sharing, exchange, retention or confidential treatment of Information set forth in any Transaction Document.

(b) When any Information provided by one Group to the other (other than Information provided pursuant to Section 5.13) is no longer needed for the purposes contemplated by this Agreement or any other Transaction Document or is no longer required to be retained by applicable Law, the receiving Party will promptly after request of the other Party either return to the other Party all Information in a tangible form (including all copies thereof and all notes, extracts or summaries based thereon) or certify to the other Party that it has destroyed such Information (and such copies thereof and such notes, extracts or summaries based thereon).

5.16. Genworth Policies, Procedures and Practices. Notwithstanding anything else in this Agreement, except as required by applicable Law (including, but not limited to, the rules and regulations of the Nasdaq Global Select Market (the "Nasdaq")), prior to the Trigger Date, the Company will comply with all:

(a) written policies and procedures of Genworth (as amended, replaced or supplemented from time to time), including, but not limited to, all information, financial, operating, actuarial, human resources, risk, data security and compliance policies and procedures; and

(b) otherwise established practices of Genworth that apply to Genworth and its Subsidiaries from time to time as communicated to the Company, including, but not limited to, all information, financial, operating, actuarial, human resources, risk, data security and compliance practices that apply to the Company.

5.17. Production of Witnesses; Records; Cooperation.

(a) After the Closing Date, except in the case of an adversarial Action by one Party against another Party, each of Genworth and the Company shall use its reasonable best efforts to make available to each other Party, upon written request, the former, current and future directors, officers, employees, other personnel and agents of the members of its respective Group as witnesses and any books, records or other documents within its control or which it otherwise has the ability to make available, to the extent that any such person (giving consideration to business demands of such directors, officers, employees, other personnel and agents) or books, records or other documents may reasonably be required in connection with any Action in which the requesting Party may from time to time be involved, regardless of whether such Action is a matter with respect to which indemnification may be sought hereunder. The requesting Party shall bear all costs and expenses in connection therewith.

(b) If an Indemnifying Party chooses to defend or to seek to compromise or settle any Third-Party Claim, the other parties shall make available to such Indemnifying Party, upon written request, the former, current and future directors, officers, employees, other personnel and agents of the members of its respective Group as witnesses and any books, records or other documents within its control or which it otherwise has the ability to make available, to the extent that any such person (giving consideration to business demands of such directors,

officers, employees, other personnel and agents) or books, records or other documents may reasonably be required in connection with such defense, settlement or compromise, or the prosecution, evaluation or pursuit thereof, as the case may be, and shall otherwise cooperate in such defense, settlement or compromise, or such prosecution, evaluation or pursuit, as the case may be.

(c) Without limiting the foregoing, Genworth and the Company shall cooperate and consult to the extent reasonably necessary with respect to any Actions.

(d) The obligation of Genworth and the Company to provide witnesses pursuant to this Section 5.17 is intended to be interpreted in a manner so as to facilitate cooperation and shall include the obligation to provide as witnesses and other officers without regard to whether the witness or the employer of the witness could assert a possible business conflict (subject to the exception set forth in the first sentence of Section 5.17(a)).

(e) In connection with any matter contemplated by this Section 5.17, Genworth and the Company will enter into a mutually acceptable joint defense agreement memorializing the applicability of any applicable attorney-client privilege, work product immunity or other applicable privileges or immunities of any member of any Group.

5.18. Privilege. To the fullest extent permitted by law, the provision of any information pursuant to this Agreement shall not be deemed a waiver of any privilege or similar protection, including privileges arising under or related to the attorney-client privilege, work product or any other applicable privilege and protections with respect to attorney work product (each, a "Privilege"). Following the Closing Date, neither the Company or any member of the Company Group nor Genworth or any member of the Genworth Group will be required to provide any information pursuant to this Agreement if the provision of such information would serve as a waiver of any Privilege afforded such information.

5.19. Reasonable. For the purposes of this Article V, any request for information shall be deemed reasonable in content or timing if such request is consistent with past practices.

ARTICLE VI

RELEASE; INDEMNIFICATION

6.1. Release of Pre-Closing Claims.

(a) Except as provided in (i) Section 6.1(c), (ii) any exceptions to the indemnification provisions of Sections 6.2, 6.3 and 6.4 set forth in those Sections and (iii) any Transaction Document and this Agreement, effective as of the Closing Date, to the fullest extent permitted by law, the Company does hereby for itself and all Persons who at any time prior to the Closing Date have been directors, officers, agents or employees of the Company (in each case, in their respective capacities as such), voluntarily, knowingly unconditionally remise, release and forever discharge Genworth and the other members of the Genworth Group, their respective Affiliates, successors and assigns, and all Persons who at any time prior to the Closing Date have been stockholders, directors, officers, agents or employees of any member of the Genworth Group (in each case, in their respective capacities as such), and their respective heirs,

executors, administrators, successors and assigns, from any and all Liabilities whatsoever, whether at Law or in equity (including any right of contribution), whether arising under any contract, tort or agreement, by operation of Law or otherwise, existing or arising from any acts or events occurring or failing to occur or alleged to have occurred or to have failed to occur or any conditions existing or alleged to have existed from the beginning of time up to the Closing Date, including without limitation in connection with the transactions and all other activities to implement the IPO Transactions, the Initial Public Offering and any of the other transactions contemplated hereunder and under the Transaction Documents.

(b) Except as provided in (i) Section 6.1(c), (ii) any exceptions to the indemnification provisions of Sections 6.2, 6.3 and 6.4 set forth in those Sections and (iii) any Transaction Document and this Agreement, effective as of the Closing Date, Genworth does hereby for itself and all Persons who at any time prior to the Closing Date have been stockholders, directors, officers, agents or employees of Genworth (in each case, in their respective capacities as such), remise, release and forever discharge the Company, the respective members of the Company Group, their respective Affiliates, successors and assigns, and all Persons who at any time prior to the Closing Date have been stockholders, directors, officers, agents or employees of any member of the Company Group (in each case, in their respective capacities as such), and their respective heirs, executors, administrators, successors and assigns, from any and all Liabilities whatsoever, whether at Law or in equity (including any right of contribution), whether arising under any contract, tort or agreement, by operation of Law or otherwise, existing or arising from any acts or events occurring or failing to occur or alleged to have occurred or to have failed to occur or any conditions existing or alleged to have existed from the beginning of time up to the Closing Date, including without limitation in connection with the transactions and all other activities to implement the IPO Transactions, the Initial Public Offering and any of the other transactions contemplated hereunder and under the Transaction Documents.

(c) Nothing contained in Section 6.1(a) or Section 6.1(b) shall impair any right of any Person to enforce this Agreement or any Transaction Document, in each case in accordance with its terms. Nothing contained in Section 6.1(a) or Section 6.1(b) shall release any Person from:

(i) any Liability, contingent or otherwise, assumed, transferred, assigned or allocated to the Group of which such Person is a member in accordance with, or any other Liability of any member of any Group under, this Agreement or any Transaction Document;

(ii) any Liability for the sale, lease, construction or receipt of property or services purchased, obtained or used in the ordinary course of business by a member of one Group from a member of the other Group prior to the Closing Date;

(iii) any Liability for unpaid amounts for services or refunds owing on services due on a value-received basis for work done by a member of one Group at the request or on behalf of a member of the other Group; or

(iv) any Liability that Genworth and the Company may have with respect to indemnification or contribution pursuant to this Agreement or otherwise, including for claims brought against Genworth and the Company by third Persons (which third person claims shall be governed by the provisions of this Article VI and, if applicable, the appropriate provisions of the Transaction Documents).

(d) The Company shall not make, and shall not permit any member of the Company Group to make, any claim or demand, or commence any Action asserting any claim or demand, including any claim of contribution or any indemnification, against Genworth or any member of the Genworth Group, or any other Person released pursuant to Section 6.1(a), with respect to any Liabilities released pursuant to Section 6.1(a). Genworth shall not, and shall not permit any member of the Genworth Group, to make any claim or demand, or commence any Action asserting any claim or demand, including any claim of contribution or any indemnification against the Company or any member of the Company Group, or any other Person released pursuant to Section 6.1(b), with respect to any Liabilities released pursuant to Section 6.1(b).

(e) It is the intent of each of Genworth and the Company, by virtue of the provisions of this Section 6.1, to the fullest extent permitted by law and in furtherance of and without limitation of the releases in Section 6.1(a)-(b), to provide for a full and complete release and discharge of all Liabilities existing or arising from all acts and events occurring or failing to occur or alleged to have occurred or to have failed to occur and all conditions existing or alleged to have existed on or before the Closing Date, between or among the Company or any member of the Company Group, on the one hand, and Genworth or any member of the Genworth Group, on the other hand (including any contractual agreements or arrangements existing or alleged to exist between or among any such members on or before the Closing Date), except as expressly set forth in Sections 6.1(a), (b) and (c). At any time, at the request of any other Party, each Party shall cause each member of its respective Group to execute and deliver releases reflecting the provisions hereof.

6.2. General Indemnification by the Company. Except (i) as provided in Section 6.5 or (ii) as required by applicable Law, the Company shall indemnify, defend and hold harmless on an After-Tax Basis each member of the Genworth Group and each of their respective directors, officers and employees, and each of the heirs, executors, successors and assigns of any of the foregoing (collectively, the “**Genworth Indemnified Parties**”), from and against any and all Liabilities of the Genworth Indemnified Parties relating to, arising out of or resulting from any of the following items (without duplication):

(a) the failure of the Company or any other member of the Company Group or any other Person to pay, perform or otherwise promptly discharge any Company Liabilities in accordance with its respective terms, whether prior to or after the Closing Date;

(b) any Company Liability;

(c) any guarantee, indemnification obligation, surety bond or other credit support agreement, arrangement, commitment or understanding by any member of the Genworth Group for the benefit of any member of the Company Group that survives the Closing;

(d) any breach by any member of the Company Group of this Agreement or any of the Transaction Documents or any action by the Company in contravention of its Charter or Amended and Restated Bylaws; and

(e) any untrue statement or alleged untrue statement of a material fact contained in any Genworth Public Filing or any other document filed with the SEC by any member of the Genworth Group pursuant to the Securities Act or the Exchange Act, or any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, in each case to the extent, but only to the extent, that those Liabilities are caused by any such untrue statement or omission or alleged untrue statement or omission based upon information that is either furnished to any of the Genworth Indemnified Parties by any member of the Company Group or incorporated by reference by any Genworth Indemnified Party from any filings made by any member of the Company Group with the SEC pursuant to the Securities Act or the Exchange Act, and then only if that statement or omission was made or occurred after the Closing Date.

6.3. General Indemnification by Genworth. Except (i) as provided in Section 6.5 or

(ii) as required by applicable Law, Genworth shall indemnify, defend and hold harmless on an After-Tax Basis each member of the Company Group and each of their respective directors, officers and employees, and each of the heirs, executors, successors and assigns of any of the foregoing (collectively, the “Company Indemnified Parties”), from and against any and all Liabilities of the Company Indemnified Parties relating to, arising out of or resulting from any of the following items (without duplication):

(a) the failure of any member of the Genworth Group or any other Person to pay, perform or otherwise promptly discharge any Liabilities of the Genworth Group (including any Genworth Employee Liabilities) other than the Company Liabilities, whether prior to or after the Closing Date or the date hereof;

(b) any Liability or Contract of a member of the Genworth Group (including any Genworth Employee Liabilities) other than the Company Liabilities;

(c) any breach by any member of the Genworth Group of this Agreement or any of the Transaction Documents; and

(d) any untrue statement or alleged untrue statement of a material fact contained in any document filed with the SEC by any member of the Company Group pursuant to the Securities Act or the Exchange Act other than the Registration Statements, or any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, in each case to the extent, but only to the extent, that those Liabilities are caused by any such untrue statement or omission or alleged untrue statement or omission based upon

information that is either furnished to any member of the Company Indemnified Parties by any member of the Genworth Group or incorporated by reference by any Company Indemnified Party from any Genworth Public Filings or any other document filed with the SEC by any member of the Genworth Group pursuant to the Securities Act or the Exchange Act.

6.4. Registration Statement Indemnification.

(a) The Company agrees to indemnify and hold harmless on an After-Tax Basis the Genworth Indemnified Parties and each Person, if any, who controls any member of the Genworth Group within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act (collectively, the “Registration Indemnified Parties”) from and against any and all Liabilities arising out of or based upon any untrue statement or alleged untrue statement of a material fact contained in any Registration Statement or Prospectus, or arising out of or based upon any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, except insofar as such Liabilities arise out of or are based upon any untrue statement or omission or alleged untrue statement or omission which has been made therein or omitted therefrom in reliance upon and in conformity with (i) the information set forth in the IPO Registration Statement, that Genworth agrees in writing was furnished by a member of the Genworth Group, (ii) the information set forth in any other Registration Statement that Genworth agrees in writing was furnished by a member of the Genworth Group and (iii) information relating to any underwriter furnished in writing to the Company by or on behalf of such underwriter expressly for use in the Registration Statement or Prospectus.

(b) Each Registration Indemnified Party agrees, severally and not jointly, to indemnify and hold harmless on an After-Tax Basis the Company and its Subsidiaries and any of their respective directors or officers who sign any Registration Statement, and any person who controls the Company within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act, to the same extent as the foregoing indemnity from the Company to each Registration Indemnified Party, but only with respect to the information set forth in a Registration Statement, that Genworth agrees in writing was furnished by a member of the Genworth Group, or as agreed in writing by Genworth as provided by Section 6.4(a)(ii). For purposes of this Section 6.4(b), any information relating to any underwriter that is contained in a Registration Statement or Prospectus shall not be deemed to be information relating to a Registration Indemnified Party. If any Action shall be brought against the Company or its Subsidiaries, any of their respective directors or officers, or any such controlling person based on any Registration Statement or Prospectus and in respect of which indemnity may be sought against a Registration Indemnified Party pursuant to this paragraph (b), such Registration Indemnified Party shall have the rights and duties given to the Company by Section 6.5 hereof (except that if the Company shall have assumed the defense thereof, such Registration Indemnified Party shall not be required to, but may, employ separate counsel therein and participate in the defense thereof, but the fees and expenses of such counsel shall be at such Registration Indemnified Party’s expense), and the Company, its directors or officers and any such controlling person shall have the rights and duties given to such Registration Indemnified Party by Section 6.5 hereof.

6.5. Contribution.

(a) If the indemnification provided for in this Article VI is unavailable to, or insufficient to hold harmless on an After-Tax Basis, an Indemnified Party under Section 6.2(e), Section 6.3(d) or Section 6.4 hereof in respect of any Liabilities referred to therein, then each Indemnifying Party (as defined below) shall contribute to the amount paid or payable by such indemnified Party as a result of such Liabilities (or actions in respect thereof) in such proportion as is appropriate to reflect the relative fault of the Indemnifying Party and the indemnified Party in connection with the actions which resulted in Liabilities as well as any other relevant equitable considerations. The relative fault of such Indemnifying Party and Indemnified Party shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or omission or alleged omission to state a material fact relates to information supplied by such Indemnifying Party or indemnified Party, and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. For the purposes of this Section 6.5(a), the information set forth in the IPO Registration Statement or any other Registration Statement that is described by Genworth in writing pursuant to Section 6.4(a)(i) or as agreed in writing as provided by Section 6.4(a)(ii), as applicable, shall be the only "information supplied by" such Registration Indemnified Parties.

(b) Genworth and the Company agree that it would not be just and equitable if contribution pursuant to this Section 6.5 were determined by a pro rata allocation or by any other method of allocation that does not take account of the equitable considerations referred to in paragraph (a) above. The amount paid or payable by an Indemnified Party as a result of the Liabilities referred to in paragraph (a) above shall be deemed to include, subject to the limitations set forth above, any legal or other fees or expenses reasonably incurred by such Indemnified Party in connection with investigating any claim or defending any Action. Notwithstanding the provisions of this Section 6.5, a Registration Indemnified Party shall not be required to contribute any amount in excess of the amount by which the proceeds to such Registration Indemnified Party exceeds the amount of any damages which such Registration Indemnified Party has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation.

6.6. Indemnification Obligations Net of Insurance Proceeds and Other Amounts, On an After-Tax Basis.

(a) Any Liability subject to indemnification or contribution pursuant to this Article VI will be net of Insurance Proceeds that actually reduce the amount of the Liability and will be determined on an After-Tax Basis. Accordingly, the amount which any party (an "Indemnifying Party") is required to pay to any Person entitled to indemnification hereunder (an "Indemnified Party") will be reduced by any Insurance Proceeds theretofore actually recovered by or on behalf of the Indemnified Party in respect of the related Liability. If an Indemnified Party receives a payment (an "Indemnity Payment") required by this Agreement from an Indemnifying Party in respect of any Liability and subsequently receives Insurance Proceeds, then the Indemnified Party will pay to the Indemnifying Party an amount equal to the excess of the Indemnity Payment received over the amount of the Indemnity Payment that would have been due if the Insurance Proceeds had been received, realized or recovered before the Indemnity Payment was made.

(b) An insurer who would otherwise be obligated to pay any claim shall not be relieved of the responsibility with respect thereto or, solely by virtue of the indemnification provisions hereof, have any subrogation rights with respect thereto. The Indemnified Party shall use its commercially reasonable best efforts to seek to collect or recover any third-party Insurance Proceeds to which the Indemnified Party is entitled in connection with any Liability for which the Indemnified Party seeks indemnification pursuant to this Article VI; provided, that the Indemnified Party's inability to collect or recover any such Insurance Proceeds shall not limit the Indemnifying Party's obligations hereunder.

(c) The term "After-Tax Basis" as used in this Article VI shall mean, with respect to any indemnification payment to be actually or constructively received by any Person, the amount of the payment (i) increased to take account of any net Tax cost incurred by the Indemnified Party arising from the receipt or accrual of an indemnification payment hereunder (grossed up for such increase) and (ii) reduced to take account of any net Tax benefit realized by the Indemnified Party arising from incurring or paying such Liability. In computing the amount of any such Tax cost or Tax benefit, the Indemnified Party shall be deemed to recognize all other items of income, gain, loss, deduction or credit before recognizing any item arising from the receipt or accrual of any indemnification payment hereunder or incurring or paying any indemnified Liability. Any indemnification payment hereunder shall initially be made without regard to this Section 6.6(c) and shall be increased or reduced to reflect any such net Tax cost (including gross-up) or net Tax benefit only after the Indemnified Party has actually realized such cost or benefit. For purposes of this Agreement, an Indemnified Party shall be deemed to have "actually realized" a net Tax cost or a net Tax benefit to the extent that, and at such time as, the amount of Taxes payable by such Indemnified Party is increased above or reduced below, as the case may be, the amount of Taxes that such Indemnified Party would be required to pay but for the receipt or accrual of the indemnification payment or the incurrence or payment of such Liability, as the case may be. The amount of any increase or reduction hereunder shall be adjusted to reflect any "determination" (within the meaning of Section 1313 of the Code) with respect to the Indemnified Party's liability for Taxes, and payments between such indemnified parties to reflect such adjustment shall be made if necessary. Notwithstanding any other provision of this Agreement, to the extent permitted by applicable Law, the parties hereto agree that any indemnity payment made hereunder shall be treated as a capital contribution or dividend distribution, as the case may be, immediately prior to the date of the Initial Public Offering and, accordingly, not includible in the taxable income of the recipient or deductible by the payor.

6.7. Procedures for Indemnification of Third-Party Claims.

(a) If an Indemnified Party shall receive notice or otherwise learn of the assertion by a Person (including any Governmental Authority) who is not a member of the Genworth Group or the Company Group of any claim or of the commencement by any such Person of any Action (collectively, a "Third-Party Claim") with respect to which an Indemnifying Party may be obligated to provide indemnification to such Indemnified Party pursuant to Section 6.2, Section 6.3 or Section 6.4, or any other Section of this Agreement or any Transaction Document, such Indemnified Party shall give such Indemnifying Party written notice thereof within twenty (20) days after becoming aware of such Third-Party Claim. Any such notice shall describe the Third-Party Claim in reasonable detail. Notwithstanding the foregoing, the failure of any Indemnified Party or other Person to give notice as provided in this Section

6.7(a) shall not relieve the Indemnifying Party of its obligations under this Article VI, except to the extent that such Indemnifying Party is actually and materially prejudiced by such failure to give notice.

(b) An Indemnifying Party may elect to defend (and to seek to settle or compromise), at such Indemnifying Party's own expense and by such Indemnifying Party's own counsel, any Third-Party Claim. Within thirty (30) days after the receipt of notice from an Indemnified Party in accordance with Section 6.7(a) (or sooner, if the nature of such Third-Party Claim so requires), the Indemnifying Party shall notify the Indemnified Party of its election whether the Indemnifying Party will assume responsibility for defending such Third-Party Claim, which election shall specify any reservations or exceptions. After notice from an Indemnifying Party to an Indemnified Party of its election to assume the defense of a Third-Party Claim, such Indemnified Party shall have the right to employ separate counsel and to participate in (but not control) the defense, compromise, or settlement thereof, but the fees and expenses of such counsel shall be the expense of such Indemnified Party except as set forth in the next sentence. If the Indemnifying Party has elected to assume the defense of the Third-Party Claim but has specified, and continues to assert, any reservations or exceptions in such notice, then, in any such case, the reasonable fees and expenses of one separate counsel for all Indemnified Parties shall be borne by the Indemnifying Party, but the Indemnifying Party shall be entitled to reimbursement by the Indemnified Party for payment of any such fees and expenses to the extent that it establishes that such reservations and exceptions were proper.

(c) If an Indemnifying Party elects not to assume responsibility for defending a Third-Party Claim, or fails to notify an Indemnified Party of its election as provided in Section 6.7(b), such Indemnified Party may defend such Third-Party Claim at the cost and expense of the Indemnifying Party.

(d) Unless the Indemnifying Party has failed to assume the defense of the Third-Party Claim in accordance with the terms of this Agreement, no Indemnified Party may settle or compromise any Third-Party Claim without the consent of the Indemnifying Party. No Indemnifying Party shall consent to entry of any judgment or enter into any settlement of any pending or threatened Third-Party Claim in respect of which any Indemnified Party is or could have been a party and indemnity could have been sought hereunder by such Indemnified Party without the consent of the Indemnified Party if (i) the effect thereof is to permit any injunction, declaratory judgment, other order or other nonmonetary relief to be entered, directly or indirectly against such Indemnified Party and (ii) such settlement does not include an unconditional release of such Indemnified Party from all liability on claims that are the subject matter of such Third- Party Claim.

(e) The provisions of this Section 6.7 shall not apply to Taxes (which are covered by the Tax Allocation Agreement).

6.8. Additional Matters.

(a) Indemnification or contribution payments in respect of any Liabilities for which an Indemnified Party is entitled to indemnification or contribution under this Article VI shall be paid by the Indemnifying Party to the Indemnified Party as such Liabilities are incurred

upon demand by the Indemnified Party, including an obligation to provide reasonably satisfactory documentation setting forth the basis for the amount of such indemnification or contribution payment, including documentation with respect to calculations made on an After- Tax Basis and consideration of any Insurance Proceeds that actually reduce the amount of such Liabilities. The indemnity and contribution agreements contained in this Article VI shall remain operative and in full force and effect, regardless of (i) any investigation made by or on behalf of any Indemnified Party; (ii) the knowledge by the Indemnified Party of Liabilities for which it might be entitled to indemnification or contribution hereunder; and (iii) any termination of this Agreement.

(b) Any claim on account of a Liability which does not result from a Third- Party Claim shall be asserted by written notice given by the Indemnified Party to the applicable Indemnifying Party. Such Indemnifying Party shall have a period of thirty (30) days after the receipt of such notice within which to respond thereto. If such Indemnifying Party does not respond within such thirty (30)-day period, such Indemnifying Party shall be deemed to have refused to accept responsibility to make payment. If such Indemnifying Party does not respond within such thirty (30)-day period or rejects such claim in whole or in part, such Indemnified Party shall be free to pursue such remedies as may be available to such party as contemplated by this Agreement and the Transaction Documents without prejudice to its continuing rights to pursue indemnification or contribution hereunder.

(c) If payment is made by or on behalf of any Indemnifying Party to any Indemnified Party in connection with any Third-Party Claim, such Indemnifying Party shall be subrogated to and shall stand in the place of such Indemnified Party as to any events or circumstances in respect of which such Indemnified Party may have any right, defense or claim relating to such Third-Party Claim against any claimant or plaintiff asserting such Third-Party Claim or against any other Person. Such Indemnified Party shall cooperate with such Indemnifying Party in a reasonable manner, and at the cost and expense of such Indemnifying Party, in prosecuting any subrogated right, defense or claim.

(d) In an Action in which the Indemnifying Party is not a named defendant, if either the Indemnified Party or Indemnifying Party shall so request, the parties shall endeavor to substitute the Indemnifying Party for the named defendant if they conclude that substitution is desirable and practical. If such substitution or addition cannot be achieved for any reason or is not requested, the named defendant shall allow the Indemnifying Party to manage the Action as set forth in this section, and the Indemnifying Party shall fully indemnify the named defendant against all costs of defending the Action (including court costs, sanctions imposed by a court, attorneys' fees, experts fees and all other external expenses), the costs of any judgment or settlement, and the cost of any interest or penalties relating to any judgment or settlement.

(e) The provisions of this Section 6.8 shall not apply to Taxes and related matters covered under the Tax Allocation Agreement.

6.9. Remedies Cumulative; Limitations of Liability. The rights provided in this Article VI shall be cumulative and, subject to the provisions of Article IX, shall not preclude assertion by any Indemnified Party of any other rights or the seeking of any and all other remedies against any Indemnifying Party. Notwithstanding the foregoing, neither the Company

or its Affiliates, on the one hand, nor Genworth or its Affiliates, on the other hand, shall be liable to the other for any special, indirect, incidental, punitive, consequential, exemplary, statutorily- enhanced or similar damages in excess of compensatory damages (provided that any such liability with respect to a Third-Party Claim shall be considered direct damages) of the other arising in connection with the Transactions or any of the other Transaction Documents.

6.10. Survival of Indemnities. The rights and obligations of each of Genworth and the Company and their respective Indemnified Parties under this Article VI shall survive the sale or other transfer by any party of any Assets or businesses or the assignment by it of any Liabilities.

ARTICLE VII

OTHER AGREEMENTS

7.1. Further Assurances.

(a) In addition to the actions specifically provided for elsewhere in this Agreement and the Transaction Documents, each of Genworth and the Company will cooperate with each other and use (and will cause their respective Subsidiaries and Affiliates to use) reasonable best efforts, prior to, on and after the Closing Date, to take, or to cause to be taken, all actions, and to do, or to cause to be done, all things reasonably necessary on its part under applicable Law or contractual obligations to consummate and make effective the transactions contemplated by this Agreement and the Transaction Documents.

(b) Without limiting the foregoing, prior to, on and after the Closing Date, each of Genworth and the Company shall cooperate with the other Party, and without any further consideration, but at the expense of the requesting Party from and after the Closing Date, to execute and deliver, or use its reasonable best efforts to cause to be executed and delivered, all instruments, including instruments of conveyance, assignment and transfer, and to make all filings with, and to obtain all consents, approvals or authorizations of, any Governmental Authority or any other Person under any permit, license, agreement or other instrument (including any Consents or Governmental Approvals), and to take all such other actions as such Party may reasonably be requested to take by any other Party hereto from time to time, consistent with the terms of this Agreement and the Transaction Documents, in order to effectuate the provisions and purposes of this Agreement and the Transaction Documents and the assignment and assumption of the Company Liabilities and the other transactions contemplated hereby and thereby. Without limiting the foregoing, each Party will, at the reasonable request, cost and expense of any other Party, take such other actions as may be reasonably necessary to vest in such other Party good and marketable title to the Assets allocated to such Party under this Agreement or any of the Transaction Documents, free and clear of any Security Interest, if and to the extent it is practicable to do so.

(c) On or prior to the Closing Date, Genworth and the Company in their respective capacities as direct and indirect stockholders of their respective Subsidiaries, shall each ratify any actions that are reasonably necessary or desirable to be taken by Genworth, the Company or any other Subsidiary of Genworth or the Company, as the case may be, to effectuate the transactions contemplated by this Agreement. On or prior to the Closing Date, the Company

shall take all actions as may be necessary to approve the stock-based employee benefit plans of the Company in order to satisfy the requirements of Rule 16b-3 under the Exchange Act and the applicable rules and regulations of the Nasdaq.

7.2. Confidentiality.

(a) Prior to the Trigger Date, Genworth and the Company may disclose confidential information of the other Party (a) to any person who has a contractual, legal or fiduciary obligation of confidentiality with respect to such information; provided that Genworth or the Company discloses such confidential information in good faith and has a bona fide business purpose for disclosing such confidential information and (b) to the public as required to be in compliance with applicable Law or stock exchange rules.

(b) From and after the Trigger Date, subject to Section 7.2(d) and except as contemplated by this Agreement or any Transaction Document, Genworth shall not, and shall cause its respective Affiliates and their respective officers, directors, employees, and other agents and representatives, including attorneys, agents, customers, suppliers, contractors, consultants and other representatives of any Person providing financing (collectively, "Representatives"), not to, directly or indirectly, disclose, reveal, divulge or communicate to any Person other than Representatives of such Party or of its Affiliates who reasonably need to know such information in providing services or in connection with any financing, securities or strategic transactions, including any prospective transactions, restructuring transactions and sell-downs of Company Common Stock, to any member of the Genworth Group or use or otherwise exploit for its own benefit or for the benefit of any third party, any Company Confidential Information. If any uses or disclosures are made in connection with providing services to any member of the Genworth Group under this Agreement or any Transaction Document, then the Company Confidential Information so used or disclosed shall be used only as required to perform the services. The Genworth Group shall use the same degree of care to prevent and restrain the unauthorized use or disclosure of the Company Confidential Information by any of their Representatives as they currently use for their own confidential information of a like nature, but in no event less than a reasonable standard of care. For purposes of this Section 7.2, any Information, material or documents relating to the Company Business currently or formerly conducted, or proposed to be conducted, by any member of the Company Group furnished to or in possession of any member of the Genworth Group, irrespective of the form of communication, and all notes, analyses, compilations, forecasts, data, translations, studies, memoranda or other documents prepared by any member of the Genworth Group or their respective officers, directors and Affiliates, that contain or otherwise reflect such information, material or documents is hereinafter referred to as "Company Confidential Information." Company Common Stock ; provided, however, that, in the case of clause (ii), the source of such information was not known by such member of the Genworth Group to be bound by a confidentiality agreement with, or other contractual, legal or fiduciary obligation of confidentiality to, the Company or any member of the Company Group with respect to such information.

(c) From and after the Trigger Date, subject to Section 7.2(d) and except as contemplated by this Agreement or any Transaction Document, the Company shall not, and shall cause its Affiliates and their respective Representatives, not to, directly or indirectly, disclose, reveal, divulge or communicate to any Person other than Representatives of such Party or of its Affiliates who reasonably need to know such information in providing services to the Company or any member of the Company Group or use or otherwise exploit for its own benefit or for the benefit of any third party, any Genworth Confidential Information. If any uses or disclosures are made in connection with providing services to any member of the Company Group under this Agreement or any Transaction Document, then the Genworth Confidential Information so used or disclosed shall be used only as required to perform the services. The Company Group shall use the same degree of care to prevent and restrain the unauthorized use or disclosure of the Genworth Confidential Information by any of their Representatives as they currently use for their own confidential information of a like nature, but in no event less than a reasonable standard of care. For purposes of this Section 7.2, any Information, material or documents relating to the businesses currently or formerly conducted, or proposed to be conducted, by Genworth or any of its Affiliates (other than any member of the Company Group) furnished to or in possession of any member of the Company Group, irrespective of the form of communication, and all notes, analyses, compilations, forecasts, data, translations, studies, memoranda or other documents prepared by the Company, any member of the Company Group or their respective officers, directors and Affiliates, that contain or otherwise reflect such information, material or documents is hereinafter referred to as "Genworth Confidential Information." (d) From and after the Trigger Date, if Genworth or its Affiliates, on the one hand, or the Company or its Affiliates, on the other hand, are requested or required (by oral question, interrogatories, requests for information or documents, subpoena, civil investigative demand or similar process) by any Governmental Authority or pursuant to applicable Law to disclose or provide any Company Confidential Information or Genworth Confidential Information (other than with respect to any such information furnished pursuant to the provisions of Article V of this Agreement), as applicable, the entity or person receiving such request or demand shall use all reasonable best efforts to provide the other Party with written notice of such request or demand as promptly as practicable under the circumstances so that such other Party

shall have an opportunity to seek an appropriate protective order. The Party receiving such request or demand agrees to take, and cause its representatives to take, at the requesting Party's expense, all other reasonable steps necessary to obtain confidential treatment by the recipient. Subject to the foregoing, the Party that received such request or demand may thereafter disclose or provide any Company Confidential Information or Genworth Confidential Information, as the case may be, to the extent required by such Law (as so advised by counsel) or by lawful process or such Governmental Authority.

7.3. Information Sharing. Each party hereto acknowledges and agrees that Genworth Designees may share any information, including any confidential, non-public information, about the Company and its Subsidiaries received by them (whether in their capacity as a member of the Company Board (or committee thereof) or otherwise) from or on behalf of the Company or its designated representatives with Genworth.

7.4. Ownership of Certain Subsidiaries. So long as Genworth Seguros de Credito a la Vivienda, S.A. de C.V., a Mexico-domiciled subsidiary of Genworth, or Genworth Servicios, S. de R. L. de C. V., a Mexico-domiciled subsidiary of Genworth (together, the "Mexican Subsidiaries"), is a subsidiary of Genworth, the Company will not sell, transfer, or otherwise dispose of or cause its Subsidiaries to sell, transfer, or otherwise dispose of its ownership in the Mexican Subsidiaries; provided, that if requested by Genworth, the Company shall transfer to Genworth or its designee the Mexican Subsidiaries (i) for a purchase price equal to the fair market value of such Mexican Subsidiaries as mutually agreed by Genworth and the Company in good faith or as otherwise determined by an independent valuation firm mutually designated by Genworth and the Company and (ii) on such date as is mutually agreed by the Parties.

7.5. Insurance Matters.

(a) The Company and its subsidiaries, as a whole, (i) as of the Effective Time, shall have its own directors' and officers' liability insurance with sufficient coverage (including, without limitation, in amounts) that is consistent with customary market practices in its business and (ii) at and after the Effective Time to the Trigger Date, shall continuously maintain such liability insurance. For the avoidance of doubt, at and after the Effective Time, the Company shall not submit any claims under Genworth's directors' and officers' liability insurance.

(b) Prior to the Trigger Date, members of the Company Group shall be insured by, have direct access or availability to, be entitled to make direct claims on or be entitled to claim benefits directly from or under Genworth Insurance Arrangements, in each case solely to the extent provided by the terms of the Genworth Insurance Arrangements, as the same may be modified, terminated or otherwise changed from time to time in accordance with Section 7.5(f) below. Members of the Company Group will pay premiums and other costs under each such Genworth Insurance Arrangement in accordance with Genworth's allocation methodologies (consistently applied) for its other Subsidiaries, as the same may be in effect from time to time.

(c) From and after the Trigger Date, members of the Company Group shall cease to be insured by, have access or availability to, be entitled to make claims on, be entitled to claim benefits from or seek coverage under any Genworth Insurance Arrangement, other than with respect to any claim, act, omission, event, circumstance, occurrence or loss that occurred or

existed prior to the Trigger Date (and then only to the extent that such claim, act, omission, event, circumstance, occurrence or loss occurred or existed on or prior to the Trigger Date) (a “Pre-Trigger Date Event”) and was reported to the applicable insurer in accordance with the provisions of the applicable Genworth Insurance Arrangement, subject in each case to the terms and conditions of the applicable Genworth Insurance Arrangement and the requirements of subparagraph (f) below. Upon receipt of a written request from the Company, Genworth shall use its commercially reasonable efforts to reduce or cancel the Company Group’s coverage under any Genworth Insurance Arrangement, effective no earlier than sixty (60) days after Genworth’s receipt of such request, provided, however that (i) any costs associated with or incurred in connection with such reduction or cancellation shall be borne exclusively by the Company Group, (ii) the Company Group understands that there may be no premium refund or credit provided by the relevant insurers as a result of such reduction or cancellation and (iii) if and to the extent that Genworth actually receives a premium refund or credit from the relevant insurers for the term of the coverage so reduced or cancelled as a direct result of such reduction or cancellation, Genworth shall only be obligated to credit or pay over to the Company Group the lesser of (A) the amount of any such credit or refund or (B) the amount last charged to the Company Group by Genworth for such coverage during such term.

(d) Notwithstanding subparagraph (b) above, with respect to any Pre-Trigger Date Event relating to Company Liabilities or the members of the Company Group that would be covered by Genworth’s occurrence-based insurance policies, the members of the Company Group may directly access, make direct claims on, claim benefits directly from or under such policies, subject in each case to the terms and conditions of such occurrence-based policies and the requirements of subparagraph (f) below.

(e) Notwithstanding subparagraph (b) above, with respect to any Pre-Trigger Date Event relating to Company Liabilities or the members of the Company Group that would be covered by Genworth’s claims made-based insurance policies, the members of the Company Group may directly access, make direct claims on, claim benefits directly from or under such policies, subject to the terms and conditions of such claims made-based insurance policies and the requirements of subparagraph (f) below.

(f) In connection with any pursuit by or on behalf of any member of the Company Group of insurance benefits or coverage permitted by this Section 7.5:

(i) the Company shall as promptly as reasonably practicable notify Genworth’s Treasurer of all such claims and/or efforts to seek benefits or coverage and Genworth and the Company shall reasonably cooperate with one another in pursuing all such claims; provided, that the Company shall be solely responsible for notifying the relevant insurance companies of such claims and complying with all conditions for such claims. In addition, the applicable member of the Company Group shall (A) pursue or (B) to the extent assignable and permitted under the applicable Genworth Insurance Arrangement, assign to Genworth or the applicable insurer, any rights of recovery against third parties with respect to Pre-Trigger Date Events for which a claim is made and shall cooperate with Genworth with respect to pursuit of such rights. The order of priority of any such recoveries shall inure first to Genworth to reimburse any and

all costs incurred by Genworth directly or indirectly as a result of such claims or losses, second to pay or satisfy any applicable deductibles and retentions under the relevant Genworth Insurance Arrangements and third to the relevant member of the Company Group;

(ii) Genworth shall have the right but not the duty to monitor and/or provide input with respect to coverage claims or requests for benefits asserted by the members of the Company Group under the relevant Genworth Insurance Arrangements, including the coverage positions and arguments asserted therein, provided that the Company (A) shall be liable for any fees, costs and expenses incurred by Genworth relating to any unsuccessful coverage claim, (B) shall provide the notice contemplated in Section 7.5(f)(i), (C) shall not, without the written consent of Genworth, erode, settle, release, commute or otherwise resolve disputes with respect to the relevant Genworth Insurance Arrangements nor amend, modify or waive any rights thereunder, and (D) shall not assign any Genworth Insurance Arrangements or any rights or claims thereunder; and

(iii) the Company shall exclusively bear and be liable (and Genworth shall have no obligation to repay or reimburse the applicable member of the Company Group) for all deductibles and retentions and uninsured, uncovered, unavailable or uncollectible amounts relating to or associated with such claims, whether made by any member of the Company Group, its employees or third parties.

(g) Notwithstanding anything contained herein, Genworth shall retain exclusive right to control all of its insurance policies and programs, including the Genworth Insurance Arrangements referenced in subparagraphs (b) through (e) above, and the benefits and amounts payable thereunder, including the right to exhaust, settle, release, commute, buy-back or otherwise resolve disputes with respect to any of its insurance policies and programs and to amend, modify or waive any rights under any such insurance policies and programs, notwithstanding whether any such policies or programs apply to any Liabilities and/or claims that any member of the Company Group has made or could make in the future, including coverage claims with respect to Pre-Trigger Date Events. The Company Group shall cooperate with Genworth and share such information as is reasonably necessary in order to permit Genworth to manage and conduct its insurance matters as Genworth deems appropriate and that the Company, on behalf of itself and each member of the Company Group, hereby gives consent for Genworth to, on or after the date of this Agreement, inform any affected insurer of this Agreement and to provide such insurer with a copy hereof.

(h) With respect to all open, closed and re-opened claims covered under Genworth's workers' compensation, international employers' liability insurance policies and/or comparable workers' compensation self-insurance, state or country programs relating to employees (whether present or former, active or inactive) of any member of the Company Group arising from occurrences prior to the Trigger Date, the Company shall promptly reimburse Genworth for all claim payments, costs and expenses relating to such claims, as well as any, catastrophic coverage charges, overhead, claim handling and administrative costs, taxes,

surcharges, state assessments, other related costs, whether such claims are made by any member of the Company Group, its employees or third parties.

(i) This Agreement shall not be considered as an attempted assignment of any policy of insurance or as a contract of insurance, and nothing in this Agreement is intended to waive or abrogate in any way Genworth's or the Company's own rights to insurance coverage for any liability, whether relating to Genworth or any of its Affiliates or the Company Group or otherwise.

(j) Sections 7.5(b), (c), (d), (e) and (f) shall only be in effect for so long as the Shared Services Agreement is in effect.

7.6. Allocation of Costs and Expenses. Genworth shall pay the underwriting fees, discounts and commissions, and certain costs and expenses attributable to or associated with the Initial Public Offering, including Genworth's legal and financial advisors. Except for the foregoing or as otherwise expressly provided in this Agreement or any Transaction Document, costs and expenses associated with the Initial Public Offering directly incurred by the Company, including the Company's legal advisors, shall be paid by the Company.

7.7. Covenants Against Taking Certain Actions Affecting the Genworth Group. Except to the extent otherwise contemplated by this Agreement or any Transaction Document, the Company hereby covenants and agrees that it shall not, without the prior written consent of Genworth (which Genworth may withhold in its sole and absolute discretion) take, or cause to be taken, directly or indirectly, any action, including making or failing to make any election under the Law of any state, which has the effect, directly or indirectly, of restricting or limiting the ability of Genworth or any of its Affiliates to freely sell, transfer, assign, pledge or otherwise dispose of shares of Company Common Stock. Without limiting the generality of the foregoing, the Company shall not, without the prior written consent of Genworth (which it may withhold in its sole and absolute discretion), take any action, or recommend to its stockholders any action, which would among other things, limit the legal rights of, or deny any benefit to, Genworth or its Affiliates as a Company stockholder in a manner not applicable to Company stockholders generally.

7.8. Anti-Dilution. The Company hereby covenants and agrees that it shall not, without the prior written consent of Genworth (which Genworth may withhold in its sole and absolute discretion) take, or cause to be taken, directly or indirectly, any action, which has the effect, directly or indirectly, of causing Genworth's beneficial ownership in the Company to fall below (a) 80.1% or, subsequently, (b) 50.1% of the Company Common Stock, as applicable.

7.9. No Violations.

(a) The Company covenants and agrees that it shall not, and shall cause its Subsidiaries not to, take any action or enter into any commitment or agreement which, to the Company's Knowledge, may reasonably be anticipated to result, with or without notice and with or without lapse of time or otherwise, in a contravention or event of default by any member of the Genworth Group of: (i) any provisions of applicable Law; (ii) any provision of the organizational documents of any member of the Genworth Group; or (iii) any judgment, order or

decree of any Governmental Authority having jurisdiction over any member of the Genworth Group or any of its respective assets. For purposes of this Section 7.9(a), the “Company’s Knowledge” means the actual knowledge, without inquiry, of the executive officers of the Company (as identified in the IPO Registration Statement); provided, that the Company shall be deemed to have knowledge of the provisions of the organizational documents of Genworth.

(b) Genworth covenants and agrees that it shall not, and shall cause its Subsidiaries not to take any action or enter into any commitment or agreement which, to Genworth’s Knowledge, may reasonably be anticipated to result, with or without notice and with or without lapse of time or otherwise, in a contravention or event of default by any member of the Company Group of: (i) any provisions of applicable Law; (ii) any provision of the organizational documents of the Company; or (iii) any judgment, order or decree of any Governmental Authority having jurisdiction over the Company or any of its Assets. For purposes of this Section 7.9(b), “Genworth’s Knowledge” means the actual knowledge, without inquiry, of the executive officers of Genworth.

(c) Genworth and the Company agree to provide to the other any information and documentation reasonably requested by the other for the purpose of evaluating and ensuring compliance with Sections 7.9(a) and Section 7.9(b) hereof.

(d) Notwithstanding Section 7.9(b), nothing in this Agreement is intended to limit or restrict in any way any of Genworth’s rights as a stockholder of the Company.

7.10. Litigation and Settlement Cooperation. Genworth or the Company, as applicable (the “Settling Party”) will, respectively, use its commercially reasonable efforts to include the Company and its Subsidiaries or Genworth and its Subsidiaries, as applicable (the “Non-Settling Party”), in the settlement of any Third-Party Claim arising prior to the Trigger Date which jointly involves a member of the Genworth Group and a member of the Company Group, but for which no member of the Genworth Group or the Company Group is an Indemnified Party (the “Joint Claims”); provided, however, that the Non-Settling Party shall be responsible for its share of any such settlement obligation and any incremental cost (as reasonably determined by Settling Party) to the Settling Party of including the Non-Settling Party in such settlement; provided, further, that the Non-Settling Party shall be permitted in good faith to opt out of any settlement if the Non-Settling Party agrees to be responsible for defending its share of such Joint Claim. After the date hereof, the Party that is primarily affected by a Joint Claim shall have the primary responsibility for defending such Joint Claim. The Parties agree to cooperate in the defense and settlement of any Joint Claim that primarily relates to matters, actions, events or occurrences taking place prior to the Trigger Date. In addition, both Genworth and the Company will use their reasonable best efforts to make the necessary filings to permit each Party to defend its own interests in any Joint Claim as of the Trigger Date, or as soon as practicable thereafter.

7.11. Non-Compete.

(a) Except as permitted by this Section 7.11 for a period of one (1) year from the Trigger Date (the “Restricted Period”), none of Genworth or its Subsidiaries shall, directly or indirectly, engage in any business that directly or indirectly competes with the Company Business in the United States of America and its Territories (the “Company Covered Business”).

This Section 7.11 shall cease to be applicable to any Person at such time as it is no longer a Subsidiary of Genworth and shall not apply to any Person that purchases assets, operations or a business from a member of the Genworth Group, if such Person is not a Subsidiary of Genworth after such transaction is consummated. This Section 7.11 does not apply to any Subsidiary of Genworth in which a Person who is not an Affiliate of Genworth holds equity interests and with respect to whom a member of the Genworth Group has existing contractual or legal obligations (including fiduciary duties of representatives on the board of directors or similar body of such Subsidiary) limiting Genworth's ability to impose on the subject Subsidiary a non-competition obligation such as that in this Section 7.11.

(b) Except as permitted by this Section 7.11, the Company Group shall not, at any time during the Restricted Period, directly or indirectly, engage in any business that directly or indirectly competes with the businesses of Genworth (other than the Company Business) in the United States of America and its Territories (the "Genworth Covered Business"). This Section 7.11 shall cease to be applicable to any Person at such time as it is no longer a Subsidiary of the Company and shall not apply to any Person that purchases assets, operations or a business from a member of the Company Group, if such Person is not a Subsidiary of the Company after such transaction is consummated. This Section 7.11 does not apply to any Subsidiary of the Company in which a Person who is not an Affiliate of the Company holds equity interests and with respect to whom a member of the Company Group has existing contractual or legal obligations (including fiduciary duties of representatives on the board of directors or similar body of such Subsidiary) limiting the Company's ability to impose on the subject Subsidiary a non-competition obligation such as that in this Section 7.11.

(c) Notwithstanding any other provisions of this Agreement, during the Restricted Period, if Genworth, the Company or its respective Group desires to enter into a strategic alliance, joint venture relationship or any other transaction with a third party where such strategic alliance, joint venture relationship or any other transaction with a third party conducts or is proposed to conduct a Company Covered Business or a Genworth Covered Business, as applicable, and in which such Group contributes \$50 million or more of assets, Genworth or the Company, as applicable, may only proceed with such strategic alliance, joint venture or any other transaction with respect to the Company Covered Business or the Genworth Covered Business, as applicable, if such opportunity has been offered to the other Party and the other Party has (i) declined to accept such opportunity or (ii) the terms on which the other Party desires to participate are less favorable in the aggregate to the other Party or its Group, as applicable, than those offered by a third party.

(d) Notwithstanding the provisions of Section 7.11(a), (b) or (c), and without implicitly agreeing that the following activities would be subject to the provisions of Section 7.11(a), (b) or (c), nothing in this Agreement shall preclude, prohibit or restrict any member of the Genworth Group or the Company Group from engaging in any manner in any (i) Existing Business Activities, (ii) De Minimis Business or (iii) business activity that would otherwise violate Section 7.11(a) or (b) that is acquired from any Person (an "After-Acquired Business") or is carried on by any Person that is acquired by or combined with a member of the Genworth Group or the Company Group in each case after the date of the Initial Public Offering (an "After-Acquired Company"); provided, that with respect to clause (iii), so long as within twenty-four

(24) months after the purchase or other acquisition of the Acquired Business or the Acquired

Company, such member of the Genworth Group or Company Group, as applicable, signs a definitive agreement to dispose, and subsequently disposes of the relevant portion of the business or securities of the Acquired Business or the Acquired Company or at the expiration of such twenty-four (24) month period the business of the After-Acquired Business or the After- Acquired Company complies with this Section 7.11.

7.12. Non-Solicit.

(a) Without the prior written consent of Genworth, the Company shall not at any time during the Restricted Period, directly or indirectly, either for itself or another Person, solicit to hire, employ, retain or contract for service, as a director, officer, employee, partner, consultant, independent contractor or otherwise, any individual who to the Company's Knowledge is then employed by Genworth at the level of salary band L-1, P-5 or M-3 or encourage any such individual to terminate his or her employment with Genworth, other than in publications of a general nature and not specifically directed at any employee or employees of Genworth, unless (i) Genworth has terminated the employment of such individual or (ii) at least six (6) months have elapsed since such individual has voluntarily terminated his or her employment with Genworth.

(xvii) so long as Genworth remains on its current general ledger solution and system, change the general ledger solution and system for the Company;

(xviii) so long as Genworth remains on its current business performance management software solution, change the business performance management software solution for the Company; and

(xix) authorize or enter into any agreement to do any of the foregoing.

(b) For the avoidance of doubt, (i) nothing in this Section 8.1 shall be construed in a manner inconsistent with Section 5.8(b)(ii) and (ii) Genworth shall have the right, in its sole discretion, to waive any and all of the rights granted to it under this Section 8.1, by delivery of written notice to the Company in accordance with Section 10.5.

(c) For so long as Genworth beneficially owns at least twenty percent (20%) of the Company's common stock, the Company will be required to consult with Genworth with respect to the foregoing matters; however, Genworth will no longer have consent rights with respect to such matters other than as described in this Section 8.1.

8.2. Director Nomination Rights.

(a) Until the Trigger Date, Genworth shall have the right (but not the obligation) pursuant to this Agreement to designate for nomination to the Company Board six (6) individuals and the Company shall obtain any necessary approvals from the Company Board, the Nominating and Corporate Governance Committee of the Company Board or other duly authorized committee of the Company Board and shall include in the slate of nominees recommended to stockholders of the Company (the "Stockholders") for election as a director at any annual or special meeting of the Stockholders (or, if permitted, by any action by written consent of the Stockholders) at which directors of the Company are to be elected, the up to six individuals identified in advance by Genworth.

(b) After the Trigger Date and at any time when Genworth shall beneficially own at least forty percent (40%) of the outstanding shares of Company Common Stock, Genworth shall have the right (but not the obligation) pursuant to this Agreement to designate for nomination to the Company Board five (5) individuals and the Company shall obtain any necessary approvals from the Company Board, the Nominating and Corporate Governance Committee of the Company Board or other duly authorized committee of the Company Board and shall include in the slate of nominees recommended to the Stockholders for election as a director at any annual or special meeting of the Stockholders (or, if permitted, by any action by written consent of the Stockholders) at which directors of the Company are to be elected, the up to five individuals identified in advance by Genworth.

(c) After the Trigger Date and at any time when Genworth shall beneficially own at least thirty percent (30%) but less than forty percent (40%) of the outstanding shares of Company Common Stock, Genworth shall have the right (but not the obligation) pursuant to this Agreement to designate for nomination to the Company Board four (4) individuals and the Company shall obtain any necessary approvals from the Company Board, the Nominating and Corporate Governance Committee of the Company Board or other duly authorized committee of the Company Board and shall include in the slate of nominees recommended to the Stockholders for election as a director at any annual or special meeting of the Stockholders (or, if permitted, by any action by written consent of the Stockholders) at which directors of the Company are to be elected, the up to four individuals identified in advance by Genworth.

(d) After the Trigger Date and at any time when Genworth shall beneficially own at least twenty percent (20%) but less than thirty percent (30%) of the outstanding shares of Company Common Stock, Genworth shall have the right (but not the obligation) pursuant to this Agreement to designate for nomination to the Company Board three (3) individuals and the Company shall obtain any necessary approvals from the Company Board, the Nominating and Corporate Governance Committee of the Company Board or other duly authorized committee of the Company Board and shall include in the slate of nominees recommended to the Stockholders for election as a director at any annual or special meeting of the Stockholders (or, if permitted, by any action by written consent of the Stockholders) at which directors of the Company are to be elected, the up to three individuals identified in advance by Genworth.

(e) After the Trigger Date and at any time when Genworth shall beneficially own at least ten percent (10%) but less than twenty percent (20%) of the outstanding shares of Company Common Stock, Genworth shall have the right (but not the obligation) pursuant to this Agreement to designate for nomination to the Company Board two (2) individuals and the Company shall obtain any necessary approvals from the Company Board, the Nominating and Corporate Governance Committee of the Company Board or other duly authorized committee of the Company Board and shall include in the slate of nominees recommended to the Stockholders for election as a director at any annual or special meeting of the Stockholders (or, if permitted, by any action by written consent of the Stockholders) at which directors of the Company are to be elected, the two individuals identified in advance by Genworth (any such individuals identified pursuant to Sections 8.2(a), 8.2(b), 8.2(c), 8.2(d), 8.2(e), 8.2(f) or 8.2(g) hereof, the "Genworth Designees").

(f) At any time when Genworth shall beneficially own at least ten percent (10%) of the outstanding shares of Company Common Stock, Genworth shall have the right (but not the obligation) pursuant to this Agreement to designate one non-voting observer (the "Board Observer") to attend any meetings of the Company Board. The Board Observer shall be permitted to attend, strictly as an observer, meetings of the Company Board and all materials and reports to be provided to the Company Board shall be delivered to the Board Observer at the same time as such materials are provided to the Company Board. The Board Observer shall not have any voting rights with respect to any matters considered or determined by the Company Board or any committee thereof. Any action taken by the Company Board at any meeting will not be invalidated by the absence of the Board Observer at such a meeting.

(g) The Parties agree that it is in the best interests of the Company for the Company's Chief Executive Officer to be a director serving on the Company Board. For so long as this Agreement is in effect, the Parties agree to take all reasonable action and use its reasonable best efforts to obtain any necessary approvals from the Company Board, the Nominating and Corporate Governance Committee (or any other applicable duly authorized committee) of the Company Board to include in the slate of nominees recommended to the Stockholders for election as a director at any annual or special meeting of the Stockholders at which directors of the Company are to be elected (or, as applicable and if permitted, by any action by written consent of the Stockholders), the Company's Chief Executive Officer.

(h) If the size of the Company Board shall, with Genworth's prior written approval, be changed, Genworth shall have the right to designate a proportional number of additional persons for nomination to the Company Board (rounded up to the nearest whole number) and the Company shall obtain any necessary approvals from the Company Board, the Nominating and Corporate Governance Committee of the Company Board or other duly authorized committee of the Company Board and shall include in the slate of nominees recommended to the Stockholders for election as a director at any annual or special meeting of the Stockholders (or, if permitted, by any action by written consent of the Stockholders) at which directors of the Company are to be elected, the individuals identified in advance by Genworth.

(i) In the event that Genworth has nominated less than the total number of individuals that Genworth shall be entitled to nominate pursuant to these Sections 8.2(a), 8.2(b), 8.2(c), 8.2(d), 8.2(e) or 8.2(f), then Genworth shall have the right, at any time, to designate such additional individual(s) to which Genworth is entitled, in which case, the Company shall cause the Company Board to take all necessary corporate action to (1) increase the size of the Company Board as required to enable Genworth to so designate such additional individuals and

(2) nominate such additional individuals identified by Genworth to fill such newly created vacancies.

(j) Vacancies arising through the death, resignation or removal of any Genworth Designee who was nominated to the Company Board pursuant to this Section 8.2, may be filled by the Company Board only with a Genworth Designee, and the director so chosen shall hold office until the next election and until his or her successor is duly elected and qualified, or until his or her earlier death, resignation or removal.

(k) Notwithstanding the provisions of this Section 8.2, Genworth shall not be entitled to designate a Person as a nominee to the Company Board upon a written determination by the Nominating and Corporate Governance Committee of the Company Board or equivalent duly authorized committee of the Company Board with nominating responsibility (which determination shall set forth in writing reasonable grounds for such determination) that such Person would not be qualified under any applicable Law, rule or regulation to serve as a director of the Company. In such an event, Genworth shall be entitled to select a Person as a replacement designee and the Company shall cause such Person to be nominated as the Genworth Designee at the same meeting (or, if permitted, pursuant to the same action by written consent of the Stockholders) as such initial Person was to be nominated. Other than with respect to the issue set forth in the first sentence of this Section 8.2(k), neither the Company nor any other party to this Agreement shall have the right to object to any Genworth Designee. Notwithstanding anything in

this Agreement to the contrary, no Genworth Designee shall be required to qualify as an independent director under applicable rules or regulations of the SEC or the Nasdaq unless such rules require them to be independent for purposes of being able to serve on the Company Board or the applicable committees in accordance with the designation rights under this Agreement following the loss of “controlled company” status and expiration of the applicable transition periods.

(l) At any time when Genworth shall beneficially own at least ten percent (10%) of the outstanding shares of Company Common Stock, the Company shall notify Genworth in writing of the date on which proxy materials are expected to be mailed by the Company in connection with an election of directors at an annual or special meeting of the Stockholders (and the Company shall deliver such notice at least 60 days (or such shorter period to which Genworth consents, which consent need not be in writing) prior to such expected mailing date or such earlier date as may be specified by the Company reasonably in advance of such earlier delivery date on the basis that such earlier delivery is necessary so as to ensure that any Genworth Designee may be included in such proxy materials at the time such proxy materials are mailed). The Company shall provide Genworth with a reasonable opportunity to review and provide comments on any portion of the proxy materials relating to the Genworth Designees or the rights and obligations provided under this Agreement and to discuss any such comments with the Company. The Company will incorporate any such comments from Genworth. The Company shall notify Genworth of any opposition to a Genworth Designee in accordance with Section 8.2(k) sufficiently in advance of the date on which such proxy materials are to be mailed by the Company in connection with such election of directors so as to enable Genworth to propose a replacement Genworth Designee, if necessary, in accordance with the terms of this Agreement, and Genworth shall have 10 business days after such notification to identify such replacement Genworth Designee.

(m) In the event that Genworth ceases to have the requisite nomination rights pursuant to Section 8.2, Genworth shall use its reasonable best efforts to cause the applicable Genworth Designees to resign as promptly as practicable thereafter.

(n) Except as required by applicable Law or the corporate governance listing standards of the Nasdaq and subject to Section 8.1(a)(xiii) and Section 8.2(h), the Company shall not, without the prior written consent of Genworth, take any action to increase the number of directors on the Company Board.

(o) Until the Trigger Date, the Company shall avail itself of certain “controlled company” exceptions to the corporate governance listing standards of the Nasdaq in connection with the independent directors on the Nominating and Corporate Governance Committee and the Compensation Committee.

(p) So long as this Agreement shall remain in effect, subject to applicable legal requirements, the Company’s Charter and the Company’s Amended and Restated Bylaws shall accommodate and be subject to and not in any respect conflict with the rights and obligations set forth herein.

(q) For the avoidance of doubt, Genworth shall have the right, in its sole discretion, to waive any and all of the rights granted to it under this Section 8.2, by delivery of written notice to the Company in accordance with Section 10.5.

8.3. Committees of the Company Board.

(a) Until the Trigger Date, Genworth shall have the right (but not the obligation) pursuant to this Agreement to designate at least two (2) Genworth Designees who are directors on the Company Board to serve on the Compensation Committee.

(b) Until the first date on which Genworth ceases to beneficially own more than thirty percent (30%) of the outstanding Company Common Stock, (i) the Company shall cause the Audit Committee, Compensation Committee, Independent Capital Committee, Nominating and Corporate Governance Committee and Risk Committee to each consist of three

(3) directors and (ii) Genworth shall have the right (but not the obligation) pursuant to this Agreement to designate at least one (1) Genworth Designee who is a director on the Company Board to serve on each committee of the Company Board, other than the Independent Capital Committee.

(c) The Genworth Designee on the Audit Committee must be an independent director who meets all Nasdaq and SEC requirements to serve on the Audit Committee. If the Company is no longer a “controlled company” under the rules and regulations of the Nasdaq, the Genworth Designee on the Compensation Committee and the Nominating and Corporate Governance Committee must be an independent director who meets all Nasdaq requirements to serve on the Compensation Committee and the Nominating and Corporate Governance Committee.

(d) If the size of any committee of the Company Board shall, with Genworth’s prior written approval, be changed, Genworth shall have the right to designate a proportional number of additional Genworth Designees to serve on such committee (rounded up to the nearest whole number) and the Company shall obtain any necessary approvals from the Company Board or other duly authorized committee of the Company Board.

8.4. Meetings of the Company Board. Regular and special meetings of the Board of Directors shall be held in accordance with the provisions of the Amended and Restated Bylaws.

8.5. Compliance with Organizational Documents. The Company shall, and shall cause each of its Subsidiaries to, take any and all actions necessary to ensure continued compliance by the Company and its Subsidiaries with the provisions of its respective certificate or articles of incorporation and Bylaws (collectively, “organizational documents”). The Company shall notify Genworth in writing promptly after becoming aware of any act or activity taken or proposed to be taken by the Company or any of its Subsidiaries which resulted or would result in non-compliance with any such organizational documents, and so long as Genworth or any member of the Group owns any shares of Company Common Stock, the Company shall take or refrain from taking all such actions as Genworth shall in its sole discretion determine necessary or desirable to prevent or remedy any such non-compliance.

ARTICLE IX

DISPUTE RESOLUTION

9.1. General Provisions.

(a) Except with respect to the fair market value of the Mexican Subsidiaries, which shall be determined solely in accordance with Section 7.4, any dispute, controversy or claim arising out of or relating to this Agreement or the Transaction Documents (except to the extent explicitly excluded therein) or the validity, interpretation, breach or termination thereof and any question of the arbitral tribunal's jurisdiction or the existence, scope or validity of this arbitration agreement or the arbitrability of any claim (a "Dispute"), shall be resolved in accordance with the procedures set forth in this Article IX, which shall be the sole and exclusive procedures for the resolution of any such Dispute.

(b) Commencing with a request contemplated by Section 9.2 set forth below, all communications between the Parties or their representatives in connection with the Parties' negotiations under Section 9.2 or Section 9.3 (including any communications with or statements by the mediator pursuant to Section 9.3 below), shall be deemed to have been delivered in furtherance of settlement negotiations (without regard for any labelling or lack of labelling of such communications), shall be exempt from discovery and production, and shall not be admissible in evidence for any reason (whether as an admission or otherwise), in any arbitral or other proceeding for the resolution of the Dispute, provided that evidence that is otherwise admissible or discoverable shall not be rendered inadmissible or non-discoverable as a result of its use in the negotiation.

(c) The Parties expressly waive and forego any right to (i) special, indirect, incidental, punitive, consequential, exemplary, statutorily-enhanced or similar damages in excess of compensatory damages (provided that liability for any such damages with respect to a Third- Party Claim shall be considered direct damages) and (ii) trial by jury.

(d) The specific procedures set forth below, including but not limited to the time limits referenced therein, may be modified by agreement of the Parties in writing.

(e) To the fullest extent permitted by law, all applicable statutes of limitations and defenses based upon the passage of time with respect to any Dispute shall be tolled while the procedures specified in this Article IX are pending with respect to such Dispute. The Parties will take such action, if any, required to effectuate such tolling.

9.2. Consideration by Senior Executives. If a Dispute is not resolved in the normal course of business at the operational level, the Parties shall attempt in good faith to resolve such Dispute by negotiation between the senior-most executives of each Party or their respective senior-level designees. Either Party may initiate the executive negotiation process by providing a written notice of such Dispute to the other (the "Initial Notice"). Within fifteen (15) days after delivery of the Initial Notice, the receiving Party shall submit to the other a written response (the "Response"). The Initial Notice and the Response shall include (i) a statement of the Dispute and of each Party's position, and (ii) the name and title of the executive who will represent that Party

and of any other person who will accompany the executive. Such executives shall meet in person, by telephone or by videoconference within ten (10) Business Days of the date of the Response to seek a resolution of the Dispute.

9.3. Mediation. If a Dispute is not resolved in writing by negotiation as provided in Section 9.2 within thirty (30) days from the date of the Response, such Dispute shall be submitted, at the written request of either Party, to mediation pursuant to the Mediation Procedures of the International Institute for Conflict Prevention and Resolution (“CPR”) then in effect, except as modified herein. The Parties shall jointly select a mediator from the CPR Panels of Distinguished Neutrals. If the Parties are unable to select a mutually agreeable mediator within twenty (20) days following the submission of the Dispute to the CPR, the CPR shall select the mediator from the CPR Panels of Distinguished Neutrals.

9.4. Arbitration.

(a) If a Dispute is not resolved in writing by mediation as provided in Section 9.3 within thirty (30) days of the selection of a mediator, such Dispute shall be submitted, at the request of either Party, to final and binding arbitration pursuant to the CPR Rules for Administered Arbitration then in effect, except as modified herein (the “CPR Arbitration Rules”). The Parties consent to a single, consolidated arbitration for all known Disputes existing at the time of the arbitration and for which arbitration is permitted.

(b) The arbitral tribunal shall be composed of three (3) arbitrators. In accordance with the CPR Arbitration Rules, the Party commencing the arbitration shall designate an arbitrator in the notice of arbitration and the other Party shall designate an arbitrator in its notice of defense. The two arbitrators so designated shall nominate a third arbitrator, who shall serve as chair of the arbitral tribunal, within thirty (30) days of the confirmation by the CPR of the appointment of the second arbitrator. On the request of any Party, any arbitrator not timely nominated shall be appointed by the CPR in accordance with the CPR Arbitration Rules. Unless the Parties agree otherwise, the chair of the arbitral tribunal shall be either (i) a former chancellor or vice chancellor of the Delaware Court of Chancery or (ii) a member of the Delaware bar with at least 10 years of experience in Court of Chancery matters. The seat of the arbitration shall be New York, New York. The arbitration and this arbitration agreement shall be governed by the Federal Arbitration Act, 9 U.S.C. §§ 1 et seq.

(c) The Parties agree that judgment on any award or order resulting from an arbitration conducted under this Section 9.4 may be entered and enforced in any court having jurisdiction over any Party or any of its assets.

(d) Except as expressly permitted by this Agreement, no Party will commence or voluntarily participate in any court action or proceeding concerning a Dispute, except (i) for enforcement as contemplated by Section 9.4(c) above; (ii) to challenge or vacate an award issued by the arbitral tribunal; or (iii) for interim relief as provided in Section 9.4(f) below.

(e) Each Party acknowledges that in the event of any actual or threatened breach of the provisions of (i) Section 7.2, Section 7.11, or Article VIII, (ii) the Intellectual Property Cross License Agreement, (iii) the Trademark License Agreement or (iv) the

Registration Rights Agreement, the remedy at law would not be adequate, and therefore injunctive or other interim relief may be sought immediately to restrain such breach.

(f) Until the arbitral tribunal has been constituted, either Party may seek interim relief in aid of arbitration, to preserve the *status quo*, or for the purposes set out in Section 9.4(d), above, from any court having jurisdiction over any Party or any of its assets. Without prejudice to such interim remedies that may be granted by a court, the arbitral tribunal shall have full authority to grant interim remedies, to order a Party to request that a court modify or vacate any temporary or preliminary relief issued by such court, and to award damages for the failure of any Party to respect the arbitral tribunal's orders to that effect.

(g) The Parties consent and submit to the non-exclusive jurisdiction of any federal court located in the State of New York or, where such court does not have jurisdiction, any New York state court, in either case located in New York County, New York ("New York Court") for the enforcement of any arbitral award rendered hereunder, to compel arbitration or for interim relief. In any such action: each Party irrevocably waives, to the fullest extent it may effectively do so, any objection, including any objection to the laying of venue or based on the grounds of *forum non conveniens* or any right of objection to jurisdiction on account of its place of incorporation or domicile, which it may now or hereafter have to the bringing of any such action or proceeding in any New York Court.

(h) Each Party will bear its own attorneys' fees and costs incurred in connection with the resolution of any Dispute in accordance with this Article IX.

ARTICLE X MISCELLANEOUS

10.1. Corporate Power; Fiduciary Duty.

(a) Genworth represents on behalf of itself, and the Company represents on behalf of itself, as follows:

(i) each such Person has the requisite corporate or other power and authority and has taken all corporate or other action necessary in order to execute, deliver and perform this Agreement and each other Transaction Document to which it is a party and to consummate the transactions contemplated hereby and thereby; and

(ii) this Agreement and each Transaction Document to which it is a party has been duly executed and delivered by it and constitutes a valid and binding agreement of it enforceable in accordance with the terms thereof.

(b) Notwithstanding any provision of this Agreement or any Transaction Document, neither Genworth nor the Company shall be required to take or omit to take any act that would violate its fiduciary duties to any minority stockholders of the Company or any non-wholly owned Subsidiary of Genworth or the Company, as the case may be (it being understood

that directors' qualifying shares or similar interests will be disregarded for purposes of determining whether a Subsidiary is wholly owned).

10.2. Governing Law. This Agreement shall be governed by and construed in accordance with the Laws of the State of Delaware (without giving effect to any provision thereof relating to conflicts of laws principles that would apply the laws of another jurisdiction).

10.3. Survival of Covenants. Except as expressly set forth in any Transaction Document, the covenants and other agreements contained in this Agreement and each Transaction Document, and liability for the breach of any obligations contained herein or therein, shall survive each of the IPO Transactions and the Initial Public Offering and shall remain in full force and effect.

10.4. Force Majeure. No Party hereto (or any Person acting on its behalf) shall have any liability or responsibility for failure to fulfill any obligation (other than a payment obligation) under this Agreement or, unless otherwise expressly provided therein, any Transaction Document, so long as and to the extent to which the fulfillment of such obligation is prevented, frustrated, hindered or delayed as a consequence of circumstances of Force Majeure. A Party claiming the benefit of this provision shall, as soon as reasonably practicable after the occurrence of any such event: (i) notify the other Parties of the nature and extent of any such Force Majeure condition and (ii) use due diligence to remove any such causes and resume performance under this Agreement as soon as feasible.

10.5. Notices. All notices, requests, claims, demands and other communications under this Agreement and, to the extent applicable and unless otherwise provided therein, under each of the Transaction Documents shall be in writing and shall be given or made (and shall be deemed to have been duly given or made upon receipt) by delivery in person, by overnight courier service, by email with receipt confirmed or by registered or certified mail (postage prepaid, return receipt requested) to the respective Parties at the following addresses (or at such other address for a Party as shall be specified in a notice given in accordance with this Section 10.5):

10.6. Severability. If any term or other provision (or part thereof) of this Agreement is invalid, illegal or incapable of being enforced under any Law or as a matter of public policy, all other conditions and provisions (or part thereof) of this Agreement shall nevertheless remain in full force and effect. Upon such determination that any term or other provision (or part thereof)

is invalid, illegal or incapable of being enforced, the Parties to this Agreement shall negotiate in good faith to modify this Agreement so as to effect the original intent of the Parties as closely as possible in a mutually acceptable manner in order that the transactions contemplated by this Agreement be consummated as originally contemplated to the greatest extent possible.

10.7. Entire Agreement. ARTICLE II
REGISTRATION RIGHTS

2.1 Shelf Registration.

(a) Filing. At any time after the date on which the Company first becomes eligible to use a Short-Form Registration Statement, upon the written request of any Holder, the Company shall promptly (but no later than thirty (30) days after the receipt of such request) file with the SEC a Shelf Registration Statement (which registration statement, if the Company is eligible to file such, shall be an automatic shelf registration statement as defined in Rule 405) relating to the offer and sale by such Holder of all or part of its Registrable Securities. If at any time while Registrable Securities are outstanding, the Company files any Shelf Registration Statement for its own benefit or for the benefit of holders of any of its securities other than the Holders, the Company shall include in such Shelf Registration Statement such disclosures as may be required under the Securities Act to ensure that the Holders may sell their Registrable Securities pursuant to such Shelf Registration Statement through the filing of a prospectus supplement rather than a post-effective amendment.

(b) Effectiveness. The Company shall use its reasonable best efforts to (i) cause such Shelf Registration Statement to be declared effective under the Securities Act as promptly as practicable after such Shelf Registration Statement is filed and (ii) maintain the continuous effectiveness of the Shelf Registration Statement for the maximum period permitted by SEC rules, and shall replace any Shelf Registration Statement at or before expiration, if applicable, with a successor effective Shelf Registration Statement to the extent any Registrable Securities remain outstanding (such period of effectiveness, the "Shelf Period").

(c) Sales by Holders. The plan of distribution contained in any Shelf Registration Statement referred to in this Section 2.1 (or any related prospectus supplement) shall be determined by Genworth, if any member of the Genworth Affiliated Group is a requesting Holder for such Shelf Registration Statement, or otherwise by the other requesting Holder or Holders. Each Holder shall be entitled to sell Registrable Securities pursuant to the Shelf Registration Statement referred to in this Section 2.1 from time to time and at such times as such Holder shall determine. Such Holder shall promptly advise the Company of its intention so to sell Registrable Securities pursuant to the Shelf Registration Statement.

(d) Underwritten Offering. If any Holder intends to sell Registrable Securities pursuant to any Shelf Registration Statement referred to in this Section 2.1 through an Underwritten Offering, the Company shall take all steps to facilitate such an offering, including the actions required pursuant to Section 2.6 and Article III, as appropriate; provided that the Company shall not be required to facilitate such Underwritten Offering unless so requested by Genworth or any other member of the Genworth Affiliated Group. Any Holder shall be entitled to request an unlimited number of Underwritten Offerings under this Section 2.1.

(e) Shelf Take-Downs. At any time that a Shelf Registration Statement covering Registrable Securities is effective, if any Holder delivers a notice to the Company (a "Take-Down Notice") stating that it intends to effect an Underwritten Offering of all or part of its Registrable Securities included by it on such Shelf Registration Statement (each such offering, a

“Shelf Take-Down”), the Company shall amend or supplement such Shelf Registration Statement as may be necessary in order to enable such Registrable Securities to be distributed pursuant to the Underwritten Offering. In connection with any Underwritten Offering pursuant to this Section 2.1, the Company shall deliver the Take-Down Notice to any other Holder with Registrable Securities included on such Shelf Registration Statement and permit such Holder to include its Registrable Securities in such Underwritten Offering if such Holder notifies the Company within two (2) Business Days after the Company has delivered the Take-Down Notice.

(f) No Notice in Block Sales. Notwithstanding any other provision of this Agreement, if any member of the Genworth Affiliated Group wishes to engage in a Block Sale (including a Block Sale off of a Shelf Registration Statement), then notwithstanding the foregoing or any other provisions hereunder, any Non-Genworth Holder shall not be entitled to receive any notice of or have its Registrable Securities included in, or otherwise participate in, such Block Sale.

2.2 Demand Registrations.

(a) Right to Request Additional Demand Registrations. Any Holder may, by providing a written request to the Company, request to sell all or part of the Registrable Securities pursuant to a Registration Statement separate from a Shelf Registration Statement (a “Demand Registration”). Each request for a Demand Registration shall specify the kind and aggregate amount of Registrable Securities to be registered and the intended methods of disposition thereof (which, if not specified, shall be by way of Underwritten Offering). Promptly after its receipt of a request for a Demand Registration (but in any event within five days), the Company shall give written notice of such request to all other Holders. Within thirty (30) days after the date the Company has given the Holders notice of the request for Demand Registration, the Company shall file a Registration Statement, in accordance with this Agreement, with respect to all Registrable Securities that have been requested to be registered in the request for Demand Registration and that have been requested by any other Holders by written notice to the Company within five (5) days after the Company has given the Holders notice of the request for Demand Registration.

(b) Limitations on Demand Registrations. Subject to Section 2.2(a) and this Section 2.2(b), any Holder will be entitled to request an unlimited number of Demand Registrations; provided that any Non-Genworth Holder will be entitled to no more than two (2) Demand Registrations. Any Holder shall be entitled to participate in a Demand Registration initiated by any other Holder. The Company shall not be obligated to effect more than one Demand Registration in any 180-day period. Any Demand Registration shall be in addition to any registration on a Shelf Registration Statement.

(c) Effectiveness. The Company shall be required to maintain the effectiveness of the Registration Statement with respect to any Demand Registration for a period of at least 90 days after the effective date thereof or such shorter period during which all Registrable Securities included in such Registration Statement have actually been sold; provided, however, that such period shall be extended for a period of time equal to the period the Holder of Registrable Securities refrains from selling any securities included in such Registration

Statement at the request of the Company or an underwriter of the Company pursuant to the provisions of this Agreement.

(d) Withdrawal. A Holder may, by written notice to the Company, withdraw its Registrable Securities from a Demand Registration at any time prior to the effectiveness of the applicable Registration Statement. Upon receipt of notices from all applicable Holders to such effect, the Company shall cease all efforts to seek effectiveness of the applicable Registration Statement.

2.3 Priority. If a registration pursuant to Section 2.1 or 2.2 above is an Underwritten Offering and the managing underwriters of such proposed Underwritten Offering advise the Holders in writing that, in their good faith opinion, the number of securities requested to be included in such Underwritten Offering exceeds the number which can be sold in such offering without being likely to have a material adverse effect on the price, timing or distribution of the securities offered or the market for the securities offered, then the number of securities to be included in such Underwritten Offering shall be reduced in the following order of priority: first, there shall be excluded from the Underwritten Offering any securities to be sold for the account of any selling securityholder other than the Holders; second, there shall be excluded from the Underwritten Offering any securities to be sold for the account of the Company; and finally, the number of Registrable Securities of any Holders that have been requested to be included therein shall be reduced, *pro rata* based on the number of Registrable Securities owned by each such Holder, in each case to the extent necessary to reduce the total number of securities to be included in such offering to the number recommended by the managing underwriters.

2.4 Piggyback Registrations.

(a) Piggyback Request. Whenever the Company proposes to register any of its securities under the Securities Act or equivalent non-U.S. securities laws (other than (i) pursuant to a Demand Registration, (ii) pursuant to a registration statement on Form S-4 or any similar or successor form or (iii) pursuant to a registration solely relating to an offering and sale to employees or directors of the Company pursuant to any employee stock plan or other employee benefit plan arrangement), and the registration form to be filed may be used for the registration or qualification for distribution of Registrable Securities, the Company will give prompt written notice to all Holders of its intention to effect such a registration (but in no event less than 20 days prior to the proposed date of filing of the applicable Registration Statement) and, subject to Section 2.4(c), will include in such registration all Registrable Securities with respect to which the Company has received written requests for inclusion therein within 10 days after the date the Company's notice is given to such Holders (a "Piggyback Registration"). There shall be no limitation on the number of Piggyback Registrations that the Company shall be required to effect under this Section 2.4.

(b) Withdrawal and Termination. The Company shall be required to maintain the effectiveness of the Registration Statement for a registration requested pursuant to Section 2.4(a) until the earlier to occur of (i) ninety (90) days after the effective date thereof and (ii) consummation of the distribution by the Holders of the Registrable Securities included in such Registration Statement. Any Holder that has made a written request for inclusion in a Piggyback Registration may withdraw its Registrable Securities from such Piggyback

Registration by giving written notice to the Company on or before the fifth day prior to the planned effective date of such Piggyback Registration. The Company may, without prejudice to the rights of Holders to request a registration pursuant to Section 2.1 or 2.2 hereof, at its election, give written notice of such determination to each Holder of Registrable Securities and terminate or withdraw any registration under this Section 2.4 prior to the effectiveness of such registration, whether or not any Holder has elected to include Registrable Securities in such registration, and, except for the obligation to pay or reimburse Registration Expenses, the Company shall be relieved of its obligation to register any Registrable Securities in connection with such registration and will have no liability to any Holder in connection with such termination or withdrawal.

(c) Priority of Piggyback Registrations. If the managing underwriters advise the Company and Holders of Registrable Securities in writing that, in their good faith opinion, the number of securities requested to be included in an Underwritten Offering to be effected pursuant to a Piggyback Registration exceeds the number which can be sold in such offering without being likely to have a material adverse effect on the price, timing or distribution of the securities offered or the market for the securities offered, then the securities to be included in such Underwritten Offering shall be reduced in the following order of priority: first, there shall be excluded from the Underwritten Offering any securities to be sold for the account of any Non- Genworth Holder; second, the number of securities to be included in the Underwritten Offering shall be reduced *pro rata* based, in the case of the Genworth Holders, on the number of Registrable Securities owned by each Genworth Holder, and in the case of the Company, the number of securities to be sold for the account of the Company, to the extent necessary to reduce the total number of Registrable Securities to be included in such offering to the number recommended by the managing underwriters. No registration of Registrable Securities effected pursuant to a request under this Section 2.4 shall be deemed to have been effected pursuant to Sections 2.1 or 2.2 or shall relieve the Company of its obligations under Sections 2.1 or 2.2.

2.5 Lock-up Agreements. Each of the Company and the Holders agrees, upon notice from the managing underwriters in connection with any registration for an Underwritten Offering of the Company's securities (other than pursuant to a registration statement on Form S-4 or any similar or successor form, or pursuant to a registration solely relating to an offering and sale to employees or directors of the Company pursuant to any employee stock plan or other employee benefit plan arrangement), not to effect (other than pursuant to such registration) any public sale or distribution of Registrable Securities, including, but not limited to, any sale pursuant to Rule 144, or make any short sale of, loan, grant any option for the purchase of, or otherwise dispose of, any Registrable Securities, any other equity securities of the Company or any securities convertible into or exchangeable or exercisable for any equity securities of the Company without the prior written consent of the managing underwriters for a period of up to ninety (90) days (or such shorter period as may be agreed to by the managing underwriter(s)); provided that such restrictions shall not apply in any circumstance to (i) securities acquired by a Holder in the public market subsequent to the completion of the IPO, (ii) distributions-in-kind to a Holder's limited or other partners, members, shareholders or other equity holders or (iii) transfers by a member of the Genworth Affiliated Group to another member of the Genworth Affiliated Group. Notwithstanding the foregoing, no holdback agreements of the type contemplated by this Section

2.5 shall be required of Holders (A) unless each of the Company's directors and executive officers agrees to be bound by a substantially identical holdback agreement for at least the same period of time; or (B) that restricts the offering or sale of Registrable Securities pursuant to a Demand Registration.

2.6 Registration Procedures. Subject to the proviso of Section 2.1(d), if and whenever the Company is required to effect the registration of any Registrable Securities pursuant to this Agreement, the Company shall use its reasonable best efforts to effect and facilitate the registration, offering and sale of such Registrable Securities in accordance with the intended method of disposition thereof as promptly as is practicable, and the Company shall as expeditiously as possible:

(a) prepare and file with the SEC (within thirty (30) days after the date on which the Company has given Holders notice of any request for Demand Registration) a Registration Statement with respect to such Registrable Securities, make all required filings required (including FINRA filings) in connection therewith and thereafter and (if the Registration Statement is not automatically effective upon filing) use its reasonable best efforts to cause such Registration Statement to become effective; provided that, before filing a Registration Statement or any amendments or supplements thereto (including free writing prospectuses under Rule 433), the Company will furnish to Holders' Counsel for such registration copies of all such documents proposed to be filed (including exhibits thereto), which documents will be subject to review of such counsel, and such other documents reasonably requested by such counsel, including any comment letter from the SEC, and give the Holders participating in such registration an opportunity to comment on such documents and keep such Holders reasonably informed as to the registration process; provided, further, that if registration at the time would require the inclusion of pro forma financial or acquired business historical financial information, which requirement the Board determines the Company is reasonably unable to comply with, then the Company may defer the filing of the Registration Statement that is required to effect the applicable registration for a reasonable period of time to compile such information;

(b) (i) prepare and file with the SEC such amendments and supplements to any Registration Statement as may be necessary to keep such Registration Statement effective for a period of either (A) not less than ninety (90) days or, if such Registration Statement relates to an Underwritten Offering in the case of a Demand Registration, such longer period as in the opinion of counsel for the managing underwriters a prospectus is required by law to be delivered in connection with sales of Registrable Securities by an underwriter or dealer or the maximum period of time permitted by the Securities Act in the case of a Shelf Registration Statement, or

(B) such shorter period ending when all of the Registrable Securities covered by such Registration Statement have been disposed of (but in any event not before the expiration of any longer period required under the Securities Act) and (ii) to comply with the provisions of the Securities Act with respect to the disposition of all Registrable Securities covered by such Registration Statement;

(c) furnish to each Selling Holder, Holders' Counsel and the underwriters such number of copies, without charge, of any Registration Statement, each amendment and supplement thereto, including each preliminary prospectus, final prospectus, all exhibits and

other documents filed therewith and such other documents as such Persons may reasonably request from time to time in order to facilitate the disposition of the Registrable Securities owned by such Selling Holder; provided that, before amending or supplementing any Registration Statement, the Company shall furnish to the Holders a copy of each such proposed amendment or supplement and not file any such proposed amendment or supplement to which any Selling Holder reasonably objects. The Company hereby consents to the use of such prospectus and each amendment or supplement thereto by each of the Selling Holders of Registrable Securities and the underwriters, if any, in connection with the offering and sale of the Registrable Securities covered by such prospectus and any such amendment or supplement thereto;

(d) use its reasonable best efforts to register or qualify any Registrable Securities under such other securities or blue sky laws of such jurisdictions as any Selling Holder, and the managing underwriters, if any reasonably request, use its reasonable best efforts to keep each such registration or qualification (or exemption therefrom) effective during the period such Registration Statement is required to be kept effective and do any and all other acts and things that may be necessary or reasonably advisable to enable such Selling Holder and each underwriter, if any, to consummate the disposition of the seller's Registrable Securities in such jurisdictions; provided that the Company will not be required to (i) qualify generally to do business in any such jurisdiction where it would not otherwise be required to qualify but for this subsection, (ii) subject itself to taxation in any jurisdiction where it is not then so subject or

(iii) consent to general service of process in any such jurisdiction where it is not then so subject (other than service of process in connection with such registration or qualification or any sale of Registrable Securities in connection therewith);

(e) use its reasonable best efforts to cause all Registrable Securities covered by any Registration Statement to be registered with or approved by such other governmental agencies, authorities or self-regulatory bodies as may be necessary or reasonably advisable in light of the business and operations of the Company to enable the Selling Holders to consummate the disposition of such Registrable Securities in accordance with the intended method or methods of disposition thereof;

(f) during any time when a prospectus is required to be delivered under the Securities Act, promptly notify each Selling Holder and Holders' Counsel upon discovery that, or upon the discovery of the happening of any event as a result of which, the prospectus contains an untrue statement of a material fact or omits any fact necessary to make the statements therein not misleading in light of the circumstances under which they were made and, as promptly as practicable, prepare and furnish to such Selling Holders a reasonable number of copies of a supplement or amendment to such prospectus so that, as thereafter delivered to the purchasers of such Registrable Securities, such prospectus will not contain any untrue statement of a material fact or omit to state any fact necessary to make the statements therein not misleading in the light of the circumstances under which they were made;

(g) promptly notify each Selling Holder and Holders' Counsel (i) when the Registration Statement, any prospectus supplement or any post-effective amendment to the Registration Statement has been filed and, with respect to such Registration Statement or any post-effective amendment, when the same has become effective, (ii) of any written comments by

the SEC or any request by the SEC for amendments or supplements to such Registration Statement or to amend or to supplement any prospectus contained therein or for additional information, (iii) of the issuance by the SEC of any stop order suspending the effectiveness of such Registration Statement or the initiation or threatening of any proceedings for any of such purposes, (iv) if at the time the Company has reason to believe that the representations and warranties of the Company contained in any agreement (including any underwriting agreement) contemplated by Section 2.6(j) below cease to be true and correct and (v) of the receipt by the Company of any notification with respect to the suspension of the qualification or exemption from qualification of such Registrable Securities for sale in any jurisdiction, or the initiation or threatening of any proceeding for such purpose;

(h) cause all such Registrable Securities to be listed on each securities exchange on which similar securities issued by the Company are then listed or, if no similar securities issued by the Company are then listed on any securities exchange, use its reasonable best efforts to cause all such Registrable Securities to be listed on the Nasdaq Global Select Market;

(i) provide a transfer agent and registrar for all such Registrable Securities not later than the effective date of such Registration Statement, and, if required, obtain a CUSIP number for such Registrable Securities not later than such effective date;

(j) enter into such customary agreements (including underwriting agreements with customary provisions in such forms as may be requested by the managing underwriters) and take all such other actions as the Selling Holders or the underwriters, if any, reasonably request in order to expedite or facilitate the disposition of such Registrable Securities;

(k) make available for inspection by any Selling Holder, Holders' Counsel, any underwriter participating in any disposition pursuant to the applicable Registration Statement and any attorney, accountant or other agent retained by any such Selling Holder or underwriter all financial and other records, pertinent corporate documents and documents relating to the business of the Company reasonably requested by such Selling Holder, cause the Company's officers, directors, employees and independent accountants to supply all information reasonably requested by any such Selling Holder, Holders' Counsel, underwriter, attorney, accountant or agent in connection with such Registration Statement and make senior management of the Company available for customary due diligence and drafting activity; provided that any such Person gaining access to information or personnel pursuant to this Section 2.6(k) shall (i) reasonably cooperate with the Company to limit any resulting disruption to the Company's business and (ii) agree to use reasonable efforts to protect the confidentiality of any information regarding the Company which the Company determines in good faith to be confidential, and of which determination such Person is notified, unless (A) the release of such information is requested or required by deposition, interrogatory, requests for information or documents by a governmental entity, subpoena or similar process, (B) the release of such information, in the opinion of such Person, is required to be released by law or applicable legal process, (C) such information is or becomes publicly known without a breach of this Agreement, (D) such information is or becomes available to such Person on a non-confidential basis from a source other than the Company or (E) such information is independently developed by such Person. In

the case of a proposed disclosure pursuant to (A) or (B) above, such Person shall be required to give the Company written notice of the proposed disclosure prior to such disclosure and, if requested by the Company, assist the Company in seeking to prevent or limit the proposed disclosure;

(l) otherwise use its reasonable best efforts to comply with all applicable rules and regulations of the SEC, and make available to its security holders, as soon as reasonably practicable, an earnings statement covering the period of at least twelve months beginning with the first day of the Company's first full calendar quarter after the effective date of the applicable Registration Statement, which earnings statement will satisfy the provisions of Section 11(a) of the U.S. Securities Act (including, at the Company's option, Rule 158 thereunder);

(m) in the case of an Underwritten Offering, promptly incorporate in a prospectus supplement or post-effective amendment such information as the managing underwriters or any Selling Holder reasonably requests to be included therein, the purchase price being paid therefor by the underwriters and any other terms of the Underwritten Offering of the Registrable Securities to be sold in such offering, and promptly make all required filings of such prospectus supplement or post-effective amendment;

(n) in the event of the issuance of any stop order suspending the effectiveness of a Registration Statement, or of any order suspending or preventing the use of any related prospectus or ceasing trading of any securities included in such Registration Statement for sale in any jurisdiction, use every reasonable effort to promptly obtain the withdrawal of such order;

(o) make senior management of the Company available to assist to the extent reasonably requested by the managing underwriters of any Underwritten Offering to be made pursuant to such registration in the marketing of the Registrable Securities to be sold in the Underwritten Offering, including the participation of such members of the Company's senior management in "road show" presentations and other customary marketing activities, including "one-on-one" meetings with prospective purchasers of the Registrable Securities to be sold in the Underwritten Offering, and otherwise to facilitate, cooperate with, and participate in each proposed offering contemplated herein and customary selling efforts related thereto, in each case to the same extent as if the Company were engaged in a primary registered offering of its Common Stock;

(p) use reasonable best efforts to: (a) obtain all consents of independent public accountants required to be included in the Registration Statement and (b) in connection with each offering and sale of Registrable Securities, obtain one or more comfort letters, addressed to the underwriters and to the Selling Holders, dated the date of the underwriting agreement for such offering and the date of each closing under the underwriting agreement for such offering, signed by the Company's independent public accountants in customary form and covering such matters of the type customarily covered by comfort letters as the underwriters or Genworth, if any member of the Genworth Affiliated Group is a Selling Holder in such offering, or otherwise by the Holders of a majority of the Registrable Securities being sold in such offering, as applicable, reasonably request;

(q) use reasonable best efforts to obtain: (a) all legal opinions from Company Outside Counsel (or internal counsel) required to be included in the Registration Statement and

(b) in connection with each closing of a sale of Registrable Securities, legal opinions from Company Outside Counsel (or internal counsel if acceptable to the managing underwriters), addressed to the underwriters, dated as of the date of such closing, with respect to the Registration Statement, each amendment and supplement thereto (including the preliminary prospectus) and such other documents relating thereto in customary form and covering such matters of the type customarily covered by legal opinions of such nature;

(r) upon the occurrence of any event contemplated by Section 2.6(f) above, promptly prepare a supplement or post-effective amendment to the Registration Statement or a supplement to the related prospectus or any document incorporated or deemed to be incorporated therein by reference, or file any other required document so that, as thereafter delivered to the purchasers of the Registrable Securities being sold thereunder, such prospectus will not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading;

(s) reasonably cooperate with each seller of Registrable Securities and each underwriter or agent participating in the disposition of such Registrable Securities and their respective counsel in connection with any filings required to be made with the FINRA;

(t) take no direct or indirect action prohibited by Regulation M under the Exchange Act; provided that, to the extent that any prohibition is applicable to the Company, the Company will take all reasonable action to make such prohibition inapplicable; and

(u) use its reasonable best efforts to take or cause to be taken all other actions, and do and cause to be done all other things necessary or reasonably advisable in the opinion of Holders' Counsel to effect the registration, marketing and sale of such Registrable Securities.

The Company agrees not to file or make any amendment to any Registration Statement with respect to any Registrable Securities, or any amendment or supplement to the prospectus used in connection therewith, that refers to any Holder covered thereby by name, or otherwise identifies such Holder as the holder of any securities of the Company, without the consent of such Holder, such consent not to be unreasonably withheld or delayed, unless and to the extent such disclosure is required by law, rule or regulation, in which case the Company shall provide prompt written notice to such Holders prior to the filing of such amendment to any Registration Statement or amendment of or supplement to such prospectus or any free writing prospectus.

Each Holder of Registrable Securities as to which any registration is being effected shall furnish the Company with such information regarding such Holder and pertinent to the disclosure requirements relating to the registration and the distribution of such securities as the Company may from time to time reasonably request in writing.

If the Company files any Shelf Registration Statement for the benefit of the holders of any of its securities other than the Holders, the Company agrees that it shall use its reasonable best efforts to include in such registration statement such disclosures as may be required by Rule

430B under the Securities Act (referring to the unnamed selling security holders in a generic manner by identifying the initial offering of the securities to the Holders) in order to ensure that the Holders may be added to such Shelf Registration Statement at a later time through the filing of a Prospectus supplement rather than a post-effective amendment.

2.7 Registration Expenses. Whether or not any Registration Statement is filed or becomes effective, the Company shall pay directly or promptly reimburse all costs, fees and expenses incident to the Company's performance of or compliance with this Agreement, including (i) all registration and filing fees, (ii) all fees and expenses associated with filings to be made with any securities exchange or with any other governmental or quasi-governmental authority; (iii) all fees and expenses of compliance with securities or blue sky laws, including reasonable fees and disbursements of counsel in connection therewith, (iv) all printing expenses (including expenses of printing certificates for Registrable Securities and of printing prospectuses if the printing of prospectuses is requested by the Holders or the managing underwriters, if any), (v) all "road show" expenses incurred in respect of any Underwritten Offering, including all costs of travel, lodging and meals, (vi) all messenger, telephone and delivery expenses, (vii) all fees and disbursements of Company Outside Counsel, (viii) all fees and disbursements of all independent certified public accountants of the Company (including expenses of any "cold comfort" letters required in connection with this Agreement) and all other persons, including special experts, retained by the Company in connection with such Registration Statement, (ix) all reasonable fees and disbursements of underwriters (other than Selling Expenses) customarily paid by the issuers of securities and (x) all other costs, fees and expenses incident to the Company's performance or compliance with this Agreement (all such expenses, "Registration Expenses"). The Selling Holders shall be responsible for their Selling Expenses and the expenses of its counsel and any other advisors; provided, however, that, if a member of the Genworth Affiliated Group is a Selling Holder, the Company shall pay or reimburse the Selling Holders for the reasonable and documented fees and expenses of one law firm chosen by the member(s) of the Genworth Affiliated Group as their counsel in connection with an underwritten offering pursuant to this Agreement, subject to a cap of \$75,000. Except as provided in this Section 2.7, the Company shall have no obligation to pay any Selling Expenses or any other expenses of the Seller Holders.

2.8 Underwritten Offering.

(a) No Holder may participate in any registration hereunder that is an Underwritten Offering unless such Holder (i) agrees to sell its Registrable Securities on the basis provided in any underwriting arrangements approved by the Persons entitled hereunder to approve such arrangements (including, without limitation, pursuant to the terms of any over-allotment or "green shoe" option requested by the managing underwriters; provided that no Holder will be required to sell more than the number of Registrable Securities that such Holder has requested the Company to include in any registration), (ii) completes and executes all questionnaires, powers of attorney, indemnities, underwriting agreements and other documents reasonably required under the terms of such underwriting arrangements, and (iii) cooperates with the Company's reasonable requests in connection with such registration or qualification (it being understood that the Company's failure to perform its obligations hereunder, which failure is caused by such Holder's failure to cooperate, will not constitute a breach by the Company of this

Agreement); provided that no such Holder shall be required to make any representations or warranties in connection with any such registration other than representations and warranties as to (A) such Holder's ownership of Registrable Securities to be transferred free and clear of all liens, claims, and encumbrances created by such Holder and (B) such Holder's power and authority to effect such transfer; provided, further that any obligation of such Holder to indemnify any Person pursuant to any underwriting agreement shall be several, not joint and several, among such Holders selling Registrable Securities, and such liability shall be limited to the net proceeds received by such Holder, as applicable, from the sale of Registrable Securities pursuant to such registration (which proceeds shall include the amount of cash or the fair market value of any assets in exchange for the sale or exchange of such Registrable Securities or that are the subject of a distribution), and the relative liability of each such Holder shall be in proportion to such net proceeds.

2.9 Postponement; Suspension. The Company may postpone any filing or effectiveness of a Registration Statement or commencement of a Shelf Take-Down (or suspend the continued use of an effective Shelf Registration Statement) (each, a "Suspension") (i) during the pendency of a stop order issued by the SEC suspending the use of such Registration Statement or (ii) if the Company delivers to the Holders participating in such registration an officers' certificate (a "Suspension Notice") executed by the Company's principal executive officer and principal financial officer stating that the Board, after consultation with Company Outside Counsel, has in good faith determined such postponement or suspension is necessary in order to avoid premature disclosure of material nonpublic information and the Company has a bona fide business purpose for not disclosing such information publicly at such time; provided, however, that the Company shall not be permitted to exercise a Suspension (i) more than twice during any twelve (12)-month period, (ii) for a period exceeding forty-five (45) days in any one occasion and (iii) unless for the full period of the Suspension, the Company does not offer or sell securities for its own account, does not permit registered sales by any holder of its securities and prohibits offers and sales by its directors and officers. Promptly following the cessation or discontinuance of the facts and circumstances forming the basis for any Suspension Notice, the Company shall use its commercially reasonable efforts to (i) amend the Registration Statement and/or amend or supplement the related prospectus included therein to the extent necessary, (ii) take all other actions reasonably necessary, to allow the commencement of the Shelf Take- Down or the use of the Shelf Registration Statement to recommence as promptly as possible, and (iii) promptly provide written notice to such Holders (or a representative of such Holders) (an "End of Suspension Notice") of the termination of any Suspension. In connection with a Demand Registration, prior to the termination of any Suspension, the Holder that made the request for Demand Registration will be entitled to withdraw its Demand Notice. After receipt of the Suspension Notice, the Holders will suspend use of the applicable Registration Statement, prospectus or prospectus supplement in connection with any sale or purchase of, or offer to sell or purchase, such Holders' Registrable Securities.

2.10 Indemnification .

(a) The Company agrees to indemnify and hold harmless to the fullest extent permitted by law, each Holder, any Person who is or might be deemed to be a controlling person of the Company or any of its subsidiaries within the meaning of Section 15 of the Securities Act

or Section 20 of the Exchange Act their respective direct and indirect general and limited partners, advisory board members, directors, officers, trustees, managers, members, agents, Affiliates and shareholders, and each other Person, if any, who controls any such Holder or controlling person within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act (each such person being referred to herein as a “Covered Person”) against, and pay and reimburse such Covered Persons for any losses, claims, damages, liabilities, joint or several, costs (including, without limitation, costs of preparation and reasonable attorneys’ fees and any legal or other fees or expenses incurred by such Covered Person in connections with any investigation or proceeding), expenses, judgments, fines, penalties, charges and amounts paid in settlement (collectively, “Losses” and, individually, each a “Loss”) to which such Covered Person may become subject under the Securities Act, the Exchange Act, any state blue sky securities laws, any equivalent non-U.S. securities laws or otherwise, insofar as such Losses (or actions or proceedings, whether commenced or threatened, in respect thereof) arise out of or are based upon (i) any untrue or alleged untrue statement of material fact contained or incorporated by reference in any Registration Statement, prospectus, preliminary prospectus or free writing prospectus, or any amendment thereof or supplement thereto, or any document incorporated by reference therein, or any other such disclosure document (including reports and other documents filed under the Exchange Act and any document incorporated by reference therein) or other document or report, (ii) any omission or alleged omission of a material fact required to be stated therein or necessary to make the statements therein not misleading, or (iii) any violation by the Company of any rule or regulation promulgated under the Securities Act or any state securities laws applicable to the Company and relating to action or inaction required of the Company in connection with any such registration, and the Company will pay and reimburse such Covered Persons for any legal or any other expenses actually and reasonably incurred by them in connection with investigating, defending or settling any such loss, claim, liability, action or proceeding; provided that the Company shall not be liable in any such case to the extent that any such Loss (or action or proceeding in respect thereof) arises out of or is based upon an untrue statement or alleged untrue statement, or omission or alleged omission, made or incorporated by reference in such Registration Statement, any such prospectus, preliminary prospectus or free writing prospectus or any amendment or supplement thereto, or any document incorporated by reference therein, or any other such disclosure document (including reports and other documents filed under the Exchange Act and any document incorporated by reference therein) or other document or report, or in any application in reliance upon, and in conformity with, the Selling Holder Information. In connection with an Underwritten Offering, the Company, if requested, will indemnify the underwriters, their officers and directors and each Person who controls such underwriters (within the meaning of the Securities Act) to the same extent as provided above with respect to the indemnification of the Covered Persons and in such other manner as the underwriters may request in accordance with their standard practice.

(b) In connection with any Registration Statement in which a Holder is participating, each such Holder will indemnify and hold harmless the Company, its directors and officers, employees, agents and any Person who is or might be deemed to be a controlling person of the Company or any of its subsidiaries within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act against any Losses to which such Holder or any such director or officer, any such underwriter or controlling person may become subject under the Securities

Act, the Exchange Act, any state blue sky securities laws, any equivalent non-U.S. securities laws or otherwise, insofar as such Losses (or actions or proceedings, whether commenced or threatened, in respect thereof) arise out of or are based upon (i) any untrue or alleged untrue statement of material fact contained in the Registration Statement, prospectus, preliminary prospectus or free writing prospectus, or any amendment thereof or supplement thereto, or in any application or (ii) any omission or alleged omission of a material fact required to be stated therein or necessary to make the statements therein not misleading, but only to the extent that such untrue statement or omission is made in such Registration Statement, any such prospectus, preliminary prospectus or free writing prospectus, or any amendment or supplement thereto, or in any application, in reliance upon and in conformity with the Selling Holder Information (and except insofar as such Losses arise out of or are based upon any such untrue statement or omission or alleged untrue statement or omission based upon information relating to any underwriter furnished to the Company in writing by such underwriter expressly for use in such Registration Statement), and such Holder will reimburse the Company and each such director, officer, underwriter and controlling Person for any legal or any other expenses actually and reasonably incurred by them in connection with investigating, defending or settling any such loss, claim, liability, action or proceeding; provided, however, that the obligations of such Holder hereunder shall not apply to amounts paid in settlement of any such Losses (or actions in respect thereof) if such settlement is effected without the consent of such Holder (which consent shall not be unreasonably withheld); and provided, further that the obligation to indemnify and hold harmless shall be individual and several to each Holder and shall be limited to the amount of net proceeds received by such Holder from the sale of Registrable Securities covered by such Registration Statement.

(c) Any Person entitled to indemnification hereunder shall give prompt written notice to the indemnifying party of any claim or the commencement of any proceeding with respect to which it seeks indemnification pursuant hereto; provided, however, that any delay or failure to so notify the indemnifying party shall relieve the indemnifying party of its obligations hereunder only to the extent, if at all, that it is actually and materially prejudiced by reason of such delay or failure. The indemnifying party shall have the right, exercisable by giving written notice to an indemnified party promptly after the receipt of written notice from such indemnified party of such claim or proceeding, to assume, at the indemnifying party's expense, the defense of any such claim or proceeding, with counsel reasonably acceptable to such indemnified party; provided that (i) any indemnified party shall have the right to select and employ separate counsel and to participate in the defense of any such claim or proceeding, but the fees and expenses of such counsel shall be at the expense of such indemnified party unless

(A) the indemnifying party has agreed in writing to pay such fees or expenses or (B) the indemnifying party shall have failed to assume, or in the event of a conflict of interest cannot assume, the defense of such claim or proceeding within a reasonable time after receipt of notice of such claim or proceeding or fails to employ counsel reasonably satisfactory to such indemnified party or to pursue the defense of such claim in a reasonably vigorous manner or (C) the named parties to any proceeding (including impleaded parties) include both such indemnified and the indemnifying party, and such indemnified party has reasonably concluded (based upon advice of its counsel) that there may be legal defenses available to it that are inconsistent with those available to the indemnifying party or that a conflict of interest is likely to exist among

such indemnified party and any other indemnified parties (in which case the indemnifying party shall not have the right to assume the defense of such action on behalf of such indemnified party); and (ii) subject to clause (i)(C) above, the indemnifying party shall not, in connection with any one such claim or proceeding or separate but substantially similar or related claims or proceedings in the same jurisdiction, arising out of the same general allegations or circumstances, be liable for the fees and expenses of more than one firm of attorneys (together with appropriate local counsel) at any time for all of the indemnified parties, or for fees and expenses that are not reasonable. Whether or not the indemnifying party assumes the defense, the indemnifying party shall not have the right to settle such action without the consent of the indemnified party. No indemnifying party shall consent to entry of any judgment or enter into any settlement which (x) does not include as an unconditional term thereof the giving by the claimant or plaintiff to such indemnified party of a release, in form and substance reasonably satisfactory to the indemnified party, from all liability in respect of such claim or litigation for which such indemnified party would be entitled to indemnification hereunder or (y) involves the imposition of equitable remedies or the imposition of any obligations on the indemnified party or adversely affects such indemnified party other than as a result of financial obligations for which such indemnified party would be entitled to indemnification hereunder.

(d) If the indemnification provided for in this Section 2.10 is held by a court of competent jurisdiction to be unavailable to an indemnified party with respect to any Losses (other than in accordance with its terms), then the indemnifying party, in lieu of indemnifying such indemnified party thereunder, will contribute to the amount paid or payable by such indemnified party as a result of such Losses, in such proportion as is appropriate to reflect the relative fault of the indemnifying party on the one hand and of the indemnified party on the other hand in connection with the statements or omissions which resulted in such Losses as well as any other relevant equitable considerations. The relevant fault of the indemnifying party and the indemnified party will be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission to state a material fact relates to information supplied by the indemnifying party or by the indemnified party and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. Notwithstanding the foregoing, the amount any Holder will be obligated to contribute pursuant to this Section 2.10(d) will be limited to an amount equal to the net proceeds to such Holder from the Registrable Securities sold pursuant to the Registration Statement which gives rise to such obligation to contribute (less the aggregate amount of any damages which the Holder has otherwise been required to pay in respect of such Loss or any substantially similar Loss arising from the sale of such Registrable Securities). No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation.

(e) To the extent that any of the Holders is, or would be expected to be, deemed to be an underwriter of Registrable Securities pursuant to any SEC comments or policies or any court of law or otherwise, the Company agrees that (i) the indemnification and contribution provisions contained in this Section 2.10 shall be applicable to the benefit of such Holder in its role as deemed underwriter in addition to its capacity as a Holder (so long as the

amount for which any other Holder is or becomes responsible does not exceed the amount for which such Holder would be responsible if the Holder were not deemed to be an underwriter of Registrable Securities) and (ii) such Holder and its representatives shall be entitled to conduct the due diligence which would normally be conducted in connection with an offering of securities registered under the Securities Act, including receipt of customary opinions and comfort letters.

(f) The indemnification provided for under this Agreement will remain in full force and effect regardless of any investigation made by or on behalf of the indemnified party or any officer, director or controlling Person of such indemnified party and will survive the registration and sale of any securities by any Person entitled to any indemnification hereunder and the expiration or termination of this Agreement.

2.11 Conversion of Other Securities. If any Holder offers any options, rights, warrants or other securities issued by it that are offered with, convertible into or exercisable or exchangeable for any Registrable Securities, the Registrable Securities underlying such options, rights, warrants or other securities shall be eligible for registration pursuant to Sections 2.1, 2.2 and 2.4 hereof.

2.12 Rule 144. The Company shall use its reasonable best efforts to file any reports required to be filed by it under the Securities Act and the Exchange Act and to take such further action as any Holder may reasonably request to enable Holders to sell Registrable Securities without registration under the Securities Act from time to time within the limitation of the exemptions provided by Rule 144. The Company shall, in connection with any request by a Holder in connection with a sale, transfer or other disposition by such Holder of any Registrable Securities pursuant to Rule 144 for the removal of any restrictive legend or similar restriction on such Registrable Securities, promptly cause the removal of such restrictive legend or restriction, make or cause to be made appropriate notifications on the books of the Company's transfer agent and provide a customary opinion of counsel and instruction letter required by the Company's transfer agent.

2.13 Transfer of Registration Rights. Any member of the Genworth Affiliated Group may transfer all or any portion of its rights under this Agreement to any transferee of Registrable Securities constituting not less than 10% of the outstanding shares of Common Stock of the Company. Any transfer of registration rights pursuant to this Section 2.13 from any member of the Genworth Affiliated Group to any Person that is not a member of the Genworth Affiliated Group shall be effective upon receipt by the Company of written notice from the transferor stating the name and address of the transferee and identifying the amount of Registrable Securities with respect to which rights under this Agreement are being transferred.

ARTICLE III

PROVISIONS APPLICABLE TO ALL DISPOSITIONS OF REGISTRABLE SECURITIES BY GENWORTH

3.1 Underwriter Selection. In any public or private offering of Registrable Securities in which a member of the Genworth Affiliated Group is a Selling Holder, other than pursuant to a Piggyback Registration, Genworth shall have the sole right to select the managing underwriters

to arrange such Underwritten Offering, which may include any Affiliate of Genworth and which shall be investment banking institutions of international standing.

3.2 Cooperation with Sales. In addition to the provisions of Section 2.6 hereof, applicable to sales of Registrable Securities pursuant to a registration, in connection with any sale or disposition of Registrable Securities by Genworth, the Company shall provide full cooperation, including:

- (a) providing access to employees, management and company records to any purchaser or potential purchaser, and to any underwriters, initial purchasers, brokers, dealers or agents involved in any sale or disposition, subject to entry into customary confidentiality arrangements;
- (b) participation in road shows, investor and analyst meetings, conference calls and similar activities;
- (c) using reasonable best efforts to obtain customary auditor comfort letters and legal opinions;
- (d) entering into customary underwriting and other agreements;
- (e) using reasonable best efforts to obtain any regulatory approval or relief necessary for any proposed sale or disposition; and
- (f) filing of registration statements with the SEC or with other authorities or making other regulatory or similar filings necessary or advisable in order to facilitate any sale or disposition.

3.3 Expenses of Offerings. Notwithstanding anything to the contrary in this Agreement, the Company shall be responsible for any expenses associated with any sale of Registrable Securities by Genworth, except for the fees and expenses of Holders' Counsel and Selling Expenses.

3.4 Further Assurances. The Company shall use its reasonable best efforts to cooperate with and facilitate, and shall not interfere with, the disposition by Genworth of its holdings of Registrable Securities.

ARTICLE IV MISCELLANEOUS

4.1 Term. This Agreement shall terminate upon such time as no Registrable Securities remain outstanding, except for the provisions of Sections 2.7, 2.10, and 3.3 and this Article 4 which shall survive such termination.

4.2 Other Holder Activities. Notwithstanding anything in this Agreement, none of the provisions of this Agreement shall in any way limit a Holder or any of its Affiliates from engaging in any brokerage, investment advisory, financial advisory, financing, asset management, trading, market making, arbitrage, investment activity and other similar activities conducted in the ordinary course of their business.

4.3 No Inconsistent Agreements.

(a) The Company represents and warrants that it has not entered into and covenants and agrees that it will not enter into, any agreement with respect to its securities which is inconsistent with, more favorable than or violates the rights granted to the Holders of Registrable Securities in this Agreement.

(b) To the extent any portion of this Agreement conflicts, or is inconsistent, with the Master Agreement, the Master Agreement shall control.

4.4 Amendment, Modification and Waiver. This Agreement may be amended, modified or supplemented at any time by written agreement of the parties. Any failure of any party to comply with any term or provision of this Agreement may be waived by the other party, by an instrument in writing signed by such party, but such waiver or failure to insist upon strict compliance with such term or provision shall not operate as a waiver of, or estoppel with respect to, any subsequent or other failure to comply.

4.5 No Third-Party Beneficiaries. Other than as set forth in Section 2.10 with respect to the indemnified parties and as expressly set forth elsewhere in this Agreement, nothing in this Agreement, express or implied, is intended to confer upon any person, other than the parties and their respective successors and permitted assigns, any rights or remedies under or by reason of this Agreement. Only the parties that are signatories to this Agreement and any Joinder Agreement substantially in the form of Exhibit A hereto (and their respective permitted successors and assigns) shall have any obligation or liability under, in connection with, arising out of, resulting from or in any way related to this Agreement or any other matter contemplated hereby, or the process leading up to the execution and delivery of this Agreement and the transactions contemplated hereby, subject to the provisions of this Agreement.

4.6 Entire Agreement. Except as otherwise expressly provided herein, this Agreement, together with the Master Agreement, constitutes the entire agreement among the parties with respect to the subject matter of this Agreement and supersedes all prior agreements and understandings, both written and oral, between or on behalf of Genworth or its Affiliates, on the one hand, and the Company or its Affiliates, on the other hand, with respect to the subject matter of this Agreement.

4.7 Severability. In the event that any provision of this Agreement is declared invalid, void or unenforceable, the remainder of this Agreement shall remain in full force and effect, and such invalid, void or unenforceable provision shall be interpreted in a manner that accomplishes, to the extent possible, the original purpose of such provision.

4.8 Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original and all of which together shall constitute one and the same instrument. The counterparts of this Agreement may be executed and delivered by facsimile or other electronic imaging means (including in pdf or tif format sent by electronic mail) by a party to the other party and the receiving party may rely on the receipt of such document so executed and delivered by facsimile or other electronic imaging means as if the original had been received.

4.9 Specific Performance; Remedies. In the event of any actual or threatened default in, or breach of, any of the terms, conditions and provisions of this Agreement, the affected party shall have the right to specific performance and injunctive or other equitable relief of its rights under this Agreement, in addition to any and all other rights and remedies at law or in equity, and all such rights and remedies shall be cumulative. The other party shall not oppose the granting of such relief. The parties agree that the remedies at law for any breach or threatened breach hereof, including monetary damages, are inadequate compensation for any loss and that any defense in any action for specific performance that a remedy at law would be adequate is waived. Any requirements for the securing or posting of any bond with such remedy are hereby waived.

4.10 Governing Law. This Agreement shall be governed by, and interpreted in accordance with, the laws of the State of Delaware applicable to contracts made and to be performed entirely within such State, without regard to any principles of conflicts of law principles thereof to the extent that such principles would apply the law of another jurisdiction.

4.11 WAIVER OF JURY TRIAL. EACH PARTY KNOWINGLY, VOLUNTARILY AND INTENTIONALLY WAIVES (TO THE EXTENT PERMITTED BY APPLICABLE LAW) ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY OF ANY DISPUTE ARISING UNDER OR RELATING TO THIS AGREEMENT AND AGREES THAT ANY SUCH DISPUTE SHALL BE TRIED BEFORE A JUDGE SITTING WITHOUT A JURY.

4.12 Jurisdiction; Venue. Any suit, action or proceeding relating to this Agreement shall be brought exclusively in the Court of Chancery of the State of Delaware. Section 4. Shares Reserved for Issuance; Certain Limitations

(a) The maximum number of shares of Common Stock reserved for issuance under the Plan shall be 4,000,000 shares (subject to adjustment as provided in Section 5), as increased on the first day of each fiscal year of the Company beginning in calendar year 2022 by a number of shares of Common Stock equal to the excess, if any, of (x) 4,000,000 shares of Common Stock, over (y) the number of shares of Common Stock reserved and available for issuance in respect of future grants of Awards under the Plan as of the last day of the immediately preceding fiscal year.

(b) Shares issued under the Plan may, in whole or in part, be authorized but unissued Shares or Shares that shall have been or may be reacquired by the Company in the open market, in private transactions or otherwise. If any Shares subject to an Award are forfeited, cancelled, exchanged or surrendered or if an Award otherwise terminates or expires without a distribution of Shares to the Participant, the Shares with respect to such Award shall, to the extent of any such forfeiture, cancellation, exchange, surrender, termination or expiration, again be available for Awards under the Plan. Shares that are exchanged by a Participant or withheld by the Company as full or partial payment in connection with the exercise of any Option or Stock Appreciation Right under the Plan or the payment of any purchase price with respect to any other Award under the Plan, as well as any Shares exchanged by a Participant or withheld by the Company or any Subsidiary to satisfy the tax withholding obligations related to any Award under the Plan, shall not be available for subsequent Awards under the Plan. In addition, (i) to the extent an Award is denominated in shares of Common Stock, but paid or settled in cash, the number of shares of Common Stock with respect to which such payment or settlement is made shall again be available for grants of Awards pursuant to the Plan and (ii) shares of Common Stock underlying Awards that can only be settled in cash shall not be counted against the aggregate number of shares of Common Stock available for Awards under the Plan.

(c) No Participant who is a non-employee director of the Company shall be granted Awards during any calendar year that, when aggregated with such non-employee director's cash fees with respect to such calendar year, exceed \$750,000 in total value (calculating the value of any such Awards based on the grant date fair value of such Awards for the Company's financial reporting purposes). The Administrator may make exceptions to increase such limit to \$1,000,000 for an individual non-employee director in extraordinary circumstances, such as where a non-employee director serves as the non-executive chairman of the Board or lead

independent director, or as a member of a special litigation or transactions committee of the Board, as the Administrator may determine in its sole discretion, provided that the non-employee director receiving such additional compensation may not participate in the decision to award such compensation involving such non-employee director.

Section 5. Equitable Adjustments.

(a) In the event of any Change in Capitalization (including a Change in Control), an equitable substitution or proportionate adjustment shall be made, in each case, as may be determined by the Administrator, in its sole discretion, in (i) the aggregate number of shares of Common Stock reserved for issuance under the Plan, (ii) the kind and number of securities subject to, and the Exercise Price or Base Price of, any outstanding Options and Stock Appreciation Rights granted under the Plan, (iii) the kind, number and purchase price of shares of Common Stock, or the amount of cash or amount or type of other property, subject to outstanding Restricted Stock, Restricted Stock Units, Stock Bonuses and Other Stock-Based Awards granted under the Plan or (iv) the Performance Goals and performance periods applicable to any Awards granted under the Plan; provided, however, that any fractional shares resulting from the adjustment shall be eliminated. Such other equitable substitutions or adjustments shall be made as may be determined by the Administrator, in its sole discretion.

(b) Without limiting the generality of the foregoing, in connection with a Change in Capitalization (including a Change in Control), the Administrator may provide, in its sole discretion, but subject in all events to the requirements of Section 409A of the Code, for the cancellation of any outstanding Award in exchange for payment in cash or other property having an aggregate Fair Market Value equal to the Fair Market Value of the shares of Common Stock, cash or other property covered by such Award, reduced by the aggregate Exercise Price or Base Price thereof, if any; provided, however, that if the Exercise Price or Base Price of any outstanding Award is equal to or greater than the Fair Market Value of the shares of Common Stock, cash or other property covered by such Award, the Administrator may cancel such Award without the payment of any consideration to the Participant.

(c) The determinations made by the Administrator pursuant to this Section 5 shall be final, binding and conclusive.

Section 6. Eligibility.

The Participants under the Plan shall be selected from time to time by the Administrator, in its sole discretion, from those individuals that qualify as Eligible Recipients.

Section 7. Options.

(a) General. Each Participant who is granted an Option shall enter into an Award Agreement with the Company, containing such terms and conditions as the Administrator shall determine, in its sole discretion, which Award Agreement shall set forth, among other things, the Exercise Price of the Option, the term of the Option and provisions regarding exercisability of the Option, and whether the Option is intended to be an ISO or a Nonqualified Stock Option (and in the event the Award Agreement has no such designation, the Option shall be a Nonqualified Stock Option). More than one Option may be granted to the same Participant and be outstanding

concurrently hereunder. Options granted under the Plan shall be subject to the terms and conditions set forth in this Section 7 and shall contain such additional terms and conditions, not inconsistent with the terms of the Plan, as the Administrator shall deem desirable and set forth in the applicable Award Agreement.

The Exercise Price of Shares purchasable under an Option shall be determined by the Administrator in its sole discretion at the time of grant, but, except as provided in the applicable Award Agreement, in no event shall the exercise price of an Option be less than one hundred percent (100%) of the Fair Market Value of the related shares of Common Stock on the date of grant.

(c) Option Term. The maximum term of each Option shall be fixed by the Administrator, but no Option shall be exercisable more than ten (10) years after the date such Option is granted. Each Option's term is subject to earlier expiration pursuant to the applicable provisions in the Plan and the Award Agreement.

(d) Exercisability. Each Option shall be exercisable at such time or times and subject to such terms and conditions, including the attainment of Performance Goals, as shall be determined by the Administrator in the applicable Award Agreement. The Administrator may also provide that any Option shall be exercisable only in installments, and the Administrator may waive such installment exercise provisions at any time, in whole or in part, based on such factors as the Administrator may determine in its sole discretion. Notwithstanding anything to the contrary contained herein, an Option may not be exercised for a fraction of a share.

(e) Method of Exercise. Options may be exercised in whole or in part by giving written notice of exercise to the Company specifying the number of whole Shares to be purchased, accompanied by payment in full of the aggregate Exercise Price of the Shares so purchased in cash or its equivalent, as determined by the Administrator. As determined by the Administrator, in its sole discretion, with respect to any Option or category of Options, payment in whole or in part may also be made (i) by means of consideration received under any cashless exercise procedure approved by the Administrator (including the withholding of Shares otherwise issuable upon exercise), (ii) in the form of unrestricted Shares already owned by the Participant which have a Fair Market Value on the date of surrender equal to the aggregate exercise price of the Shares as to which such Option shall be exercised, (iii) any other form of consideration approved by the Administrator and permitted by applicable law or (iv) any combination of the foregoing.

(f) ISOs. The terms and conditions of ISOs granted hereunder shall be subject to the provisions of Section 422 of the Code and the terms, conditions, limitations and administrative procedures established by the Administrator from time to time in accordance with the Plan. At the discretion of the Administrator, ISOs may be granted only to an employee of the Company, its "parent corporation" (as such term is defined in Section 424(e) of the Code) or a Subsidiary of the Company. All of the shares of Common Stock reserved for issuance under the Plan pursuant to Section 4(a) hereof (subject to adjustment as provided in Section 5 hereof) may be granted as ISOs.

(i) ISO Grants to 10% Stockholders. Notwithstanding anything to the contrary in the Plan, if an ISO is granted to a Participant who owns shares representing more than ten percent (10%) of the voting power of all classes of shares of the Company, its “parent corporation” (as such term is defined in Section 424(e) of the Code) or a Subsidiary of the Company, the term of the ISO shall not exceed five (5) years from the time of grant of such ISO and the Exercise Price shall be at least one hundred and ten percent (110%) of the Fair Market Value of the Shares on the date of grant.

(ii) \$100,000 Per Year Limitation For ISOs. To the extent the aggregate Fair Market Value (determined on the date of grant) of the Shares for which ISOs are exercisable for the first time by any Participant during any calendar year (under all plans of the Company) exceeds \$100,000, such excess ISOs shall be treated as Nonqualified Stock Options.

(iii) Disqualifying Dispositions. Each Participant awarded an ISO under the Plan shall notify the Company in writing immediately after the date the Participant makes a “disqualifying disposition” of any Share acquired pursuant to the exercise of such ISO. A “disqualifying disposition” is any disposition (including any sale) of such Shares before the later of (i) two years after the date of grant of the ISO and (ii) one year after the date the Participant acquired the Shares by exercising the ISO. The Company may, if determined by the Administrator and in accordance with procedures established by it, retain possession of any Shares acquired pursuant to the exercise of an ISO as agent for the applicable Participant until the end of the period described in the preceding sentence, subject to complying with any instructions from such Participant as to the sale of such Shares.

(g) Rights as Stockholder. Except as provided in the applicable Award Agreement, a Participant shall have no rights to dividends, dividend equivalents or distributions or any other rights of a stockholder with respect to the Shares subject to an Option until the Participant has given written notice of the exercise thereof, has paid in full for such Shares and has satisfied the requirements of Section 17 hereof.

(h) Termination of Employment or Service. In the event of the termination of employment or service with the Company and all Affiliates thereof of a Participant who has been granted one or more Options, such Options shall be exercisable at such time or times and subject to such terms and conditions as set forth in the Award Agreement.

(i) Other Change in Employment or Service Status. An Option shall be affected, both with regard to vesting schedule and termination, by leaves of absence, including unpaid and un-protected leaves of absence, changes from full-time to part-time employment, partial Disability or other changes in the employment status or service status of a Participant, in the discretion of the Administrator.

Section 8. Stock Appreciation Rights.

(a) General. Stock Appreciation Rights may be granted either alone (“Free Standing Rights”) or in conjunction with all or part of any Option granted under the Plan (“Related Rights”). Related Rights may be granted either at or after the time of the grant of such Option. The Administrator shall determine the Eligible Recipients to whom, and the time or times at

which, grants of Stock Appreciation Rights shall be made, the number of Shares to be awarded, the Base Price, and all other conditions of Stock Appreciation Rights. Notwithstanding the foregoing, no Related Right may be granted for more Shares than are subject to the Option to which it relates. Stock Appreciation Rights granted under the Plan shall be subject to the following terms and conditions set forth in this Section 8 and shall contain such additional terms and conditions, not inconsistent with the terms of the Plan, as the Administrator shall deem desirable, as set forth in the applicable Award Agreement.

(b) Base Price. Except as provided in the applicable Award Agreement, each Stock Appreciation Right shall be granted with a base price that is not less than one hundred percent (100%) of the Fair Market Value of the related shares of Common Stock on the date of grant (such amount, the "Base Price").

(c) Rights as Stockholder. Except as provided in the applicable Award Agreement, a Participant shall have no rights to dividends, dividend equivalents or distributions or any other rights of a stockholder with respect to the Shares, if any, subject to a Stock Appreciation Right until the Participant has given written notice of the exercise thereof and has satisfied the requirements of Section 17 hereof.

(d) Exercisability.

(1) Stock Appreciation Rights that are Free Standing Rights shall be exercisable at such time or times and subject to such terms and conditions as shall be determined by the Administrator in the applicable Award Agreement.

(2) Stock Appreciation Rights that are Related Rights shall be exercisable only at such time or times and to the extent that the Options to which they relate shall be exercisable in accordance with the provisions of Section 7 hereof and this Section 8.

(e) Consideration Upon Exercise.

(1) Upon the exercise of a Free Standing Right, the Participant shall be entitled to receive up to, but not more than, that number of Shares equal in value to (i) the excess of the Fair Market Value of a share of Common Stock as of the date of exercise over the Base Price per share specified in the Free Standing Right, multiplied by (ii) the number of Shares in respect of which the Free Standing Right is being exercised.

(2) A Related Right may be exercised by a Participant by surrendering the applicable portion of the related Option. Upon such exercise and surrender, the Participant shall be entitled to receive up to, but not more than, that number of Shares equal in value to (i) the excess of the Fair Market Value of a share of Common Stock as of the date of exercise over the Exercise Price specified in the related Option, multiplied by (ii) the number of Shares in respect of which the Related Right is being exercised. Options which have been so surrendered, in whole or in part, shall no longer be exercisable to the extent the Related Rights have been so exercised.

(3) Notwithstanding the foregoing, the Administrator may determine to settle the exercise of a Stock Appreciation Right in cash (or in any combination of Shares and cash).

(f) Termination of Employment or Service.

(1) In the event of the termination of employment or service with the Company and all Affiliates thereof of a Participant who has been granted one or more Free Standing Rights, such rights shall be exercisable at such time or times and subject to such terms and conditions as set forth in the Award Agreement.

(2) In the event of the termination of employment or service with the Company and all Affiliates thereof of a Participant who has been granted one or more Related Rights, such rights shall be exercisable at such time or times and subject to such terms and conditions as set forth in the related Options.

(g) Term.

(1) The term of each Free Standing Right shall be fixed by the Administrator, but no Free Standing Right shall be exercisable more than ten (10) years after the date such right is granted.

(2) The term of each Related Right shall be the term of the Option to which it relates, but no Related Right shall be exercisable more than ten (10) years after the date such right is granted.

(h) Other Change in Employment or Service Status. Stock Appreciation Rights shall be affected, both with regard to vesting schedule and termination, by leaves of absence, including unpaid and un-protected leaves of absence, changes from full-time to part-time employment, partial Disability or other changes in the employment status or service status of a Participant, in the discretion of the Administrator.

Section 9. Restricted Stock and Restricted Stock Units.

(a) General. Restricted Stock and Restricted Stock Units (including Performance Stock Units) may be issued under the Plan. The Administrator shall determine the Eligible Recipients to whom, and the time or times at which, Restricted Stock or Restricted Stock Units shall be made; the number of Shares to be awarded; the price, if any, to be paid by the Participant for the acquisition of Restricted Stock or Restricted Stock Units; the period of time prior to which Restricted Stock or Restricted Stock Units become vested and free of restrictions on Transfer (the "Restricted Period"); the Performance Goals (if any); and all other conditions of the Restricted Stock and Restricted Stock Units. If the restrictions, Performance Goals and/or conditions established by the Administrator are not attained, a Participant shall forfeit the Participant's Restricted Stock or Restricted Stock Units, in accordance with the terms of the grant.

(b) Awards and Certificates.

(1) Except as otherwise provided in Section 9(b)(3) hereof, (i) each Participant who is granted an Award of Restricted Stock may, in the Company's sole discretion, be issued a stock certificate in respect of such Restricted Stock; and (ii) any such certificate so issued shall be registered in the name of the Participant, and shall bear an appropriate legend

referring to the terms, conditions, and restrictions applicable to any such Award. The Company may require that the stock certificates, if any, evidencing Restricted Stock granted hereunder be held in the custody of the Company until the restrictions thereon shall have lapsed, and that, as a condition of any award of Restricted Stock, the Participant shall have delivered a stock transfer form, endorsed in blank, relating to the Shares covered by such award. Certificates for shares of unrestricted Common Stock may, in the Company's sole discretion, be delivered to the Participant only after the Restricted Period has expired without forfeiture in respect of such Restricted Stock.

(2) With respect to an Award of Restricted Stock Units to be settled in Shares, at the expiration of the Restricted Period, stock certificates in respect of the shares of Common Stock underlying such Restricted Stock Units may, in the Company's sole discretion, be delivered to the Participant, or the Participant's legal representative, in a number equal to the number of shares of Common Stock underlying the Award of Restricted Stock Units.

(3) Notwithstanding anything in the Plan to the contrary, any Restricted Stock or Restricted Stock Units to be settled in Shares (at the expiration of the Restricted Period) may, in the Company's sole discretion, be issued in uncertificated form.

(4) Further, notwithstanding anything in the Plan to the contrary, with respect to Restricted Stock Units, at the expiration of the Restricted Period, Shares (either in certificated or uncertificated form) or cash, as applicable, shall promptly be issued to the Participant, unless otherwise deferred in accordance with procedures established by the Company in accordance with Section 409A of the Code, and such issuance or payment shall in any event be made no later than March 15th of the calendar year following the year of vesting or within such other period as is required to avoid accelerated taxation and/or tax penalties under Section 409A of the Code.

(c) Restrictions and Conditions. The Restricted Stock and Restricted Stock Units granted pursuant to this Section 9 shall be subject to the following restrictions and conditions and any additional restrictions or conditions as determined by the Administrator at the time of grant or, subject to Section 409A of the Code where applicable, thereafter:

(1) The Award Agreement may provide for the lapse of restrictions in installments and may accelerate or waive such restrictions in whole or in part based on such factors and such circumstances as set forth in the Award Agreement, including, but not limited to, the attainment of certain performance related goals, the Participant's termination of employment or service with the Company or any Affiliate thereof, or the Participant's death or Disability. Notwithstanding the foregoing, upon a Change in Control, the outstanding Awards shall be subject to Section 13 hereof.

(2) Except as provided in the applicable Award Agreement, the Participant shall generally have the rights of a stockholder of the Company with respect to shares of Restricted Stock during the Restricted Period, including the right to vote such shares and to receive any dividends declared with respect to such shares; provided, however, that except as provided in the applicable Award Agreement, any dividends declared during the Restricted Period with respect to such shares shall only become payable if (and to the extent) the underlying Restricted Shares vest. Except as provided in the applicable Award Agreement, the Participant

shall generally not have the rights of a stockholder with respect to shares of Common Stock subject to Restricted Stock Units during the Restricted Period; provided, however, that, subject to Section 409A of the Code, an amount equal to any dividends declared during the Restricted Period with respect to the number of shares of Common Stock covered by Restricted Stock Units may, to the extent set forth in an Award Agreement, be provided to the Participant either currently or at the time (and to the extent) that shares of Common Stock in respect of the related Restricted Stock Units are delivered to the Participant.

(d) Termination of Employment or Service. The rights of Participants granted Restricted Stock or Restricted Stock Units upon termination of employment or service with the Company and all Affiliates thereof for any reason during the Restricted Period shall be set forth in the Award Agreement.

(e) Form of Settlement. The Administrator reserves the right in its sole discretion to provide (either at or after the grant thereof) that any Restricted Stock Unit represents the right to receive the amount of cash per unit that is determined by the Administrator in connection with the Award.

Section 10. Other Stock-Based Awards.

Other forms of Awards valued in whole or in part by reference to, or otherwise based on, Common Stock, including but not limited to dividend equivalents, may be granted either alone or in addition to other Awards (other than, in the case of dividend equivalents, in connection with Options or Stock Appreciation Rights) under the Plan. Any dividend or dividend equivalent awarded hereunder shall be subject to the same restrictions, conditions and risks of forfeiture as the underlying Awards and, except as provided in the applicable Award Agreement, shall only become payable if (and to the extent) the underlying Awards vest. Subject to the provisions of the Plan, the Administrator shall have sole and complete authority to determine the individuals to whom and the time or times at which such Other Stock-Based Awards shall be granted, the number of shares of Common Stock to be granted pursuant to such Other Stock-Based Awards, or the manner in which such Other Stock-Based Awards shall be settled (e.g., in shares of Common Stock, cash or other property), or the conditions to the vesting and/or payment or settlement of such Other Stock-Based Awards (which may include, but not be limited to, achievement of performance criteria) and all other terms and conditions of such Other Stock-Based Awards.

Section 11. Stock Bonuses.

In the event that the Administrator grants a Stock Bonus, the Shares constituting such Stock Bonus shall, as determined by the Administrator, be evidenced in uncertificated form or by a book entry record or a certificate issued in the name of the Participant to whom such grant was made and delivered to such Participant as soon as practicable after the date on which such Stock Bonus is payable.

Section 12. Cash Awards.

The Administrator may grant Awards that are payable solely in cash, as deemed by the Administrator to be consistent with the purposes of the Plan, and such Cash Awards shall be

subject to the terms, conditions, restrictions and limitations determined by the Administrator, in its sole discretion, from time to time. Cash Awards may be granted with value and payment contingent upon the achievement of Performance Goals.

Section 13. Change in Control Provisions.

Except as provided in the applicable Award Agreement, in the event that (a) a Change in Control occurs and (b) either (x) an outstanding Award is not assumed or substituted in connection therewith or (y) an outstanding Award is assumed or substituted in connection therewith and the Participant's employment or service is terminated by the Company, its successor or an Affiliate thereof without Cause or by the Participant for Good Reason (if applicable) on or after the effective date of the Change in Control but prior to twelve (12) months following the Change in Control, then:

- (a) any unvested or unexercisable portion of any Award carrying a right to exercise shall become fully vested and exercisable; and
- (b) the restrictions, deferral limitations, payment conditions and forfeiture conditions applicable to an Award granted under the Plan shall lapse and such Awards shall be deemed fully vested and any performance conditions imposed with respect to such Awards shall be deemed to be achieved at the greater of target and actual performance levels.

For purposes of this Section 13, an outstanding Award shall be considered to be assumed or substituted for if, following the Change in Control, the Award remains subject to the same terms and conditions that were applicable to the Award immediately prior to the Change in Control except that, if the Award related to Shares, the Award instead confers the right to receive common stock of the acquiring entity (or such other security or entity as may be determined by the Administrator, in its sole discretion, pursuant to Section 5 hereof).

Section 14. Voting Proxy

The Company reserves the right to require the Participant, to the fullest extent permitted by applicable law, to appoint such Person as shall be determined by the Administrator in its sole discretion as the Participant's proxy with respect to all applicable unvested Awards of which the Participant may be the record holder of from time to time to (A) attend all meetings of the holders of the shares of Common Stock, with full power to vote and act for the Participant with respect to such Awards in the same manner and extent that the Participant might were the Participant personally present at such meetings, and (B) execute and deliver, on behalf of the Participant, any written consent in lieu of a meeting of the holders of the shares of Common Stock in the same manner and extent that the Participant might but for the proxy granted pursuant to this sentence.

Section 15. Amendment and Termination.

The Administrator may amend, alter or terminate the Plan, but no amendment, alteration, or termination shall be made that would impair the rights of a Participant under any outstanding Award without such Participant's consent. Unless the Board determines otherwise, the Board shall obtain approval of the Company's stockholders for any amendment to the Plan that would

require such approval in order to satisfy any rules of the stock exchange on which the Common Stock is traded or other applicable law. The Administrator may amend the terms of any outstanding Award, prospectively or retroactively, but, subject to Section 5 hereof and the immediately preceding sentence, no such amendment shall impair the rights of any Participant without the Participant's consent; provided that the Administrator may amend the terms of any such Award to take effect retroactively or otherwise, as deemed necessary or advisable for the purpose of conforming the Award to any applicable law, government regulation or stock exchange listing requirement relating to such Award (including, but not limited to, Section 409A of the Code), and by accepting an Award under this Plan, the Participant thereby agrees to any amendment made pursuant to this Section 14 to such Award (as determined by the Administrator) without further consideration or action.

Section 16. Unfunded Status of Plan.

The Plan is intended to constitute an "unfunded" plan for incentive compensation. With respect to any payments not yet made to a Participant by the Company, nothing contained herein shall give any such Participant any rights that are greater than those of a general creditor of the Company.

Section 17. Withholding Taxes.

Each Participant shall, no later than the date as of which the value of an Award first becomes includible in the gross income of such Participant for purposes of applicable taxes, pay to the Company, or make arrangements satisfactory to the Company regarding payment of, an amount in respect of such taxes up to the maximum statutory rates in the Participant's applicable jurisdiction with respect to the Award, as determined by the Company. The obligations of the Company under the Plan shall be conditional on the making of such payments or arrangements, and the Company shall, to the extent permitted by law, have the right to deduct any such taxes from any payment of any kind otherwise due to such Participant. Whenever cash is to be paid pursuant to an Award, the Company shall have the right to deduct therefrom an amount sufficient to satisfy any applicable withholding tax requirements related thereto as determined by the Company. Whenever Shares or property other than cash are to be delivered pursuant to an Award, the Company shall have the right to require the Participant to remit to the Company in cash an amount sufficient to satisfy any related taxes to be withheld and applied to the tax obligations as determined by the Company; provided, that, with the approval of the Administrator, a Participant may satisfy the foregoing requirement by either (i) electing to have the Company withhold from such delivery Shares or other property, as applicable, or (ii) by delivering already owned unrestricted shares of Common Stock, in each case, having a value not exceeding the applicable taxes to be withheld and applied to the tax obligations as determined by the Company. Such withheld Shares or other property or already owned and unrestricted shares of Common Stock shall be valued at their Fair Market Value on the date on which the amount of tax to be withheld is determined and any fractional share amounts resulting therefrom shall be settled in cash. Such an election may be made with respect to all or any portion of the Shares to be delivered pursuant to an award. The Company may also use any other method of obtaining the necessary payment or proceeds, as permitted by law, to satisfy its withholding obligation with respect to any Award as determined by the Company.

Section 18. Transfer of Awards.

Until such time as the Awards are fully vested and/or exercisable in accordance with the Plan or an Award Agreement, no purported sale, assignment, mortgage, hypothecation, transfer, charge, pledge, encumbrance, gift, transfer in trust (voting or other) or other disposition of, or creation of a security interest in or lien on, any Award or any agreement or commitment to do any of the foregoing (each, a “Transfer”) by any holder thereof in violation of the provisions of the Plan or an Award Agreement will be valid, except with the prior written consent of the Administrator, which consent may be granted or withheld in the sole discretion of the Administrator. Any purported Transfer of an Award or any economic benefit or interest therein in violation of the Plan or an Award Agreement shall be null and void ab initio, and shall not create any obligation or liability of the Company, and any Person purportedly acquiring any Award or any economic benefit or interest therein transferred in violation of the Plan or an Award Agreement shall not be entitled to be recognized as a holder of any shares of Common Stock or other property underlying such Award. Unless otherwise determined by the Administrator in accordance with the provisions of the immediately preceding sentence, an Option or Stock Appreciation Right may be exercised, during the lifetime of the Participant, only by the Participant or, during any period during which the Participant is under a legal disability, by the Participant’s guardian or legal representative.

Section 19. Continued Employment or Service.

Neither the adoption of the Plan nor the grant of an Award hereunder shall confer upon any Eligible Recipient any right to continued employment or service with the Company or any Affiliate thereof, as the case may be, nor shall it interfere in any way with the right of the Company or any Affiliate thereof to terminate the employment or service of any of its Eligible Recipients at any time.

Section 20. Effective Date.

The Plan was adopted and approved on [●], 2021 and became effective on [●], 2021 (the “Effective Date”).

Section 21. Term of Plan.

No Award shall be granted pursuant to the Plan on or after the tenth anniversary of the Effective Date, but Awards theretofore granted may extend beyond that date.

Section 22. Securities Matters and Regulations.

(a) Notwithstanding anything herein to the contrary, the obligation of the Company to sell or deliver Common Stock with respect to any Award granted under the Plan shall be subject to all applicable laws, rules and regulations, including all applicable federal and state securities laws, the receipt of all such approvals by governmental agencies as may be deemed necessary or appropriate by the Administrator and the listing requirements of any securities exchange on which the Shares are traded. The Administrator may require, as a condition of the issuance and delivery of certificates evidencing shares of Common Stock pursuant to the terms hereof, that the

recipient of such shares make such agreements and representations, and that such certificates bear such legends, as the Administrator, in its sole discretion, deems necessary or advisable.

(b) Each Award is subject to the requirement that, if at any time the Administrator determines that the listing, registration or qualification of Common Stock issuable pursuant to the Plan is required by any securities exchange or under any state or federal law, or the consent or approval of any governmental regulatory body is necessary or desirable as a condition of, or in connection with, the grant of an Award or the issuance of Common Stock, no such Award shall be granted or payment made or Common Stock issued, in whole or in part, unless such listing, registration, qualification, consent or approval has been effected or obtained free of any conditions not acceptable to the Administrator.

(c) In the event that the disposition of Common Stock acquired pursuant to the Plan is not covered by a then current registration statement under the Securities Act and is not otherwise exempt from such registration, such Common Stock shall be restricted against transfer to the extent required by the Securities Act or regulations thereunder, and the Administrator may require a Participant receiving Common Stock pursuant to the Plan, as a condition precedent to receipt of such Common Stock, to represent to the Company in writing that the Common Stock acquired by such Participant is acquired for investment only and not with a view to distribution.

Section 23. Notification of Election Under Section 83(b) of the Code.

If any Participant shall, in connection with the acquisition of shares of Common Stock under the Plan, make the election permitted under Section 83(b) of the Code, such Participant shall notify the Company of such election within ten (10) days after filing notice of the election with the Internal Revenue Service.

Section 24. No Fractional Shares.

No fractional shares of Common Stock shall be issued or delivered pursuant to the Plan. The Administrator shall determine whether cash, other Awards, or other property shall be issued or paid in lieu of such fractional shares or whether such fractional shares or any rights thereto shall be forfeited or otherwise eliminated.

Section 25. Beneficiary.

A Participant may file with the Administrator a written designation of a beneficiary on such form as may be prescribed by the Administrator and may, from time to time, amend or revoke such designation. If no designated beneficiary survives the Participant, the executor or administrator of the Participant's estate shall be deemed to be the Participant's beneficiary.

Section 26. Paperless Administration.

In the event that the Company establishes, for itself or using the services of a third party, an automated system for the documentation, granting or exercise of Awards, such as a system using an internet website or interactive voice response, then the paperless documentation, granting or exercise of Awards by a Participant may be permitted through the use of such an automated system.

Section 27. Severability.

If any provision of the Plan is held to be invalid or unenforceable, the other provisions of the Plan shall not be affected but shall be applied as if the invalid or unenforceable provision had not been included in the Plan.

Section 28. Clawback.

Notwithstanding any other provisions in this Plan, any Award which is subject to recovery under any law, government regulation or stock exchange listing requirement, will be subject to such deductions and clawback as may be required to be made pursuant to such law, government regulation or stock exchange listing requirement (or any policy adopted by the Company pursuant to any such law, government regulation or stock exchange listing requirement).

Section 29. Section 409A of the Code.

The Plan as well as payments and benefits under the Plan are intended to be exempt from, or to the extent subject thereto, to comply with Section 409A of the Code, and, accordingly, to the maximum extent permitted, the Plan shall be interpreted in accordance therewith. Notwithstanding anything contained herein to the contrary, to the extent required in order to avoid accelerated taxation and/or tax penalties under Section 409A of the Code, the Participant shall not be considered to have terminated employment or service with the Company for purposes of the Plan and no payment shall be due to the Participant under the Plan or any Award until the Participant would be considered to have incurred a "separation from service" from the Company and its Affiliates within the meaning of Section 409A of the Code. Any payments described in the Plan that are due within the "short term deferral period" as defined in Section 409A of the Code shall not be treated as deferred compensation unless applicable law requires otherwise. Notwithstanding anything to the contrary in the Plan, to the extent that any Awards (or any other amounts payable under any plan, program or arrangement of the Company or any of its Affiliates) are payable upon a separation from service and such payment would result in the imposition of any individual tax and penalty interest charges imposed under Section 409A of the Code, the settlement and payment of such awards (or other amounts) shall instead be made on the first business day after the date that is six (6) months following such separation from service (or upon the Participant's death, if earlier). Each amount to be paid or benefit to be provided under this Plan shall be construed as a separate identified payment for purposes of Section 409A of the Code. The Administrator shall have the sole authority to make any accelerated distributions permissible under Treas. Reg. Section 1.409A-3(j)(4) to Participants with respect to any deferred amounts, provided that such distributions meets the requirements of Treas. Reg.

Section 1.409A-3(j)(4). The Company makes no representation that any or all of the payments or benefits described in this Plan will be exempt from or comply with Section 409A of the Code and makes no undertaking to preclude Section 409A of the Code from applying to any such payment. The Participant shall be solely responsible for the payment of any taxes and penalties incurred under Section 409A of the Code.

Section 30. Governing Law.

The Plan shall be governed by and construed in accordance with the laws of the State of Delaware, without giving effect to the principles of conflicts of law of such state.

Section 31. Titles and Headings.

The titles and headings of the sections in the Plan are for convenience of reference only and, in the event of any conflict, the text of the Plan, rather than such titles or headings, shall control.

Section 32. Successors.

The obligations of the Company under the Plan shall be binding upon any successor corporation or organization resulting from the merger, consolidation or other reorganization of the Company, or upon any successor corporation or organization succeeding to substantially all of the assets and business of the Company.

Section 33. Relationship to Other Benefits.

No payment pursuant to the Plan shall be taken into account in determining any benefits under any pension, retirement, savings, profit sharing, group insurance, welfare, or other benefit plan of the Company or any Affiliate except to the extent otherwise expressly provided in writing in such other plan or an agreement thereunder.
